

## Chapter 5049

After speaking, Charlie said again: "It's the same for you,"

"You have someone covering you in Bedford Hill, and after a few days no one dares to be addicted,"

"This is the net profit, at this time, once the opportunity is suitable,"

"You must quickly stop the profit and put your money in your pocket,"

"Otherwise, it is very likely that you will spit it out with the profit."

Elaine was stunned for a moment, and said angrily:

"Good son-in-law, you are right. Ah! Mom didn't understand this truth!"

"I should have understood this truth earlier, I would have been running around outside now..."

Charlie didn't care about her awakening at this time.

He just pondered in his heart that if she was like this now,

If he took her back to Providence, Claire would definitely feel distressed when she meets her.

Moreover, Elaine's leg is broken again, and most of her self-care ability has been lost.

If she is taken back, who will take care of her daily life?

Claire still has to attend classes, and it is inconvenient to take care of her by himself,

So the best way is to let her stay in New York for treatment.

However, there are still two problems, one is how to make Elaine willingly stay in New York,

And the other is how to explain this to his wife.

But the top priority is to send Elaine to the hospital for treatment first.

Although she has a leg injury, half a blood-scattering pill can make her walk,

But he still feels that it is somewhat wasteful to use the pill on Elaine.

So, he drove her to the Fei family's private hospital.

Because Douglas had greeted them in advance, the hospital was waiting in full force.

As soon as Elaine arrived, she was carefully lifted out of the car by several nurses,

And then pushed to the orthopedic treatment room in a wheelchair.

A group of orthopedic specialists surrounded Elaine and used all kinds of professional means to treat her,

Which made Elaine regain the feeling of being a ghost in Bedford Hill Correctional Institution.

After the doctor's diagnosis, although Elaine's right leg has a certain fracture,

It is not too serious and does not require surgical treatment,

But still needs to be immobilized in a plaster cast,

Combined with drug treatment and self-cultivation.

Later, in order to allow Elaine to rest better,

They directly arranged her in the best ward,

And its interior luxury was much more upscale than a suite in a luxury hotel.

Several nurses gently moved Elaine onto the hospital bed and adjusted it to the most comfortable angle for her,

And then one of the nurses said to Elaine:

“Ms. Ma, wait a moment, I’ll get you some fruit.”

“And snacks, you need to replenish your stamina first.”

“Okay! It’s really hard for you!”

Elaine’s condition improved a lot because of the use of the analgesic pump.

In addition, lying on the comfortable hospital bed, she finally regained her smile.

The nurse said respectfully, “Ms. Ma, you are welcome, this is what I should do.”

After the nurse went out, Elaine couldn’t help but sigh to Charlie,

Looking at the luxurious surroundings, “Good son-in-law.”

“The hardware conditions of this hospital are also very good.”

“This ward must be at least 100 square meters, right?”

“Such a luxurious ward cannot cost less than a thousand dollars a day?!”

Charlie smiled: “Mom, this hospital is my client’s.”

“He has already said that your treatment here will not cost you a penny,”

“And you will definitely be provided with the best doctors, nurses, and ward.”

“No money?!” Elaine was stunned, and blurted out:

“Mom, it’s really cool not to spend a penny to live in such a big ward!”

Just after speaking, the nurse knocked on the door and came in,

Bringing a very beautiful fruit plate and dessert.

She put all the food on the small table in front of Elaine, and said respectfully,

“Ms. Ma, please have some fruit snacks first,”

“And I want to introduce to you that the screen at the head of your bed is actually a touch screen.”

“There is an ordering interface, where you can choose the meal you like,”

“And we will deliver it to you as soon as possible.”

Elaine said in surprise: “Mom, so considerate?”

“Let me see what you all have. Is it delicious!”

Then, Elaine clicked on the ordering interface and exclaimed,

“Chinese, French, Japanese, Italian... Oh my God, you have so many menus...”

“These menus are not even in general hotels. So many varieties?”

The nurse nodded and said, “We have many Michelin restaurants that we cooperate with.”

“Generally, after you choose, the restaurant will deliver your order within an hour,”

“So you should place your order a little in advance to avoid the long waiting time.”

Elaine asked quickly: “Why isn’t there a price on this?”

“I don’t dare to order it without a price.”

“If this meal costs several thousand dollars, wouldn’t the family be bankrupt?”

The nurse explained: “Ms. Ma, you are now in the top VIP ward of our hospital,”

“Which is generally used internally by our president’s family members,”

“So you don’t need to pay for everything when you live here.”

My god, it’s free??” Elaine asked in surprise and delight:

“Then are there any desserts, drinks, perfumes, or skin care spas on it, are these also free?!”

“Yes.” The nurse nodded and said: “All the services that can be provided are free.”

“You can order whatever you like. If there is something that is not suitable for your current physical condition,”

“We will give you professional advice.”

Elaine was extremely excited. She said,

“Okay, okay, then I’ll study it carefully later!”

The nurse bowed slightly and said, “Then you can ring the bell whenever you need something,”

“And I’ll be on standby at the nurse center next door to you.”

After the nurse left the ward, she looked at Charlie, and said with admiration:

“You have to be my good son-in-law! That’s why you have such great skills!”

“In such a good place, you don’t need to spend money on seeing a doctor and being hospitalized,”

“And you don’t need to spend money on food and drink.”

“If there is no time limit, I can live here until my 80th birthday!”

After speaking, she hesitated for a moment and asked experimentally:

“Good son-in-law, do you think Mom can live here and rest well?”

“Recuperate, I won’t go to Providence for the time being.”

Charlie didn’t expect that Elaine would offer to not return to Providence,”

“So he agreed without hesitation: “Actually, I also think it would be better for you to stay here.”

“Better because there are the best doctors and nurses here who can give you the best treatment and care 24 hours a day,”

“Much more convenient than going to Providence, after all,”

“No one in Providence can take care of you 24/7.”

Elaine nodded again and again, and said seriously:

“Anyway, you don’t need to spend money here, and there are people waiting for everything,”

“Such a big advantage, don’t take it for nothing!”

After speaking, she said again: “Oh, yes, Claire’s course is estimated to have only a week left,”

“And then you will definitely be leaving from New York.”

“In my opinion, it is better for me to live here alone. While recuperating,”

“You go to Providence to accompany Claire first, and after she graduates,”

“The two of you will come to New York to pick me up, and we will go back together.”

Charlie nodded and said, “This arrangement is quite good.”

“Yes, but the only problem is that Claire has always been worried about you.”

“We have to let her know that you are out of prison before she can relax,”

“And we can’t let her know that your leg is injured. Otherwise,”

“She will definitely want to come to New York to see you.”

“It’s easy!” Elaine said without hesitation: “I will call her in a while and say that I have been released from prison,”

“And then met a very close prisoner in prison friend,”

“My inmate invited me to stay in New York for a few days,”

“So I won’t go back yet, when you come from Providence to New York, I will tell her the truth.”

Charlie felt that Elaine’s this idea was good.

So he said, “Okay, if that’s the case, then you can call her.”
