Chapter 271 Reveal the Truth (2)

Anaya?

The one behind all this was Anaya?

As soon as Melissa finished speaking, everyone looked at Anaya,

Anaya's expression changed, "Ms. Eugen, what do you mean by that?"

The literal meaning." Melissa's eyes were cold. "You are the mastermind behind everything, and you are trying to frame Ingrid!"

"Melissa, it's a slander!" Anaya gritted her teeth. "What evidence do you have to prove it?"

"Of course I have." Melissa smiled. "Anaya, have you ever heard of the saying that the best way to stay away from being discovered is not doing bad things. You have done so many things behind my back to harm me Do you think it is flawless?"

"Nonsense, I didn't!" Facing Melissa's powerful aura, Anaya couldn't help taking a step back.

Anaya took several deep breaths and forced herself to calm down.

Anaya didn't know why Melissa suddenly suspected her. She planned everything well and wanted Ingrid to take the blame

But why did things go far from what she had expected?

Melissa was intact, and now she insisted on saying that Anaya was the mastermind in front of everyone.

Anaya suddenly panicked.

She kept telling herself not to panic.

Perhaps all of this was Melissa's guess. She wanted to use it to blackmail her.

Melissa couldn't have any evidence to prove that Anaya did everything

If there was evidence, Melissa would have shown it a long time ago

Thinking of this, *Anaya* calmed down a lot

she looked into Melissa's cold eyes and snorted, 'Ms Eugen, your words have to be based on fact. You can't say that I humiliated you for no reason, right? I just joined the crew yesterday to be a guest pianist. Honin that postulated

"Anghell make everything clear to *you* to convince you!" Melissa answered her with a slight smile. During the

opening ceremony you found with the tongue and caused me an allergy

"You ordered the staff to lose the tool on the wing and wanted to bilge

"You asked Dam to lead the boss WR stimontannadher change the punite to analoa to home

Ingrid today All of this was done by you. *Anaya*

Everyone was in an uproar.

"Was it really *Anaya*?"

"Ms Eugen won't accuse her for no reason, right?"

"But why did *Anaya* do that?"

"Why

is it impossible? *Anaya* has wronged Ms. Eugen, and she even made a big fuss at the award ceremony. But Ms. Eugen still exposed her scandal in the end, so she must be harbouring a grudge."

"Ms. Recal has no enmity with *Anaya* yet she still wants to shift the blame to her. What a vicious woman!"

Anaya heard all kinds of unpleasant words, and her expression changed again and again.

"Melissa, you slandered me, and I will sue you for that!" *Anaya* raised her voice to bluff.

"You know if my words are true." Melissa crossed her arms around her chest, and her cold gaze landed on *Anaya*'s face. "Let's start with the first thing, the bouquet at the opening ceremony.

"In fact, those flowers

were tampered with by you. You know that I am allergic to platinum, so you sprinkled a l

ot of platinum powder in the bouquet in an attempt to hurt me, right?" Melissa asked indifferently.

"These are just your guesses. I didn't do it at all. You are maligning me!" Anaya bit her lip as she forced herself to calm down.

Melissa's lips curled into a mocking smile as she took out her phone. "Then, explain after watching the two videos."

After that, Melissa opened the video that Anthony had sent her.

The video was shot in a café.

Two young girls were sitting by the window. They were the students who presented flowers to Melissa and Jaylin at the opening ceremony.

"Renee, we must go to the opening ceremony of Mr. Segar's new film tonight!" the girl in blue said, "My brother works in Star Entertainment. He can take us there."

"Of course!" the girl in red, AKA Renee, nodded, "I want to get an autograph from Mr. Segar and take a photo

with him. I love him!"

"*Why don't we go and present flowers to him? We will make it to the headlines,*" The girl in blue said again,

Renee smiled brightly. "Alright! I heard that Ms. Eugen will be attending tonight's opening ceremony. Ms. Eugen and Mr. Segar are a good match."

"Then let's buy *two* bunches of flowers and give each of them a bunch."

The two girls were talking happily, and the scene was shifted, Sitting next to the two girls was a fashionably dressed woman. It was Anaya!

When she heard the conversation between the two girls, her eyes narrowed slightly and she looked like she

Melissa turned off the video, looked at Anaya, and said coldly, "You heard the conversation between the two students and knew that they would attend the opening ceremony of 'Harem'. They would present flowers to Jaylin and me, and that's why you did something to the bouquet!"

, “Ms. Eugen, aren’t you too imaginative? I just happened to be drinking coffee there. How can this be used as evidence? It’s so funny.” After watching the video, Anaya let out a sigh of relief and said in a mocking tone.

She thought that Melissa had evidence, but it was just an insignificant video that could not explain anything

at all.

“There are more,” Melissa said as she clicked on the next video.

The video was shot on the road not far from Star Entertainment.

The main characters were still the two students.

Each of them held a bouquet in their hands. They intended to give them to Jaylin and Melissa during the

opening ceremony.

“Renee, I am so nervous.” The blue-clothed girl’s tone was a bit nervous and excited, and she said, “Do you think Mr. Segar will agree to let us present flowers to him?”

Renee was also excited. “I think so! I heard that Mr. Segar is good to his fans. Anyway, when the time comes, we will rush to him.”

As the two were talking, a tall man suddenly walked toward them.

He lowered his head and looked at his phone as if he did not see the two girls in front of him. He bumped into

them.

“Ouch...” The girls were caught off guard and fell to the ground. The bouquets also dropped to the ground.

“Sorry, I didn’t notice you,” the man apologised.

As he spoke, the man picked up the bouquets from the ground and handed them to the girls, “Take them. I’m so sorry.”

Melissa slowed down this part, and everyone could see that when this man picked up the bouquets, he

sprinkled a lot of silver powder into them.

Chapter 272 Reveal the Truth (3)

Melissa replayed it again. "Did you guys see it clearly? Someone sprinkled the platinum on the bouquet that

day on purpose

"So what?" Anaya hid the panic in her eyes. She took a deep breath and said, "As every one saw, someone deliberately did that. But it is this man. What does it have to do with me?"

When she watched this video, Anaya was a little panicked.

Why did Melissa have this video?

Anaya had clearly confirmed that there was no surveillance in that area.

Anaya told herself in her heart that she must calm down.

Melissa smiled and said, "Yes, it is this man who did that. But this man is a bodyguard of the Knowles family.

And the person who asked him to do this is obviously you, Anaya!"

Anaya bit her lower lip and said, "Melissa, you are good at making up stories. I have nothing to do with this man. How could he be a bodyguard of the Knowles family? You got me wrong."

Anyway, Anaya had already arranged for this bodyguard to go abroad. What she could do now was to insist that she did not know him. Then Melissa could do nothing about her.

"So you really don't know him?" Melissa sneered and clicked on her phone. She showed everyone a photo.

In the photo, Anaya was with several bodyguards.

One of the bodyguards was the man who had bumped into two female students in the video, and who had

secretly sprinkled the platinum on the bouquet.

“See? Do you still say that you don’t know him?” Melissa pointed at the photo and asked coldly.

“Who knows whether this photo is false or not? Maybe it was edited by you.” Anaya glanced at Melissa. But Anaya’s eyes already betrayed her.

Anaya had originally thought that she would be able to get rid of Melissa today and set Ingrid up. But now things were gradually getting out of control.

“Me?” Melissa cleared her throat. Just as she was about to say something, a deep male voice suddenly came over, “Are you the one who is behind the whole thing? Let’s listen to him.”

The voice was so familiar. It turned out to be Murray.

Melissa’s heart skipped a beat. She followed the voice and looked over.

She saw that tall and straight figure of Murray,

Murray was wearing a smoky grey custom-made suit today, which made his perfect figure particularly tall and straight.

The powerful aura around him made everyone present subconsciously stand aside. They made way for him.

Murray walked toward Melissa step by step.

Behind him were two bodyguards. The bodyguards were holding a man

Melissa was slightly stunned. She looked up at Murray. “Why are you here?”

Since they quarrelled that day, they hadn’t talked to each other. And Murray didn’t even show up.

But now how could he suddenly appear?

Murray walked toward Melissa and stood beside her. He bent down slightly and whispered to her, “I come to help you.”

Melissa could feel his warm breath, which made her heart skip a beat. Melissa’s face suddenly turned red.

Melissa moved slightly to the side, keeping a certain distance from Murray.

Why did he keep flirting with her regardless of the people present?

He was clearly angry a few days ago. And they were not on speaking terms.

Melissa looked at the man who was escorted by Murray's bodyguards.

This man looked familiar.

Melissa rubbed her temples. She suddenly realised that this man was Anaya's bodyguard in the video.

Yes, it was him.

Although this man was dressed completely differently from the one in the video, it was him.

As for Anaya, when she saw this man, her entire face turned extremely pale.

How could this be?

Anaya had already sent this man abroad long ago. What had happened?

Why was he brought up by Murray's bodyguards?

What exactly was going on?

Murray asked coldly, "Tell me who asked you to do that?"

The man hesitated, but then he made up his mind and said, "It's Miss Knowles."

Anaya looked sullen. She said in a trembling voice, "Don't slander me."

The man felt Murray's strong and cold aura, and his whole body trembled, "Mr. Gibson, I didn't slander her. It's

really Ms. Knowles who asked me to do this."

"He wronged me. Don't believe him," Anaya raised her voice

Murray looked at the bodyguard beside him,

The bodyguard immediately understood him and took off the man's clothes

The bodyguard immediately understood him and took off the man's clothes.

Behind the man, there was a tattoo with a dragon-shaped pattern and the word "Knowles" on it.

When everyone saw the tattoo, they were all shocked and started discussing it.

“Oh, my God! What is this?”

“It seems to be a symbol.”

“Look at the words on it.”

– “That’s right! It seems to be ‘Knowles’?”

“Yes! He must be a bodyguard of the Knowles family.”

Melissa took a step forward and said coldly,
“Everyone has seen that the tattoo on this man is the mark of the Knowles family. Every bodyguard in the Knowles family has such a tattoo on his back.”

Everyone nodded. “Oh, I see.”

“I didn’t expect Anaya to be so despicable.”

“What else do you want to say?” Melissa looked at Anaya coldly and asked.

Anaya’s face was extremely pale. She pursed her lips and wanted to say something. The man, who was kneeling on the ground, looked guilty. “I’m sorry, Ms. Knowles.”

“What a useless thing!” Anaya flew into a rage. She went forward and ruthlessly slapped that man in the face.

“Didn’t I tell you to go abroad? Why did you come back?”

With what she said, Anaya admitted that she was the one who was behind this man.

The man lowered his head helplessly.

He didn’t want to come back either. He was caught by Murray’s bodyguards from abroad,

Murray was ruthless and decisive. He showed no mercy. No one dared to offend him at all.

The man had no other choice but to tell the truth.

“Now you know the accident at the opening ceremony was caused by someone on purpose. And it’s Anaya

who deliberately instructed her bodyguard to harm me!”

Melissa’s cold *gaze slowly swept* across the surroundings, finally landing on Anaya’s face. Anaya, with all

that evidence, I didn’t slander you, did I?”

Chapter 273 Reveal the Truth (4)

Facing Melissa’s powerful aura, Anaya took a step back.

“OK. Indeed I asked him to sprinkle platinum on the bouquet. But what could you do to me? You just had an allergy to it, and you’re fine now.” Anaya glared at Melissa and said.

With ample evidence in front of her, Anaya had no way to deny it.

However, if it was just an allergy, it was not a big deal.

Melissa slowly curled her lips and said coldly, “Be patient. That’s the first time you harmed me. There are still three more times.”

She would not let go of Anaya easily!

Anaya still struggled, “It’s none of my business. Those were all done by Ingrid. She’s jealous of you. She never

liked you, so she wanted to cause you trouble.”

When Ingrid heard this, she glared at Anaya angrily and interrupted her. “Don’t talk nonsense! You are trying to frame me!”

By now, Ingrid had completely understood what was going on.

Anaya plotted all of these against Melissa.

Anaya wanted to harm Melissa, and at the same time, she tried to let Ingrid suffer the consequences.

What a kind of woman she was!

It was a pity that Melissa found out what Anaya had done. And now Anaya hurt herself by her own doing.

Anaya really deserved it!

Melissa turned to look at the man who was responsible for the prop, and she said coldly, "You deliberately loosened the screw to make me fall down. It is assault with intent. If you are willing to tell the truth now and tell us who asked you to do that, I could let you go."

The prop man hesitated for a moment and looked at Anaya.

Anaya immediately stared at that man with a warning gaze. She could not lose!

The prop man shivered, and then took a deep breath. He said, "What I said is true. It was Ingrid who asked me to do this."

Seeing that he was still unwilling to tell the truth, Melissa narrowed her eyes slightly. She took the check from the prop man and said coldly, "You said that this check was from Ingrid. She used this to bribe you, right?"

"Yes." The prop man nodded.

"So the signature should be Ingrid, right?" Melissa asked again.

The man answered with certainty, "Yes."

Melissa raised the corners of her lips and said, "Whether it is Ingrid's autograph or not, we could check it out."

At this time, a young man with yellow hair walked over and whistled at Melissa. "Hi, Ms. Eugen. I'm happy to

see you again."

Everyone's eyes were attracted to him, and soon someone recognized that he was the famous hacker Anthony.

Someone shouted, "It's Anthony!"

"Oh, my God! I finally saw Anthony in person today. I didn't expect him to be so young."

"Did Ms. Eugen ask him to come over to verify the autograph?"

Melissa smiled and said, "Thank you for coming."

Andrew put away his mischievous smile, and he became serious. "Ms. Eugen, it's my pleasure. Nothing big deal."

Melissa handed the check to Anthony. "Please check the signature on the check and see if it's Ingrid's autograph."

Andy took the check and nodded. "No problem."

He turned on his laptop and typed lines of code on it. Then it showed "NO!"

Anthony pointed at the screen and said, "The signature on the check is not signed by Ingrid. Someone deliberately imitated it."

Melissa said, "Thank you!"

She looked at the bystanders around her and finally, her eyes fell on the prop man. "I believe everyone has no objection to Anthony's words, right? Someone imitated Ingrid to sign this check."

le

After a pause, Melissa's tone became a bit colder. She looked straight at the prop man and said, "What would you say about this?"

Without waiting for the man to speak, Liam suddenly walked in front of Melissa and knelt down. "Ms. Eugen, let me tell you everything! It was Anaya who asked me to do that!"

Liam admitted the truth, which surprised Melissa.

Melissa looked down at Liam and said, "Stand up and tell me what happened."

Liam nodded. "Ms. Eugen, I will tell you everything I know. It's Anaya who is behind the whole thing. She asked me to drug the horse you rode and let me secretly change the prop knife. I'm sorry, Ms. Eugen!"

Seeing Liam betray her, Anaya glared at Paige. "Paige, what are you talking about!"

Paige's eyes turned red all of a sudden, "Ms. Knowles, I'm sorry, I don't want to be a bad guy. I want to tell everyone the truth

Liam admitted the truth, which surprised Melissa.

Melissa looked down at Liam and said, "Stand up and tell me what happened."

Liam nodded. "Ms. Eugen, I will tell you everything I know. It's Anaya who is behind the whole thing. She asked me to drug the horse you rode and let me secretly change the prop knife. I'm sorry, Ms. Eugen!"

Seeing Liam betray her, Anaya glared at Paige. "Paige, what are you talking about!"

Paige's eyes turned red all of a sudden. "Ms. Knowles, I'm sorry. I don't want to be a bad guy. I want to tell

everyone the truth."

Liam continued in a broken voice, "It's my fault. I did something harmful to Ms. Eugen for the sake of money. Because my brother has serious heart disease. The doctor said that his life would be in danger if he didn't have the surgery. I need money badly, so...

"Then, Ms. Knowles found me and gave me the money. She said that as long as I help her do things, she

would find a famous doctor to do surgery for my brother.

"*For the sake of my brother, I have to agree. My brother is only ten years old. I can't let him suffer without doing anything. I don't want him to leave me." Liam said with tears falling down.

"But these days, I can't sleep well every day. I was woken up by nightmares every day. It's all my fault, Ms. Eugen. I'm sorry. I shouldn't have agreed with Anaya for money!" Liam bowed to Melissa as she spoke.

Melissa frowned and stepped forward. She helped Liam up. "Stand up."

Melissa looked at Anaya coldly and said, "Anaya, what else do you want to say?"

Anaya's face turned pale, and she said, "I didn't do that. She is trying to frame me..."

Anaya never thought that Liam would betray her and tell the truth in public.

Anaya felt desperate as she clenched her fists tightly.

No, she didn't fail!

Before Anaya could finish speaking, a man in a black suit and gold-tinted glasses walked over and said to her fiercely, "Shut up!"

O

n? Anaya raised her head and looked at the man in surprise

Melissa n

Anaya raised her head to look into Dylan's eyes and roared, "Why should I apologise to Melissa, that slut? She

stole my fiancé!"

"Why are you so stubborn?" Dylan furrowed, raised his hand, and slapped Anaya in the face.

A sharp pain came from her face. Anaya covered her face and looked at Dylan in disbelief. "Dylan, you slapped me? For Melissa? She's a bitch!"

Her delicate face was twisted at that moment, looking a little ferocious.

Anaya didn't understand why Dylan, who had always doted on her, slapped her in public

And he slapped her because of Melissa!

"Ms. Eugen, I'm sorry. My sister has done so many wrong things to hurt you. I apologise to you for her! I've spoiled her since she was a child. It's my fault that I didn't discipline her well. I promise I'll keep her under control, and this will never happen again."

With that, Dylan bowed to Melissa. "Ms. Eugen, please accept my most sincere apology!"

Melissa smiled a little.

She understood what Dylan was doing. Whether he slapped Anaya in public or apologised to her sincerely, he was trying to protect Anaya.

It seemed that Dylan loved his sister so much.

“Mr. Knowles, I’ll let you take Anaya back for your sake. I hope you will keep your promise and discipline your sister! if she dares to do it again, I’ll never let it go so easily!” Melissa narrowed her eyes and said coldly.

“Thank you, Ms. Eugen!” After Dylan promised again, he let the bodyguards pull Anaya away.

“Dylan, what are you doing?” Anaya couldn’t break free from the bodyguards and was thrown into Dylan’s car. She snapped, “You slapped me for that bitch and apologised to her so lowly. You disgraced our family!”

“You’re the one who disgraced our family!” Dylan was frustrated. “If I hadn’t done that, do you think Melissa would have let you off so easily?”

“*Why are you afraid of her?*” Anaya gritted her teeth.

“Melissa is not someone you can provoke!” Dylan glared at his disappointing sister,

Seeing Dylan’s grim face, Anaya shrank her neck,

However, she was dismissive of Dylan’s words She didn’t think Melissa dared to do anything to her

Anaya thought, Melissa, one day I’ll crush you

Ingrid felt a lingering fear when she saw Anaya taken away

“Ms. Eugen, thank you for trusting me” Ingrid walked up to Melissa and said gratefully

Ingrid was a little touched

She had been unkind to Melissa, but Melissa didn’t retaliate against her.

Melissa smiled, “I have said that I won’t wrongly accuse a good person or let the bad one go.”

“Ms. Eugen, I was...” Ingrid bit her lip and wanted to apologise to Melissa, but it was difficult for her to do so.

“Leave it in the past. Don’t mention it. As long as you can focus on your role and make the best movies for Star Entertainment, you’ll have what you deserve. Do you understand?” Melissa said seriously.

She hoped that after this incident, Ingrid would be able to learn a lesson and truly become a well-deserved

actress

“Ms. Eugen, I understand! I promise I’ll work hard and not let you down again!” Hearing Melissa’s words, Ingrid had her eyes turn red as she spoke sincerely.

“Alright, let’s continue with the filming!” Melissa’s gaze fell on Murray at the side with some vigilance.

She was worried that Murray would carry her away like last time.

Fortunately, Murray didn’t do so this time.

He just stood to the side and watched Melissa filming with a straight face.

It wasn’t until Melissa had finished filming that Murray stepped forward and said, “Let’s go home.”

Melissa nodded and got into the car with Murray.

“Why did you suddenly come here today?” Melissa had long wanted to ask this question.

Murray tilted his head and glanced sideways at Melissa. “Didn’t I say that I’m here to help you?”

Melissa thought, does he mean it?

“Are you not angry?” Melissa’s heart warmed, and she smiled.

“You seem to be the one who is angry,” Murray raised her eyebrows.

“Really? You were the one who ignored me in the past few days...” Melissa pouted.

She was angry that Murray was always so overbearing and self-proclaimed.

She just wanted him to stop controlling her, but he started not being on speaking terms with her.

Murray chuckled. “I’m not angry or ignoring you. It’s just that I’ve been busy helping you collect evidence of Anaya harming you.”

Hearing this, Melissa felt a surge of warmth in her heart.

This man would always inadvertently give her a surprise and move her.

“Are you still angry with me?” Murray approached Melissa and looked at her with a half-smile. Chapter 274 Not Someone You Can Provoke

Melissa shook her head and was about to speak when Murray suddenly lowered his head and kissed her

“What are you doing? Hurry up and drive!” Melissa flustered and pushed Murray away.

Melissa had been busy on set for a few days and finally finished her scenes.

“Ms. Eugen, our crew will hold a dinner party at White River Hotel tomorrow night. You must come,” Kim said after finishing Melissa’s last scene.

In the face of Kim’s enthusiastic invitation, Melissa agreed, “Okay!”

Kim was the top director of Star Entertainment, serious and responsible. Melissa had a good impression of

him.

Since it was a dinner party for the crew, it was reasonable for her, the boss, to attend.

However, when she returned to the Moonlight Mansion, Melissa felt uncomfortable. She kept coughing and sneezing.

She caught a cold.

In the last scene this morning, Melissa was drenched in the rain. She thought she would be fine after having the ginger tea, but she still caught a cold.

“Melissa, seven o’clock tomorrow night at White River Hotel. You must come.”

Melissa sat on the sofa in the living room and read the Line message Jaylin sent. She sneezed and quickly

picked up a piece of tissue to wipe her nose

“Here, take the pills.”

Murray took a glass of water and pills to her side. He handed them to her when he happened to catch a

glimpse of her mobile phone screen.

Jaylin?

Murray thought, is he trying to get close to Melissa again?

Murray looked sullen He snatched the phone from Melissa's hand. His dark eyes were full of coldness, and

there was no room for negotiation in his tone. "You are sick. Don't go to tomorrow's dinner party

Chapter 274 Not Someone You Can Provoke

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 275

Chapter 275 Accident at the Dinner Party (1)

Po way! I already promised him How can I go back of my word? Melissa had dissatisfaction on her face

after Murray took her phone

"You have a heavy cold, remember? How can you go out and drink? What if it becomes pneumonia? Melissa are you tired of living?"

Murray forcefully stuffed the glass into her hand, and his other hand grasped her hand, handing the pistol

her

"I'll take the pills."

Melissa picked up the glass of water with her left hand and took the pills with her right hand After swallowing them, she looked at Murray and said firmly, 'But I must go to the dinner party tomorrow night

Melissa was a principled person. Since she had made a promise, she would do it

She just had a cold, but it was not a big deal.

Murray always made a big fuss over nothing,

"I said you can't go!" Murray pursed his thin lips slightly, and there was nervousness and worry in his eyes

Murray thought, she doesn't care about herself at all!

She has a cold, but she doesn't rest more and insists on going to that damn dinner party

What if her condition worsens?

Doesn't she know I'm so worried about her?

"That's my business, not yours!" Melissa stood up from the sofa and was going to return to her room.

In the next second, Melissa felt a force come to her waist. She lost her balance as Murray scooped her up

Melissa struggled but couldn't break free. She could only reach out and wrap her arms around his neck, asking with a frown, "Murray, what are you doing?"

"Imprisoning you." Murray

bowed slightly, raised his eyebrows at Melissa, and whispered in her ear, "I'll free you when the dinner party is over."

"This is illegal!" Melissa glared at Murray, but her throat was swollen and painful, and her voice was softer

than a cat's

Her voice tugged at Murray's heartstrings

He carefully placed her on the bed and covered her with a blanket "Be good, will you?"

He comforted her in a soft voice

Melissa was surprised. She didn't expect him to coax her so gently

*Alright, I'm not going. I'm sleepy"

Chapter 275 Accident at the Dinner Party (1)

Melissa yawned lazily, curled up sideways, and blinked at him. "Good night I'm going to sleep

"Good night."

Murray was relieved to hear that and smiled. He turned to leave

Melissa looked at Murray's tall and straight back with mixed feelings.

Murray was perfect, but he was too overbearing and always liked to control her,

Although he was concerned about her, Melissa didn't like the feeling of being restrained.

Since Murray didn't allow her to go to the dinner party tomorrow, she could only go there secretly.

Anyway, Murray would go to work at the Gibson Corporation tomorrow, and she would take a leave of absence to rest at home. After Murray left, she could go wherever she wanted.

Murray couldn't control her again by then.

With that in mind, Melissa felt much more comfortable. She lay on the bed and fell asleep eventually.

The next day, when Melissa woke up, she saw Murray's handsome face.

"Meli, how do you feel?" Murray asked with concern,

"Much better." Melissa sniffed.

"You have a cold. How will you recover so quickly?" Murray reached out his hand and touched Melissa's forehead. "Great. You don't have a fever."

"Hey, I said I'm fine. Why are you so nervous? Have you forgotten that I have medical skills?" Melissa said, "It's getting late. You should go to work!"

"I'll stay at home with you," Murray smiled. He couldn't leave Melissa alone at home.

"No need! Hurry to work, or I'll be angry!" Melissa firmly disagreed.

"Alright, I'll be leaving. Have a good rest. Call me if you need anything." Murray didn't insist and stood up.

"I'll," Melissa promised.

Murray finally went to work. If he was home, she couldn't sneak out to the dinner party at the White River Hotel.

In the afternoon, Melissa freshened up and was about to go out when she fell into a strong and warm

embrace just as she went downstairs.

“Where are you going?” Murray asked coolly.

It was Murray

Melissa wondered why he was back.

She looked up at his cold eyes. “I want to go to the dinner party. Don’t stop me.”

Murray turned irked. He was worried about Melissa’s condition and got off work early

But when he got home, he caught her sneaking out

He reached out to clutch Melissa’s chin and pressed her against the door frame, leaning toward her

It wasn’t until the tip of his nose touched hers that he stopped. Melissa had a heavy cold, and her nose was wet like a kitten.

Her look softened his heart. Murray bent over and whispered, “I’ll drive you there since you insist.”

His warm breath blew on Melissa’s cheek when he spoke.

Melissa blushed right away.

He started to flirt with her again!

Murray looked at her blushing face and adored her even more. He lowered his head and kissed her.

His breathing almost stopped when he felt a familiar feeling.

Even though Melissa’s lips were dry because of the cold, Murray still felt they were the world’s most delicious jelly.

He skillfully pried open her lips and wanted to taste more.

Melissa was still rational. She pushed Murray away with her chest heaving up and down as she gasped for

breath. “Well. I think we’d better hurry.”

After that, Melissa walked toward the door.

Murray strode behind her.

He drove Melissa to the White River Hotel.

“Meli, we’re here.” Murray got out of the car and opened the door for Melissa. I’ll walk you in.”

“No need. I’ll go in by myself. I’ll call you when it’s over.” Melissa hurriedly shook her head and pushed Murray back into the car. She then turned around and walked towards the hotel door.

Murray eyed her beautiful back, and there was love and tenderness in his eyes. He waited till Melissa’s figure disappeared from his sight before he drove away.

However, Julie and Adela, who also came to the White River Hotel, saw that.

“Adela, is that Melissa?” Julie pointed at Melissa’s back and asked.

“What is she doing here?” Adela asked with a sinister look in her eyes,

Julie tilted her head and thought for a moment, then said, “I heard from my cousin that it seems that the

crew of “Harem” is holding a dinner party here tonight.”

“Is that so?” The corner of Adela’s mouth moved up into a sneer.

Adela was so jealous when she thought of how gentle Murray was when he sent Melissa there

She swore to herself, Melissa, you’ll wait and see!

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 276

Chapter 276 Accident at the Dinner Party (2)

Adela wondered what was so good about Melissa.

And Adela could never understand why Murray cared so much about Melissa.

Previously, Adela had made Anaya fight against Melissa, but Melissa was unharmed again.

Adela thought Anaya was useless.

It was a waste of time trying to help Anaya secretly all these times, Adela wondered.

Tonight, Adela planned to make Melissa embarrassed so that Murray would never be with Melissa anymore

Quickly, something was going on in Adela's mind. She turned her head to look at Julie. "Do you know what I just thought of? Ask someone to add some drugs to Melissa's drink."

– "Okay, Adela," Julie replied.

Adela suddenly thought of the last time Annie tried to drug Melissa but failed. Therefore, Adela acted coldly. "I want the drug to be colourless and odourless this time. Don't let Melissa notice it again!"

"Alright, no problem." Julie nodded.

Adela smiled with satisfaction and figured Melissa could not escape this time.

Back to Melissa, she found the banquet hall and went straight in.

The first thing Melissa saw was the crew gathering around a few large dining tables. There were nearly hundreds of people. Everyone was drinking happily, and the noisy scene made Melissa feel *very* warm.

When everyone saw Melissa appear, they immediately stopped to greet her. "Hello, Ms. Eugen!"

Melissa smiled politely. "Hello Dear all!"

Kim also stood up. He said to Melissa in a loud voice, "Ms. Eugen, this way!"

Melissa walked over and there was only one seat beside Jaylin left.

Melissa sat down. "I'm sorry for being late. Something has been delayed."

Kim immediately chuckled. "Not a problem at all! It's our honour that Ms. Eugen can attend the banquet."

Melissa smiled and sniffed.

“What’s *wrong*, Melissa?” Jaylin asked with concern.

“I caught a cold,” Melissa replied and looked indifferent.

“Are you alright? Sorry, I didn’t know you had a cold.” Jaylin felt guilty asking Melissa out.

If he had known earlier that Melissa had caught a cold, Jaylin would not have called her to attend the

banquet and should have let her rest at home, Chapter 276 Accident at the Dinner Party (2)

However, if Melissa was at home, Jaylin would not be able to see her,

“It’s fine Just a cold.” Melissa put down her purse, and her long curly eyelashes moved beautifully as she looked at Jaylin. Under the light, her face was even more charming with eyeshadow on.

The cold gave Melissa a pink tip of her nose and made her look even cuter,

Jaylin could not help but stare at Melissa,

Melissa’s scenes had already been filmed, so Jaylin figured that he couldn’t meet Melissa every *day from* then on

Thinking of this, Jaylin could not help but feel a sense of loss. “...

Just as he was about to say something, Jaylin was interrupted by a waiter who suddenly walked over.

“Madam, do you need a drink?” the waiter asked Melissa with a smile on his face and a bottle of juice in his hand,

Melissa glanced at her glass and noticed there was little juice in it. And then she nodded without a second thought

After the waiter poured the juice into the glass, Melissa picked it up and took a few sips.

The waiter on the side saw that Melissa had drunk it and left with a sigh of relief.

Due to the cold, Melissa’s sense of taste was lost and she did not notice that there was something wrong with the drink at all.

After a while, Melissa suddenly felt hot all over, and her body began to go out of control.

Melissa wondered what was going on

She was alarmed and thought she had a fever.

Melissa thought, but if I had a fever, how could my body have that strange reaction of being turned on.

Melissa narrowed her eyes and looked at the waiter who had just poured her a drink.

When the waiter realised that he was stared at by Melissa, he immediately looked nervous and tried to avoid eye contact with Melissa

It was just as Melissa expected. She was drugged,

Melissa's heart sank, and she felt the danger. She looked at the crew. I'm a little sick. Please excuse me for a

After that, Melissa quickly got up and left

The waiter asked, "Are you feeling well? Let me help you to the lounge!" The waiter immediately stepped forward

Melissa glanced at the waiter indifferently and nodded.

The waiter supported Melissa and went directly to the lounge on the second floor.

"You can rest here. I'll get you some hot water." The waiter helped Melissa to sit down on the sofa and left the

lounge.

As soon as the waiter closed the door, he immediately took out his mobile phone and sent a message, "She is already in the lounge, and the drug is about to take effect."

Melissa narrowed her eyes as she watched the waiter close the door to the lounge.

She felt uncomfortable all over.

This feeling was somehow familiar to Melissa.

She felt the same way when she was drugged in the bar last time.

It seemed to Melissa that the waiter indeed drugged her.

Melissa was so hot that she felt uncomfortable. She pulled at her collar and reached for her phone. She planned to call Murray, but she couldn't find her phone after a long search.

Sure enough, the waiter was afraid that Melissa would ask for help, so he took Melissa's phone away.

Jaylin was a little worried about Melissa. After all, she had just left in a hurry, and her face was so red.

Jaylin was worried that something had happened to Melissa and was just about to look for her. Suddenly, a waiter came near. "Mr. Segar, Miss Eugen said that she was a little uncomfortable and hoped that you could

go and see her."

"Alright." Jaylin did not think much about it and immediately got up and followed the waiter.

As soon as Jaylin entered the lounge, he saw Melissa lying on the sofa and pulling on her clothes. The slipped collar revealed her attractive shoulders.

Melissa slightly opened her red lips and made a seductive moue, while her long legs slid back and forth under her dress.

Jaylin took a deep breath and swallowed.

The woman Jaylin loved was right in front of him. Furthermore, Melissa was seducing him. Jaylin swallowed again and felt extremely hot.

But Jaylin wondered what happened to Melissa.

Something must be wrong.

Jaylin forced himself to calm down, but at that moment, he started to have a reaction. He wanted Melissa so badly, and his head was about to explode thinking that

He decided to give it a go and lay down against Melissa

Chapter 276 Accident at the Dinner Party (2)

Melissa suddenly felt something heavy pressing down on her body. She opened her eyes slightly, and what

entered her eyes was Jaylin's passionate expression

“Melissa, I love you so much. I really do. I want you,” said Jaylin.

It was obvious that someone had drugged Jaylin as well.

They did the same thing to Jaylin, just like they did to Melissa,

Melissa narrowed her eyes and bit her tongue with all her might. The pain suddenly took hold of Melissa and brought her back to consciousness.

After pushing Jaylin to the side, Melissa shouted, “Jaylin, wake up!”

Jaylin looked at Melissa and looked lost. “Melissa, I love you.

“I know you can’t forget Murray, but I love you more than he does. Why can’t you accept me? Melissa, promise me that you will love me.”

At that moment, Jaylin was very uncomfortable. He had clearly said to himself that he could not hurt Melissa, but his body was out of control.

Without waiting for Melissa to speak, Jaylin lowered his head and kissed the girl he had loved for so many years.

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 277

Chapter 277 Accident at the Dinner Party (3)

Melissa frowned. She did not expect that Jaylin had also been drugged

She had to find a way to wake Jaylin up quickly

Otherwise, if things continued to develop, not only would it destroy Melissa, but it would also destroy Jaylin

Melissa would never allow such a thing to happen.

Thinking of this, Melissa acted coldly. She pushed Jaylin away and looked around. Suddenly, she saw a

teapot on the table. There was still water in it.

There was a flash of surprise in Melissa’s eyes. She reached out to pick up the teapot and quickly opened the lid. And then she splashed the cold water on Jaylin’s face.

Instantly, the icy cold sensation woke Jaylin up.

"Melissa, I..." Jaylin was at a loss.

He didn't understand what was going on.

Jaylin rubbed his temples, and the memories gradually came back to him.

He remembered that Melissa was uncomfortable and went to rest in the lounge. And then a waiter came to tell him that Melissa wanted to see him.

Later, when Jaylin arrived at the lounge, he felt that something was wrong.

"Jaylin, listen to me. *We were drugged.*" Melissa interrupted Jaylin and decisively poured the rest of the cold water on her face. The hot and unbearable feeling finally ceased.

"How could this be? Who did this?" Even though Jaylin had a slow response, he knew that he and Melissa had been tricked.

Without waiting for Melissa to answer, Jaylin found the door of the lounge was kicked open all of a sudden.

Then, a group of reporters with cameras and microphones walked in and surrounded Melissa and Jaylin, who *were* both wet

These reporters received anonymous news that Melissa and Jaylin were fooling around in the lounge, using

the dinner party as an excuse,

From what the reporters saw, the news was true,

Jaylin, Golden Tiger Awards winner, and Melissa, CEO of Star Entertainment, were making out in a lounge. It

was such explosive news,

The reporters *were* all afraid that they would miss something and excitedly threw questions at Melissa

"Ms. Eugen, may I ask what you and Mr. Segar are doing in this room? Are you two in a relationship?"

"Ms. Eugen, why are you both wet and undressed? Are you playing love games?"

When are the two of you planning to reveal your relationship Ms Eugen does Mi Gibson know about the

Are you a two limer? You”

Melissa narrowed her eyes and watched coldly as the reporter asked her and Jaylin im polite questions,

The reporters wouldn't come for no reason

The only explanation was that the person who had plotted against Meliosa called the re portero,

Melissa wondered who did this to her

Checking the crowd, Melissa saw Julie standing behind the reporters Knowing the relati onship between Julie and Adela, Melissa instantly understood what was going on

With so many questions and verbal attacks, however, Melissa was not angry nor panick y. Instead, she was unusually calm, as if the whole situation was not about her

“You have so many people and so many questions, which should I answer first?” Meliss a kept it together even though she was uncomfortable,

At that moment, Melissa had a heavy cold, was drugged by the waiter, and splashed wit h cold water. She only felt her brain dizzy. Therefore, she had to solve the problem quic kly

When the reporters heard Melissa's words, they immediately stopped talking

Julie walked forward, crossed her arms around her chest, and looked at Melissa with dis dain “Melissa, you're so disgusting. You seduced Mr. Gibson and slept with Mr Segar at the same time You're a slut

With the thought that Jaylin liked Melissa, Julie was so jealous that she almost went cra zy

Therefore, Julie figured that she had to ruin Melissa no matter what

Melissa laughed and then sneered. She looked at the reporters around her coldly “Really? Didn't you want to know what exactly happened?”

Melissa had a cold look, and it scared the reporters,

“It is because of her!” Melissa finally rested her eyes on Julie and pointed at Julie as wel l

Hearing this, the reporters looked at each other in dismay

They thought of the idea that the anonymous message was sent by Julie

Julie, you set this up, don't you?" asked Melissa

As Melissa approached Julie step by step, Melissa said, "You asked the waiter to put drugs in my drink And *you* thought I wouldn't be able to notice it because I got a cold Then the waiter led me to the lounge to rest and stole my phone. He didn't want me to ask for help

Following up, you drugged Jaylin as well and tricked him over you wanted us to make love Then, you called

the reporters over Your plan is really good!"

Chapter 277 incident at the Dinner forty (1)

Melissa emphasised the word "good" and stopped in front of Julie, Melissa's eyes were filled with coldness,

Julie was startled when being gazed at by Melissa

Taking a step back, Julie explained, "Nonsense! I happened to be eating here today. When I passed by and heard the noise here, I was curious and came over to take a look. Why would I plot against you?"

"So it's not you??" Melissa smiled, looking very regretful.

*Of course, it's not me!" Julie sighed in relief.

But in the next second, Melissa suddenly pulled Julie by her arm and pushed her in front of a camera. Melissa said coldly, "Then do you dare to make it up to the camera again?"

Julie looked at the camera in front of her and felt a sense of guilt

Then Julie took a deep breath and told herself that she must not panic

Julie struggled and glared at Melissa Melissa, let go of me! Don't push the blame on me for what you did!"

Melissa glanced coldly at Julie, took a step back, and sat on the sofa behind her

Even though Melissa's face was pale, one could still sense Melissa's confidence and calmness.

Melissa said, "Since you said it wasn't you, then you should prove yourself innocent

Julie only felt that Melissa was pretending to be calm. She waved her hand towards the waiter. "I am not

scared of you, Melissa. Who's in charge here? Check the monitor!

"Okay." When a waiter heard Julie's words, he quickly turned around and left.

"Wait." Melissa suddenly opened her mouth and stopped the waiter.

Julie laughed proudly and looked at the reporters beside her. "Oh, Melissa, you don't dare to do this, do you? I think you should admit that you had an affair with Mr. Segar. Do you guys see that? Melissa has already admitted that she is fooling around with Mr. Segar. It will be a big topic today!"

Melissa was speechless.

Julie couldn't wait to crush Melissa, and it made things obvious that Julie was behind all of this.

Melissa knew it was

Julie, based on Julie's reaction. Julie was so eager to let others know about this, so everyone would think of Melissa as a slut. It would make no sense if Julie wasn't the one who caused this.

"Did I ever say that I loved Jaylin?" said Melissa.

Melissa looked at Julie with a strange expression and smiled. "I have always been very curious. You came in just to see Jaylin and me in the lounge. We did not do anything excessive, and you kept saying that we had an affair. Could it be you who..."

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 278

Chapter 278 Don't Be Fooled By Melissa

When Melissa said this, everyone present felt that it was a little strange.

All the reporters present received an anonymous text message telling them that Melissa and Jaylin had a

secret affair, so they came over

Seeing that Melissa and Jaylin were in the lounge, they first assumed that Melissa and Jaylin were doing something because of the message.

In fact, Melissa and Jaylin were just in the lounge, both of them drenched. They did not do anything special.

But Julie wasn't a reporter. She didn't receive that anonymous message, so why did she think that Melissa

and Jaylin were having an affair?

Could this anonymous message be from Julie?

Everyone looked at Julie with interest.

A reporter asked, "Ms. White, do you have any explanation for Ms. Eugen's question?

"You insist that Ms. Eugen and Mr. Segar have an affair. Do you have any evidence?"

Julie rolled her eyes, and her heart was filled with unwillingness.

She had bribed the waiter and drugged Melissa and Jaylin. Everything went according to plan!

She didn't know what went wrong now, but the two didn't have sex.

The plan of spotting their adultery was now ruined.

However, no matter what, Melissa and Jaylin were the only ones in the lounge!

Thinking of this, Julie glared at Melissa, "I ... I know exactly what kind of person you are! So I guessed like that! You and Mr. Segar are the only ones here. How can you say that you don't have a relationship?"

The jealousy in Julie's heart surged, and she clenched her hands bit by bit.

She must not fail this time!

She must make Melissa, the bitch, lose her reputation and never rise again!

Melissa glanced at Julie and looked at the waiter who had just been stopped. She smiled slightly. "Ask the security guards to get the footage and call the two waiters who just helped me to the lounge and served drinks for me and Jaylin."

When Julie heard this, she heaved a sigh of relief.

So that was all. She thought that Melissa was going to do something bad,

“Alright, Ms. Eugen.” The waiter nodded, and the two waiters entered the lounge together.

Melissa recognized that one of them was the waiter who had just helped her to the lounge.

“Ms. Eugen said that you drugged her and Mr. Segar. Is that true?” Julie was the first to speak

The two waiters looked at each other and then shook their heads. “We are just ordinary waiters. We have never met Ms Eugen and Mr Segar before. How can we drug them? The drinks and wine are not messed with Don’t wrongly accuse us.”

They looked calm as they denied it.

“Ms Eugen also said that I asked you to drug me,” Julie said again.

The two waiters were shocked and waved their hands, “How is that possible? We don’t even know you!”

“Melissa, what else do you have to say now? Don’t accuse innocent people for no reason!” Julie was proud and raised her eyebrows.

“The waiters don’t earn much money here. If you frame them and cause them to lose their job, isn’t that a little heartless?”

The waiters looked at Melissa in fear and trepidation, “Ms. Eugen, we know that you are the big boss and you can kill us without difficulties. But we didn’t do it. We need this job. Please let us go!”

As they spoke, their eyes turned red, and they started sobbing. They looked miserable, making Melissa an overbearing and vicious woman.

The reporters wouldn’t miss such a scene. They took the cameras and took photos like crazy. They had even thought of the title of the news.

“Ms. Eugen was exposed to cheating on Mr. Segar. Mr. Gibson was cuckolded without noticing. Two innocent Waiters were fired!”

At that time, netizens would rain down curses on Melissa!

Julie became prouder, and she was certain that Melissa could not escape!

“Since you said that there is no problem with drinks and wine, can you drink them?” Melissa leaned against the sofa leisurely, her eyes filled with a bit of relaxation and ridicule.

Melissa’s confident look made Julie unable to know if she still had a trump card.

“Alright!” The two waiters said in unison.

To *prove* their innocence, they had someone bring over the drink that Melissa and Jaylin had just drunk and drink it in front of *everyone*.

After they finished drinking, they looked normal and showed no signs of strangeness.

The corners of Julie’s lips curled into a smug smile. “We all see it. There is no problem with this drink. Melissa, what else do you have to say now? Just admit it! Don’t implicate people anymore!”

After a pause, Julie said to the two waiters in a gentle tone, “We don’t need you here. Go and do your work. I will tell your boss that this matter has nothing to do with you. You will not lose your job.”

She kept comforting the two waiters, looking so magnanimous.

She kept comforting the two waiters, looking so magnanimous.

Under the cameras of the reporters, Julie showed consideration to make herself a virtuous *woman*

Thank you, Ms. White” The waiters sighed in relief and prepared to leave.

“Melissa, the evidence is conclusive, no one has drugged you. It was *you* who seduced Mr. Segar in the lounge!

“Ms. White, I hope you won’t talk nonsense again. It’s not what you said. I was just here to discuss the plot of

the next movie with Melissa. That’s all.”

Jaylin, who had been silent all the time, suddenly spoke in a low voice. He stood tall in front of *Melissa*

“Mr Segar, you...” Julie was stunned.

Seeing that Jaylin, who she had always loved, did not hide his love for Melissa, Julie became sad.

Before she could finish her sentence, the two waiters at the door exclaimed, "Mr. Gibson..."

Mr Gibson?

Murray?

A thought flashed through Julie's mind. She turned around and saw Murray standing tall.

With steady steps, he showed up at the gate like a king.

Murray's face was grim, and with his killing intent, no one could approach. Everyone present could not help trembling and making way for him.

"What's wrong?" Murray walked to Melissa and asked

When he faced Melissa, his cold eyes softened a bit

Before Melissa could say anything, Julie immediately fanned the flames, "Mr. Gibson, don't be fooled by Melissa. She just seduced Mr Segar and made you a cuckold!"

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 279

Chapter 279 Trick

"Is that so?" Murray glanced at Julie with a cold gaze.

His powerful and cold aura immediately made Julie feel a great sense of oppression, and her legs almost

went soft

Julie took a step back, took a deep breath, and bit the bullet. She said, "Mr. Gibson, what I said is the truth. If you don't believe me, ask them. The reporters here all saw it with their own eyes."

"Did you do that?" Murray turned around and asked Melissa indifferently.

"No." Melissa crossed her arms and replied calmly. She looked at Julie teasingly.

"OK. I trust you."

When Murray said this, Julie's eyes widened in disbelief.

Everyone saw that Melissa and Jaylin, who were dishevelled, stayed in the room. But Murray chose to believe in Melissa without asking anything else!

He trusted Melissa unconditionally!

Seeing that Melissa was so collected, Julie suddenly had a bad feeling.

Julie subconsciously clenched her fists and felt uneasy. She thought, could it be that they had already reached an agreement?

It was impossible!

Julie had the waiter take the opportunity to take Melissa's phone away at that time, so it was impossible for Melissa to have the opportunity to inform Murray!

Melissa's eyes were clear and cold, and she could see the panic in Julie's eyes.

Her cell phone had indeed been taken away by the waiter, but she had already expected this,

But Melissa decided to take the chance of fishing!

At that time, she was about to get out of Murray's car when she happened to see Adela's car parked not far

away

Melissa *was very clear* about the hostility Adela had towards her

Melissa wouldn't take the initiative to harm her, but she knew it was necessary to be alert

Melissa told Murray to come over if she was out of touch for half an hour

Everything was exactly the same as she had expected,

At that moment, Julie realised that she was the one who fell into the trap!

Julie was about to say something when the restaurant manager who followed Murray in, stepped forward. The manager cleared his throat and said, "Ms White, you want to check the surveillance video to prove your

Chapter 279 Trick

innocence of course, that's reasonable.

"I've pulled the footage." As he spoke, he took out the USB and plugged it into the television in the lounge

On the big screen of the TV, a video was played.

In this video were the two waitresses who poured wine for Melissa and Jaylin.

They took the wine and drinks and went to the kitchen to pour them out of the bottles. After washing the bottles several times, they poured other wine and drinks back into the bottles and rushed to the lounge.

Everyone watched the video and discussed it.

"I didn't expect that there would be something wrong with the drinks!"

"It turns out that they had already changed the drinks. No wonder nothing was wrong."

"It seems that we really wronged Ms. Eugen and Mr. Segar..."

The two waitresses were both embarrassed and surprised. They did not expect that what they did to destroy the evidence would be filmed!

Julie was also shocked. She thought, didn't the two idiots say that there was no surveillance camera in the

kitchen?

She took a deep breath and pretended to be calm as she said, "That doesn't prove that it has something to do with me. The two waitresses drugged them and wanted to frame them. I didn't know the truth. It made sense that I misunderstood them."

As long as there was no solid evidence, if Julie insisted that she didn't know the truth, Melissa couldn't do

anything to her!

Julie said as she glanced at Melissa proudly.

Julie had thought that Melissa could get solid evidence with Murray's help. However, it was not significant at

all.

The two waitresses looked at Julie in a panic and fear. Julie glared at them.

The two waitresses understood her and quickly cried as they apologized to Melissa.

"I'm sorry, Ms. Eugen. We did this because we were jealous of you. We wanted to ruin your and Mr. Segar's reputation!"

Jaylin frowned. "Melissa and I have no conflicts with you. We have never seen each other before. Isn't this

reason too far-fetched?"

"Tell us who asked you to do this!" Melissa suddenly stood up and said in a cold tone.

"No. No one asked us to do this. The two waitresses were startled by Melissa's imposing manner and took a few steps back subconsciously

'We...'"

They looked at each other in the end, they seemed to have thought of something and hurriedly said, "Because we are Wilson Hawk's fans. Mr. Segar, you have always been stealing the show. You were recognized as the Best Male Actor at the Golden Tiger Award. You stole his honour! As long as we destroy your career, he will have a day of success!"

Wilson?

Jaylin frowned. Wilson was a male star from Star Entertainment.

All these years, Wilson had regarded Jaylin as an opponent. And he kept playing tricks.

However, the reason was still too far-fetched.

"Since the truth has been revealed, I am leaving now. Mr. Gibson, I'm really sorry, I misunderstood Ms. Eugen," Julie said unwillingly.

The flawless plan could have ruined Melissa's reputation, but to her surprise, it ended up in vain!

Adela would scold her.

But now, the most important thing was that she had to get away quickly.

Now that their plan failed, it would be a good idea to get away!

Seeing that Julie was in a hurry to leave, Melissa smiled sarcastically and stepped forward to stop her. "Ms. White, no hurry. The show hasn't finished yet."

Since Julie deliberately drugged her and wanted to harm her, how could Melissa let Julie leave so easily?

Melissa looked down at the watch on her wrist coolly.

Julie's expression stiffened. She suppressed the jealousy in her heart and squeezed out a smile. "Ms. Eugen, I misunderstood you just now. It was my fault. I apologise. I still have important things to deal with, so I have to go."

Julie pushed Melissa away and turned to leave,

Before she walked to the door, she saw Anthony come in with five policemen in uniforms,

Julie was blocked and had to retreat.

She thought, what is going on?

Why did Anthony come over?

Why are there so many policemen?

Julie was so nervous that her palms were covered in a cold sweat.

Previously, Anaya failed to frame Melissa and her scheme was exposed in public. It was Anthony who provided the evidence of Anaya's scheme.

Chapter 279 Trick

Julie thought, did Melissa really find some evidence?

Julie looked at Melissa with a guilty conscience. When she raised her head, she met Melissa's cold and penetrating gaze. She could not help but shiver.

Mr. Gibson, we received a report that someone deliberately drugged people. We came here with experts for a checkup. The policeman said to Murray respectfully.

"OK Murray responded indifferently.

"How are things going. Ms. Eugen? I didn't come late, right?" Anthony asked as he walked to Melissa.

“Thanks Anthony, Melissa smiled and showed her gratitude

She looked at Julie coldly and said, “Ms. White, since you insist that you don’t know the truth, then please cooperate with the police to investigate it. After all, if it has nothing to do with you, it will prove your innocence, right?”

Mrs. Gibson Your Identity Is Exposed by Fair Day

Chapter 280

Chapter 280 You’re Giving Yourself Away

Melissa’s powerful aura blew over, and Julie could not help but take a step back.

Julie thought, I’ve been careful. There can’t be anything wrong.

In Julie’s heart, even if the police came, Melissa did not have other surveillance footage as evidence that she had drugged them, because if there was other evidence, they would have shown people the evidence,

Thinking of this, Julie felt much more at ease.

However, in the next second, Melissa raised her hand and pointed at Julie. She said coldly to the police, “She is the culprit! Please investigate her.”

“You’re slandering me!” Julie glared at her. “When did I drug you? It was the two waitresses who did this. I don’t have the powder with me!”

– “How did you know they used powder? They have never mentioned powder, liquid, or pills, right? Ms. White,

you are giving yourself away.” Melissa’s red lips curled up slightly with a cynical smile.

She was calm, confident, and dazzling.

Melissa was wearing an orange dress, which made her look like the brightest star shining in the night sky.

“L...” Julie was stunned and wanted to say something, but she couldn’t explain it.

She didn’t expect Melissa to find a loophole in her words. She became more and more panicked.

“Ms. White, now we need to frisk you!” The policeman didn’t bother to argue with her and said directly.

A policewoman walked over to frisk Julie, but she didn't find any powder.

Julie breathed a sigh of relief. Fortunately, she had already rushed the powder into the toilet. There was no

evidence!

Even the police couldn't do anything to her.

But the next moment, Melissa's words left her in despair.

"Sir, you can't find anything by doing that. You should check her nails with the detector. There must be a

surprise."

When Julie heard this, she was shocked. She reflexively retracted her hand.

Julie thought, how did Melissa know that I used my hand!

"Ms. White, please cooperate with us!" The police officer's cold voice sounded as he directly grabbed Julie's

hand

After the results of the check came out, the policeman looked at the crowd and said in an indifferent voice, "The drug ingredients in this lady's fingernails are exactly the same as the drug ingredients in Ms Eugen and Mr. Segar's blood."

Chapter 280 You're Giving Yourself Away

Julie thought, I'm done for!

I'm done for

Julie's face instantly turned ashen as she collapsed to the ground

"Ms White, please go to the police station with us." The police came forward and took Julie away.

With a smile, Melissa looked at Julie, who was taken away by the police with a look of despair

As expected to make sure the scheme worked out, Adela told Julie to do it herself

In this case, when Julie sprinkled the powder, her fingertips would touch the powder more or less.

Melissa secretly used a private application on her watch to contact Anthony to ask him to call the police

Julie was finally caught!

Melissa felt relieved. However, she felt very uncomfortable.

The effects of the powder hadn't worn off in her body yet. She had been holding on with her will

However, the strong effects made her dizzy now.

She

had already caught a heavy cold and had to calm down through cold water. As the effects of the drug came back, she felt sick.

"Are you alright?" Anthony quickly supported her, worried.

"I'm fine." Melissa shook her head and took a deep breath to stay sober, but it was futile.

Murray saw that Melissa was leaning against Anthony's arms, and his dark and deep eyes were suddenly covered with coldness.

He stretched out his hand and pulled Melissa out of Anthony's arms. Then he lifted her up.

"I'll take care of my woman myself. You don't need to do this," Murray said coldly.

He quickly left with Melissa in his arms.

Anthony shrugged his shoulders and thought Murray is really a jealous man.

Jaylin looked sullen as Melissa was taken away. He really wanted to chase after her, but he had also been drugged...

"Mr. Segar, I'll take you to the hospital." Jaylin's assistant supported Jaylin and sent him to the hospital,

In Moonlight Mansion.

Murray took Melissa back.

When Melissa was in the car, she felt hot. Melissa seemed sick.

"Melissa, hold on. I'll call Anton over and let him treat you." Murray took out his phone and wanted to call Chapter 280 You're Giving Yourself Away

But Melissa leaned against his chest and murmured, "Don't..."

As she spoke, her head rubbed against Murray's chest a few times

Murray held his breath, and his eyes burned with passion.

"Be good. I'll let Anton handle it. You will be fine soon." Murray took a few deep breaths, suppressed his passion, and pacified her.

He wrapped one arm around Melissa's body. He then took out his phone with his other hand and dialed

Anton's number.

"Murray, what's the matter?" Anton's voice sounded on the phone.

"Come to my house," Murray said concisely.

"Is Ms. Eugen sick again?" Anton teased him.

Every time Murray called him in a hurry, it was because of Melissa.

As expected. Murray said with a nervous tone, "Melissa was accidentally drugged with philter by someone. Hurry up and treat her."

"Um, Murray, I'm not in Aldness today. I'm on a business trip for an academic exchange!" Anton curled his lips.
