

Wonder Doctor Chapters 25-26 –

Chapter 25

“Little divine Doctor, Old Luo is a rough man, so don’t take offense.”

Liu Yue hurriedly rounded up the situation while taking out a white card from her bag and said.

“This is our Luo Group’s diamond card, with this card, you can get a discount when you spend money at our Luo Group’s properties, this card must be accepted by the Little Divine Doctor.”

Lin Ran saw this and shook his head helplessly, people had already taken a step back, if he didn’t accept it again he could really be a bit pretentious.

“Okay, I’ll accept this card.”

Lin Ran took the card and casually put it into his pocket.

Qin Bing, however, looked staggered.

What discount, this was Luo’s supreme diamond card, as long as the industries Luo’s enterprises were involved in, all free of charge, and it could also be used as a credit card, enough to overdraw ten million.

And one thing that even Qin Bing didn’t know was that the number of this card was no.000.

This card is used by Luo Ming himself, seeing this card is like seeing Luo Ming himself, in the Luo’s industry, it is simply a god card that can do anything.

.....

The actual fact is that you can find a lot of people who are not able to get a lot of money from the internet.

At this point it was already time to leave work, and on the way Qin Bing said.

“Thank you for today, let me treat you to dinner later.”

Saying this, Qin Bing had been preparing in her heart for a long time, Lin Ran did not give her a good impression, but this guy made her impervious, so she could not help but want to explore.

“I’m off work

Lin Ran hesitated, although Qin Bing is beautiful, but this character is too icy, not his favorite model, was about to refuse, but the phone rang.

A look at the caller ID, Lin Ran could not help but reveal a smile.

“Brother Chen, why are you calling me all of a sudden?”

“How come I can’t call you if there’s nothing wrong?”

A young man’s voice on the other end of the phone rang out brightly.

“I got my work done, I’m coming to see Little Blue tonight, and I’ll introduce my girlfriend to Brother 9 by the way, 8pm, I won’t see you at the Night Bar.”

Liu Chen said.

“Okay, will definitely go!”

Lin Ran replied, then hung up the phone.

Qin Bing looked at Lin Ran with an unhappy face and spoke.

“So you’ve got a date with your mistress at night, I said how hesitant you are.”

“Er It’s not what you think.”

Lin Ran was helpless, how did he forget about this iceberg beauty in front of him, and immediately explained.

“It’s housemates, just graduated, we are all a bit reluctant to meet up in the evening, or else!”

“No or else, I Qin Bing about people have not been unable to meet, you have something tonight forget it, tomorrow night at eight o’clock, Ya Xiang Hotel, you dare not come, I will tell the dean you molested me.”

When she said this, Qin Bing was speechless in her heart, she was at least a beautiful woman, and there was a reinforced company of rich kids around her, but this kid in front of her was good enough to let herself go on a date.

The first thing you need to do is to get a good look.

Even Qin Bing had said so, Lin Ran couldn’t afford to refuse anymore and nodded his head.

“Tomorrow night then.”

As we spoke, the car had already arrived at the hospital, Lin Ran got out and said hello, then left straight away.

It was about eight o'clock in the evening, Lin Ran first went back to his place, the door of the room opposite was closed, Liu Wenjuan seemed to be still off work, and Liu Wenlong didn't know where he had gone.

Li Ran first went back to his room and took a shower, changed into a relatively clean outfit and then went out the door.

The Night Bar was not far from the university town, and was considered the most luxurious bar in the area. Liu Chen's family was in good condition, and every time he went there, it was always his treat.

It was said that this Night Bar was also a property of the Luo Group, I wonder if this Supreme Diamond Card could be discounted here.

Lin Ran thought to himself.

The distance was not far, so Lin Ran walked all the way there. With the Xuan Yang Pharmacopoeia, this point of the road was no different to him than drinking cold water.

At 7:30 pm, Lin Ran appeared at the entrance of the bar on time.

It was still bright at half past seven, but the number of people entering the bar had increased significantly, as the nightly revelry was already underway.

“Drip!”

The horn sounded and a black SUV listened in front of Lin Ran, it was the boss's car.

“Old Six, it's internship time, why don't you change your clothes, there's a school girl today.”

The car window rolled down, a short-haired young man poked his head out and laughed, it was the dormitory boss, Liu Chen.

There were six brothers in the dormitory, and Lin Ran was the youngest, the sixth in line.

“I’m not on a blind date, where’s brother 9?”

Li Ruonan laughed.

The car door opened and a young man stepped down from the passenger side. He had short flat hair, wore a pair of glasses, was not fat or thin, and wore a short-sleeved shirt, looking well-mannered.

“Brother 9, this dress is a career move?”

Lin Ran opened his mouth and laughed.

He was the second oldest in the dormitory, so the people in the dorm affectionately called him Brother Nine Days.

Brother Jiuzhi was fond of reciting poetry, and wrote two lines of his own poem, which are still unforgettable: “Even if you have ten thousand taels of gold under your knees, it is hard to beat three taels of white meat on your chest.”

“Old Six, how have you been? Have you found a job? If you can’t, you can go sell meat with me.”

Brother Jiuzhi laughed at Lin Ran’s shoulder, who shook his head and laughed.

“Don’t don’t, I’d rather leave the roast chicken shop business to you, I prefer to cure people.”

Three people joking, another car red SUV stopped, from the top walked down three silhouettes, the leader is precisely the boss girlfriend, Xu Lan.

The one immediately behind Xu Lan, Lin Ran did not know, but also looks beautiful, and see the last one, Lin Ran stunned, actually really is Song Nuan, no wonder just now the boss said there is a school girl.

“Hello brothers, these two are my girlfriends, Song Nuan and Xiao Yan.”

Said Xu Lan, with bright eyes, looking towards Lin Ran and Zhang Xu and smiling.

“Song Nuan is the school beauty, and Xiaoyan is also single, you two, you must seize the opportunity.”

“Don’t worry about my brother, he’s definitely a straight guy, let’s go in first!”

Liu Chen laughed and greeted the crowd as they entered the bar.

Chapter 26

When they arrived at the bar, the group chose a random place to sit down, Liu Chen then pulled Xu Lan and ran to order drinks, Zhang Xu came together next to Xiao Yan, joking and laughing, instead Lin Ran and Song Nuan were left, somewhat awkward.

Lin Ran was fine, leaning back in his chair and resting his eyes, shutting out the music around him automatically, and secretly cultivating the Xuan Yang Pharmacopoeia in his mind.

This pharmacopoeia was also a medical cultivation manual, although Lin Ran's medical skills were superb, his cultivation was just beginning, and the true qi in his body was also very weak, which was why, if he had something to do with acupuncture and moxibustion that was too advanced, his body would not be able to take it.

“Hey, are acquaintances, pretend what do not know.”

Song Nuan looked at Lin Ran, a little indignant.

She was the school flower, but instead, no one ended up taking care of her, only one Lin Ran was still an acquaintance, and this guy actually closed his own eyes and left her to the side.

“I'm not afraid being treated like a pervert again.”

Lin Ran opened his eyes and laughed awkwardly.

“And, cheapskate.”

Song Nuan gave him a blank look, then said.

“I apologize to you for what happened last time, I misunderstood you.”

Lin Ran listened with a frown as Song Nuan continued.

“But don't be unreasonable, no matter what happened last time, it was you who took advantage of me, you have to apologize to me as well.”

“I”

Lin Ran was speechless for a moment, but when he thought about it, after all, it was the school girl, he had taken such a big advantage for no reason, it was just an apology, it was nothing.

However, before he could say anything, Liu Chen and Xu Lan were already back.

“Lin Ran, what are you talking about with the school girl? By the way, why didn’t you call your girlfriend together?”

Liu Chen asked.

“Broke up.”

Lin Ran said calmly.

“Broke up?”

Liu Chen was shocked, and even Zhang Xu, who was at the side, came over and asked.

“What’s going on?”

“Whatever is going on, just split up, I’ve long said that a woman like Zhao Yu is too snobbish and not good enough for you.”

Liu Chen said, and Xu Lan on one side laughed at the situation.

“That’s right, how can Zhao Yu compare to our school girl, nowadays, the school girl is Lin Ran’s real girlfriend.”

“.....”

The scene was silent, Liu Chen and Zhang Xu both couldn’t help but glance at Song Nuan, then looked at Lin Ran and instantly came over.

“Holy shit, can ah brother, how to put to hand.” Liu Chen said.

“Yeah, I’ve written countless poems, not to mention the school girl, I haven’t even gotten a class girl.”

Zhang Xu was also full of thirst for knowledge.

“Go aside, that was a misunderstanding.”

Lin Ran explained, Song Nuan was just across the room, if this misunderstanding wasn’t explained clearly, how else would people find a boyfriend.

“There’s no misunderstanding, I am indeed his girlfriend now.”

Song Nuan suddenly spoke.

This time, not only Liu Chen and Zhang Xu, even Lin Ran was dumbfounded as he listened.

This nee-san was crazy, actually saying that she was her girlfriend in front of so many of her friends, would she want to find a boyfriend in the future.

“I was the one who took the initiative to pursue Lin Ran, so he dumped Zhao Yu, there’s news on the campus network, you guys can go check it out.”

Song Nuan said, Lin Ran was more and more confused the more he listened, what the hell did this ninny want.

Liu Chen and Zhang Xu, however, had already taken out their phones and started gossiping, and when they looked at them, their eyes went red.

“Good for you, Old Six, you didn’t even tell me about such a big event, tonight’s meal must be on you.”

Liu Chen said.

“Not only this meal, the next meal must also be on him.” Zhang Xu added.

“Alright.”

Lin Ran nodded helplessly, if it was in the past, he would have been really worried, he couldn’t even afford to pay for half a meal at such a high-end place, not to mention two, but now at least he had a job, so he could still afford to pay for two meals.

Liu Chen and Zhang Xu quickly returned to their respective seats, and knowing Song Nuan’s relationship with Lin Ran, the group consciously sat apart.

“Hey, what the hell do you want?”

Lin Ran asked Song Nuan who was beside him in a low voice.

“No what, not even an apology for taking advantage, then I had to find a way to eat it back myself.”

Song Nuan said smugly.

Lin Ran was speechless for a while

The music around them was blaring non-stop, and the atmosphere inside the entire bar was already heating up as more and more handsome men and women appeared.

From time to time, Lin Ran raised a glass with the crowd, chatting about some embarrassing stories from the past at school, who had dumped who and who had picked up who

“How is your body feeling lately?”

The company’s main business is to provide a wide range of products and services to the public. The first time I saw him, he said, “How was it?”

“The actual fact is that the actual fact is that the particulars of the actuals are not really a lot of. I’m fine, I’m fine.”

Song Nuan said inexplicably.

Lin Ran was helpless, and did not want to say more, lest she worry blindly.

His eyes tilted, Lin Ran glanced at the back of his neck and frowned.

The last time he looked, the back of Song Nuan’s neck was as white as jade, without any marks, but this time, there were clearly some black marks, so it was obvious that the black devil poison scorpion had reappeared.

“Three days and it’s appeared again, I’m afraid this thing will still appear in three days next time.”

Lin Ran was a little worried in his heart, the last time he saw the Black Devil Poison Scorpion, this guy had two teams of wings, this time he missed not seeing it, and he didn’t know if it had increased.

Something like the Black Devil Poison Scorpion, once its wings increased to six pairs, something would happen, this was Lin Ran’s biggest worry.

“Looks like we’ll have to take a trip the day after tomorrow.”

Lin Ran calculated in his mind, as he didn’t know the exact time, it was safest to make a trip directly to the day after tomorrow.

Just at that moment, a woman’s voice came over instead, very piercing.

“Isn’t this Lin Ran’s classmate, and School Girl Song, really inimical, how can you climb this big tree of the school flower and now have come to this kind of high-end bar to spend money?”

Lin Ran and the others turned to look, and when they took a look, they were instantly quiet.

The person who came was actually Zhao Yu.
