

## Chapter 5038

Charlie thought for a moment, and said with some embarrassment:

“Mom, I will definitely help you with this matter, but I don’t know if it can be done.”

“Sure, if you can’t come out today, you will work hard and persevere,”

“And I will try my best to let you come out tomorrow or the day after.”

Elaine said nervously: “Good son-in-law, can you be in a hurry, not tomorrow or the day after tomorrow!”

“Think of a way to see how I can go out today...”

Charlie snorted and said, “I call my friends and wait for my news first.”

Elaine hurriedly said: “Good son-in-law,”

“Then I will call you at noon! You must help Mom find a relationship!”

“Okay.” Charlie deliberately trying to make her nervous, he reminded her:

“Mom, I’m still saying that, you just told me yesterday that you don’t want to come out for the time being,”

“But now you suddenly are telling me that you want to come out today,”

“I really don’t know about it. Can’t give a 100% guarantee.”

Elaine was extremely annoyed at this time, but she also knew that her request was too sudden,

And it might be really difficult for Charlie to fish her out before noon,

After all, from now on there are only four hours left for lunch.

Thinking of the urgency of time, Elaine's heart immediately became uneasy,

But now she can only tell Charlie: "Good son-in-law, you must do your best!"

After speaking, she thought to herself: "If he still does it at noon I'm not sure,"

"I'll call him again during the lunch break, and then I won't care about my face,"

"Crying and begging him to let him find a way to take me away..."

Hanging up the phone, she walked through the playground in a panic,

Looking for the three females. This time, no one of the other prisoners encountered by passing by called her Sister Elaine respectfully.

Everyone looked at her with a smile that was not a smile.

It's because the three ladies haven't been released from prison,

So everyone doesn't dare to directly trouble Elaine.

At this time, Elaine came to the three and said worriedly:

"You haven't left yet, the eyes of these people looking at me are not quite right, if you leave, what should I do?"

Evelin, the leader of the three, quickly suggested to her:

“Sister Elaine, then you have to find a way to get out!”

“It’s difficult for the prison guards to guarantee your safety 100% here,”

“Not to mention that Chloe and Jessica are eyeing you.”

Elaine nodded again and again: “I’ve already called my son-in-law,”

“But I don’t know if he can get me out as soon as possible...”

After speaking, she asked Evelin: “Evelin, can you teach me?”

“A little self-defense, in case anyone troubles me, I at least have the ability to protect myself.”

Evelin said embarrassedly: “Sister Elaine, I can teach you,”

“But it is impossible for you to learn it in one day...and even if you learn it,”

“It’s hard for you to take advantage of Chloe and Jessica at your age.”

“Then what to do...” Elaine was extremely flustered, and then she suddenly thought of something,

And quickly said to Evelin: “Evelin, why don’t you do this!”

“Don’t you guys want to go back and start packing your personal belongings later?”

“Why don’t you take this opportunity and find an excuse?”

“I’ll give them an excuse to repair them!”

“It’s better to break their legs so that they can’t do anything to me!”

Evelin was stunned, if Elaine made this request yesterday,

She must do it immediately without saying a word, after all, this is the task given to her by the Supreme Commander.

However, things are different now.

Joseph had told them a long time ago that under normal circumstances,

They would protect Elaine at the Institution until she is released from prison, and they had to obey her.

But if they are released early, the signal would mean an emergency termination of the mission.

And once the mission is terminated urgently, they must no longer actively interfere with Elaine’s situation!

So Evelin said embarrassedly: “I’m sorry, Sister Elaine,”

“Although we got along very well during this time, we are not your bodyguards,”

“Not to mention, we are finally going to be released.”

“In this case, we cannot cause trouble, so from now on, you’re on your own.”
