When His Eyes Opened by Simple Silence Chapter 2376

The two stood at the door of the hotel, eating ice cream and looking around to see if Cole would appear.

Not far away, the paparazzi took pictures of the two eating ice cream.

They couldn't take pictures of Elliot and Avery, but it's not bad to take pictures of the big celebrities beside them!

At least today's performance was complete.

Not long after, an explosive news headline appeared on the Internet-Elliot and Avery... Actually doing such a thing at the door of the hotel!

Wasn't this title sensational?

When netizens saw the title, they clicked in without thinking.

So, after clicking in, they found that the real title was this: Elliot and the big celebrity beside Avery did such a thing at the door of the hotel!

Then, there was a picture of Mike and Chad eating ice cream in front of the hotel.

The pictures were high-res.

Chad and Mike were both wearing formal clothes today. Mike was a little taller and Chad was a little thinner, but they were very harmonious when they stood together.

Below the picture, the editor wrote: [Today is the wedding of Elliot and Avery, which is very low-key. I didn't reveal any details of the wedding, but my colleague was very helpful. They took a picture of Assistant Elliot and Mike, a famous foreigner beside Avery, eating ice cream at the entrance of the hotel. I don't know if the wedding scene is too hot, or the wedding is over!]

After everyone saw the news, they all commented—

— When I saw the headline, I thought it was Elliot and Avery doing what they were doing in front of the hotel! Who cares about those two men!

— Today's people do everything they can for traffic, it's so despicable!

— Come in and show me this? Might as well show me some beauties!

— After reading everyone's comments, I'm dying of laughter! Am I the only one who thinks these two guys are handsome? Not only handsome, but also a little cute. Why did the two of them eat ice cream while standing in front of the hotel?

Hotel.

Chad and Mike returned to the banquet hall after eating ice cream.

Chad had already explained to the security guards at the entrance of the hotel, and showed the guards the previous photos of Cole. Once Cole reappears, grab him immediately.

Half an hour later, Elliot came out of the lounge.

Avery fell asleep and slept very deeply. Elliot couldn't bear to wake her up.

After coming out of the lounge, Elliot planned to see what the three children were doing.

At this time, Chad came over and told him about seeing Cole at the door of the hotel just now.

Elliot immediately took out his mobile phone to see if Cole had contacted him today.

“His life seems to be unsatisfactory. The style of clothing is not what it used to be, and he looks very sloppy.” Chad said, “I have already explained to the security personnel, he will never break in.”

Elliot responded.

After reading all the messages on the phone, there was no message from Cole Foster and Henry Foster.

At the beginning, for Henry’s sake, he spared Cole’s life and gave them the old house of the Foster family.

Of course, Henry felt that everything about the Foster family had nothing to do with him, and he didn’t bother to argue with them for this little money.

Later, Cole sold the old house at a low price and exchanged a lot of money.

Now it’s down and out, it’s these years of squandering money!

“He still seems a little scared. After he recognized me, he ran away!” Chad said, “I don’t know if he will know a little shame when he sees you and Avery.”

“If he knew shame, he wouldn’t come here.” Elliot said coldly.
