When His Eyes Opened by Simple Silence Chapter 2381

Gwen saw Ben coming, and immediately stood up from her chair with carried the bag.

Judging from Ben's unsteady walk, he was probably drunk.

When the two of them first met, Ben especially liked to brag, saying that he was not drunk after a thousand cups.

But at the time he was drinking really well.

Now that after all, the age had increased, and it was estimated that the alcohol consumption had also declined.

"Wife!" Before Ben walked in front of Gwen, he opened his arms and begged for a hug.

When Gwen saw Ben acting like a spoiled child in public, her embarrassed toes dig out three rooms and one living room on the ground.

"How much alcohol did you drink?" Gwen held Ben by one arm and made him sit down in the chair, "I'll go tell Mike and the others, we'll go back first! Your mother thought you wanted to Drink, I feel bad for you."

Gwen said, preparing to find Mike.

As a result, Ben wrapped his arms around her waist, hugged her tightly, and refused to let go.

“Wife, don’t go...you don’t go anywhere...you stay with me...you didn’t stay with me all day today, you know how sad I am?” Ben said, his scarlet cheeks rubbed against Gwen’s skirt.

Gwen looked bewildered: “Today my brother is getting married, you want to accompany the guests, and I want to accompany the guests too! How much alcohol did you drink? You are so drunk...”

“Wife, are you? Do you feel ashamed to be with me? Because I’m too old...” Ben said, suddenly there was a cry, “I’m not worthy of you... I know.”

“Hey! Don’t be so loud! A lot of people are listening!” Gwen’s ears became hot, and then her body also burned.

If Gwen could carry Ben, she must carry him away immediately.

She saw many guests looking at them, and everyone had a lively smile on their faces.

Although no one was malicious and would not want to spread the matter, it still made Gwen feel embarrassed.

How could such a private matter be said in public?

Ben was a person who loved face very much. When he woke up tomorrow, knowing that he was saying this in front of so many guests, he would definitely slap himself twice.

“I don’t care...I don’t care about others...I only care about you...Gwen...Can you not dislike me... Every time you despise me, I feel very uncomfortable, I want to cry... Don’t look at me, I seem to be strong... In fact, I am very fragile... In front of you, my heart is brittle...” Ben felt aggrieved, and tears flowed out as he spoke.

Gwen was stunned!

Not only did Ben cry, but he wiped all his tears all over Gwen's skirt!

Gwen wanted to kick him away, and then quickly fled the scene with her bag.

It's a pity that Ben's arms hugged Gwen's waist too tightly! So Gwen couldn't pull him away at all!

"Tammy! Help!" Gwen immediately screamed for help when she saw Tammy taking a picture with her mobile phone not far away.

Jun patted Tammy on the shoulder: "Tammy, don't pat! Gwen is calling you to help!"

"How can I save her? Ben is so strong, I can't pull him away! Hurry up and look for her! A few bodyguards come and carry Ben away!" Tammy instructed Jun.

Jun touched his nose and immediately went to the bodyguard.

If he didn't send Ben away, it was estimated that Gwen would explode!

Not long after, two bodyguards came over and forcibly helped Ben out of the banquet hall.

Gwen felt that her waist was about to break.

Gwen put one hand on her waist and quickly followed the pace of the bodyguard in front.

After they left, Jun immediately asked Tammy for the video she just recorded.

Tammy quickly hid her phone: "I won't show it to you! What if you delete it for me? This is Ben's black history, and I will never delete it!"

"How dare I delete your stuff? Let me take a look, and I'll take a look!" Jun raised his hand and swore, "I just want to see if your picture is clear."

"Oh... I took it very clearly. And the voices are all recorded! When he was drunk and crazy, the audience was so quiet! Everyone was watching the show with their ears up! Hahaha!" Tammy opened the video and showed it to Jun.

Jun blushed after watching the video.

This was the end of the brother! This dark history would never end!

With Tammy's bluffing character, Ben couldn't redeem the video without a little blood.

"I want to keep the video. If he dares to do something sorry for Gwen in the future, I will expose this video! Let him be disgraced!" Tammy said righteously.

Jun looked at her differently: "Tammy, I won't delete your video."

“Of course you can’t delete my video. If you dare to help outsiders, you will be finished!” Tammy said here, wondering, “Isn’t Ben a good drinker? Why didn’t you get drunk tonight, but he was?”

“I don’t know how much he drank, but I didn’t drink wine with him. He may have this problem in his heart, and if he drinks a little more, he won’t be able to hide his worries. You keep hitting him with his age, and I’ll change it for me. I can’t stand it.” Jun reminded Tammy, “Don’t talk about this in front of him in the future.”

Tammy: “I really can’t stand it, a big man, what are you doing so hypocritically. If Gwen really dislikes him, can you get a certificate from him? We usually talk and play...”

“Tammy, I don’t think you’re just talking. You’re serious.” Jun said, “I’m not saying you can’t call him old, But don’t say it in front of him.”

“Okay, I get it. I’ll pay attention to it later.” Tammy took a deep breath and sighed, “Elliot is better psychologically, I didn’t hurt him less before. “

“You’re such a mouth!” Jun sighed, “Would you like to go back to rest first? I might have to wait a while.”

Tammy: “I’m not going back. I want to go with you.”

Jun: “Okay! Wait a moment. Send a message to Gwen and ask about the situation.”

Tammy: “I know.”

The Schaffer family.

The bodyguard sent Ben to the master bedroom before leaving.

Gwen closed the master bedroom door, took a deep breath, and turned to look at the big bed.

Ben was looking at Gwen with his eyes open.

“What do you think I’m doing? Did you mean to be drunk just now?” Gwen strode over to the bed and looked down at Ben, “No, you must be really drunk. If you were sober, you would definitely not do such a shameful thing. Tonight, you will be the laughing stock of others in the future!”

“Gwen, you haven’t answered me yet. Can you stop despising me?” Ben didn’t seem to be as drunk as before.

Gwen’s cheeks were hot: “I’ll just say a few words, if I really despise you, I won’t marry you.”

Ben: “Don’t say that out of your mouth, okay? Especially every time you say this, your face is serious... If you say it with a smile, I won’t be so nervous...”

“I ...” Gwen looked at Ben with a pitiful expression, and couldn’t bear it, “I was just talking to Tammy. Everyone has shortcomings. Like me, my education is low, and I can’t compare with you.”

Ben waved his long arm and dragged Gwen into his arms: “Gwen, I never disliked you, really. I just want to have a child with you, and while I’m still healthy, raise the child with you...”
