

Wonder Doctor Read Online Chapter 5

“What do you want to say?”

Lin Ran’s voice was calm, as if he was an outsider.

“I don’t want to say anything, I ran into an old classmate to say hello!”

Wang Qiang said teasingly.

Lin Ran did not answer, turned around and walked away, for a miscellaneous fish like Wang Qiang, the current Lin Ran did not even put it in his eyes.

Seeing this, Wang Qiang’s face sank and Lang chided in a loud voice.

“As an old classmate, don’t blame me for not reminding you, Zhao Yu is now my woman, from now on, let your moves shine, or else Brother Qiang’s fist won’t recognize acquaintances!”

Lin Ran did not stop at his feet, revealing a sneer of disdain as he continued to walk forward.

When Wang Qiang saw that he had provoked him like this, Lin Ran actually did not even dare to say a fart, he immediately laughed and said.

“Lin Ran, you deserve to be a man too, you don’t even dare to let out a fart, thanks to Zhao Yu who has been with you for a month, how did your parents give birth to such a loser like you!”

Lin Ran’s face instantly turned cold when he heard that, he stopped and turned around, looked at Wang Qiang and said in an unquestionable tone.

“Apologise to me!”

Wang Qiang was taken aback by Lin Ran’s sudden change of heart and cursed angrily as he came back to his senses.

“Apologise? Who the hell are you? If you want me to apologize, I’ll curse at you, I’ll curse at your whole family, you bite me!”

Lin Ran was completely enraged, he didn’t care about Wang Qiang’s provocation before, but the latter actually insulted his family, his parents were long gone, and he actually had to be insulted by someone poking his backbone, how could he endure this?

“Yo, what? Can’t stand it anymore? Come on, fight towards, you’re a son of a bitch if you don’t dare to do it!”

Seeing Lin Ran walking back, Wang Qiang pointed at his face and mocked.

At this moment, the eyes of the surrounding people all fell on Lin Ran, Wang Qiang was known to be arrogant and domineering in the school, and since Lin Ran was such a poor student with no money and no power, many people did not think that Lin Ran would dare to make a move.

However, this time they were destined to guess wrong.

All they heard was a “pop!” Everyone looked at him and saw that it was actually Wang Qiang who had flown backwards.

Zhao Yu looked dumbfounded, his mouth grew to look at Lin Ran and did not speak for a long time.

“Everyone heard it, he was the one who told me to fight!”

Lin Ran stretched his hands, with an expression of being helpless himself.

The scene fell into silence for a while.

Zhao Yu quickly reacted and hurriedly helped Wang Qiang up, who at that moment had a face swollen like a pig’s head, and the people present almost didn’t recognise him.

“Lin Ran, you’re fucking looking for death!”

Wang Qiang was furious, and immediately tried to rush in again.

“If you’re not afraid of death, you come and try!”

Lin Ran raised his palm and made a gesture to slap someone, Wang Qiang stopped at once, the force of that slap just now was something he would never forget, at this moment he did not dare to rush forward again, hiding at a distance and cursing.

“Wait for me, you son of a bitch, if I don’t kill you, my name is not Wang!”

After cursing, Wang Qiang felt that he was not relieved and pulled Zhao Yu over to the side and continued to shout.

“Don’t you like her, now he’s my woman, what can you do to me! What can you do to me? You’re a poor man, a poor loser, and you got your woman for 10,000 yuan! You’re such a loser, no woman will ever look at you in your life!”

Lin Ran glanced at Zhao Yu indifferently, turned around and walked away, he no longer had any interest in Zhao Yu, he didn’t even want to say a word of nonsense, and Wang Qiang, he didn’t even bother to teach him a lesson, an idiot was an idiot after all, he didn’t want to waste his time on an idiot.

“Ignoring me again! Ignoring me again!”

Lin Ran’s attitude made Wang Qiang even more furious, he kept insulting Lin Ran, yet Lin Ran was simply ignoring him, overstepping ahead on his own.

The music around them was deafening and the entrance show had begun.

Suddenly, a woman’s voice came out through the stereo.

“Lin Ran, I have my eye on you, would you like to be my boyfriend?”

Lin Ran stopped in his tracks and looked towards the stage along with the people around him, a woman dressed in classical fancy dress, standing pretty, her green silk lingering around her white gown, the beauty of that face was breathtaking.

It was none other than the school beauty of Tamkang University, Song Nuan.

Compared to Song Nuan, Zhao Yu was simply a rouge, a heaven and a earth.

This scene shocked Wang Qiang and Zhao Yu, who couldn’t say a word and felt their faces burning hot.

The people around them, at this moment, all looked towards Lin Ran and Song Nuan, no one noticed Wang Qiang and Zhao Yu’s embarrassment.

“It’s actually Song Nuan! Holy shit, the school beauty is actually confessing her love for the school bully here!”

“My goddess, Lin Ran you bastard!”

“Ah, I won’t live! My goddess has confessed her love to someone else!”

The crowd exploded, as each male student pounded his chest, wanting to rush up and dismember Lin Ran.

Lin Ran stood still, shielding himself from the noise of the outside world as he gazed at Song Nuan on stage through the crowd.

He saw Song Nuan wink mischievously and then run off the stage.

Lin Ran stood still, staring at the empty stage for ten minutes, and said to himself, “It’s beautiful!”

“Beautiful, my ass, come with me!”

A familiar voice sounded in his ears, Lin Ran looked over and found Song Nuan had changed her clothes and was standing beside him.

“You ...!”

Lin Ran was shocked, changing clothes in ten minutes and rushing over from backstage, this speed was really something only a woman could do.

“Come with me if you don’t want to be surrounded by people!”

Song Nuan whispered, pulling Lin Ran up and running backstage, but before she ran two steps out, a voice rang out behind her, causing Song Nuan to almost not spurt out a mouthful of old blood.

“Look, the school beauty has come down to rob us!”

“Holy shit! It’s really the school girl, the school girl has robbed her bride!”

“School girl I am also very poor, I also just broke up, I also want to be robbed”

.....

“Hey hey, Zhao Yu and Wang Qiang ran away like that? Wasn’t it so awesome just now? How come they’ve lost their nerve!”

Behind them was a mess, Lin Ran did not care, he looked at the back of Song Nuan in front of him and revealed a smile.
