Chapter 171 Will You Announce Your Identity 7

“Alright.” Adela agreed immediately

She nodded and ordered the driver coldly, “Follow the car in front

Yes Miss,’ the driver respectfully said and followed Jaylin’s car from a

Adela and Julie followed Jaylin’s car all the way to Eastern Garden

They saw Jaylin take out the luggage from the trunk and take Melissa to his apartment in Eastern Garden

Seeing Jaylin and Melissa walk into the apartment side by side, Julie couldn’t hide the anger and jealousy in her eyes. She scolded angrily, “Melissa, this shameless woman actually dares to live in Jaylin’s house!”

Adela’s eyes flashed with light. She turned her head to look at Julie. “Jaylin is hiding a woman in his house, and this woman is actually Melissa. Do you think it will be very explosive if we tell the media about this

news?”

“But will this affect Jaylin?” Julie asked worriedly.

“Why are you afraid? Adela glared at Julie, “Do you want to see Melissa pester Jaylin?”

“Of course not.” Julie said with anger.

Adela smiled. That’s it then Melissa, this shameless bitch, who was just abandoned by Murray, immediately went to hook up with Jaylin. At that time, the media will definitely embroider it, and maybe even dig out that she has an affair with another man

When the time comes, everyone will blame Melissa.

“She will become a social pariah. Do you think Jaylin will still keep her?”

“As long as you chase her away from Jaylin, wouldn’t you have the chance?”

Adela’s words moved Julie

She nodded thoughtfully. “Adela, you are right.”

Melissa followed behind Jaylin and entered his apartment.

“Melissa, do you think this place is okay?” Jaylin asked gently as he helped Melissa bring her luggage to the bedroom

Yes, yes, thank you,” Melissa looked around the apartment it was a one bedroom apartment. Although it was small, the equipment was complete The decoration was very unique and suited her taste

Take a look and see if there’s anything you need. Just tell me and I’ll get someone to send it over immediately Jaylin said considerately

I don’t need anything else I’m a little tired and want to rest* Melissa smiled faintly

Hearing Melissa’s hidden meaning. Jaylin was disappointed. Then I won’t disturb you Rest well if you need

anything call me immediately”

Thank you.” for Jaylin’s concern, Melissa was still indifferent

Jaylin turned and left. When he reached the door of the room, he suddenly stopped and turned around, “Melissa, do you have any plans next? Do you want to return to Star Entertainment and announce your identity?”

Now, there were all kinds of attacks on Melissa on the Internet, and there were all kinds of ugly words

If Melissa announced her identity. then the rumors would naturally be broken

Melissa frowned slightly and shook her head. “No need.”

Why? Don’t you care about the rumors online?’ Jaylin asked in confusion.

Melissa smiled lightly. You said it was gossip. Why should I care?”

After a pause, Melissa continued, “What’s more, all my thoughts right now are on how to cure Mr. Marc’s illness As for the rest. I don’t care at all.”

Jaylin nodded thoughtfully and said in a deep voice, "Alright, then you have a good rest."

He took a deep look at Melissa and then turned to leave

After Jaytin left, Melissa look out a laptop from the suitcase and quickly opened it.

She skillfully typed a few lines of code, successfully invading the security system of the hospital.

A few minutes later, Melissa found all the information regarding Marc's illness

According to the information, Marc's surgery was actually very successful.

But for some reason, he had not woken up.

Melissa rubbed her eyebrows and stared at the computer screen in deep thought.

Since wesiern medicine has no effect, then we can try Chinese traditional medicine

However, her medical skills were not to the point of perfection, and Melissa was not very sure

if she could ask Mr. Luca to come out, he would be able to cure Mare

It was just thai Melissa did not know where Luca, who laughi her medicine, was

For a moment. Melissa was a little confused.

No matter what she still wanted to see Marc with her own eyes and confirm if his condition was really su lable for Chinese medicine

Since Murray didnt allow her to see Marc, perhaps she could ask Alex for help

Melissa didnt sleep well at night and arrived at the Gibson Corporation the next morning

Melissa didn't sleep well at night and arrived at the Gibson Corporation the next morning

Looking of the tall building of the Gibson Corporation, Melissa was a little dazed

As soon as she entered the main gate, there were employces pointing other and whisparingloha

Their tone was disdainful and mocking

"Isn't this Melissa? She has the face to come to work?"

it not for her, how could our chairman belying in the hospital?"

Melissa doesn't know what's good for her where can she find a tall, handsome and outstanding man like Gibson? She actually broke off the engagement in public."

Then you don't know Do you think Mr Gibson really likes this bumpkin? In fact, Mr Gibson abandoned her She just pretended to be lofty"

"No

wonder I think she is most likely unwilling to give up Now she is here to pester Mr Gibson again"

These kinds of harsh words were constantly heard by Melissa

Melissa turned a deaf ear. She was calm and directly ignored these unpleasant words, and went straight to

Alex's office

"Ms Eugen," Alex was a little surprised when he saw Melissa

A faint smile appeared on Melissa's lips as she greeted him, "Alex"

Alex was currently arranging for people to search the entire world for Luca All the replies he received were that they could not find any clues

He was worried

"Ms Eugen, are you here for Mr. Gibson? He should be in the office right now." Alex put away the worry on his

face and said politely

The sudden change in the engagement ceremony at the hotel surprised Alex

He didn't understand why Melissa had suddenly canceled the engagement ceremony

Alex had also seen the blow Murray had suffered

Perhaps there was some misunderstanding

"I'm here for you." Melissa took a few steps forward and said indifferently

Looking for me? Alex's tone carried a hint of surprise

Melissa nodded, "Let me ask you for a favor"

Chapter 172 You Cannot Resign

"Ms. Eugenia, you don't have to be so polite. As long as I can help, feel free to ask me," Alex smiled and said politely

"It's like this. Can you think of a way to let me see Mr. Marc at the hospital?" Melissa said lightly, her tone carrying a hint of anticipation

"This..." Alex felt embarrassed and said after hesitating for a while, "In fact, Mr. Marc has been lying on the bed and unconscious all this time. Even if you go to see him, it will be meaningless."

Seeing the disappointment in Melissa's eyes, Alex quickly said, "Why don't we wait until we find Mr. Luca to

cure Mr. Marc? When he wakes up, I will find a way to arrange for you to see him"

"Mr. Luca?" Melissa asked with some doubt.

Alex nodded, "According to Dr. White from the Heart Orthopedics Department, Mr. Luca is a master of

Chinese medicine with excellent medical skills. Only he can cure Mr. Marc. Unfortunately, Mr. Luca has been missing for twenty years. Mr. Gibson has sent many people to find him, but there is no news for the time being."

"I see." Melissa was deep in thought.

If she was not wrong, Mr. Luca, whom Alex spoke of, should be the one who taught her medical skills when she was young

It seemed that her speculation was indeed correct. Dr. White was an authoritative expert in the cardiology department, and since even Dr. White recommended Mr. Luca, then if Mr. Luca was invited, he would definitely be able to cure Mr. Marc.

At this point, Melissa relaxed, Then I'll have to trouble you. I'll be leaving first."

After saying that, Melissa turned around and left.

"Ms Eugen." Alex's voice suddenly sounded behind Melissa

Melissa stopped and turned around to ask. What's wrong?"

There are some things I don't know if I should say or not. Alex wanted to say something but hesitated

Melissa smiled, "Alex if you have something to say. Just say it."

"Ms Eugen, don't blame me for meddling in other people's business. That day you canceled the engagement ceremony, and Mr. Gibson was very sad. Do you have something difficult to say?" Alex's voice was filled with

concern

Something that was difficult to say?

Melissa was stunned

Seeing that Melissa was silent, Alex said. "If you have any hidden troubles, have a good talk with Mr Gibson The two of you are in love with each other What can't you solve? Why are you in such a situation

Love each other?

Melissa smiled bitterly, "Aler, dont you know that Mr. Gibson's Lily is back?"

So, just for Lily? I always feel that Mr Gibson_

Before Alex could finish. Melissa interrupted him, "Alright, I dont want to continue discussing this matter Thank you for your concern"

Melissa said indifferently and then she turned to leave

After returning to her seat in the Secretary Department, Melissa ignored the various glances from the others and quickly sent a resignation letter

She came to Mr. Gibson's office with the resignation letter in her hand

When she thought that she was about to meet Murray soon, he heart inexplicably become a little nervous

Taking a few deep breaths, Melissa reached out and knocked on the door

“Come in” Murray’s low and cold voice came from the inside

Melissa pushed he door open and walked in.

Murray was sitting on his seat, staring at the computer screen with a cold lace

He was wearing a black shirt, his eyebrows were furrowed, and there was a touch of melancholy between his Cyebrows, making him look particularly indifferent.

Hearing the voice, Murray looked up. After secing clearly that the person who came was Melissa, he slightly narrowed his eyes, and his expression became complicated

Their eyes met and they stared al each other. Neither of them spoke.

At this moment, Mr. Gibson’s office was exceptionally silent

She looked at the familiar handsome face in front of her. The angular facial lines were like the work of God He was handsome and beautiful. At this moment, there was a sense of indifference and alienation

Melissa really wanted to ask him why he went missing the whole day with Lily on the day of their engagement, completely disregarding her feelings,

Why was he so cold and heartless to her that he didn’t even let her see Mr. Morc?

However, Melissa resisted

Taking a deep breath, she suppressed the emotions in her heart and smiled slighly She slowly walked to

Hurray

“This is my resignation letter Plcasc approve it.” She placed the resignation letter on Murray’s desk

A resignation letter?

Murrays expression suddenly turned as cold as ice.

Not only did she move away from Moonlight Mansion, she even wanted to resign

Is she really in such a hurry to cut ties with me?

For Jaylin?

Murray's thin lips were tightly pursed into a line and he picked up the resignation letter on the table with his big hand. He did not even look at it but directly tore it into pieces and threw it into the trash can on the side.

Melissa looked at Murray's actions with her mouth agape. A few seconds later, she came back to her senses

and asked, "Murray, what do you mean by this?"

Murray suddenly stood up and looked down at the woman in front of him with a sneer on his lips, "I don't

agree with your resignation

"Why? Melissa furrowed her brows as a strong sense of oppression assaulted her

She did not understand what Murray meant by this move, why did he not agree to her resignation?

Since he hated her so much, shouldn't he be eager for her to disappear from his sight?

Melissa was silent for a moment. He looked up at Murray's deep eyes and said coldly, "It's because of the

Ice and Fire project, you don't need to disagree with my resignation. Because the project is now on the night track and can be handed over to others at any time.

Murray took a step forward and closed in on Melissa. He said coldly, "Melissa, are you so impatient to draw a

clear line with me? Just for Jaylin?"

His dark black eyes were as unfathomable as the ocean, surging with cold waves as if he wanted to drown

Melissa in them.

Faced with Murray's terrifying gaze, Melissa couldn't help but retreat.

Draw a clear line with him?

For Jaylin?

Murray must have gone crazy, right?

Simply inexplicable!

A cold smile appeared on Melissa's lips as she mocked, "You're simply unreasonable"

After saying this, Melissa turned around and wanted to leave Suddenly, a huge force came from her waist

carrying a cold chill

Before she could react, her entire body was pressed against the wall by Murray

"Murray, what are you doing? Let go of me before Melissa could finish her words, she was stopped by the

man in front of her

Murray lowered his head and kissed Melissa's lips.

His kiss was strong and domineering, with surging anger.

Chapter 173

Chapter 173 Lily Is a Phony Girl

Melissa struggled, but her hands were tightly held by him

Murray was so strong that Melissa even felt that he would crush her slender wrist

His tongue forcefully pried open her teeth and got in her mouth.

Murray had only wanted to punish this heartless woman in front of him, but her wonderful taste was so

familiar

As always, it made him unable to control himself

The scene of him and Melissa being together in the past suddenly appeared in Murray's mind

Hundreds of thousands of feet above, Melissa hugged him tightly and said four sentences to him in a firm

tone

"Murray. I will tell you the answer now

"Murray, my answer is yes,

*I will spend the rest of my life with you.

"Till death do us apart."

Had Melissa forgotten what she had said to him that day?

These scenes from the past kept flashing in his mind. Murray's kiss had unknowingly become gentle

In a trance, he felt that they seemed to still be in love, and he felt that she had never left

As their breaths intertwined, the temperature in the president's office gradually rose

After a long time, Murray reluctantly ended the passionate kiss and said in a hoarse voice "Melissa

Before he could finish his sentence, a woman's voice suddenly came and interrupted him. "Ray, what are you doing."

Murray turned around, only to see Ryleigh in front of him

He raised his eyebrows in surprise. "Lily? Why is it you?"

Melissa's heart shivered violently

"Murray, that's enough!" She pushed Murray away violently

Melissa wondered what Murray took her for

Since he already had Lily, why did he still treat her like this? Was he humiliating her in this way?

Ryleigh looked at the scene in front of her in disbelief Murray was kissing Melissa?

The alarm in her heart rose. Ryleigh hid her emotions very well. She bit her lips and said lightly. "Ray. I'm

sorry. I forgot to knock just now. Did I disturb you?"

Murray let go of Melissa and slowly lifted up the shirt that had been messed up in the kiss just now. "No. Why are you here?" he asked indifferently.

"Ray, I came to thank you." Ryleigh secretly looked at Melissa, whose face was a little red. Ryleigh then suppressed the jealousy in her heart and said to Murray with a smile.

"Huh?" Murray smiled.

Ryleigh took a step forward and intimately pulled Murray's arm. Thank you for transferring my grandma to the best hospital and letting the best doctor treat her. Grandma is much better now. She also asked me to ask you when you are free. When she is better, you must come to visit her. She will thank you personally."

"It was nothing." Murray showed a faint smile, and his expression was indifferent as he said, "It was just a little matter."

Seeing this dazzling scene in front of her, Melissa took a few deep breaths to calm her mind, and then she showed a sheer as she turned around to leave.

"Melissa..." Murray pushed Ryleigh away and wanted to catch up.

Ryleigh quickly pulled Murray back, lowered her eyes, and put on a pitiful appearance in front of Murray. "Ray. is Ms. Eugen angry? I'm sorry. I didn't know she was here. How about I go to apologize to her and explain it to her?"

Murray frowned, but before he could say anything. Ryleigh chased after Melissa.

Melissa took the elevator to the first floor. Just as she was about to walk out of the building entrance, a cold female voice came from behind her. "Melissa!"

This voice...

Melissa stopped in her tracks and turned around.

It was Ryleigh, who had just been in the president's office

What is it?* Melissa said expressionlessly.

Ryleigh stepped on her high heels and walked to Melissa step by step. She looked her up and down.

As expected, Melissa was very beautiful, elegant, and refined. No wonder she was able to confuse Murray

However, so what?

As long as Ryleigh was here, no one could take Murray away!

Hiding the jealousy in her eyes, Ryleigh smiled and said, "Melissa, you should know what my relationship with Murray is, right?"

Your relationship with him? Does it have anything to do with me?*" Mellso sneered

Ryleigh was surprised by Melissa's nonchalant attitude.

Shouldn't Melissa be jealous of her?

Ryleigh didn't know why Melissa was still so calm and indifferent.

It was as if Ryleigh was punching cotton, which was not satisfying at all

Ryleigh looked around and said, "Melissa, don't think that I don't know that you went to Murray Just

now I seduce him Let me tell you You should stay away from Ray in the future! The person Murray likes is me!

You should know that for all these years, Ray has been looking for me. Because all these years, the only

woman he loved was me.

Otherwise, Ray would not have been with me on the day of your engagement, nor would he have even asked the best doctor to treat my grandmother.

"I am the one that fills all his heart. He told me personally that he wanted to marry me."

'Is that so?' Melissa smiled indifferently.

Although Melissa didn't seem to care at all, her heart was already in great pain.

Lily's arrogance in front of her was something Murray had tolerated, right?

Melissa wondered whether Murray was going to humiliate her in this way.

“Of course!”

Out of the corner of her eye, Ryleigh saw Murray walking toward them. Ryleigh then raised her lips slightly and leaned back in front of Melissa.

She was almost next to Melissa and said in a voice only the two of them could hear, ‘Let me tell you one more thing Ray said that you shamelessly seduced him and pestered him. He said that you made him feel disgusted!’

Melissa’s face turned cold. She did not know if Murray had said that, but Ryleigh at this moment really made

her feel disgusted.

“Stay away from me!” Looking at Ryleigh who kept leaning on her, Melissa reached out to push her away

“Oh Before Melissa could touch her, Ryleigh let out an exaggerated scream and fell straight to the ground. shouting in pain, “Ms Eugen, why did you push me?”

Murray took the elevator downstairs Then what he saw when he walked out was this scene.

“Lily, are you alright?’ Murray took a quick step forward and reached out to hold Ryleigh up

Ryleigh leaned into Murray’s arms. Her eyes were red, and she cried sadly, “Ray. I’m sorry No matter how | apologize to Ms Eugen she doesnt forgive me It’s my fault. I’m so bad

Chapter 174

Chapter 174 Such a Stranger

Melissa crossed her arms and looked coldly at Ryleigh’s performance. While watching, Melissa showed a mocking smile

In fact, Melissa was a little surprised

The Lily that Murray had always loved dearly was actually a phony girl

Melissa found that Murray's taste was really bad.

Murray previously had said that she was like Lily, whereas Melissa didn't think that she resembled such a fake and scheming girl at all

Ryleigh still pretended to be pitiful in front of Murray and wiped her tears. "Ray, I fell so hard!"

"Melissa, why did you push Lily?" Murray frowned and looked at Melissa coldly.

Melissa was shocked.

When had she pushed Lily?

How could Murray arbitrarily decide that it was Melissa who pushed Lily?

How ridiculous!

Looking at the familiar face in front of her, Melissa felt that Murray was so strange at this moment.

Melissa took a step forward and looked at Ryleigh coldly: "Miss Sofia, you know very well whether I pushed you or not."

"Ms Eugen, I'm sorry. It's all my fault. I didn't know you were in Ray's office just now. I didn't mean to disturb you two." Ryleigh pretended to be afraid and hid in Murray's arms, looking so wronged.

"Lily, this is none of your business. Your leg is injured. I'll take you to the hospital," Murray said lightly

Melissa sneered and left without looking back

The dazzling scene just now kept flashing through her mind, and Melissa's heart was in pain.

Did Murray like this kind of woman?

Previously, Melissa had thought that she was Lily's substitute. Now, when she thought about it, she found it too degrading to compare such a phony girl to herself

However, Melissa soon felt that something was wrong.

According to what Murray said, when Lily was kidnapped with him back then, Lily was so brave and kind that she was even willing to sacrifice herself in order to save Murray

Such a little girl should be of noble quality, and how could she be such a goody-two-shoes like this?

Melissa believed that a person's character was innate. Even if they were affected by the environment, it was impossible for them to have such a big change.

There must be something wrong.

However, there was no rush for this. She had to quickly find Luca.

After all, Marc's illness could not be delayed any longer.

Melissa thought about it and dialed her grandfather's number.

Since Luca was found by her grandfather to treat her, perhaps her grandfather knew of Luca's whereabouts.

When Enoch received Melissa's words, he was playing happily on the beach.

"Well, how come you have the time to call me today?" Suddenly receiving a call from his precious granddaughter, Enoch said happily in a brisk voice.

"Grandfather, there's something I need your help with," Melissa cleared her throat and said.

"What's the matter? Enoch stepped on the sand and asked.

"Do you still remember that I had a high fever when I was a child and was in a coma for a long time? I stayed in the hospital for a month, but it didn't have any effect. Later, you invited a man named Luca, who was a skilled doctor and saved me.

"Later, he lived in our house for a few months and taught me a lot of knowledge about medicine," Melissa

said.

"I remember it," Enoch said thoughtfully.

"Where is Luca now?" Melissa asked impatiently.

"I don't know."

Enoch's answer made Melissa disappointed "Grandpa, think about it again"

What's wrong? Why are you in such a hurry to find him?" Enoch frowned

"Only Luca can treat Murray's grandfather's illness now. So I have to find us as soon as possible" explained

"So you are doing this for Murray again. Enoch stroked his beard

He had also heard about Marc's heart attack, but Enoch believed that Murray could handle it

"Grandpa, is there any way to find Luca? Do you know where his house is There was a bit of urgency in

Melissa's voice

Enoch had to be treated as soon as possible, so Melissa had to find Luca as soon as possible

He should be in the northeast part of our city now Enoch thought for a moment and said, "The last time when he left, he said that he would go to the northeastern mountain forest to live, but I'm not sure You can try to get someone to look for him

Dkny grandpa | Lee Melissa nodded and hung up

After listening to Enoch's words, Melissa suddenly had a clue.

She vaguely remembered that during the time when she was sick, Luca had told her a lot about the strange things about the White Mountain. He seemed to be yearning for the life there.

Melissa had a premonition that Luca would be in the area of White Mountain

She decided to go to White Mountain personally.

Melissa returned to the Eastern Garden, where Nina was waiting for her.

"Melissa, are you alright?" Nina saw Melissa and got out of the car, "I heard from Jaylin that you moved over to his residence"

Melissa smiled faintly. "Yes, Is there something you need?"

"No Can't I look for you if there's nothing else?" Nina joked.

Melissa opened the door and said, "Let's talk inside."

"In fact, I have two cases regarding the host dress for the next season. I'd like you to take a look and tell me which one you think is better." Nina turned on the laptop and wanted to show the information to Melissa.

However, Melissa interrupted her, "There's no hurry for that. I'm going to White Mountain right now. Let's talk about it when I get back."

"White Mountain? What are you going there for?" Nina raised her head in surprise.

"I will go there to see my master. Only he can save Enoch now." Melissa pursed her lips.

Melissa told Nina something about Luca.

"Melissa, in fact, the reason why you are personally going to White Mountain to look for Luca is Murray, right?" Nina sighed.

For Murray?

Melissa was stunned, "Of course not. I am also responsible for Enoch's current situation. I just hope that he can recover, which can make me feel better. What does it have to do with Murray?"

"Alright then... I'll go with you." Nina was not at ease with Melissa going to the mountains alone.

Melissa shook her head and said, "No need. Go back to France. Don't forget that you still need to deal with

the matters of Loe studio."

"As for the studio, just leave it to the people below to handle. It's very dangerous for you to go to that place alone." Nina insisted

"Alright then Melissa thought about it and did not refuse. "You can book two tickets now. The earlier, the better

"Okay Nina nodded. She took out her phone and was about to book two plane tickets when a few push-ups

jumped out.

,ook "Mina looked up and showed her phone to also mentes,

"Melissa, look... Nina looked up and showed her phone to Melissa worriedly.

Chapter 175 They seem to Cohabit

What is it?' Melissa was puzzled

"Look. Someone is slandering you again. This time, they are framing you and Jaylin." Nina handed the phone to Melissa and said angrily. These paparazzi are really too immoral. They dare to write anything."

Melissa lowered her head and glanced at Nina's phone screen.

She saw a photo Jaylin held her suitcase in one hand and helped her out of the car with the other.

It was taken when Jaylin brought Melissa over that day

From the angle of the photo, the two of them looked ambiguously close,

The famous film actor Jaylin's new lover has been exposed. She is Melissa, the ex-fiancée of the Gibson Corporation's CEO, Mr. Gibson. The two of them have spent a night together. It is suspected that they are cohabiting."

Cohabitation?

These paparazzi were really imaginative to write anything for the prevailing trend.

"Melissa, why don't ask someone to remove the fabricated news? It's too much! Nina spoke up for Melissa

At this moment, Melissa was wholeheartedly thinking of going to White Mountain as soon as possible She only said indifferently, "Don't worry about so much for now. Let's hurry up and go. Just let Jaylin deal with these matters

Nina nodded and headed towards the airport with Melissa

At the entrance of the Gibson Corporation Building.

As he watched Melissa's cold and distant figure disappear from his sight, Murray narrowed his eyes slightly

and pursed his lips.

“Ray, didn’t you say you wanted to send me to the hospital?”

Ryleigh’s words brought Murray back to reality

“Let’s go,” he said as he turned to look at Ryleigh

Then he walked toward the parking lot.

Ryleigh limped behind Murray and called out, “Ray, don’t walk so fast. Wait for me.”

Murray stopped in his tracks. Seeing the pained look on Ryleigh’s face, he reached out to support her. “Are you alright?”

I’m fine. It’s just that my knees hurt Ryleigh leaned against Murray

She licked her lips and used her soft chest faintly to rub against Murray’s strong and vigorous arm, her

movements full of charm

Murray, however, did not respond.

Ryleigh was a little disappointed. She bit her lip and said pitifully, ‘Ray, does Ms. Eugen hate me very much? have already begged her to forgive me, but she refused and pushed me hard...

At the mention of Melissa, Murray’s gaze became somewhat complicated.

He loosened his tie impatiently and glanced at Ryleigh, “Lily, get in the car.”

Ryleigh got in the car and saw that Murray had no intention of getting in the car.

“Ray, aren’t you getting in?” Ryleigh asked suspiciously

Murray smiled and explained, “I’ll ask the driver to send you there. There is an important meeting that I must attend in the company.”

After saying that, he took out his phone and made a call to the driver.

When Ryleigh heard this, she clenched her fingers but still showed a cute smile. Then, Ray, you go ahead and do your work first.”

“OK” Murray responded faintly and turned to leave.

Looking at the view of the indifferent Murray’s back, Ryleigh bit her lips tightly and her eyes dimmed a little

Why was Murray so cold to her?

Just now, when she pushed open the door and entered the president's office, she clearly saw how passionate Murray was looking at Melissa!

Flyleigh felt that Melissa was a vixen!

She would no longer give Melissa the chance to seduce Murray!

Ryleigh went to the hospital to bandage her wound and asked the driver to send her back to the Gibson

Corporation

The employees of the Gibson Corporation recognized Ryleigh as the first love of the CEO, who had been trending on the Internet recently. Therefore, Ryleigh easily entered the Gibson Corporation's building

In the president's office

Murray sat in his seat, his back leaning slightly against the back of the chair. He now was looking at his phone screen with a tense face.

On the screen of the phone was a photo of Melissa and Jaylin.

The ambiguous posture of the two was so dazzling

Below were all kinds of comments

"I didn't expect that the target of Mr Segar was Melissa, the ex-intended wife of Mr Gibson Mr Segar is too

blind Does he like loose women?"

You know what? Maybe Melissa and Mr. Segar have already been in love for a long time. Maybe Murray is the one who was cuckolded."

"I actually feel that it makes sense. Melissa is just a fickle woman. It's a shame that I was still a fan of her before. How disgusting!

"I am so distressed for Mr. Gibson, who has been cuckolded for so long

Murray held the glass of water on the table with his hand. His eyes moved to the dazzling photo again and threw the glass of water out.

With a clang, the glass fell to the ground and shattered.

When Ryleigh pushed the door open and entered, she saw such a scene.

With a loud bang. Ryleigh was so scared that her face turned pale and she was almost hit by the glass.

A few seconds later, Ryleigh came to her senses and hurried to Murray. "Murray, what's wrong?"

"Lily, why are you here? Didn't I ask someone to send you to the hospital?" Murray realized that he had lost his composure and glanced at Ryleigh,

"Well, I've already been to the hospital. The doctor said that my knee was only scratched. It's nothing serious." Ryleigh showed a charming smile. "I was afraid that you would be worried, so I came over to tell you."

"It's good that you're fine," Murray said absent-mindedly.

"By the way, Ray, why did you lose your temper just now? Did something happen?" Ryleigh asked curiously.

"Nothing." Murray put away his phone and put it in his suit pocket.

However, Ryleigh still saw it.

"Ray, why are you so angry? Is it because of Melissa?" Ryleigh's mood was a little complicated at the

moment.

She was happy to see that many people were trying to dig up dirt on Melissa online, especially the news that she and Jaylin were together. A normal man would not be able to stand it, let alone a man like Murray who was so proud and permitted no disgrace.

What worried Ryleigh the most was that Murray was so angry with Melissa, which meant that he still cared about her

At the thought of this, Ryleigh showed a saint trace of jealousy in her eyes. She carefully looked at Murray and said, Melissa is too much. She just broke up with you a few days ago, and she is living with Mr. Segar on a high profile

Murray's face suddenly became gloomy.

Ryleigh continued to provoke him, "I saw online that Melissa and Jaylin were always ambiguous, and she had an affair with several other men at the same time Ray, if these rumors are true, then I really feel distressed

for you.”

“Alright. Forget about her,” Murray interrupted Ryleigh coldly

“Oh, Murray. If you don’t like it, I won’t mention it again,” Ryleigh was embarrassed and kept quiet.

She looked down at the glass shards on the ground and said sweetly. “Murray, let me help you clean up

“No need The cleaner will do it later.” Murray said indifferently.

“Let me do it. It would be bad if you accidentally stepped on it. I will be hurt.” Ryleigh insisted.

As she spoke, she crouched down and began to clear the glass dregs on the ground.

Murray frowned and stepped back.

Thinking about online public opinion, he was a little upset.

Murray look out his phone again and subconsciously opened the address book. He swiped the screen with his slender finger and accurately found Melissa’s number.

Looking at the name “Melissa, Murray’s handsome face became colder.

His finger hovered over the name "Melissa," hesitated for a moment, and then loosened.

After repeating this several times, with mixed feelings, Murray finally pressed down.

However, he was only to be told that Melissa had been powered off.

"Shit!" Murray cursed in his head. He exuded a cold aura, making the atmosphere in the office very frosty

Even Ryleigh, who was cleaning up, felt this chill.

"Murray, are you alright?" Ryleigh looked up

Murray came back to his senses and said indifferently. "I'm fine."

"Alright, I'm done" Ryleigh stood up and threw all the glass shards into the trash can

She was about to say something when her phone rang

"Murray. I'm sorry, I need to answer a call." Ryleigh said to Murray apologetically

Murray nodded slightly

Ryleigh picked up the phone. "Sir, can I ask for leave tonight?"

"Not" The stern voice of the bar owner sounded on the other side of the line

Ryleigh pursed her lips and said carefully. "But I am injured today, and my knees are bandaged I can't sing on stage

"Then I will dock double all your salary!" The bar owner said in a very unreasonable manner

Ryleigh pleaded pitifully. 'Sir, please cut me some slack. I am really injured I am still in a hurry to use money

Please don't dock my salary, okay?

"Angel, do you take me as a philanthropist? If everyone else is like you, asking for leave at will, how can I run my bar?" The bar owner said angrily, 'I'll you can't accept it. Get lost!"

"Alright I will be there on time tonight." Ryleigh said with red eyes

After hanging up the phone, Ryleigh looked at Murray with tears in her eyes "Murray, I should go I have to go to the bar to work tonight"

"Aren't you injured Murray asked with a frown

"It doesn't matter. I can wear a long dress so that the guest won't be able to find that my knee is injured" Ryleigh pursed her lips, her voice choked with tears, but she still tried to put on a brave face.

"No Lily, quit your job," Murray said in a low voice

"How can I do that? This job is very important to me. I need to work hard to make money to pay you back

Ryleigh shook her head, looking strong and independent

"Lily, didn't I tell you? I don't need you to pay me back," Murray sighed.

*But I don't like owing you anything Ryleigh lowered her head, "Murray. I don't want you to look down on me

"How can I possibly do that?" Murray thought for a moment and said, "Lily, why don't you come to work at the Gibson Corporation?"

"Can I?" Ryleigh suddenly looked up, her eyes flashing with joy

Murray smiled and said with certainty. "Of course.*

At the airport.

Nina and Melissa boarded the latest flight to White Mountain

Just as Melissa was about to turn off her phone, she suddenly received a call from Jaylin

*Joylin?" Melissa raised her eyebrows.

Joylin's magnetic voice came from the other side of the line "Melissa, I just went to the Eastern Garden You

were not there

"Yes, I am at the airport now, with Nina," Melissa said

"Airport? Where are you going?" Jaylin asked in surprise

I have something important to do 'Melissa thought for a moment and said, "By the way, there is a lot of gossip about you and me on the Internet Think of a way to withdraw them"

"I will Melissa are you really not going to consider my suggestion? Unveiling your true identity might be the best solution right now

Melissa rubbed his eyebrows Well talk about it when I come back"

The plane took off and rushed into the clouds.

Looking out of the window, Melissa immersed herself in thinking

In fact, she didn't like taking a plane because she was afraid of heights.

The last time she took a plane, she was with Murray

Those past events, which were disappointing, come into Melissa's mind again.

When the plane crashed, Murray held her and bailed out by parachute.

It was at that time that Melissa truly understood her feelings for Murray.

Thinking about it now, it was like a lifetime ago.

It was quite ironic.

She had devoted all her heart and soul to Murray, but he wholeheartedly loved another woman.

"Melissa, what are you thinking about?" Nina's voice interrupted Melissa's thoughts

Melissa came back to her senses, looked sideways at Nina, and said indifferently. "Nothing."

"Are you thinking about Murray? In fact, you can't let him go, right?" Nina said shrewdly.

Melissa was stunned for a moment, "Why do you say that?"

"Intuition." Nina took a sip of juice and smiled.

Rather than intuition. It was more like a conclusion she came to based on her understanding of Melissa

She and Melissa had known each other for so many years, and no one could know Melissa better than her

Melissa was silent for a moment, then said softly, "I don't know either."

She was a little confused.

Although she resolutely canceled the engagement ceremony with Murray, many times, she still could not help but think of him

"Don't deceive yourself.* Nina patted Melissa's shoulder, *1 can see that you still have feelings for Murray, and he is the same as you."

Is he the same?

How is that possible?

"Nina, stop joking around. Don't you know that the person Murray likes is Lily? Melissa said in a muffled

Voice

"I know that you do mind this. That's why you did not hesitate to cancel your engagement with Murray

Chapter 176 Too Muchola Carxidence

Nina put down the juice, turned to look at Melissa, and said very seriously. "You love chasing perfection, especially when it comes to love, you can't tolerate any flaws.

But have you ever thought that everything is so coincidental?

Chapter 177 That Lily Might Be a Fake

You mean it isn't a coincidence, don't you?" Melissa furrowed her brows

“Yes.” Nina nodded, pursed her lips, and asked, ‘Let me ask you, when did Lily appear?’

The day I got engaged to Murray.’ Melissa replied thoughtfully

“But before that? Doesn’t Lily exist? Nina sneered, ‘I saw it in a gossip column. That Lily is the live singer of the Charm bar. Her stage name is ‘Angel.’*

“Yes, I saw her in the Charm bar at Harley’s birthday party Melissa nodded. She understood what Nina

meant

That’s very strange. I heard you say that Murray has been looking for Lily before. His subordinates have been looking for her for several years, but there has been no news of her. A while ago, you also asked Anthony to investigate Lily, but he did not find anything

That Lily is just a bar singer, But even Anthony can’t find her. How can that be possible? He is one of the best hackers in the world. You know his strength.

Melissa narrowed her beautiful eyes and agreed, ‘Nina, you are right. There are some things that I have

neglected in the past.”

“Melissa, you are too close to it. In a moment of impulse, you canceled the engagement ceremony and let Lily have an opportunity.” Nina snorted, ‘I even suspect that Lily might be a fake.’

“Fake?’ Melissa frowned.

Somehow, she thought of the scene in the Gibson Corporation this morning

Lily vividly showed she was a goody-two-shoes, unlike the kind and cute girl Murray mentioned

There was really 100 much of a problem here.

Melissa rubbed her temples. “But, Murray shouldn’t have the wrong person.”

Since Murray was so sure that Ryleigh was Lily, there should be no mistake

Was there something wrong with this middle?

Nina disagreed, "Why not? Didn't you say before that Murray once recognized you as Lily? Then why can't he

mistake others?"

Moreover, this Lily appeared on the day of your engagement. The timing was too convenient. The moment she appeared, she ruined your engagement ceremony. This is too much of a coincidence!"

It was indeed a coincidence.

Melissa thought for a moment and said, "When I come back I'll check it out. Nina, let's put this aside. My

biggest wish now is to find Mr Luca and cure Mr Marc as soon as possible.

Melissa, you must investigate carefully. It's not easy to meet someone you like. Don't give up so easily." Nina

sold

After a long journey, Melissa and Nina finally arrived at White Mountain.

This was a continuous mountain forest covered in ice and snow.

"Melissa, are you sure your Mr Luca is here? Nina shivered from the cold.

"If my intuition is right..." Melissa rubbed her hands together, using her breath to warm her hands, "I remember that he once said that the place he wanted to live the most in the future would be White Mountain.

"Alright, your intuition..." Nina was helpless.

Melissa looked at Nina, who was almost frozen, "Why don't we find someone to ask first?"

"Agree." Nina nodded and looked around.

At the foot of the mountain, there was a small village with a few small farmhouses.

Melissa and Nina knocked on the door of one of the families. "Is there anyone inside?"

A middle-aged woman with white hair opened the door. She looked at them curiously. "Who are you looking for?"

"Is there a place called Jade Mountain nearby?" Melissa asked.

She still remembered that Mr. Luca had once said that if he really settled down in White Mountain one day, he would choose to live in the Jade Mountain because there was someone he loved the most.

The middle-aged woman nodded and pointed to the distance. "It's on the mountain peak over there."

There really was a place called the Jade Mountain!

Melissa was delighted, "Is it far from here? if we set off now, when can we get there?"

The middle-aged woman looked at them suspiciously. "Why are you going to the Jade Mountain on such a frozen day?"

"We are looking for someone," Melissa said with a smile.

"Looking for someone? Are you looking for Mr. Luca?" The middle-aged woman suddenly understood.

Mr Luca!

Melissa's heart skipped a beat. She mentioned Mr. Luca! I must be Mr. Luca she knew!

"Yes, yes, yes Can you tell me how to find this Mr. Luca?" Melissa nodded.

"Ladies come in and talk" The middle-aged woman looked at Melissa and Nina who were about to freeze and welcomed them into the room

"Can you tell us about Mr Luca?" Nina asked with a smile when she saw how pallid Melissa was

The middle-aged woman brought two cups of hot water for them "Speaking of Mr Luca he is a very strange

person He insisted on living at the Jade Mountain for no reason However, he is a very good person When the weather is good he goes down the mountain. He will cure any one in the village who is sick His

medical skills are very good"

Melissa and Nina looked at each other, it must be him

The middle-aged woman asked doubtfully. "How do you know about Mr Luca? His temper is very strange and he never lets others talk about him"

"My grandfather and he are friends," Melissa said truthfully

"So that's the case. The middle-aged woman nodded, "It's snowing in the mountains these days, and he won't go down the mountain. Why don't you stay in the village for a few days and wait for the weather to clear before looking for him?"

"I want to go there immediately. Since she heard from Mr. Luca, Melissa could not wait for even a moment.

"Even if she could wait, Mr Marc couldn't

"The sooner she found Mr Luca, the sooner Mr. Marc would be able to wake up

"It's very dangerous to move into the mountain in the snow." The middle-aged woman kept persuading Melissa and Nina, "What's more, you are young girls from the south. You are a fish out of the water here. You can't do it."

"Nina, how about this? You stay. Melissa thought for a moment and said, "You wait for me here"

"You want to take action alone? I couldn't possibly allow that. Why don't we take a look at the situation first? Maybe the snow will stop tomorrow

"Mr Marc can't wait. Nina, you know my character," Melissa said firmly

"But

"Nina still wants to say something but Melissa interrupted her, "Just do as I said, you stay here if something happens to me and I don't return, you can find someone to save me

"Sensing Melissa's firm attitude, Nina knew that it was useless to say anything more. She could only carefully listen to the middle-aged woman about the things to pay attention to when moving into the mountain and repeatedly told Melissa to be careful

"I will. Melissa put on a thick down jacket, put on a red scarf and cotton gloves, and smiled, "Wait for my

"Ms Eugen, be careful. If everything goes well, you will arrive at Jade Mountain before dark." The middle-aged woman, Cathy, was enthusiastically packing food for Melissa

Thank you.' Melissa was touched by the simplicity and enthusiasm of the villagers,

"Melissa, bear it in mind, you must be careful!" Nina was still very worried

Melissa gave her a reassuring smile. "Don't worry. If everything goes well, I will bring Mr. Luca over tomorrow."

With all the equipment, Melissa carried his backpack and walked into the depths of the forest.

The snow fell down slowly at first. Considering reaching Jade Mountain as soon as possible to find Luca. Melissa hurried up

When she was halfway up the mountain, the fierce wind suddenly blew. The sky was darkened by grey clouds

It seemed that heavy snow was about to come.

Melissa quickly walked forward, she had to arrive before the darkness. She must find Luca as soon as possible

In a short while, it was snowing heavily.

It was showing hard, and Melissa was stunned by the expanse of whiteness. If she didn't have the compass. she would have been lost.

What the hell is the weather!

Melissa cursed in her heart and couldn't help but quicken her pace

The wind grew fiercer, and the snowflakes were fluttering in the air, Melissa even couldn't see clearly,

Not far away, the thick snow on the peak seemed to fall at any moment

She couldn't bear it.

Melissa regretted not listening to the locals. She misjudged the harsh environment. If she rashly went up the mountain, it might be worthwhile. Haste makes waste.

Seeing that the darkness was approaching and the snowstorm was raging, she was already unable to move

a single step

Melissa stopped and thought it over. She should go back first. She should find a way to get a helicopter up

The mountain tomorrow. It was more feasible

Aller all, it was unknown when this blizzard would stop

Melissa made up her mind and was about to go back when a roar suddenly came from the distance

It was a bit like the sound of thunder, but it was not

Melissa followed the direction of the sound Suddenly she saw that the thick snow was pouncing down to her

an Aon die

on the opposite mountain peak!

Shit! There is an avalanche!

Melissa was shocked and didn't have time to think about it. She quickly looked around at the terrain

Fortunately, there was a cave next to her

Perhaps she could go in and hide.

However, if the heavy snow sealed the entrance and submerged the cave, wouldn't she be in danger?

No. She had to leave some distress signal.

Melissa was brainstorming. When she saw a giant tree beside her, something suddenly occurred to her. She took off the scarf around her neck quickly and tied it to the tree top at a lightning speed.

Then, she hid in the cave as soon as possible

A few seconds later, the heavy snow surging from the mountain sealed the entrance of the cave

Melissa rubbed her temples in fear. The human was too tiny in the face of the overwhelming nature.

She took out her phone and tried to check it. Unsurprisingly, there was no signal.

Melissa turned on the flashlight again and shone it around

This cave was quite spacious, and it was quite warm inside. It was much better than being outside just now.

Melissa took off her backpack. She had enough food to survive for the next few days.

Taking a deep breath, she had to calm down

Nina should soon know that there was an avalanche here and she would definitely find a way to save her

Melissa was very glad to insist on leaving Nina in the small village

The only thing she was worried about was whether Mr. Marc could still wait for her.

Melissa ate some food and felt much more comfortable. Then she found a clean place in the cave and sat

down

Inexplicably, she thought of Murray again

On the deserted island, she and Murray were also in the cave. They cuddled together. He once said to her, "Meli, no matter what happens, I will always protect you."

It was really beautiful at that time

And now, she was alone. She was facing the sudden disaster all by herself

For Murray, he must be with Lily at this moment

A bitter feeling arose in her heart. Melissa suddenly realized that she was crazily thinking about him at this

moment

Perhaps Nina was right, she was not over him. She should not give up so easily

If Lily was really a good girl, she would accept it.

But if she was not, or if Lily was not worthy of his love, then why did she give up?

The darkness was gathering

At Murray's office in the Gibson Corporation

Murray had always been working until midnight.

He was very agitated for no reason. He had a feeling of unease that he never had before.

"Jose, how is grandpa?" Murray called Butler

Butler sounded very respectful from the other side of the line, 'Mr. Gibson. Mr. Marc is fine Dr. White just

came to check him and said that everything was alright."

"I see." Murray replied faintly. "Thank you."

Grandpa was alright.

Then why did he feel so uneasy?

After the call with Jose, his bad feeling did not disappear. Instead, it became more and more intense.

Murray loosened his tie, leaned on the sofa, and closed his eyes,

As soon as he closed his eyes, Melissa's pretty figure jumped out of his mind,

When he thought about how Melissa had moved from Moonlight Mansion to Jaylin's house, his handsome

face lightened.

Murray frowned slightly and took out his phone. The gossip about Melissa and Jaylin had decreased a lot

Obviously, Star Entertainment had removed the news.

Murray narrowed his cold eyes slightly, thinking. If she is not guilty, why would she ask people to remove the

news?

She didn't care when she was accused of pushing Susie into the water

Is Melissa with Jaylin?

Murray stood up in frustration and was about to go back. When he passed the Secretary Department, he

could not help but walk over

The huge office was dark. There was still dim light in the corner

The huge office was dark. There was still dim light in the corner.

Murray's heart skipped a beat.

The location of the dim light ... was Melissa's seat!

After Melissa handed him the resignation letter, she left. In the past two days, Murray could not help but secretly pass the Secretary Department several times. There was always no one in her seat.

Could it be that she had returned at this moment?

Murray couldn't help smiling as he walked towards the light.

In the seat, there was a girl with her head lowered.

Murray looked down and could only see the top of her head.

Is it Melissa?

Is she back?

He was so excited that his heart was beating so fast. Murray felt an inexplicable throb in his heart. He spoke in a low voice, as pleasant as the cello. "Melissa..."

Chapter 179 Melissa Is In Danger

The girl sitting in the seat raised her head and asked softly, "Murray?"

It turned out to be Lily, not Melissa

"Lily, what are you doing so late at night?" Murray's disappointment was obvious.

"I just entered the Gibson Corporation, so I have to study hard. I don't want to be gossiped about, and I don't want to embarrass you." Ryleigh stood up and said.

"It's late. Go back and have a good night." Murray glanced at Ryleigh and said indifferently.

Ryleigh lowered her eyes. "What about you? Why aren't you going back yet? You mistook me for Ms. Eugen

just now. Do you still miss her?"

"No, this is Melissa's seat. I thought it was her." Murray said calmly.

"I see." Ryleigh picked up the glass of water and took a sip. It is said online that Melissa and Jaylin are living together. Murray, don't think about her anymore."

"Lily, I'll send you back." Murray frowned.

Seeing that Murray was avoiding the topic, Ryleigh kept quiet.

What she had to do now was spare no effort to discredit Melissa in front of Murray and make him hate

Melissa

One day, Murray would fall for her.

After all, Ryleigh was the person Murray had been looking for.

She was confident that she could get what she wanted!

Murray drove the car and said nothing all the way.

Ryleigh stole a glance at him and saw Murray holding the steering wheel with both hands. Murray had an angular face with a faint sense of alienation. His eyebrows were slightly furrowed, and his thin lips were pursed. He was unknown what he was thinking.

Ryleigh felt a little bit disappointed.

Why does Murray stay away from me?

Am I not the one he loved?

*Murray, it's right in front.' Ryleigh pointed to the place she rented

This was a very old neighborhood, and the environment was shabby

Lily. I'll get someone to find you a new house tomorrow," Murray stopped the car and said with a frown

When Ryleigh heard this, her heart was immediately filled with joy

It seemed that Murray still loved her. At least he cared about her.

Hiding the emotions in her heart, Ryleigh said obediently. "Murray, it's all right here."

Murray did not say anything more but opened the car door.

The light from the street lamp shone on his body as if it had coated his entire body with a layer of gold. He was noble, elegant, and enchanting.

Looking at this outstanding man, Ryleigh's eyes couldn't help but become a little obsessed.

"Murray, would you like to have a cup of tea upstairs?" Ryleigh pursed her lips and sent an invitation.

"Thank you, but it's too late. You'd better go to bed early.' Murray said with a blank expression.

After being rejected by Murray, Ryleigh secretly tightened her fingers, but her face still had a bright smile. "Okay. Thank you for sending me home. Good night."

Watching Ryleigh walk up the stairs, Murray returned to the car and turned around to leave.

He didn't return to Moonlight Mansion but instead went to Eastern Garden.

The photo taken by the gossip magazine was in Eastern Garden.

Murray knew that Jaylin had bought an apartment here on the 18th floor.

He parked the car downstairs and looked up at the window on the 18th floor.

The lights in Jaylin's apartment were on.

Murray thought, Melissa should be there right now, shouldn't she?

Murray sat in the car and lit a cigarette in frustration. His expression seemed solemn in the smoke

Ten minutes later, he ruthlessly extinguished the cigarette butt, stepped out of the car, and took the elevator

to the 18th floor.

When he pressed the doorbell, it was Jaylin who opened the door.

The moment he saw Jaylin, Murray's face darkened.

Melissa and Jaylin are living together?

"Murray, what are you doing here?" Jaylin frowned at the uninvited guest in front of him

"Is the news on the Internet true? Are you living with Melissa?" Murray asked with a livid face

This has nothing to do with you 'Jaylin snorted coldly,

Murray grabbed Jaylin's shirt. "Where's Melissa? I need to see her!"

He wanted her to tell him the answer herself

The atmosphere became tense

Looking at Murray in anger, Jaylin said coldly. "Murray, what right do you have to see her? You

have Lily Why are you still pestering Melissa? Don't forget that your engagement with Melissa has been canceled Even if the rumor is true, it is none of your business."

Murray punched him

Jaylin stumbled. Murray pushed him away and entered the door.

"Melissa, come out!" Murray looked around with a gloomy face, but he did not see Melissa,

Jaylin wiped the blood from the corner of his lips and looked at Murray with cold eyes "Mr. Gibson, you barged into a private residence. Do you want me to call the police?"

Murray's expression was as cold as ice, and he asked again. Where is Melissa?"

"She is not here. Please leave my home!" Jaylin ordered.

Without finding Melissa, Murray left angrily

On second thought, if Melissa wasn't here, did it mean that they didn't live together?

Early the next morning.

Nina was worried about Melissa and got up before dawn.

"Miss Paul. you got up so early, I'm going to make breakfast. You can sleep a little longer." Cathy yawned and walked toward the kitchen

"I'm okay." Nina shook her head, opened the door, and the heavy snow flew in

There was a lot of snow last night, Nina looked in the direction of the forest and asked worriedly. "I wonder if

Melissa has found Mr Luca."

Nina was very anxious, If everything went well, Melissa should be able to come back today, but now there was such big snow

Just as Cathy was about to speak, a few men suddenly rushed over, looking nervous. "Gosh, there is an avalanche in the mountains!"

What?" Nina's head buzzed, and she subconsciously asked, "An avalanche?"

'Yes' Cathy didn't your family enter the mountain, right?' One of the men asked, and they were going door to door to get the news known.

"My friend entered the mountain yesterday afternoon!" Nina said nervously. 'she headed in the direction of the

Jade Mountain

"It's too bad" These men looked at each other. That place was where the avalanche occurred

Everyone knew that it would be disastrous to encounter an avalanche in the mountain

Nina's heart was suspended

Melissa was in danger!

Chapter 180 I Will Save Melissa

*Call the police! Hurry up! Nina was burning with anxiety and took a long deep breath, trying to calm herself

down

Her fingers trembled as she called the police

The men by the side shook their heads and sighed regretfully. "It's useless to call the police. If one encountered an avalanche here, it's likely to die now"

Nina roared, "No, don't talk nonsense! Melissa will be fine!"

Everyone was shocked by Nina's reaction

Cathy stepped forward and pulled Nina on the boulder to comfort her, "Miss Paul, calm down. Maybe there will be a miracle"

Nina nodded and contacted the rescue team "Please come here quickly. My friend has been trapped in the mountain and encountered an avalanche"

The rescue Team quickly rushed over, but the weather was too terrible to go into the mountain

The captain looked at the raging snow and said to Nina seriously, "Sorry, Miss Paul. We can't go to rescue under such a condition"

"But my friend is in danger. I have to find her as soon as possible." Nina said anxiously

"Miss Paul, I understand your feelings, but I must ensure the safety of the team members. The blizzard hasn't stopped yet. There will be a second avalanche at any time," the captain said in a deep voice

Nina understood what he said, but how could she just watch Melissa run into danger and ignore it?

She didn't even know if Melissa was alive or dead.

Nina was burning with anxiety, and then she called Murray

Although Melissa once said that she did not want Murray to know about this matter or Murray would feel

that he owed her anything

However, at this moment of life and death crisis, Nina couldn't care so much

In the president's office in the Gibson Corporation

Murray was concentrating on his work when Ryleigh knocked on the door "Murray

"Come in." Murray said coldly

Ryleigh opened the door and entered

"Lily, what's the matter?" Murray looked up and asked indifferently

Ryleigh walked to Murray with a document in her arms and said softly, Murray, there are some points I can't understand Can you teach me?"

Murray glanced at the document in Ryleigh's hand "Lily, this document is too professional. You can read some simple ones first."

"I want to learn more as soon as possible," Ryleigh bit her lip

"How about this, I'll ask Alex to arrange a senior employee to take you. If there is anything you don't understand you can ask her." Murray thought for a moment and said, his voice as indifferent as ever

"Okay Ryleigh was a little disappointed Originally, she wanted to take the opportunity to get close to Murray. but she did not expect that he would dismiss her in a few words

Seeing Murray busy with his work, Ryleigh said softly. "If there is nothing else, I will go back first. Sorry to disturb you. Murray."

"Okay." Murray uttered a single syllable.

Just as Ryleigh reached the door, she suddenly heard Murray's magnetic voice, "Lily."

Ryleigh was overjoyed and stopped.

She turned around and looked at Murray's charming face. Her heart was beating fast.

"Murray, is there anything else?" Ryleigh asked, unable to hide her admiration.

"I got someone to help you rent a new house. When you get off work, I'll get someone to send you there. See if you're satisfied," Murray said as he stood up and smiled.

The joy quietly spread through every cell of Ryleigh.

As expected, Murray liked her.

At least, he was thinking about her.

Thinking of this, Ryleigh grabbed Murray's arm and said with shyness, "Murray, you are so good to me..."

Before she could finish, Murray's phone rang.

Murray pulled back his arm and looked out his phone to take a look.

It was a strange number, and Murray thought it was some commercial harassment call and did not answer.

However, the other party continued to call Murray's phone until he picked up.

After a few rings, Murray frowned and finally pressed the answer button with his slender fingers.

The voice on the phone sounded familiar, with a hint of panic. The person asked, "Is it Murray?"

"Yes," Murray said in a low voice.

"I'm Nina. There is something wrong with Melissa! Nina cried over the phone.

"What happened to Melissa?" Murray's heart skipped a beat.

Melissa

encountered an avalanche! Nina shouted.

At the thought that Melissa's situation was unknown and the rescue team was unable to go to rescue her

Nina became emotionally broken.

An avalanche?

After hearing this word, Murray became worried, and a series of questions blurted out, "An avalanche? What happened? Where are you? Where is Melissa?"

Where did Melissa go?

Why would there be an avalanche all of a sudden?

Nina took a deep breath before she calmed herself down slightly and said, "In order to find Mr. Luca to treat Mr. Marc, Melissa went to White Mountain with me. She went deep into the mountains alone to find Mr Luca, but..."

"But what?" Murray asked impatiently.

"However, the environment over there is very bad. A snowstorm started not long after Melissa entered the mountain. I heard someone say that an avalanche happened in the mountains that Melissa must have passed to find Mr. Luca. I could not contact Melissa now."

Something must have happened to her. Otherwise, there would be news from her.

Murray tightened his grip on the phone

To find Luca for Marc, Melissa ran to a place as far away as the White Mountain, entered the deep mountains alone, and encountered an avalanche!

Why was she so silly?

When Murray thought of how Melissa had gone to the hospital to visit his grandfather and had

been ruthlessly driven away by him, he felt as if his heart was being torn apart by a pair of big hands, and he felt

extremely regretful.

“I will bring someone over immediately ” Murray thought for a few seconds and said, “Nina, listen to me. I will immediately contact the local rescue team. You go to the mountain with the team to find Melissa. I will meet you when I arrive.”

“I’ve found the rescue team, but the blizzard hasn’t stopped yet. The environment is too bad, and the rescue team can’t go in and search. Nina said in a helpless tone.

“Let them find a way to enter” Murray said with an unquestionable tone and his face darkened

Nina nodded, “I will think of a way to convince them.”

After a pause, Nina raised her voice, “Murray. you must save Melissa. You must save her!”

“I will Murray said without hesitation
