Chapter 161

Chapter 161 Murray Hugs Lily

Melissa looked in the direction Nina pointed. There was a Rolls–Royce parked *far away* it was particularly

eye–catching on the village path

This was indeed Murray’s car. But why was Murray here?

Melissa narrowed her eye and her anxiety intensified She quickly said to the driver, “Please pull over in the

front. Thank you!

“Alright! The taxi driver quickly stopped near Murray’s car,

Before the car completely stopped, Melissa hurriedly opened the door and got out

Murray’s car stopped on a small road at the foot of the inountain Melissa looked i nto the car, but there was no one inside

Since his car was here, he was probably nearby

Melissa called Murray again, but his phone was still turned off

Nina paid the driver and hurriedly walked over to Melissa and asked with concern , “How’s it. Melissa?”

"No one is in the car," Melissa shook her head,

The car was there, but Murray wasn't

Melissa was overwhelmed by worry, anxiety, unease, and all kinds of complicated feelings.

Where did Murray go? Was he okay?

"We can start looking for him. He might be nearby." Nina looked around and said, "Don't worry so much Murray will be fine."

Melissa took a deep breath and turned to look at Nina, "You go to the left, I will go to the right."

"Alright." Nina nodded and walked to the left.

Melissa took a few steps to the right and saw a farmhouse with the door slightly open.

Melissa stepped forward and knocked on the door

No one responded.

Melissa hesitated for a moment, but still pushed the door open and walked in. She wanted to ask if they had

seen Murray

In the room.

Murray drove Ryleigh back.

This was a poor shabby rural family with four walls without any decorations.

"Lily, do you live here?" Murray frowned,

"Well, this is my parents' home. rent a house in the city Otherwise, it is too far to go to the bar it might I will

come back when I have time. Ryleigh lowered her head and bit her lips. "When Grandma recover, I will take

them all to the city"

"Where are your family members" Murray nodded thoughtfully

"My parents have gone to the hospital to visit Grandma," Ryleigh answered in a low voice. They will come back later

Murray stood up and said, "Well, have a good rest I'll excuse myself" He didn't forget Melissa and the engagement ceremony at night

Ray, I feel so painful here." Seeing Murray about to leave, Ryleigh suddenly pointed to her chest

Setore Murray could react, she lost her balance and fell on him

"Lily, what's wrong?" Murray quickly helped Ryleigh up.

Ryleigh snuggled into Murray's arms and stood on her tiptoes. She touched Murray's car with red lips and said gently. "Ray, do you remember that you said you would marry me?"

Murray froze

When he was young, Murray promised Lily that he would marry her

But...

When Melissa pushed open the door, she saw this scene.

A disheveled young girl hugged Murray tightly and intimately,

Moreover, the girl said to Murray, 'Do you remember that you said you would marry me?'

Melissa looked at the scene in disbelief. Her mind went blank for a moment.

She was worried about Murray and was looking for him everywhere.

And what was he doing?

He disappeared for so long to flirt with another girl

Melissa's heart was violently twitching She felt so painful that she could barely breathe

She took a deep breath and tried her best to control her emotions. "Murray, what are you doing?" Melissa

asked in a trembling voice

Murray was just about to push Lily away when a familiar voice suddenly sounded.

Why did it sound like Melissa's voice?

Murray was stunned and looked at the door

Melissa was dressed up, her face as cold as ice.

"Melissa?" Murray asked in surprise.

Didn't he ask Melissa to wait for him to pick her up? Why was she here at this moment?

How did Melissa find this place?

"Melissa, why are you here?" Murray got rid of Ryleigh when he saw Melissa's expression was very upset.

However, Ryleigh held Murray tightly and leaned into his arms, trembling. "Ray, who is she? I am in pain. Don't

go"

Feeling that Ryleigh was trembling, Murray frowned and looked down at her. "Lily, are you okay?"

Lily...

These two words fell into Melissa's ears like a devil's spell

This girl Murray was holding tightly, turned out to be Lily.

It was Lily

No wonder...

She understood everything.

It was too ironic.

Today was their engagement, but Murray was holding another woman.

And that woman was Murray's childhood sweetheart he had been longing for all these years

Melissa

felt as if she had been ruthlessly splashed with a glass of sulfuric acid. Her heart w
as extremely

painful.

"Murray, is she Lily?" It

took Melissa a lot of effort to make his voice sound more normal.

"Melissa, go back now. I will explain it to you later," Murray *frowned* and said

He knew that Melissa must have misunderstood. He believed Melissa would belie
ve him due to her feelings

for him.

As long as he explained it clearly to Melissa, it was fine,

Right now. Lily was feeling very uncomfortable. It was very likely that she had bee
n injured by his car just

now.

Murray had just found Lily today. Back then, Lily saved him regardless of her life.
He could not leave her behind. He had to return the favor

Murray

thought Melissa could go back first. After he settled with Lily's matters, he would
rush to the

engagement banquet, explain Lily's existence to Melissa, and then hold their eng
agement ceremony as planned Chapter 167 Murray Hugs Lily

However, in Melissa's eyes, Murray had explained everything with his actions

Murray was still hugging Lily tightly in front of her.

In Murray's heart, who he cared for the most and loved the most was Lily.

The fact wouldn't change forever.

Melissa was nothing more than a substitute.

Murray's beloved girl Lily had returned. How could he possibly spare Melissa another glance?

Murray didn't need a substitute like Melissa

Melissa wanted to go up and slap Murray. She wanted to question Murray loudly why he did this to her.

But Melissa held her impulse down.

Since he had found Lily and didn't love her anymore, why should Melissa pester him again?

Melissa was not the kind of weak woman who would break down after being dumped by a man

Chapter 162

Chapter 162 No Engagement Ceremony Tonight

A complicated look flashed across Melissa's eyes. She looked deeply at Murray and left

Her footsteps were heavy and difficult to take

Melissa walked out of the door in a daze Nina was walking towards her She panted and said, "Melissa!

have looked over there. I didn't see Murray

*There's no need to look for him," Melissa said coldly, her nails digging into her flesh

The pain in her fingers spread throughout her body, but Melissa was unaware of it

The pain in her heart was much more intense

Seeing Melissa's ugly face, Nina hurriedly asked with concern, "Melissa, what happened to you?

"Nina, let's go!" Melissa came back to her senses and pulled Nina to the road.

The taxi was still there. The driver went to the bathroom and just got back to the car.

Just as he was about to start the car, Melissa opened the door, got in the car, and said to the driver in a deep voice, "Go to the Empire Hotel

The Empire Hotel was owned by the Gibson Corporation. It was also the place where the engagement ceremony was held tonight

"Melissa, what happened? Did you find Murray?" Seeing Melissa's appearance strange, Nina asked

Melissa's face was cold as she bit her lips and nodded

"Where is he? Why isn't he with you? Did he go to the Empire Hotel first?" Nina was very worried and her tone

sounded anxious.

She had known Melissa for so long, but she had never seen her like this.

There must be something wrong

Melissa closed her eyes and a mocking smile appeared on her face "Tonight, there won't be an engagement ceremony"

"What?" Nina was shocked.

Melissa took a deep breath and said indifferently. "I've decided to cancel the engagement with Murray

Tonight's engagement ceremony will also be canceled,"

"Cancel the engagement? Melissa, are you joking?" Nina asked in shock.

"Do I look like I'm joking?" Melissa laughed self-deprecatingly,

"Why?" Nina asked.

Melissa's heart twitched violently. "Murray's first love has returned. He has been missing for a whole day today to be with her."

"First love? Do you mean Lily is back? How could this be? Nina's tone was filled with disbelief

She once heard Melissa talk about Lily and knew that Murray once loved a girl named Lily

But Lily fell off the cliff and there was no news of her for so many years. Everyone thought that she was no longer in the world

But on the engagement day of Murray and Melissa. Lily suddenly appeared

Nina didn't know how to comfort Melissa, "Even if Lily comes back, Murray might not choose her. Melissa, don't be like this. You have to talk with him."

"Murray's action has explained everything. Why should I ruin his joy?" Melissa narrowed her beautiful eyes, her tone a bit bitter.

"But... Nina knew Melissa's personality. Melissa was a woman with independent opinions, self-esteem, and arrogance No one could change what she decided

Nina still wanted to say something, but Melissa interrupted her, "Nina, let me alone for a moment."

Melissa leaned back in her seat. The scene of Murray and Lily hugging each other reappeared in her mind She couldn't drive it away no matter how hard she tried.

Her heart sank bit by bit until it reached the bottom of the lake

It felt cold and painful.

This was something that Melissa had never felt before.

It was so painful that she almost suffocated,

However, no matter how painful it was, she had to endure it.

Right now, she had to be strong,

Since Lily had returned and Murray had chosen Lily, there was no need for tonight's engagement ceremony to be held

She had better bring up canceling the engagement instead of Murray

She wanted everyone to know that she dumped Murray.

The Empire Hotel

Guests

gathered in the most luxurious banquet hall on the first floor and it was very lively.

What was going to be held today was the grand engagement ceremony of the Gibson Corporation's president, Murray. All the famous people in Aldness had come to this grand ceremony.

Many reporters rushed over early, for fear that they missed the important news.

Everyone was looking forward to the engagement, except for Adela.

She stared hatefully at the stage at the front of the banquet hall. Murray and Melissa were about to hold an

engagement ceremony there and receive everyone's blessings

Why would Murray's fiancé be Melissa?

"Adela, don't be angry. It's just an engagement, not a marriage" Julie felt Adela's anger and quickly comforted

her

Adela took a deep breath "You're right It's just an engagement

"That's right we will find a way to chase this bitch away!" Julie looked in Jaylin's direction, immersed in her

own thoughts

Since Melissa and Murray were engaged, she wouldn't pester Jaylin, right?

Time ticked by and everyone was present. But tonight's couple Murray and Melissa were nowhere to be seen

Marc was a little puzzled. He called Murray, but his phone was turned off. Melissa didn't answer the phone call, either

* Jose, get someone to look for Murray." Marc furrowed, feeling a little uneasy,

He understood his grandson. Murray was not a person not punctual.

Moreover, today was such an important day. He should have arrived long ago

Why was he nowhere to be seen now? Why couldn't he even be reached over the phone?

"Mr. Marc, don't worry, He might have been delayed by something." Jose comforted Marc.

Sarah and Claire walked over in high heels

"Dad, what is Murray doing?" Sarah had a dissatisfied expression

Ever since Jim held a press conference and Sarah spoke up for him, Sarah's position in the Gibson Corporation had plummeted.

Murray moved to the Moonlight Mansion and had not returned home for so many days

"He's your son. Why are you asking me?" Marc glanced at her indifferently

Sarah was choked by *Marc's* words and was about to say something when Claire pulled her hand,

"Grandpa, Murray is not someone who doesn't know what's important. I think he must be rushing over," Claire said sweetly, not forgetting to smear Melissa, "But what is Melissa doing? Murray's phone is out of battery, Why doesn't she answer the phone? She doesn't know how to behave."

Marc was about to say something when he heard someone shout, "They're coming!"

Someone shouted and everyone looked towards the door.

Melissa was dressed in a bright red dress. She got out of the taxi and was walking towards the entrance of the banquet hall

Seeing Melissa from afar, Marc heaved a sigh of relief. However, he immediately realized that something was weird.

Why was Melissa alone? Where was Murray?

Chapter 163 The Engagement Ceremony Is Canceled

Melissa came down from the taxi. Her face was pretty but cold. She stepped on the red carpet and went straight to the stage in the middle of the banquet hall.

She stumped there, dragging her feet.

Meli, why are you alone? Where is Murray? Isn't he with you? Marc immediately stood up and walked to Melissa

"He won't be here." Melissa replied with a poker face

What?' Marc was shocked.

What did Melissa mean by this?

Why wouldnt Murray come?

What happened to him?

Marc still wanted to ask Melissa what was going on. However, Melissa directly passed him and walked forward with a determined gaze.

Everyone present felt that something was wrong with Melissa. They could not help but whisper to each other.

"What is going on?"

Why is the bride alone? Where's Mr. Gibson?

"Well, could it be that Mr. Gibson has temporarily broken the engagement?"

People kept whispering

Under everyone's astonished gaze, Melissa walked step by step onto the stage.

The host was busy with preparation on the stage. Seeing Melissa walking on the stage, he said, "Ms. Eugen, the engagement ceremony hasn't started yet. You can take a break first

Melissa ignored him and took the microphone from him

She cleared her throat, took a deep breath, and said firmly. "Tonight's engagement ceremony has been canceled.

Hearing Melissa's words, people were all shocked.

It all happened of a sudden.

There was no sign beforehand

All the guests looked at Melissa on the stage in shock. They looked at each other and discussed.

"Why did Melissa suddenly cancel the engagement ceremony? What is she thinking?"

"She is probably dumped, right?" Chapter 163 The Engagement Ceremony Is Canceled

"That's true. A man from a wealthy family must marry a woman with the same social status. How could Mr. Gibson marry a bumpkin like her?"

Melissa turned a deaf ear to the discussions of the guests.

Adela couldn't hide the excitement on her face. She glanced at Julie beside her and asked, "Is Melissa crazy?"

"Who knows? Maybe Mr. Gibson found out what kind of woman she was and dumped her." Julie tried to please Adela.

Adela happily agreed, "Yes, that must be true. Murray finally realizes that Melissa is a bitch. That's great!"

*Adela, I knew it. Mr. Gibson and her were just playing around. How could he really be engaged to her? *You* don't have to worry about this. The position of the young mistress of the Gibson family will definitely be yours." Julie kept flattering her.

Adela nodded in satisfaction.

The reporters, on the other hand, surrounded Melissa excitedly.

The CEO of the Gibson Corporation's engagement ceremony was canceled by the bride on the eve of the ceremony. It was explosive news.

"Ms. Eugen, why did you cancel the engagement ceremony?"

"Ms. Eugen, does Mr. Gibson know that you suddenly announced the cancellation of tonight's engagement ceremony? Is this your decision or Mr. Gibson's?"

"Ms. Eugen, did you cancel the engagement ceremony because of a problem with Mr. Gibson?"

One question after another bombarded Melissa continuously.

"Sorry, I don't want to be interviewed. Tonight's engagement ceremony has been canceled. You can go now." Melissa smiled coldly.

When Murray *arrived* at the entrance of the Empire Hotel, he saw this scene.

Melissa, the woman he loved deeply, *wore* the red dress that he had personally chosen for her, which made her look exceptionally tall and charming.

She was so beautiful that he was deeply attracted to her.

However, her cold words made him heartbroken. "The engagement ceremony is canceled."

The engagement ceremony was canceled...

She arbitrarily canceled their engagement ceremony with several words.

Why?

Murray did not understand.

In order to give Melissa a grand engagement ceremony, he asked people to make all the preparations in only

eight days

Everything was chosen according to Melissa's preferences

He looked forward

to tonight's engagement ceremony and looked forward to being with Melissa and receiving everyone's blessings

He also prepared a gift for Melissa personally to surprise her in front of everyone and make her the happiest woman in the world,

In order to rush to the engagement banquet, he abandoned Lily, sped along the road, and even ran two red lights just to see Melissa earlier

But, why?

Melissa canceled their engagement ceremony without hesitation in front of everyone

Why did she have to be so heartless and cancel the engagement ceremony?

In fact, she did not even tell him beforehand

"Mr. Gibson, Mr. Gibson is here!"

Someone saw Murray, who stood at the entrance of the banquet hall with a cold face, and shouted in

surprise.

Immediately, the reporters rushed over and handed the microphone to *Murray*.

"Mr. Gibson, did you know that Ms. Eugen suddenly canceled the engagement ceremony?"

"Mr. Gibson, may I ask if you..."

Before the reporter could finish his sentence, Murray's eyes became red, and his handsome face became cold and sullen. He said coldly, "Go away!"

Murray had a domineering air. The reporters shook and didn't dare to ask anything

Murray walked toward Melissa step by step with a cold face. His expression was terribly gloomy.

A chill ran down Melissa's spine. She frowned and looked into Murray's cold eyes.

How can she bear to part with Lily?

Is he so angry because I canceled the engagement instead of him?

Now, everyone knew that I dumped him. Is he angry because he felt humiliated?

Interesting

Shouldn't he be happy?

After the engagement is canceled, he could be justified in being with Lily.

Moreover, I brought it up, so he wouldn't be called cheating

So why is he angry?

Looking at the cold man approaching her step by step, Melissa smiled sarcastically.

Before she could open her mouth, her wrist was grabbed by him with power.

"You..." Before Melissa could react, Murray grabbed her wrist and pulled her directly to the lounge behind the stage, pressing her against the wall.

"Murray, let me go!" Melissa was trapped by Murray, and she struggled.

Murray, however, did not move at all. He clasped Melissa's wrist with both hands and looked down at her from above. His sexy thin lips were tightly pursed into a line, and his deep eyes surged with inexplicable

anger.

After a long time, he rolled his Adam's apple and suppressed his anger. "Melissa, why?" He asked in a hoarse voice.

Chapter 164 Marc Has a Heart Attack

Melissa's hands were tightly held by Murray. Though she struggled with all her might, she could not break free.

"Melissa, why did you cancel the engagement ceremony?" Seeing that Melissa was silent, Murray repeated.

Seeing Murray like this, Melissa felt touched for a moment.

She closed her beautiful eyes. The scene of Murray and Lily hugging each other in the afternoon appeared again.

Her heart ached.

Melissa took a few deep breaths. When she opened her eyes again, her eyes were already filled with indifference. "Why? Don't you know why?"

– Murray froze. What was he supposed to know?

He knew nothing!

"Because of ... Lily?" Murray frowned. "Didn't I say that I would explain everything about Lily to you?"

Explain?

Melissa smiled coldly.

The facts were clear, What was there to explain?

At this moment, Marc walked into the lounge with the support of Jose.

“Murray, Meli, what are you doing?” Marc was angry and anxious. The moment he saw Murray and Melissa, his face darkened and he asked with a somewhat anxious tone.

Why did they cancel the engagement ceremony?

And it was so sudden *in front* of all the guests?

To make a joke publicly was simply ridiculous!

“Grandpa.” Seeing Marc enter, Murray quickly released Melissa and went forward to support Mr. Marc.

“Did you do something that made Meli unhappy?” Marc’s expression was extremely ugly. He knocked on his walking stick and spoke in a serious and cold tone.

Without waiting for Murray to answer, Sarah came over at some point in time and cleared her throat. “Hey.

Dad, why are you blaming *Murray*?” she asked.

After a pause, she glared at Melissa fiercely, “It’s very obvious now that it was because of Melissa’s doing that the engagement ceremony has been canceled!

Those from the countryside don’t know the rules at all! Today is such an important day. It’s fine if you want to embarrass yourself, but why did you implicate our Gibson family?”

Claire also smeared Melissa, “That’s right, how could Murray do something to make Melissa unhappy? Today was a perfectly fine engagement ceremony, and Melissa actually made such a big joke, making our Gibson family lose face!”

Marc suddenly felt a tightness in his chest as he listened to the two people talking non-stop

He clutched his chest and looked at Melissa “Meli, tell me, what exactly is going on?”

“Mr. Marc, thank you for your concern all along, but I’m sorry today. I must cancel the engagement with Murray.” Melissa pursed her lips, her tone firm and resolute

“Meli, is it Murray, he...” Marc opened his mouth, wanting to say something more. His chest ached, and his body swayed.

Plop...

With a loud bang, Marc fell to the ground.

“Grandpa, Grandpa! What happened to you?” Murray strode forward and tried to support Marc, but he was too late.

Marc’s face was deathly pale. His face was drenched in sweat, and his eyes were tightly shut.

“Grandpa, what’s wrong?” Murray was shocked and quickly squatted down and shouted .

However, Marc did not react in the slightest.

“Call the ambulance!” Looking at the unconscious Marc, Murray felt a sharp pain in his heart and almost

roared.

Many people gathered around, and the lounge was a mess.

Alex immediately called the ambulance, his tone a little anxious, “Hello, this is the Empire Hotel, there is an old man who fainted, please come over immediately!”

Melissa’s heart tightened. She looked down at Marc who was lying on the ground,

His symptoms looked like a sudden heart attack.

Melissa was about to walk over to see Marc, but she was stopped by Sarah and Claire. “Melissa, you hurt

grandpa so much? What else do *you* want to do?”

“Get out of the way!” Melissa said in a cold tone.

Marc’s current situation was very critical. She had to give him first aid before the doctor arrived.

Otherwise, the consequences would have been unimaginable.

Claire snorted and did not want to move her body. “Melissa, who do you think you are? Now that you have broken off the engagement with your *Murray*. you are nothing! You are not qualified to see grandpa!”

“Out of the way!” Melissa didn’t have time to continue fighting with Claire and directly pushed Claire to the ground.

“Ah!” “Melissa, you actually hit me?” Claire screamed and fell to the ground, glaring at Melissa hatefully.

Melissa didn't want to pay attention to Claire at all, but Claire hugged her leg.

Sarah and Claire pulled like two shrews and entangled Melissa.

Melissa was a little anxious and used a bit of strength to finally get rid of Sarah and Claire. She pushed through the crowd and walked to Marc.

She crouched down and reached out to feel Marc's pulse, but Murray held her hand down,

“Melissa, what are you doing?” Murray frowned, his eyes cold.

Melissa looked at Murray expressionlessly. pushed him away, and directly revived Marc.

Murray was stunned by her skillful movements.

She suddenly remembered that when Susie fell into the water, it was also Melissa who helped her survive.

When they were on the deserted island, he was attacked by the big fish. His wound was inflamed, and he was not awakened because of the high fever. It was also Melissa who helped him cure it.

So, Melissa knew medicine?

Melissa focused all her attention on the recovery of Marc's heart, completely ignoring the people around her pointing fingers at her.

At that moment, she felt a little guilty. If she had not canceled the engagement ceremony and provoked Marc, perhaps Mr. Marc would not have fainted.

Ten minutes later, the ambulance arrived.

The doctor hurried into the lounge.

“Doctor, hurry up and check on my grandfather.” Murray, who had always stood tall and refused to bend down, now sounded a bit nervous and anxious,

“The patient has a heart attack. He needs immediate treatment!” The doctor gave Marc a simple

examination. His expression was cold as he spoke in a low voice. He put on the emergency apparatus that he brought with him.

Murray followed the doctor to the door of the ambulance. When he passed by Melissa, he paused.

“If anything happens to grandfather, I will not *forgive you.*” Murray glanced at Melissa with cold eyes and

brushed past her.

It was as cold as the chilly winter. Melissa’s heart could not help but tremble.

She had not expected that things would turn out this way.

However, wasn’t Murray himself the one who had started this?

If it wasn’t for the fact that he had always loved Lily, why would she cancel the engagement ceremony?

Chapter 165 How Is My Grandfather?

This was supposed to be the most lively and grand engagement ceremony in the world, but it ended before it

started

Melissa’s heart seemed to be struck by a hammer, and she was extremely uncomfortable,

“Melissa, you slut, you caused grandfather’s life and death to be uncertain. Are you satisfied?” Claire stepped

on her high heels and pointed at Melissa’s nose

"Melissa, if something happens to Mr. Marc, our Gibson family will not spare you!" Mrs. Gibson did not forget to kick her when she was down. She raised her hand and slapped Melissa

"Mr. Marc has a heart attack. I also feel very regretful, but do you dare to say that you are not responsible for

Mr. Marc's illness? Who was it that kept saying those words in front of him just now to stimulate him?"

Melissa's eyes turned cold. She grabbed Sarah's hand and pushed her back.

"You still dare to quibble" "Sarah, are you alright?" Claire asked as she quickly supported Sarah.

The reporters surrounded them again and asked Melissa one question after another.

"Ms Eugen, what do you think of Mr. Marc's illness?"

"Ms. Eugen, what plans do you have in the future?"

"Ms. Eugen, can you tell me the reason why you canceled the engagement with Mr. Gibson?"

Melissa did not want to say anything

Melissa frowned and pushed the reporters away impatiently. "I'm sorry, I don't accept interviews!"

Claire's eyes flashed Wasn't this a good opportunity to discredit Melissa?

She waved to the reporters, "You can come and interview me and Sarah."

The reporters were more than happy, and they surrounded them.

Claire cleared her throat and said, "Everyone saw it. My grandfather had a heart attack today, and he was completely stimulated by Melissa!"

On behalf of the Gibson family, I hereby announce that we, the Gibson family, have nothing to do with this vicious woman Melissa!"

The reporters nodded,

For a moment, Melissa was scolded by everyone. She no longer wanted to continue listening and smiled coldly, Claire, you are an adopted daughter who has nothing to do with the

Gibson family. What qualifications do you have to be the spokesperson of the Gibson family?

with her identity exposed in public by Melissa, Claire's face darkened. She rolled her eyes and wanted to say something, but Melissa ignored her directly

After saying that, Melissa left directly

"Melissa, are you alright?" Nina and Jaylin came over to greet her.

"Don't follow me. Let me be alone for a while." Melissa looked up at them and said.

She knew that Nina and Jaylin cared about her.

But at this moment, she just wanted to be alone.

Nina and Jaylin looked at each other and wanted to say something, but Melissa's face sank, "Don't worry, I'm fine. I just want to be quiet."

"But, Melissa..."

Jaylin still wanted to say something, but Nina pulled him back, "Forget it, let Melissa calm down alone."

Too many things had happened tonight, and no one could stand it.

But Nina believed Melissa that she could handle everything

Under Jaylin's anxious and worried gaze, Melissa walked out of the hotel.

Melissa walked alone on the street. The neon lights on the side of the road changed colors and shone on Melissa's body

Melissa's thoughts were a mess

She did not know if she had done something wrong tonight, if she had not publicly announced the cancellation of the engagement ceremony, perhaps Mr. Marc would not have had a heart attack. He would not now lie in the hospital for emergency treatment now

However, even if she did not announce the cancellation of the engagement, Murray would still make the same decision

Because his Lily had returned.

Wasn't the result the same?

Murray's cold words sounded in her ears. "If something happens to grandfather, I will not forgive you." Melissa's heart ached.

Murray must hate her.

He thought that she was the one who caused Mr. Marc to be like this.

Unknowingly, the rain fell down

The heavy rain fell on Melissa's body and wet her clothes.

The cold wind of the night blew and Melissa could not help but shiver.

All of a sudden, an umbrella was placed on Melissa's head, covering the wind and rain.

Melissa looked up in surprise. A tall and straight figure stood in front of her. It was Jaylin

phantar 126 HW e

Granlathara

"Melissa, I worry about you."

Jaylin had already learned from Nina the reason why Melissa canceled the engagement ceremony with

Murray.

Originally, he was happy that Lily, whom Murray had always loved, had returned. With Melissa's proud

personality, it was impossible for her and Murray to be together again.

In other words, he had a chance to pursue Melissa again,

However, at this moment, Jaylin saw that Melissa was drenched and in a sorry state. He felt very uncomfortable and distressed.

If he could, he didn't want Melissa to be hurt in the slightest.

In the hospital.

– "Dr. White, how is my grandfather?" Murray's handsome face was filled with worry and nervousness.

Dr. White was the best cardiologist in City A. He gave Mr. Marc a detailed examination and said with a heavy expression, "Mr. Marc originally had heart disease, but he has been taking medicine to control it. He suffered a great shock tonight, causing a sudden heart attack. He needs immediate surgery."

Murray frowned and nodded. He looked down at Dr. White and said in a cold tone, "Please ensure that my grandfather is fine!"

"I will do my best!" Dr. White trembled as a strong aura blew over him, and he quickly said.

The doctor pushed Mr. Marc into the operating room, and Murray stood outside the operating room, lighting

up a cigarette.

The fireworks at the tip of his finger reflected that Murray's expression was terrifyingly dark.

The scene of Melissa heartlessly announcing the cancellation of the engagement ceremony in public, as well as Mr. Marc fainting from a heart attack, flashed in Murray's mind,

He had been looking forward to it for so many days, and it was supposed to be his happiest moment, so why was it like this now?

"Mr. Gibson, Mr. Marc will be fine." Alex looked at his CEO's handsome face, which was as dark as the coal,

and comforted him,

Murray turned a deaf ear. His deep and cold eyes stared at the door of the operating room.

"Murray, how is your grandfather?" asked Mrs. Gibson as she rushed over with Claire in tow.

"He's in the emergency department," Murray said indifferently.

"Murray, don't worry. Grandpa is blessed by the heavens and will definitely be fine." Claire held Murray's arm and comforted him gently.

Murray glanced at her coldly and withdrew his arm.

Chapter 165 How Is My Grandfather?

Claire's eyes darkened. She did not forget to smear Melissa in front of Murray. "Murray, the reason why grandfather is like this is all because of Melissa!"

"Shut up!" Murray's eyes turned cold and he said impatiently.

Claire trembled all over. She felt wronged and was about to say something when she was stopped by her mother. "Claire, Murray is in a bad mood now. Let him be quiet."

Claire was silent

After a long time, the door of the operating room finally opened.

"Dr. White, how is my grandfather?" Murray strode over with his long legs.

"The operation was very successful." Dr. White pushed up his gold-rimmed glasses, hesitated for a moment, and then said

Murray breathed a sigh of relief when he heard this, but then he heard Dr. White carefully say. "But..."

"But what?" Murray's heart tightened as he asked.

"However, Mr. Marc's situation is still not optimistic." "I don't know if he can wake up." said Dr. White

Murray's face sank, and his voice was hoarse, "Impossible! Grandfather must be fine!"

Soon, the nurse pushed the moving bed out.

"Grandfather." Murray stood in front of the hospital bed, looking down at unconscious Mr. Marc on the bed. his heart twisted

Claire stepped forward, "Murray, don't worry too much. Grandfather is blessed by the heavens. He will definitely be fine."

Murray nodded lightly.

The next day, the weather was gloomy.

Melissa opened his eyes in a daze

What entered his eyes was a white glass lamp.

Where was she?

She rubbed her temples, and the memories from yesterday gradually returned.

It should have been the day of her engagement with Murray yesterday, but...

Murray was with Lily.

She canceled the engagement ceremony and *Mr. Marc* fainted from the stimulation.

The scenes from yesterday kept appearing in Melissa's mind.

Melissa's heart was in pain.

She was just about to get up when the door to the room opened and Jaylin strode in.

"Melissa, you're awake?" Jaylin walked to the bed and asked with concern

"It's you?" Melissa looked around. This is your home?"

"Yes." "I made breakfast. What do you want to eat?" Jaylin asked softly.

"I have no appetite," Melissa shook his head,

Jaylin looked at haggard Melissa and his eyes were filled with heartache. "How can you not eat? I'll bring you

a glass of milk. You should drink some first."

Jaylin." "*Mr. Marc*, how is *Mr. Marc* now?" Melissa called out to him.

"I heard he had an operation and hasn't woken up." Jaylin sighed and said.

"I want to see *Mr. Marc*." Melissa's face tightened.

“Then you should obediently eat breakfast first, I’ll send you there.” Jaylin patted Melissa on the shoulder, wanting to say something but hesitating. “You and Murray...”

Melissa wanted to go to the hospital to visit Mr. Marc, so she would definitely meet Murray

Jaylin was afraid that Melissa would be sad.

Jaylin, I don’t want to mention this right now.” Melissa took a deep breath and said indifferently.

At the mention of Murray, her heart was so painful

Melissa didn’t want to think about those things that made her sad right now. She just wanted to confirm the safety of Mr. Marc.

She reluctantly ate a few mouthfuls of breakfast and impatiently urged Jaylin to send her to the hospital.

Sitting in the car, Melissa habitually opened her phone to browse the news,

News of her canceling the engagement ceremony with Murray spread all over the Internet.

“Mr. Gibson and Melissa canceled the engagement. Mr. Marc had a heart attack and his life is in danger!”

“Gibson Corporation’s President Murray is dating a mysterious woman. Melissa has been dumped and has no choice but to cancel the engagement!”

There were even pictures of Murray and Lily on the Internet!

Melissa was suddenly shocked.

These paparazzi *were* really all-pervasive, even capturing Lily.

Melissa looked at the photo. Murray was supporting Lily. Lily was nestled in his arms. The two of them looked intimate. The dense pain in Melissa’s heart spread.

After taking a few deep breaths, Melissa calmed down,

The public opinions *were* crazy, and there were all kinds of ridicule and abuse of Melissa on the Internet. It was as unpleasant as it could be heard.

"Melissa is a scheming bitch. She was dumped by Murray and pretended to be honest to cancel the wedding, which made Mr. Marc seriously ill and his life and death uncertain. What a shame!"

"Country bumpkin is a country bumpkin. How can she be worthy of Mr. Gibson? She deserved to be dumped!"

"Who is the new lover of Mr. Gibson?"

Seeing that Melissa's expression was very ugly, Jaylin turned his head to look at her. "Melissa, are you alright?"

"I'm fine." Melissa came back to her senses and locked her phone.

Ever since she was young, Melissa had never been so badly humiliated,

Even though Melissa had repeatedly warned herself not to think about these things, when she faced spite, she still could not be completely calm.

"Melissa, we're here." Jaylin's words pulled Melissa back to her senses.

Jaylin, wait for me here." Melissa opened the car door and got out

*I will go with you.' Jaylin said worriedly

"No need. Just wait for me here," Melissa said lightly

Now that she was already at the center of public opinion. At this juncture, she did not want to be

photographed with Jaylin

After all, Jaylin was so popular that many paparazzi tried their best to take photos of him

Seeing that Melissa insisted, Jaylin was disappointed. Then you be careful, Call me if anything happens."

"Okay." Melissa nodded

Just as she entered the hospital, two nurses pointed at her as if they had discovered a new continent.

"Look, isn't this one who is?"

"Yes, yes, yes, Melissa! The one who was dumped by Mr. Gibson Why did she come to the hospital?"

"Are you here to see *Mr. Marc*?"

"Tsk tsk, she still has the face to *come*? I think she's probably unwilling to come and pester Mr. Gibson..."

"How shameless!"

The two little nurses echoed each other and stared at Melissa with disdain.

Melissa walked past them expressionlessly and arrived at the inpatient department.

"May I ask which *ward* Mr. Marc is in?" Melissa arrived at the *service* desk and asked

The nurse at the *service* desk looked up at Melissa and pointed forward, "The VIP ward on the eighth floor."

Thank *you*."

Melissa sat in the elevator and went straight to the eighth floor. She looked inside and saw that the innermost ward was heavily guarded and two bodyguards were standing at the door.

Mr. Marc should be in that ward.

Melissa walked forward, and with every step she took, her mood became heavier.

Murray should be in the ward now, right?

Did he still think that she was the one who harmed Mr. Marc?

Melissa rubbed the space between her eyebrows to calm herself down.

It was not the time to think about this, the top priority was Mr. Marc's condition.

As Melissa was thinking, a sharp voice of a woman suddenly came from behind, "Melissa, why *are you* coming here?"

Melissa stopped in her steps and turned around, only to see Claire and Sarah walking towards her aggressively.

It was them again...

Melissa furrowed her brows. She ignored the two women and continued to walk forward. However, Claire grabbed her arm.

“Melissa, isn’t it enough for you to make grandpa unconscious and lying on the bed? You still have the face to come over?” Claire glared at Melissa and scolded her.

Melissa pulled out her arm and looked coldly at Claire. “Claire, stop acting like a shrew! I’m not here to quarrel with you today. I just want to see Mr. Marc.”

“Auntie, look at Melissa. She scolded me!” Claire felt wronged and held Sarah’s hand.

Sarah

frowned. She said loudly, Melissa, the Gibson family has nothing to do with you. Don’t bother *Murray* again! You’re not welcome here. You should leave!”

“Excuse me, I can’t get by!” Melissa only wanted to see Marc as soon as possible and did not want to waste any time with them. She pushed Sarah away and walked forward.

Seeing that Melissa was about to reach the door of the ward, Sarah rushed over and snapped at the bodyguard, “What are you all standing there for? Why aren’t you chasing her away? Don’t let her come over!”

The two bodyguards looked at each other, hesitated, and then said to Melissa, “Ms. Eugen, please leave.”

Melissa looked at them coldly. “Please move aside.”

“Melissa, you shameless bastard, hurry up and get out! Do you still want to harm grandpa?” Claire shouted in exasperation when she saw that Melissa was standing still,

Yesterday. Melissa said in front of the reporters that Claire was adopted. Today the news was exposed.

The image of the rich and powerful young lady that Claire had been running in school had been greatly affected There were even

many people who discussed it behind her. They said that Claire was a fake princess. Even a few of her fanatical pursuers gave her the cold shoulder.

Melissa looked at Claire mockingly. Just as *Melissa* was about to speak, the door to the ward suddenly

opened. Murray appeared in front of Melissa

“What are you doing?” Murray *frowned* and said coldly.

Seeing Murray, Claire was the first to complain. She pointed at Melissa and said angrily. “Murray, Melissa is a vicious woman. Yesterday, she caused grandpa to have a heart attack. His life was still uncertain. Now, she wants to provoke grandpa. She is too vicious!”

Murray swept his cold gaze over Melissa’s face.

He stayed in front of Mr. Marc’s bed and did not close his eyes the entire night.

Hearing the faint sounds of arguing outside, Murray opened the door and wanted to see what was going on. Unexpectedly, what entered his eyes was Melissa’s pretty figure.

A complicated expression flashed in *Murray’s* eyes. He felt a little depressed.

Murray’s face turned cold at the thought that his grandfather had become like this because of Melissa.

“It’s you.” Murray’s tone was indifferent.

Melissa nodded and met Murray’s cold gaze.

Get theird

After a night, Murray had become a lot more haggard. His handsome face was full of fatigue, making people feel distressed

Melissa originally thought that she could calmly face Murray, but at that moment, her heart was beating

furiously

“Murray, I came to see Mr. Marc.” Melissa took a deep breath and tried to speak calmly.

Murray frowned and was about to speak when he suddenly saw a man rushing towards Melissa,

It was Jaylin.

"Melissa, are you alright?" Jaylin waited at the entrance of the hospital for a long time but Melissa did not come down. He was worried about her and came to find her.

Melissa was stunned for a moment. She turned around to look at Jaylin and smiled. "I am fine."

"Well, Melissa, I underestimated you." A mocking smile appeared on Sarah's lips. "You just dumped Murray. Are you hooked up with Jaylin?"

"Mrs Gibson, please don't talk nonsense!" Jaylin's face sank.

Sarah sneered. "How dare you say that there's nothing between the two of you?"

Melissa felt so upset. She just wanted to visit Marc and see if she could help. Why was it so difficult?

"Murray, let me go in and see Mr. Marc," Melissa said, looking at Murray.

The moment he saw Jaylin, Murray's indifferent face instantly became even colder.

Even though Melissa had repeatedly explained to him before that she and Jaylin were just ordinary friends

However, Jaylin was particularly concerned about Melissa. They did not seem like ordinary friends.

Murray thought, Melissa just broke off the engagement with me last night. Now, she is with Jaylin. It is so

ironic

She broke off our engagement for Jaylin, right?

In just a few seconds, countless thoughts hit Murray

"Melissa, go back. Grandpa doesn't want to see you." Murray's eyes were so cold.

After saying this, he directly turned back to the ward.

With a bang, the door to the ward closed.

It shook Melissa so much that her entire body trembled.

Melissa thought, Why...

I just want to see Mr. Marc. Murray hates me so much. He won't even grant me this little request?

Her heart sank

The pain gradually spread throughout her body.

"Melissa, let's go." Seeing Melissa standing there in a daze and looking at the door of the ward, Jaylin walked to Melissa and said softly

Melissa returned to her senses and nodded sadly.

The two of you, listen up. Melissa is not allowed to come again!" Sarah had a smug look on her face. She instructed the bodyguard.

"Yes, Mrs. Gibson!" The two bodyguards said respectfully.

After walking out of the hospital, Melissa received a call from Enoch

"Meli, it's me. Enoch's voice sounded from the other side of the line

Hearing her grandfather's warm voice, Melissa's nose twitched and she said, "Grandpa."
"

"I saw the news on the Internet. What are you doing with Murray?" Enoch's voice was a bit puzzled.

After rescuing Melissa and Murray from the island, Enoch went around the world.

Enoch was originally happy. However, he suddenly saw on the news that Melissa and Murray had canceled the engagement ceremony. Marc had a heart attack.

'Grandpa, ..Melissa took a deep breath, not wanting her grandfather to worry. "It's nothing. I will take care of these things myself."

"Can you do it?" Enoch raised the corners of his lips.

"Yes, grandpa. Enjoy your journey. Don't worry about me." Melissa pretended to be calm as she spoke.

Marc

knew his precious granddaughter's personality. He nodded, "OK. Remember to call me as soon as possible."

After hanging up the phone, Melissa opened the car door and was about to get into the car when she suddenly saw a *woman* walking toward the hospital with a thermometer,

That woman looked familiar.

When the woman approached, Melissa narrowed her eyes and finally saw it.

It was Lily!

Chapter 168 She Wants Murray's Heart

Melissa felt a shiver in her heart.

The scene of Murray holding Lily tightly in the farmhouse at Bright Mountain yesterday suddenly appeared in Melissa's mind.

Melissa thought, Lily must be here for Murray,

Murray doesn't let me in to visit Mr. Marc because he has an appointment with Lily, right?

"Melissa, do you know her?" Jaylin asked curiously when he saw Melissa staring at the girl with a cold expression

The corners of Melissa's mouth curled up. Her eyes narrowed. "She is Lily."

"Is she

Lily?" Jaylin curiously followed Melissa's gaze and saw Ryleigh's back disappearing at the entrance of the hospital

Melissa withdrew her gaze and suppressed all sorts of emotions in her heart. "Let's go," she said indifferently.

Ryleigh held the thermos cup and asked around all the way. Soon, she came to the eighth floor of the inpatient department.

“Excuse me, is Mr. Marc staying in this ward?” Ryleigh saw that there were bodyguards at the innermost ward, so she walked over and asked.

The bodyguard in black waved his hand impatiently. “Miss, please leave.”

Ever since Mr. Marc fell ill, there were always reporters who wanted to take some exclusive news.

The bodyguard had never seen Ryleigh before. Therefore, they thought of her as a reporter.

Ryleigh pursed her lips and said with a smile. “I am Mr. Gibson’s friend. I have something important to see

him. My name is Lily. Can you tell him?”

Lily?

Murray’s bodyguard knew that Murray’s true love was called Lily.

Today’s entertainment news said that Mr. Gibson had found Lily and was with Lily yesterday

There was even a photo.

Although the photo was blurred, the bodyguard took a closer look at Ryleigh, which was quite similar.

“Please wait a moment,” the bodyguard said.

“Mr. Gibson, there’s a girl called Lily at the door. She said she has something important to talk to you.” The bodyguard opened the door and entered, respectfully reporting to Murray.

“Lily?” Murray was a little surprised. He stood up and walked to the door.

“Murray. Looking at the tall and handsome man in front of her, Ryleigh curved her lips into a sweet smile.

Chapter 16A She Wants Windy’s Heart

Murray said, "Are you here for a check-up at the hospital? I'll get someone to accompany you."

Yesterday. Murray accidentally bumped into Lily. He took her to the hospital for a check-up. Luckily, it was not a big deal. Later, when Lily returned home, her chest suddenly felt hurt. At that time, he was in a hurry to go to the hotel and did not have time to pay attention to Lily

"No, I'm fine," Ryleigh shook her head.

After a pause, she said softly, "Murray, you left in such a hurry yesterday. I am so worried about you. I only found out after reading the news today that last night was your engagement ceremony."

When she said the words "engagement ceremony", Ryleigh's eyes darkened, "I'm sorry. It's my fault.

"Why do you say that?" Murray was somewhat surprised.

"I didn't know Ms. Eugen was your fiancée." Ryleigh bit her lip. looking weak and self-blaming "Is it because Ms. Eugen misunderstood me that she canceled the engagement ceremony? That's why your grandfather fainted and fell ill?"

"It has nothing to do with you." Murray's face turned cold. His thin lips listed slightly.

Ryleigh lowered her eyes. "I can explain it to Ms. Eugen, Murray, I am willing to do anything for you."

Murray thought, Murray, I am willing to do anything for you...

This was what Lily had told him back in the small black room.

"Lily, thank you." Murray's eyebrows twitched.

Ryleigh handed the thermos bottle to Murray, "Murray. I know that you must be very worried about Mr. Marc, but you have to take care of yourself. This is the chicken soup that I specially made for you. Have a taste."

Murray felt warm in the face of Lily's concern. He reached out and took the thermos.

There was a faint smile on Ryleigh's lips. She suddenly remembered something and took out 80 dollars from her pocket. "Murray, this is my salary for last night. I will return it to you first. I will slowly return the rest of the money..."

Murray pushed away from the money Ryleigh handed him and said in a low voice, "No need. Lily, we are friends until death. There is no need to be so polite."

Ryleigh thought, The friend until death...

Is this description of the relationship between them in Murray?

A dark light flashed in Ryleigh's eyes.

Ryleigh thought, What I want is not friendship, but Murray's heart! He is the most dazzling man!

However, there is no hurry.

Now, it is already a good start.

"Murray, take it." Ryleigh stuffed the money into Murray's hands. "I still have to go to the bar to sing. I won't disturb you. Goodbye!"

With that, Lily turned around and left.

Looking at the 80 dollars in his hand that carried Ryleigh's warmth, Murray frowned and called Alex. "Transfer Ryleigh's grandmother to the best hospital and find the best doctor to treat her."

"Yes, Mr. Gibson." Alex agreed on the other end of the call.

Hanging up, Murray returned to the ward.

Mr. Marc was still unconscious on the bed.

Murray gently covered *Mr. Marc* with a blanket. He lowered his head to look at Mr. Marc, whose body was covered with tubes. His face was pale. *Murray's* heart could not help but ache.

"Grandpa, you will be fine," Murray said as he held onto Mr. Marc's hand as if he wanted to pass all of his

power to *Marc*.

"Mr. Gibson." Dr. *White* walked in and stood behind Murray.

"When will *my* grandfather wake up?" Murray looked up and asked coldly.

Dr. *White* said, "Mr. *Marc*, I am just about to tell you about Mr. *Marc's* condition"

“Dr. White, tell me the truth. How is my grandfather’s condition?” Murray’s handsome face turned cold as he asked impatiently

“To be honest, I’m not sure about Mr. Marc’s illness.” Dr. White said carefully, ‘In this world, there should be one *man* who can cure Mr. Marc.”

“Who is it?” Murray asked.

He thought, As long as the *man* could cure my grandpa, I would go and find him.

Dr. White cleared his throat and said, “Today, I checked all the information about Mr. Marc’s illness and finally contacted my teacher abroad. He said that only Mr. Luca can cure Mr. Marc’s illness.”

“Mr. Luca?” Murray was stunned. He had never heard of this person.

‘Who is he?’ Murray’s eyes narrowed.

Dr. White took a look at the EKG machine and then looked at Mr. Marc, “Mr. Luca used to be a famous doctor. He was talented and once saved a lot of lives. But twenty years ago, something happened, and he disappeared suddenly.”

“Disappeared?” Murray asked anxiously. “Where can I find him now?”

“I don’t know,” said Dr. White, shaking his head regretfully, “Or should I say, no one knows.”

Murray’s heart sank again.

“What happened twenty years ago?” Murray asked after a moment of silence.

Dr. White sighed, “I don’t know the details. I heard from my mentor that what happened twenty years ago was a big blow to him.”

“Ever since that, Mr. Luca had gone missing, and during that time, many people had looked for him, but they had not been able to find him

“It has been so many years now. No one knows where Mr. Luca has gone, and no one even knows whether he is still alive.”

Hearing Dr. White’s words, Murray’s face was stern. And his eyebrows were tightly knitted,

Murray looked down at Mr. Marc on the bed, tightening his fists.

Even if Mr. Luca was at the far corners of the earth, Murray kept his mind that he would find him as soon as possible!

Murray couldn’t watch his grandfather keeping unconscious and being in danger. Murray would do everything to save him

And this feeling of helplessness made Murray uncomfortable.

Murray was about to call Alex and ask him to find Mr. Luca when the ward’s door suddenly opened.

Butler Jose came in. And then he asked with concern, “How is Mr. Marc?”

Murray’s eyes were full of sadness, and he replied, “Still the same. He hasn’t woken up yet.”

Seeing Murray’s haggard appearance, Butler Jose felt distressed. He comforted him, “You don’t have to worry too much. Mr. Marc is a lucky man. I believe he will wake up soon.”

Murray nodded to respond to Butler Jose.

“You’ve been with Mr. Marc for an entire day and night. Even if you are strong, you won’t be able to take it. Go back and rest. I’ll take care of Mr. Marc here.”

“I want to accompany grandpa,” Murray shook his head,

Butler

Jose patted him on the shoulder, “I knew what you felt. But you’d better take care of yourself. I think your grandfather must want you to look after yourself. Go back to rest. If there is anything, I will call you immediately

“You are right. I’ll go back and have a rest. Thank you, Jose.” Murray thought for a while and said,

Butler Jose had been with Mr. Marc for decades and had a good relationship with Mr. Marc. And Butler Jose had been doing his best to stay by Mr. Marc's side for the past decades. Thus, Murray believed Butler Jose would take good care of his grandpa. Therefore, he agreed with Butler Jose.

Murray told his bodyguards to stay here and keep his grandpa safe, and then he left.

Sitting in Jaylin's car, Melissa looked out the window, and her mind was a mess.

Taking a deep breath, Melissa looked down at the ring on her finger.

It was given to her by Murray when he proposed to her.

The past flashed before her eyes.

Murray was stabbed by a knife because of her and abandoned his life to save her. Besides, he romantically proposed to her.

Melissa was confused. Since Murray did not love her, why did he do so many things for her?

Melissa guessed it maybe because she looked like Lily

Rubbing her eyebrows, Melissa tried to drive away these thoughts in her mind.

The most important thing was how to save Mr. Marc now.

Since Murray didn't allow her to see him, she had to have some new plans.

Melissa took off the ring and turned her head to look at Jaylin. She pursed her lips and said, "Jaylin, can you do me a favor?"

"Of course." Jaylin agreed and did not even ask Melissa what she wanted him to do.

Melissa said in a low voice, "Help me find a house. I want to buy a house and move in as soon as possible."

Since she had already broken the engagement with Murray, Melissa felt she had no reason to live in Moonlight Mansion,

"I have an apartment in the Eastern Garden. If you don't mind, you can move in there anytime." Jaylin said

with a smile.

“Thank you.” Melissa narrowed her beautiful eyes and leaned back against her seat.

“I thought you would leave Aldness and go out to relax,” Jaylin said with hesitation,

In his mind, Melissa would leave here for a new life after suffering Murray’s betrayal, Chapter 169 Melissa Decides To Move Away

But now, Melissa decided to stay in Aldness.

Jaylin wondered whether Melissa was unwilling to break up with Murray yet

Melissa took a deep breath and answered, “After all, Mr. Marc is still unconscious in the hospital. I am responsible for that. I can’t pretend that nothing happened and run away.”

“Don’t worry, nothing will happen to Mr. Marc,” Jaylin said, nodding his head.

Jaylin didn’t think Melissa insisted on staying here because of Mr. Marc.

The two of them remained silent the entire way. Jaylin drove Melissa to the Moonlight Mansion.

*Melissa, is it here?” Jaylin stopped the car and turned his head to ask.

“Yes. And wait for me. I will be back soon.” Melissa snapped back to reality.

Melissa opened the door and found it was quiet.

She thought that Murray should still be at the hospital now.

When she reached her room, Melissa was dazed.

Even though she didn’t come back here last night, she had a feeling that it was a lifetime ago.

She had lived there for more than a month, leaving many unforgettable memories.

But she was about to leave *now*.

Melissa thought that she would be OK to leave here. But now, she knew she was wrong. Her heart was in a

state of panic

The memories that she got along with Murray here emerged in her mind,
The scenes *were* so vivid that it was as if they had happened yesterday.
Murray was the first man that made Melissa know what love was.
Melissa had thought she would be with Murray and spend the rest of her life with him.
But Melissa knew she was *wrong* now. *Murray* didn't love her and loved Lily.
Murray had Lily now. And it was likely that he was staying with Lily now.
Melissa thought there was no need for her to stay here and reflect on her injuries.
Thus, Melissa packed her things quickly and put them into her suitcase.
Melissa carried the suitcase and walked downstairs. Just as she was
about to leave the living room, she heard the sound of the door opening
Melissa stopped because of that.
And her heart skipped a beat.

Chapter 170 Did She Do Anything for Jaylin?

Melissa was stunned on the spot and didn't know how to face it.

The door opened, and Clara appeared in front of Melissa

"Ms. Eugen?" Clara didn't expect that there would be someone at home at this time,
so she was shocked.

Melissa was slightly disappointed, but at the same time, she let out a sigh of relief, "Clara, it's *you*."

How could she forget that Clara would come over every afternoon to clean up?

"Ms. Eugen, what are you doing?" looking at the suitcase in Melissa's hand, Clara asked in surprise.

Im leaving. Please tell Murray, Melissa said indifferently.

Clara had also heard a little about the matter of Melissa and Murray, which had been spread widely.

However, she always felt that her young master was not the kind of person who always changed his mind.

Usually, Clara had seen Murray's tenderness towards Melissa

After working at Murray's home for so many years, she had never seen *Murray* care so much about anyone.

Melissa was first

However, she did not expect Melissa to move away so soon.

"Ms Eugen, aren't you going to wait for *Mr. Gibson* to come back? If there's anything, the two of you can talk about it. Why should you move out? Clara was stunned and wanted to persuade her.

Melissa shook her head and was about to say something when Jaylin suddenly appeared at the door.

"Melissa, are you done?" Jaylin asked as he walked towards Melissa

Yes, Melissa nodded.

Jaylin took the suitcase from Melissa's hands, and said gently. "Have you packed everything up? Is there anything left?"

"No, there was no emotion in Melissa's voice

"Then let's go," Jaylin said with a gentle smile.

Clara looked at this scene in shock.

What is the relationship between *Ms. Eugen* and this man?

Under Clara's surprised gaze, Melissa stopped. She suddenly thought of something, took out the key from her pocket, and handed it to Clara, "Oh right, this is the key here. Please help me return it to Murray

"Ms Eugen, why don't you give it to Mr. Gibson yourself?' Clara was still trying to persuade Melissa to stay.

"No need,' Melissa replied She turned around and followed behind Jaylin and went downstairs.

"Melissa, get in the car," Jaylin put Melissa's suitcase in the trunk of the car and then opened the car door for Melissa like a gentleman.

*Thank you,' Melissa turned back to take another look, pursed her lips, and sat in the passenger seat.

Her mood was inexplicably heavy

"Melissa, don't think too much. Go back and rest, Jaylin reached out to fasten Melissa's seat belt and said,

*Jaylin, I'm fine. Let me calm down," Melissa leaned against his seat tiredly and closed her eyes.

Jaylin no longer said anything. He turned the car around and drove out of the gate of the community.

Murray drove back from the hospital. When he was about to reach the gate of the community, he suddenly

saw a familiar car drive out from the gate of the community.

Isn't that Jaylin's car?

What is he doing in Moonlight Mansion?

Murray had a bad feeling

He subconsciously turned his head to look out the window and vaguely saw a pretty face.

It was Melissa!

As the two cars passed by. Murray slammed on the brake.

The car behind him kept honking the horn. Murray turned around to see clearly, but Jaylin's car was already

gone.

Melissa is with Jaylin?

Murray returned home with a long face. Clara was cleaning the living room,

Seeing that Murray had returned, Clara hurriedly greeted him, "Mr. Gibson, you're back?"

"Yes," Murray responded indifferently.

Clara hesitated and asked, "Did you see Ms. Eugen? She just left."

Melissa really did come back!

Murray's face darkened and said, "Where did she go?"

Clara shook her head, took out the key that Melissa had left behind, and handed it to Murray. "Ms. Eugen didn't say it. She took all her things away, and this key was from Ms. Eugen who asked me to return it to you."

Melissa had moved everything away!

In other words, she would never come back...

Murray's expression was as cold as the frigid winter.

Chapter 170 Did She Do Anything for Jaylin?

"Did she come back alone?" Murray asked in a cold tone.

Feeling Murray's cold breath, Clara carefully said, "She came back with a man. It seems to be the one who is very popular on TV recently. What is his name again? The one surnamed Segar, right..."

Clara hadn't finished speaking when a loud bang suddenly sounded.

Shocked, Clara looked up and saw Murray punch the glass door of the cabinet.

The glass shattered on the ground.

"Mr. Gibson, are you alright?" Clara asked.

The pain in his hand spread throughout his body, and Murray frowned slightly, "I'm OK."

With that, he walked up the stairs.

When he reached Melissa's room on the second floor, Murray pushed the door open and entered.

The room was very tidy, but the things that had been placed inside had all disappeared.

Murray sat alone on the big bed in the middle of the room unpleasantly.

His large hand gently stroked the pillow on the bed.

That was where Melissa had slept.

There seemed to still be her unique aura on it.

Did Melissa leave just like that?

Did she leave with Jaylin?

She broke off the engagement with me and moved away from Moonlight Mansion. Did she do anything for Jaylin?

The villa of the Yale family,

Adela lay on the bed, checking her phone.

Adela couldn't help but smile when she saw the bad news about Melissa.

Melissa, this shameless bitch, finally has this kind of ending!

In a good mood, Adela asked Julie to go shopping.

The two sat in the car. Julie kept saying what Adela liked to hear, "Adela, Melissa will be scolded for a long time. She almost killed Mr. Marc. Mr. Gibson must hate her."

"She deserves it," Adela snorted.

Suddenly remembering something, Adela furrowed her brows, "There is a report online that the reason why

Murray broke up with Melissa is that he found Lily. Help me check if it is true."

Julie hurriedly answered, "Alright, Adela. Don't worry. So what if it really is Lily? We can chase Melissa away, let alone Lily."

Adela nodded in satisfaction. She suddenly pointed at the car in front of her and asked Julie, "Is that Melissa?"

Following Adela's finger, Julie looked forward.

It was Jaylin's car.

The man driving was tall and handsome. It was Jaylin.

And the one sitting in the passenger seat was Melissa

The jealousy in her heart rose, and Julie's face turned cold.

"Melissa, this shameless woman, was just abandoned by Mr. Gibson and went to seduce Jaylin!" Julie said angrily, "let's followed him to take a look."
