

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 291

Chapter 291 Where Does Melissa Go?

Melissa remained calm

She curled her lips and fought with Nolan's people. She wielded steel tubes with both hands as if she held

two sharp swords

Whenever she hit a person with the tubes, she heard their bones break

Melissa hit them precisely and ruthlessly. She didn't show any *mercy*,

If she was soft-hearted, she would be the one lying on the ground

After a while, all of Nolan's people fell to the ground, clutching their arms and knees and wailing. They were crippled.

Melissa put away the tubes and wore a smile. She looked at Nolan indifferently and said, "Mr. Ripley, do you want to make a deal with me?"

Nolan was stunned. What do you mean?"

Melissa replied, "Who is the person behind you? As long as you tell me, I will pay you more.

Nolan snorted coldly. He couldn't help but sigh in his heart. Melissa was indeed powerful.

He had never seen a woman act so swiftly and ruthlessly.

At the thought of Anaya's attractive appearance, Nolan refused coldly, "It's not easy for me to acquire a reputation in the underworld. I will not betray my partner."

Melissa pursed her lips and was slightly disappointed. "Mr. Ripley, you don't intend to cooperate with me, right?"

"Cooperate?"

Nolan took a step back and went out of the alley. He sneered and said, "Ms. Eugen, you underestimate me. These men are no match for you at all. I have a card up my sleeve.

* *You are powerful. I have over three hundred people here. You can try and fight with them.*

As soon as he finished speaking, dozens of people rushed into the alley
The narrow alley was crowded instantly

Melissa sneered, 'Mr. Ripley, you keep saying that you don't want to be a despicable person. However, whatever you do is not upright,

Nolan said, "*You don't have to provoke me. Today, you have no choice but to die here!*"

He seemed *determined* to kill Melissa. He took out a lighter and lit a cigarette. Leaning against the wall, he took a deep breath and spat out a thin smoke. He shouted to others, "You have to kill her before I finish this cigarette. If you fail, you don't have to go back with me."

His people clenched the steel tubes in their hands and rushed at Melissa without saying anything else.

Chapter 291 Where Does Melissa Go?

It was a narrow alley. After these people entered, it became even more narrow. Melissa was soon surrounded,

She furrowed her brows as she watched the crowd approaching her.

Nolan was shameless. Even if she was strong, it would be difficult for her to deal with so many people.

One by one, the men in black attacked Melissa. She had no time to think about anything else and could only fight back.

There were too many enemies. Whenever Melissa knocked down one, there were more people rushing toward her.

As time went by, Melissa was somewhat unable to resist.

Her wrist had been numb. However, she struggled to hold on and held the steel tubes tightly.

She had to make her way out of here.

Melissa raised the steel tubes and directly hit the face of the man toward her. In an instant, the face bone of the man was shattered. He cried out in pain.

She didn't even blink.

Gradually, Melissa fell into a disadvantageous position. She began to get tired, especially when she was surrounded by dozens of people. Her arms and legs were all injured.

It seemed that she would never handle all the enemies...

Murray stayed in Pulchra for two days and did not find the sailor,

He was worried about Melissa and returned to Aldness,

Murray wanted to give Melissa a surprise, so he directly returned to the Gibson Corporation and went to the

Secretary Department to see Melissa,

However, Melissa was not in the office.

"Where is Melissa?" Murray asked the colleague sitting next to Melissa.

"Mi Gibson, Ms Eugen has gotten off work. I heard that she is going to the hospital to visit Mr. Marc, the colleague quickly stood up and replied,

* see,' Murray responded in a flat voice. Then, he drove to the hospital.

He pushed open the door of the ward and did not see Melissa

He only saw Jose standing by Marc's bed and taking care of him

Jose, how is my grandpa? Murray stepped forward and asked with concern

Jose stood up and said respectfully, 'Mi Gibson, you're back? MI Marc is fine Ms Eugen just came to see him Don't worry'

Chapter 291 Where Doen als 607

Murray sighed in relief, "That's good."

"Grandpa, you have to get better as soon as possible," Murray said as he leaned over and held Marc's hand

"Mr. Gibson, don't worry. With Ms. Eugen around, Mr. Marc will wake up soon," Jose patted Murray on the shoulder and comforted him.

"Sure!" Murray nodded.

"By the way, where is Melissa?" Murray asked again.

Jose looked at the time and replied, "Ms. Eugen went back after seeing Mr. Gibson. About an hour has passed."

"Alright, I see," Murray said solemnly.

After visiting Marc, Murray left the hospital.

According to Jose, Melissa had left the hospital for about an hour. She should have already returned to Moonlight Mansion.

Murray accelerated the car and soon arrived at Moonlight Mansion.

However, he did not see Melissa after going home.

"Clara, where is Melissa?" Murray asked Clara who was cleaning up in the kitchen.

"Mr. Gibson, you're back?" Clara looked up.

Murray asked again, "Has Melissa returned home?"

"Ms. Eugen? No," Clara looked around and said.

Murray's expression turned cold. Melissa had clearly told Jose that she had come home. Where was she?

What happened?

Murray called Melissa, but there came a voice, "Sorry, the phone you dialed has been turned off."

Why was her phone turned off?

Did she go to Star Entertainment?

Murray thought for a moment and then called Jaylin.

"Jaylin, have you seen Melissa?" Murray asked as soon as Jaylin answered the phone.

Jaylin, who was on the other end of the line, paused for a moment. "No."

Ever since that night, Jaylin had not seen Melissa,

Why would Murray call her to ask if he had seen Melissa?

"What's wrong with Melissa? Isn't she staying with you?" Jaylin asked anxiously.

Get Bore

“Nothing.” Murray hung up the phone coldly.

He wondered, Melissa is not in the Gibson Corporation and hospital. She is not in Star Entertainment either. I didn't see her at home. Her phone was turned off. What happened to her?

Where does Melissa go?

Murray couldn't help feeling alert.

He had never had such a feeling before.

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 292

Chapter 292 Murray Showed up from Nowhere

As night fell, Murray felt more and more uneasy.

Murray thought Melissa never does things at will. She will not go missing for no reason.

What happened? Is she in danger?

Murray had an inexplicable strong feeling that something had happened to Melissa.

Murray quickly called Alex, “Find out Melissa's whereabouts...”

“Yes, Mr. Gibson,” Alex said.

A few minutes later, Alex called Murray back, “Mr. Gibson, we watched the surveillance video and found there

was something abnormal with Ms. Eugen's car.”

Murray frowned and asked, “Something abnormal?”

“Yes, Ms. Eugen ran several red lights in a row,” Alex answered truthfully.

From the surveillance video, Melissa's car was travelling in a very abnormal way. It ran several red lights and headed all the way to the outskirts.

The area the car headed to was without monitoring, so it was unknown where Melissa's car was finally

heading.

"Gather all the bodyguards of the Gibson family as soon as possible. Be sure to find Melissa!" Murray's handsome face darkened as he ordered in a deep voice.

In the face of the men in black who were constantly attacking her, Melissa tried her best to persist.

Melissa had a cold and wasn't feeling well these days. As a result, when she was faced with a sea of people sent by Nolan, she could not hold on.

Melissa thought, no, I can't clash with them like this again.

Thave to find a way to get away as soon as possible.

Melissa frowned and thought for a few seconds before coming up with a plan.

Melissa found that as long as she could find a way to capture Nolan as a hostage, she could win without fighting

However, Melissa was surrounded by so many people that she couldn't get close to Nolan.

Melissa thought she had to think of a way to lure Nolan over.

Thinking of this, Melissa pretended to be fainting. The steel pipe in her hand slipped to the ground, and her whole body swayed as she leaned against the wall, slowly falling down.

"Mr. Ripley, this woman can't take it anymore!" Nolan's men shouted in excitement.

Chapter 292 Murray Showed up from Nowhere

Nolan threw the cigarette butt in his hand on the ground and stepped on it. Then he looked at Melissa, who

was pale.

Nolan thought, this woman is really awesome.

If this woman had not offended Anaya, I might have admired her very much.

Nolan was about to go up to check if Melissa was dead when he suddenly saw a strong car light sweep over from not far away

Nolan looked up and saw more than a dozen black cars driving over, filling up the intersection.

Then a group of bodyguards in black got out of the cars. The number of bodyguards was several times more than that of Nolan's men.

"Who is that?" Nolan became solemn and had no time to care about Melissa at the moment.

— Melissa, who was lying on the ground pretending to faint, opened her eyes and looked in the direction of the

light

With a huge lineup, the bodyguards in black were well-trained and stood in two rows.

A man with a tall and slender figure walked out from the crowd with steady steps. The man was emitting a powerful and terrifying aura, making people scared.

Murray?

Melissa looked at the man who was walking toward her step by step in disbelief. Shock, joy, happiness, excitement... All kinds of emotions ran through her mind.

Melissa thought, hasn't Murray gone to Pulchra for a business trip?

Why is he here?

Murray is here to save me!

Melissa leaned against the wall and struggled to stand up. Then she rubbed her eyes.

It really is Murray!

The bright moonlight shone on Murray, giving him a layer of gold.

Murray was like a god descending from the sky, walking step by step toward Melissa.

Murray said in a low voice as he lifted Melissa into his strong arms, "Don't be afraid, Melissa. I'm here."

Once again, Melissa fell into Murray's embrace. Hearing that familiar voice of Murray, Melissa could not help but feel dazed.

Just when Melissa thought she was about to die, Murray appeared again in time and saved her regardless of anything.

"Murray, why are you here? Am I dreaming?" Melissa asked in a weak voice as she leaned on Murray's chest

Seeing the pale face of the woman in his arms, the bruises all over her body, and the wounds bleeding, Murray felt as if he was grabbed by the neck and could not breathe.

Murray kissed Melissa on her forehead and comforted her, "How could it be a dream? I'll take you to the hospital right away."

"Mr. Gibson." Nolan was stunned to see Murray carry Melissa in his arms.

Nolan had never expected that what he had done tonight would actually bring Murray here.

Although there were rumours before that Murray and Melissa had an extraordinary relationship, it was a fact that Melissa and Murray had already annulled the engagement between them.

What was more, Anaya told Nolan that Murray didn't like Melissa at all, and it was Melissa who shamelessly pestered Murray.

Anaya also told Nolan as Melissa seduced Jaylin, she also pestered Murray, and Melissa was a promiscuous fence-sitter.

Anaya also said Murray hated Melissa a lot.

But what Nolan saw seemed different.

Nolan thought Murray looks so concerned about Melissa. How could he not like her?

What kind of person is Murray? He is a high and mighty king, a god-like figure!

And I know what will happen if anyone offends Nolan.

Nolan was filled with regret. He had really been fooled by Anaya.

Murray's cold eyes were like a sharp knife, coming straight to Nolan. "How dare you bully my woman?" Murray

asked.

Being stared at by Murray like that, Nolan, who had always been fearless, suddenly felt his legs go soft.

"Mr. Gibson, I didn't know Ms. Eugen was your woman." Nolan stood in front of Murray and said with

trepidation.

Murray was as ruthless as a devil, and he kicked Nolan hard in his knees.

"If anything happens to Melissa, your whole family is doomed!" Murray said, gnashing his teeth.

"Mr. Gibson, there was some misunderstanding..." Nolan's legs went weak, and he couldn't help but kneel down.

Murray ignored Nolan and carried Melissa to the car.

Murray then turned his head to look at Alex expressionlessly and commanded him coldly. "I'll leave the rest to

you."

"Yes, Mr. Gibson!" Alex turned solemn. Alex immediately ordered the bodyguards to arrest Nolan and his men and sent them to the police station

Chapter 292 Murray Showed up from Nowhere

How dare these people plot against Ms Eugen? Are they really tired of living? Alex thought

Murray carefully carried Melissa into the car and instructed the driver in a deep voice, 'Go to the hospital!'

"Murray, thank you 'Melissa lay in Murray's arms, and she was in great pain and felt uncomfortable

Before Melissa could finish her words, she fainted

Vaguely, Melissa heard Murray call her in a nervous and concerned voice, 'Wake up, Melissa! Are you alright?'

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 293

Chapter 293 Don't Challenge My Bottom-Line

Melissa had a long dream

In Melissa's dream, she was being chased by many people, and she was running desperately.

However, ahead of her was the cliff, and behind was the pursuers.

Melissa had no escape.

"Murray, help me..." Melissa subconsciously wanted to shout, but her throat was so dry that she could not say

a word.

Melissa was pushed down the cliff, deep into the abyss, and she kept falling down...

"Ah..." Melissa cried.

Melissa was shocked and gradually came to her senses.

Melissa thought, what's wrong with me?

Was it a nightmare?

No, everything felt so real. It happened. It can't be a dream!

Melissa tried to move her fingers, but she felt she had extremely sore muscles and felt very tired.

Melissa remembered that Nolan had the brake of her car broken, and after she managed to get out of the car,

she was besieged by Nolan and his men again,

Melissa knocked down the men one after another, but there seemed to be countless enemies coming.

Later, Melissa felt that she could not hold on any longer.

At this critical moment, Murray saved her.

Murray's handsome face appeared in front of Melissa, which made her feel warm.

Melissa wondered, where is Murray now?

Melissa tried to open her eyes.

But before Melissa could open her eyes, she heard a noise.

"Murray, Melissa can't be a good person. She even got into trouble with the people from the mob. You can save her this time. But who knows when she will get into conflicts with an even more influential person? It won't be easy to deal with then!" Claire said.

Then Sarah's voice came, "That's true, Murray. If something terrible happens to you, what should I do? And your grandfather is still in a coma. How can I explain it to him if he suddenly wakes up?"

"That's right, Murray. Melissa is a bitch. Now, she is in trouble with the mob. She is not worthy of you. Murray, you can't be deluded by her!" Claire added.

Chapter 293 Don't Challenge My Bottom Line

Melissa thought, Claire is as mean as before, and Sarah is adding the trimmings again.

Melissa sneered in her heart and thought Claire and Sarah would really *never forget* to smear her.

Melissa opened her eyes and turned her head around. Then she saw Murray standing at the door with his back to her. The door was completely blocked by his tall and slender figure.

Murray blocked out Sarah and Claire, who came to find trouble.

Murray's deep eyes were full of coldness, and he said in an impatient tone, "As I said before, don't interfere in the matters between me and Melissa. Don't challenge my bottom line again!"

Murray was only worried about how Melissa was doing now.

Two days ago, when Murray took Melissa to the hospital, the doctor told him that Melissa had suffered a very serious injury and her body was covered with shocking bruises.

Murray felt grieved and he blamed himself.

Murray thought if he hadn't suddenly gone to Pulchra, perhaps Melissa would not have suffered this

Murray would definitely not let Nolan off, as well as the person who instigated Nolan.

"Murray!" Seeing that Murray was still trying to protect Melissa, Claire got furious and thought how stubborn Murray was.

Claire thought, what's so good about the slut Melissa?

Why does Murray like her so much?

Claire was burning with jealousy. She had been in love with Murray for so many years

From the first time Claire went to the Gibson's house and saw Murray, she could not help but fall in love with

However, due to their status as cousins, Claire could only hide her feelings deep in her heart

Murray, on the other hand, had always only treated Claire as a younger sister and he was indifferent to her

But *Murray* treated all the women like that

As a result. Claire once thought that she still had a chance

Claire thought at the very least, she could see Murray often, and she could occasionally act coquettishly with

However, everything had changed since Meliofa came to the Gibson family

in Murraysbyen, there was only Melissa

Claire was unwilling to b

the fact

"Alright, you guys can go back now!" Murray said as he glanced coldly at Claire and Sarah. He was worried

about Melissa and did not want to talk to them anymore

Chapter 293 Dont Change My Bottom

"Murray, one day, you will regret it!" Claire said through gritted teeth.

"Claire, let's go!" Sarah stopped Claire, who was furious, and turned to leave.

"Sarah, what are you stopping me for?" Claire complained after she and Sarah entered the elevator.

"Can't you see no matter what we say right now, Murray won't listen," Sarah said and frowned.

"Sarah, you mean..." Claire froze.

"We should let Murray know what Melissa is really like first," Sarah said.

"You are right, Sarah!" Claire nodded.

Claire suddenly remembered the words that Jim had said before.

Claire thought, it seems to be the time to talk to Jim.

Seeing that Sarah and Claire had finally left, Murray turned around and returned to the ward.

As soon as Murray turned around, he found that Melissa had already woken up.

There was finally some mood swing in Murray, who had always been cold.

Murray quickly walked to the side of the bed and sat down.

Then he said to Melissa with concern, "Melissa, you finally wake up. How are you feeling? Did Sarah and Claire wake you up just now?"

Melissa shook her head and said, "Water..."

Her throat was extremely dry.

"Wait a minute." Hearing what Melissa said, Murray quickly turned around and poured her a glass of warm

water.

Murray carefully helped Melissa up and let her head rest on his shoulder. After making sure the water was not too hot, he gently and carefully fed it to Melissa.

After drinking a glass of water, Melissa felt much better.

However, what followed was a great pain from the wound all over her body.

Seeing Melissa *frown* in pain, Murray held her little hand, and his eyes were full of distress, “Melissa, it’s all *right*. The doctor said that it was some skin trauma, and you would recover after a few days of rest

Melissa nodded

AS Luca’s disciple, Melissa had excellent medical skills and naturally knew that her injuries were not serious

“How long have I been unconscious?” Melissa leaned against Murray’s chest and asked indifferently

‘Two days,’ Murray replied in a deep voice

Melissa thought, so long?

Get Bonus

Melissa frowned.

“How is Mr. Marc?” Melissa was worried that Marc’s condition would worsen during the few days she was in a coma.

“Dr. White is taking care of Grandpa. Don’t worry. If anything happens, I will go to Dr. Hanson.” What Murray said made Melissa at ease.

“OK,’ Melissa replied.

Melissa rubbed her arm, thinking, that explains why I have pain all over. After lying here for a full three days,

even normal people would also feel pain.

Seeing Melissa like this, a sinister glint flashed across Murray’s cold eyes, and then he said, “Melissa, don’t *worry*. I won’t let Nolan off!”

Melissa nodded, “Have you found out who is the mastermind behind Nolan?”

Murray *narrowed* his eyes slightly and whispered in Melissa’s ear, “It is under investigation, and there should

be a result soon.”

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 294

Chapter 294 Awkward Scene

“OK” Melissa rubbed her eyebrows.

Melissa did not know who was trying to kill her.

Just then, Alex knocked on the door and said, “May I come in, Mr. Gibson?”

“Come in!” Murray said in a clear and cold voice,

Alex pushed open the door and entered. He walked to Murray and said respectfully, “Mr. Gibson, we’ve found something.”

“Is it about the person who instigated Nolan behind the scenes?” Melissa couldn’t wait and asked.

“Yes, Ms. Eugen.” Alex nodded.

“Who is behind Nolan?” Melissa asked anxiously.

Melissa couldn’t wait to know who hated her so much to have paid Nolan to kill her.

“It’s Anaya,” Alex said in a deep voice.

Anaya?

Melissa was startled.

She thought, it really is Anaya!

Melissa had thought it might be Anaya, because, after all, Anaya hated her so much, and had tried to harm

her many times before.

However, when Dylan took Anaya away, he repeatedly promised that he would keep an eye on Anaya and would not allow her to act recklessly again.

Moreover, Melissa did not think that Nolan would help Anaya.

As if seeing the doubt in Melissa’s mind, Alex handed her a stack of photos.

Melissa took the photos and looked down at them.

Those were photos of Anaya and Nolan staying together intimately.

Alex explained, "Nolan used to be Anaya's pursuer. Nolan is now doing great in the mob. However, he still

can't forget Anaya. So the two of them have reached an agreement."

"I see." Melissa narrowed her eyes and was enlightened.

Anaya is really out of her mind! Melissa thought

"Have you found Anaya?" Murray asked in a deep voice with a dark face,

"Not yet," Alex said as he shook his head,

Then why are you still here? Hurry up and go look for Anaya!" Murray said coldly

"Yes Mr Gibson!" Alex responded and turned to leave

Alex grumbled in his heart, thinking that Murray had once again despised him as a third wheel

Melissa felt a little uncomfortable on her arm and changed her posture. Then she reached out and rubbed it

"I'll do it for you." Murray noticed that it was very difficult for Melissa to massage her arm, so he quickly took

her fair and slender arm, and gently massaged it inch by inch,

Murray looked so cautious that it seemed as if Melissa was his most precious treasure,

Melissa burst into a smile helplessly and said, "You don't have to be so careful. I'm not a vase"

"But I feel grieved to see you like this," Murray blurted out without thinking

Melissa was suddenly stunned and subconsciously pursed her red lips

Meanwhile, Murray happened to raise his head and saw the shyness on Melissa's face.

When the eyes of Melissa and Murray met, everything seemed to freeze at that moment,

"L.. " Melissa was a little embarrassed and wanted to change the topic.

Unexpectedly, before Melissa could finish her words, Murray raised his large palm, clasped the back of her head, and lightly kissed Melissa on her red lips.

Murray skillfully pried open Melissa's teeth and kissed her.

Murray was not as impetuous and overbearing as before. Instead, he was afraid that Melissa would get hurt, so he only kissed her extremely gently,

Murray held the back of Melissa's head with one hand and gently held her back with the other, keeping Melissa in the most comfortable position,

Melissa was lost in Murray's gentleness,

Just then, Anthony's voice came over abruptly, "Ms. Eugen, you finally woke up. I was worried about you that I wouldn't be able to eat well and sleep well these two days!"

Anthony had found something about Ryleigh and wanted to tell Melissa, but he couldn't get in touch with her. Anthony was worried that something would happen to Melissa. So he asked someone and found out that she got hurt and was now in hospital,

Once Anthony knew that Melissa had woken up from the doctor, he immediately rushed over

However, as soon as Anthony pushed open the door, he saw Melissa and Murray hugging and kissing. The

atmosphere in the *ward* was sexy

Everyone was instantly *awkward*

"Ah..." Chapter 294 Awkward Scene

Anthony froze and coughed, "I'm sorry, I went the *wrong way*. Sorry to disturb you!"

Anthony thought, how could I be so excited and worried that I forgot to knock on the door?

Turning around, Anthony was ready to slip away.

Melissa blushed, and she quickly pushed Murray away. Seeing that Murray was wearing a look of wanting more, Melissa quickly moved her gaze away.

Melissa's gaze fell on Anthony, who was standing at the door with his back to her and Murray, and then Melissa said in a deep voice, "Come in, please!"

Melissa was so embarrassed.

Anthony then turned around and greeted Murray, "What a coincidence, Mr. Gibson. I have something to discuss with Ms. Eugen."

Looking at Melissa, Anthony promised with a serious expression, "Don't worry. I will remember to knock next time!"

What Anthony said made Melissa even more embarrassed.

Melissa moved to the side, keeping a safe distance from Murray.

Murray could see that although Melissa looked calm, her ears were extremely red.

Murray chuckled. Then he grinned slightly as he sat at the side with his arms crossed, not saying a word. However, Murray was still staring at Melissa with deep eyes.

"How about having some soup?" Anthony ignored what had just happened and said, "I specially asked someone to cook it for you. I'm sure that you will be full of energy after drinking the soup."

"Thank you." Melissa held the soup and took a sip. The hot soup immediately warmed the empty stomach.

Seeing that Melissa looked a little better, Anthony sat down on the chair on the other side and looked at Melissa. It seemed that Anthony wanted to say something.

Melissa understood that Anthony had something to say.

Anthony and Melissa looked at Murray with obvious intentions, hoping that he could leave them alone for a

moment.

However, Murray had no intention of leaving.

Murray didn't want Melissa to be alone with any other man at all.

Melissa could only clear her throat and said to Murray, "Murray, could you give us a moment?"

Murray said indifferently, "What's the matter? Can't you let me know?"

Melissa pouted, "Please!"

Seeing Melissa like this, *Murray* felt helpless. He loosened his crossed legs and left the ward with his hands

in his pockets, "I'll be waiting outside. Let me know if you need any help."

Now there were only Anthony and Melissa in the ward.

"Ada, are you alright?" asked Anthony with concern.

Melissa replied with a smile, "Yes, I'm fine."

Anthony nodded and said, "I'm glad you're fine. I was so worried when I found out that something had happened to you."

"Why are you looking for me?" Melissa asked.

Anthony took out his phone and showed something to Melissa as he said, "I've found something about Ryleigh."

"Yes?" What Anthony said aroused Melissa's interest, "What is it?"

"Take a look at this photo," Anthony said as he showed a photo on his phone to Melissa

Melissa lowered her eyes and stared at the photo on the screen.

In the photo, there was a girl at about fifteen and a young man in his twenties.

The girl had a ponytail and wore a white dress. Melissa could recognize that the girl was Ryleigh.

As for that man, only his side face could be seen in the photo, but Melissa felt a little familiar with the man.

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 295

Chapter 295 Anaya Disappears

This man is 'Melissa frowned and had a vague guess in her heart

Anthony reached over, pointed at the screen, and said nonchalantly. "It is Sebastian And the photo was taken

in Australia"

"It really is Sebastian " Melissa narrowed her eyes,

Melissa's previous guess was proved right.

In other words, Ryleigh and Sebastian had known each other for a long time.

When Sebastian and Ryleigh planned to frame Melissa and said that Melissa had leaked the base price to

the BPL Group, that was not the first time they had met.

"Have you found out the relationship between Ryleigh and Sebastian?" Melissa asked.

"Not yet." Anthony shook his head.

Melissa curled the corners of her lips and said, "Please continue to investigate for me."

"No problem, Ada!" Anthony agreed.

Anthony suddenly remembered something and said, "By the way, it's Anaya who ordered Nolan to hurt you this time."

"I already knew that. Murray just told me about it." Melissa nodded and said, "I didn't expect Anaya to hate me

so much that she even wanted to kill me."

If Melissa had known that Anaya would be so crazy, she should not have allowed Dylan to take Anaya away

at that time.

"You can't blame Dylan for that. Anaya snuck out of the Knowles family," Anthony seemed to see what Melissa was thinking and explained.

Melissa pursed her lips, "Have you found out where Anaya is now?"

Anthony replied, "Ada, after your accident, I went to check the whereabouts of Anaya during the two days

when you were in a coma. But strangely, Anaya disappeared."

Melissa frowned, "Disappeared? Can anyone disappear from the world?"

Just as Melissa finished her words, Anthony shrugged and said, "Indeed, I can't find Anaya anywhere."

Melissa did not know what to say

After keeping silent for a while, Melissa finally said, "Haven't Anaya returned to the Knowles' place?"

"No." Anthony pulled the corners of his mouth and said with a thoughtful look, "That's what makes me wonder. The Knowles family has sent a lot of people to look for Anaya. Mr Gibson is also looking for her. So am I. But there isn't any clue."

"Anaya must be hiding out of guilt," Melissa said as she flipped through the files and photos in her hands

Then Melissa realised that it was not as simple as she had expected. After Anaya was caught by the video three days ago, all the surveillance videos in the entire city, including some blind spots, showed no clues of her anymore

After something happened to Nolan, Anaya was no longer seen.

Anthony told Melissa, "Anaya did not leave our city. There was no record of her leaving here at all. She was last seen in a nightclub which was under Nolan's name. And it seemed as if Anaya had never come out.

"The Knowles family has already been to that nightclub, but they have not found Anaya."

"Stop looking for Anaya," Melissa said.

Melissa was clear that Anaya was out of her mind, and she was now hiding, not even daring to return to the Knowles' place, to wait for a chance to counterattack Melissa.

After all, if Anaya were to be captured by the Knowles family, they would definitely watch her closely and not

let her escape.

"When Anaya feels the time is right, she will naturally show up," Melissa said as she put the files aside and

lay down.

Melissa was still recovering, and she was already somewhat tired.

"Then you should take good care of yourself. I will continue with the investigation," Anthony said.

Anthony sighed and stood up to leave, but he suddenly seemed to think of something. Then Anthony suddenly turned around and gave Melissa a meaningful look.

Melissa immediately got what Anthony meant.

Melissa knew Anthony referred to the things between her and Murray.

Melissa turned over and pretended not to see anything.

Then Melissa heard the door open and close. Melissa could feel a huge shadow beside her even though her

eyes were closed.

Melissa did not open her eyes. Instead, she said indifferently, "Can you go out? I want to rest."

"Are you hungry?" Murray asked in a clear and gentle voice, which was always extremely pleasant to hear,

The soup just now shouldn't be enough, right?"

Melissa wanted to shake her head, but her stomach growled at that time,

Melissa could no longer pretend she was asleep with her eyes closed. She opened her clear eyes and sat up from the bed. Then Melissa said with her lips curved, "I want to eat tart."

"I'll go and buy it for you," Murray looked down at Melissa and said in a deep voice,

Melissa nodded

Chapter 295 Anaya Disappears

"Wait for me here, okay?" Murray leaned over and kissed Melissa on the forehead

Melissa went speechless

Melissa thought, again?

Could this man stop flirting with me whenever he wanted?

"Got it. You can go now!" Melissa glared at Murray.

Once Murray left, Melissa heaved a long sigh of relief.

For some reason, Melissa always felt an inexplicable sense of embarrassment on Murray's face after she woke up.

Perhaps it was because that day Murray came from nowhere and saved Melissa, and since then Melissa

could not suppress her love for him.

Melissa did not want to admit that she was becoming more and more dependent on Murray.

Melissa was in a daze and did not notice that there was another person in the ward.

Melissa didn't notice someone was in her ward until the man came in front of her and stopped.

"How could you be back so soon, Murray?" Melissa was a little surprised, thinking that Murray had returned after just a few minutes,

However, when Melissa looked up, she found that the person standing in front of her was Jaylin.

Although Jaylin was wearing sunglasses and a mask, Melissa recognized him at a glance.

"Melissa, are you alright?" Jaylin asked with concern.

"I'm fine." Melissa smiled.

"Sorry, Melissa, it's all my fault..." Jaylin said in a tone full of guilt.

Jaylin thought, after all, Anaya became so crazy because of me.

If not for *me*, Anaya would not have attacked Melissa so many times.

"This has nothing to do with you. By the way, you have to be careful," Melissa said in a deep voice

No one *knew* what kind of *crazy* things Anaya would do. If she knew that Jaylin was still so concerned about Melissa, she might go *crazy* and even hurt Jaylin, which would result in unimaginable consequences

When Jaylin heard Melissa's words, he was touched, and then said, "Melissa, thank you for caring about

Before Jaylin could finish his words, the door of the ward opened with a creak

Murray was back

The moment Murray saw Jaylin, Murray, who had been happy, suddenly became solemn

Murray thought, I've just been away for less than ten minutes, and Jaylin showed up!

Murray placed the tarts on the small table in front of Melissa with his brows frowned and his dark eyes full of

coldness.

"Jaylin, I hope you will stay away from my fiancée in the future. If it wasn't for you, Melissa would not have been seriously injured and hospitalised," Murray said.

Although what happened between Melissa and Nolan had been suppressed by Murray so that it was not spread to the Internet, people in the industry were more or less clear about it.

Jaylin should be very clear that it was Anaya to blame.

Because Anaya was jealous of Melissa, she tried to harm Melissa again and again.

Jaylin was stunned for a moment. He opened his mouth to say something but was interrupted by Melissa, "Jaylin, you go back first. You should be careful and protect yourself recently."

Chapter 296 You Are Heartless

"Alright." Jaylin looked at her significantly, his eyes full of sadness. Then he turned to leave.

Just now, Murray called Melissa his fiancée, and Melissa did not deny it.

Did Melissa admit it?

Jaylin was very sad now.

However, Jaylin was in no position to ask them.

After all, Melissa was injured so badly this time. Jaylin had to take great responsibility.

Anaya was crazy!

Jaylin was full of guilt. He did not handle his relationship with Anaya well. Now Melissa got injured because of him.

As soon as Jaylin left, Melissa immediately glared at Murray. There was anger in her eyes. "I don't know when I restored the engagement with you. Why did you call me your fiancée?"

Murray squinted his cold eyes which flickered with disappointment. His thin lips moved. "You are heartless."

Melissa was confused by his question.

"It seems that you have forgotten it." Murray looked disappointed. He put his hands in his pockets and bent down to approach Melissa.

Looking at the handsome face that grew larger in front of her, Melissa leaned back. "What did I forget?"

"I saved you and sent you to the hospital. You had a high fever while you were unconscious. You hugged me tightly and didn't let go. You said you would marry me," Murray said as he approached her.

Melissa's eyes narrowed. Clearly, she did not believe that she would say such words when she was

unconscious.

"That's impossible," she denied, pursing her lips.

"That's why I said that you were heartless." Murray looked at her with a burning gaze. "Whatever, this is not the first time you are like this. I'm already used to it. You will know one day how much you love me."

Why was he so certain?

Melissa pursed her lips. This man was really confident.

Although she did love him, she suddenly didn't want to admit it seeing how confident he was,

Melissa leaned back, keeping her distance from him. "That might not be the case. If you are overconfident, *you* might easily get embarrassed."

As she spoke, *Melissa* grabbed the tart on the side. The soft and sweet taste made her feel happy immediately

Just then, Melissa's phone rang

Melissa picked up the phone and looked at it.

It was a text from Nina. "Melissa, I told you last time about the design competition in Laville. What do *you* think about it?"

Melissa frowned slightly. So many things have happened in the past few days. She didn't have time to think about it

Melissa thought for a second and replied, "I've been a little busy recently and haven't thought about it yet."

Nina replied soon, "How about I go to Aldness to see you in a few days, and we can discuss it together."

Melissa replied, "OK" Then he looked up at Murray. "When did the doctor say that I could be discharged?"

"It's not decided yet. You haven't recovered. Don't worry. I will investigate it and let Anaya pay," Murray comforted her gently.

At the mention of Anaya, Murray's dark eyes instantly became cold.

Anaya almost separated Melissa from him forever.

If it weren't for the fact that he was concerned about Melissa and planned to return early to give her a surprise, he wouldn't have been able to save her in time.

At the thought of the situation at that time, Murray still had lingering fears.

Anaya was such a crazy woman. He would not let her get away with what she did!

"Hopefully, I can leave the hospital early." Melissa did not like the environment of the hospital. Moreover, she had many things to do and did not want to stay here anymore.

"Can I leave the hospital tomorrow?" she asked as she ate the tart.

“No.” Murray was softened seeing how she enjoyed the tart. “What else do you want to eat other than the tart? I’ll ask Clara to make it for you.”

Murray walked to the sofa on the other side of the ward and sat down. At this time, Melissa noticed there

were many documents on the table and that the laptop was turned on.

During the two days when she was unconscious, he brought business here to stay close to her.

“I’m fine now. You can go back. You don’t have to stay here. I can take care of myself.” Melissa was touched

by him.

Murray stopped flipping through the documents. The moment he raised his eyes, he frowned and asked in a cold voice, “You don’t want to see me, do you?”

“Yes. I just think that you might have something important to do,” Melissa explained.

She did not ask Murray to leave again. She just lay down and rested in silence. She fell asleep with the sound of him flipping through the paper.

When Melissa woke up again with hunger, she smelled food.

As soon as Melissa opened her eyes, she saw that on the small table in front of her, there was broth, steak, mashed potatoes, Brussel sprouts, and spaghetti.

They were all her favourites!

“Are you awake? I’ll feed you.” Murray’s sexy voice sounded beside her ear.

Melissa didn’t want to talk to him.

Murray was used to being ignored by her. He held the bowl of broth to Melissa and scooped a spoonful of broth.

He lowered his head, blew on it, and then brought it to her mouth. “Come on, try it.”

– Hearing his voice, Melissa opened her mouth somehow.

Seeing that Melissa was so obedient, Murray smiled with satisfaction.

Melissa drank a few mouthfuls of broth. Murray put down the bowl and picked up the fork.

Did he want to feed her spaghetti?

There was a gentleness in his eyes. Melissa looked at him and said, "I'll do it myself!"

"You're injured. I'll feed you," Murray said as he sent spaghetti to Melissa's mouth with the fork.

"I'll do it myself. I'm injured, not disabled." Melissa snatched the fork from his hand and ate silently.

Murray's handsome face darkened a little bit.

Melissa was so rude.

After wolfing down the last mouthful of food, Melissa let out a long sigh of satisfaction. She put down the fork and then looked at Murray. "Alright, I'm full. Take these things away. I'm going to sleep."

Melissa stretched her body lazily and became sleepy.

She was still recovering now, so she needed a lot of rest.

"Wait" Just as Melissa was about to lie down, Murray raised his hand and grabbed her slender waist Suddenly they were really close.

"What do you want to do?" Melissa was stunned. She raised her head and looked at Murray warily, trying to

keep her distance from him.

"You." Murray raised his hand to move closer to her with a faint smile.

This movement made Melissa think that he was going to kiss her. So she quickly pushed him away and said

coldly, Murray, stop it"

Chapter 297 Other Secret Identities

Murray's eyes grew deeper with her reaction. His thin lips curved slightly. "You misunderstood me."

"I just want to wipe the stain off the corner of your mouth," Murray said calmly

What?

Melissa was stunned. She raised her hand to rub the corner of her mouth. There was indeed something there

So... she misunderstood him.

Melissa immediately blushed.

"I'm going to sleep." She cleared her throat and changed the topic,

After saying that, Melissa quickly lay down, turned her back to Murray, and covered her head with the quilt.

Just as she was about to fall asleep, two strong arms were suddenly wrapped around her waist. She was

hugged tightly from behind.

She was pulled into Murray's arms, which were broad and warm.

"What are you doing?" Melissa's body stiffened and she raised her hand to struggle.

"Don't move. I'm sleepy too. Can I use your bed to sleep for a while? I've been taking care of you and haven't slept for two days and two nights." Murray's hoarse and tired voice came from behind.

After hearing it, Melissa subconsciously turned over.

They looked at each other. They were so close that they could feel each other's breath. At this moment, the

air was charged.

Melissa looked at the handsome face in front of her. There were indeed dark circles under his eyes. She had

not noticed it before.

Indeed, during these two days when she was unconscious, it was Murray who took care of her day and night.

Since he had asked to use the bed, Melissa would have been heartless if she had kicked him off the bed.

Melissa thought about it and said in a low voice, "Yes, but you are not allowed to move!"

"Alright. Murray agreed.

His voice became weaker and his breathing became even

Did he fall asleep so quickly?

Melissa was surprised She was originally a little sleepy, but at this moment, lying in his arms and leaning against his *warm* chest, she was not sleepy at all

Melissa carefully looked at Murray's handsome face when he was awake, his face was always cold He

always looked unapproachable and distant with his cold eyes

Now that he was sound asleep, he looked peaceful and a little tired, but he was still very handsome

For some reason, Melissa raised her hand and stroked a few strands of hair on his forehead. Her gaze *slowly* shifted to his thin lips.

The thought of how they once kissed made her blush.

Melissa's throat became tight and she quickly closed her eyes,

If she continued to look at him, she couldn't help doing something to him.

She needed to stop!

Melissa took a few deep breaths to calm down. She quickly closed her eyes to sleep.

In the next few days, Melissa was recovering in the hospital.

Murray was even more considerate than the nurses. He stayed by her side and took care of her day and night.

He also took all the work in the company to the hospital to handle.

But during this period, there was no news of Anaya.

Even Anthony was unable to find out where Anaya was.

They all wondered where this crazy woman was.

Seeing that Melissa was frowning, Murray sat down beside her and turned around to look at her. "What are you thinking about?"

"Oh, nothing. Haven't you found Anaya?" Melissa asked.

"Not yet," Murray said coldly.

"Don't worry, I'll protect you. I won't let you get hurt again!" Murray stroked her hair and whispered to her ears.

His voice was low and pleasant, just like the sound of a cello. And he took a firm tone. It made Melissa feel

very touched and secure.

She looked up and met Murray's deep gaze. "Thank you, Murray."

"It's my duty to protect the woman I love," Murray's eyes shone as he spoke seriously.

The woman he loved...

Melissa blushed and changed the topic. "Can I leave the hospital soon?"

Murray had taken good care of Melissa over the past few days and she had recovered.

She couldn't wait to leave the hospital,

In fact, she felt that she was already fine. But Murray was worried and insisted that she stay in the hospital.

Murray looked at her and chuckled "The doctor said that you can leave tomorrow."

Chapter 297 Other Secret Identities

"Great!" Melissa said excitedly.

She could finally leave here!

The next day, it was a little cloudy.

Melissa sat on the side of the bed and watched Murray pack up her things. As she ate an apple, she said excitedly. "Finally I can leave here. It's great! Thank you for taking care of me."

Murray stopped what he was doing and turned around. His deep eyes fell on Melissa, and he asked in a low

voice, "How are you going to thank me?"

"How do you want me to thank you?" Melissa asked.

Murray packed the suitcase and stood up swiftly. His cold eyes narrowed slightly. He said playfully, "I don't mind it if you want to thank me with your body."

Melissa was speechless.

She didn't know what to say.

"Forget it, I owe you one." Melissa stood up and followed Murray.

Just as they reached the hospital, Melissa's phone rang.

She took out her phone and looked at it. It was a call from Nina.

"Nina, how's it going?" Melissa answered the phone.

"Not bad. I just booked a plane ticket. I'll be in Aldness tomorrow." Nina's voice came from the other side of

the line

"When will you arrive? I'll pick you up tomorrow." Melissa nodded.

"Eight o'clock at night," Nina answered.

Melissa smiled. "See you tomorrow!"

After hanging up the phone, Murray glanced at her and asked, "Nina will come over tomorrow, right?"

"Yes." Melissa nodded.

Murray got into the car with Melissa. He reached out to help Melissa fasten her seat belt and asked, "Is it about your studio?"

"It's not something big

She will discuss with me the design competition in Paris next month, Melissa

answered

"Are you going to Paris for the competition next month?" Murray asked with a smile

"Or what? Melissa leaned back against the seat and asked

Melissa was confident that they would definitely win a prize as long as she joined the competition!

"Paris is so far away. Won't you miss me?" Murray asked unhappily.

Melissa didn't want to talk to him.

When would he stop being overconfident?

"Why should I miss you?" Melissa asked coldly.

Murray narrowed his eyes slightly and glanced sideways at her. Suddenly, he changed the topic and asked, "Melissa, what other secret identities do you have? Is there anything about you that I don't know yet?"

Melissa was stunned a little bit, and then she smiled. "You can guess."

"I'll wait for you to tell me." Murray raised his eyebrows and looked at Melissa with a faint smile.

Melissa pursed her lips. "You may wait for a long time."

Murray chuckled. Melissa just admitted that she had other secret identities that he did not know about.

Well, this woman always surprised him

He was looking forward to it.

Chapter 298 I Won't Be Lenient This Time!

Murray drove back to Moonlight Mansion with Melissa

"Mr. Gibson, Ms. Eugen, welcome home." Clara beamed happily at the sight of the *lovers*,

Because of her injury, Melissa stayed in the hospital for *a few days*. Clara had seen in the past *few days* how much Murray cared about Melissa

When Melissa was in a coma, Murray had no appetite for food at all, even if Clara made his favourite dishes.

Good thing that Ms. Eugen is fine, and that she came home with Mr. Gibson. Clara thought

Melissa went into her room to pack up her stuff, but Murray hugged her. "You just recovered from the injury

Take a rest."

"However..."

Before Melissa finished speaking, Murray had lifted her up.

"Have a good rest. Don't move," Murray said as he carefully placed Melissa on the bed.

"Alright..." Melissa was speechless.

Melissa had planned to prepare for the coming design competition in Laville.

Now. I have to work after Murray leaves,

Melissa took out her phone and read the news habitually.

A piece of news popped up on her phone screen,

"The police have arrested some gangsters, and a lot of illegal businesses such as casinos have shut down."

There *was* a picture of Nolan attached to the news.

"Is it you who made this happen?" Melissa looked up at Murray.

"Of course," Murray raised his eyebrows.

Murray thought of what had happened that night, and a sinister light flashed past his deep eyes. As I said, *whoever* dares to mess up with my woman must be tired of living!"

Melissa thought, *My woman...*

This man is audacious

Melissa rolled her eyes at Murray "Who is your woman? How shameless."

Murray approached Melissa and chuckled "You will be soon

This sudden intimacy made Melissa blush, and she quickly turned her face away

Melissa looked down at her watch "It's getting late You had better go to work now

"I will stay to keep you company" Murray was worried about Melissa.

"I'm fine. You haven't gone to work for days. Hurry up, and go to work now!" Melissa pushed Murray out of the

door.

Murray was speechless.

Why does Melissa not like me?

I just saved her and have taken good care of her in the hospital for so many days!

What a heartless little thing!

"Well, see you later. Call me if you need anything," Murray said in a low voice.

"Okay!" Melissa nodded.

After Murray left, Melissa breathed a sigh of relief. Then, she turned on her computer and studied the materials for the design competition from Nina,

Melissa watched a video, and it was an interview about Susan.

In the video, Susan was arrogant and belittled Loe from time to time. It seemed Susan was very confident about this design competition.

Melissa sneered.

Melissa thought, Susan?

Why are you so haughty?

You are nothing but my defeated rival.

Just wait! I will defeat you again!

After dinner, Melissa checked her watch. It was time for her to pick up Nina at the airport.

Melissa went downstairs. Suddenly, a familiar Rolls-Royce stopped in front of Melissa.

The car door was opened, and a tall figure got out of the car.

It was Murray.

"Meli, get in the car!" Murray walked straight to Melissa and said,

"Murray, why are you here?" Melissa was surprised,

Murray reached out his big hand and wrapped Melissa around her slender waist with it. Murray led Melissa into the car and looked sideways at her. "Aren't you going to the airport to pick up Nina? I'll send you there"

Does that mean he came back to drive me to the airport deliberately?

Melissa pursed her lips and said. "I can go myself." Chapter 298 I Won't Be Lenient This Time!

Murray didn't say anything more. He reached for the safety belt to help Melissa fasten it.

Melissa also reached for her seat belt.

Therefore, the two hands touched each other.

The warmth passed from Murray's palm to Melissa's fingertip. Melissa went crimson and quickly put her hand down

Murray smiled at the shyness Melissa showed and helped her fasten her seat belt.

The two remained silent all the way to the airport.

"You may get out of the car now," Murray tilted his head, looked at Melissa, and said.

Melissa checked her watch. Nina's plane would land half an hour later.

"I'm going to the bathroom," Melissa said to Murray.

"Okay," Murray responded indifferently,

Melissa felt that someone was tailing her all the way.

However, she saw nobody when she looked back.

Am I paranoid? Melissa wondered.

Melissa frowned slightly and thought, Anaya has disappeared for days, and nobody can find her.

Melissa remembered how crazy Anaya was. Therefore, she was convinced that Anaya would attempt to kill her again.

Melissa was waiting for Anaya.

As long as Anaya appears, I will bring her to justice for sure.

I won't be lenient this time! Melissa thought.

"What are you thinking about?" Murray couldn't help but ask when he saw the serious look on Melissa's face.

Melissa came back to her senses and said with a frown, "I was thinking where Anaya would be, and when she would attack me again."

"Meli, don't worry. I am here, I will protect you." Murray held Melissa by the shoulders. His low voice echoed in Melissa's ears.

Murray's voice made Melissa feel inexplicably at ease.

Right

then, Nina appeared Soon, she found Murray and Melissa, the most outstanding people in the crowd

Melissa hurriedly pushed Murray away and kept a distance away from him..

Nina blinked at Melissa and teased, "Sis, do I become the third wheel?
A very unwelcome one?"

"Don't talk nonsense." Melissa pursed her lips and looked a little embarrassed.

Murray wore a faint smile.

He drove Nina to a hotel.

"Meli, it's too late today. I'll discuss the design competition with you tomorrow," Nina said to Melissa with a smile.

"Okay." Melissa nodded.

It was a cloudy day the next day.

Melissa urged Murray to go to work early in the morning. "Nina is coming. Please leave as soon as possible."

Murray was speechless and thought, Meli doesn't like me at all?

"Meli, why are you anxious to drive me out?" Murray pursed his lips tightly to show his displeasure.

Melissa pushed *Murray* out of the door. "I would like to chat with my bestie. What can you do here?"

Murray realised that he was the third wheel now.

Murray was speechless. He went to the Gibson Corporation with a straight face,

Melissa *had waited* for a long time, but Nina didn't appear.

Can it be that Nina is tired from the journey yesterday and has not woken up yet? Melissa wondered.

Mrs. Gibson Your Identity Is Exposed by Fair Day Chapter 299

Chapter 299 Nina Is Kidnapped

Melissa waited for a long time. When she checked the time on her watch again, it was almost noon. However,

Nina hadn't come yet.

Worried, Melissa called Nina, but Nina's phone was turned off.

Nina was self-disciplined, so Melissa felt it weird that Nina was late for their appointment. To make things worse, Melissa couldn't reach Nina.

Can it be that something bad happened? Melissa wondered.

Melissa drove to the hotel where Nina lived. No one answered the door, though Melissa had knocked on the door of Nina's room for a long time.

With a frown, Melissa felt that there must be something wrong,

— Melissa called the manager of the hotel over and told him to open the door. When the door was open,

Melissa didn't find Nina in the room.

Then, Melissa watched the surveillance videos and found that Nina hadn't come back after going out last

night.

Thanks to the surveillance videos, Melissa found that the last place Nina went to was a supermarket near

the hotel.

Nina disappeared in a blind spot of the surveillance cameras.

By instinct, Melissa knew that something bad had happened to Nina.

Melissa intended to ask Anthony to find out where Nina was when her phone rang.

Melissa checked her phone and found that it was a call from Nina.

Melissa heaved a sigh of relief and thought, it seems that Nina is fine.

Melissa answered the phone instantly and asked, "Nina, where are you?"

However, the voice from the other end of the phone didn't belong to Nina.

It was a low and hoarse female voice. The caller said through her gritted teeth, "Melissa!"

Melissa thought, this voice... is familiar.

It is *Anaya*!

It is *Anaya* who has disappeared for a long time!

Melissa's heart sank

Melissa thought Anaya got Nina's phone.

Does that mean Anaya has kidnapped Nina?

Right then, Anaya's gloomy voice came from the other end of the phone. "Nina is here with me!"

"Anaya, what do you want?" Melissa shouted.

Melissa narrowed her eyes, and her long eyelashes trembled slightly, leaving a shadow below her eyes. Melissa said in a low voice, "Don't be reckless!"

"Melissa, if you want to save Nina, come to the summit of Green Mountain in the suburbs. If I can't see you before sunset, you will never see Nina again!"

“Remember, come alone. If there is a third one who knows our appointment, Nina will die too!”

Anaya made herself clear in one breath and then hung up the phone directly. She didn't give Melissa a chance to ask questions.

Anaya, that madman! Melissa thought.

Melissa had a pang of regret in her heart. Anaya has kidnapped Nina! How could I be so careless?

Melissa checked the time on her watch. It had passed four o'clock since Melissa had spent the whole afternoon looking for Nina. Melissa thought, Green Mountain is far away from here. I have to hurry up.

The police have arrested Nolan and his men, so Anaya must have no helpers now.

Otherwise, Anaya would attack me directly instead of kidnapping Nina.

Moreover, Anaya made it clear over the phone that she would kill Nina if I went there with others.

Melissa was afraid that Anaya, a madwoman, would hurt Nina. After weighing the pros and cons for a few seconds, Melissa drove to Green Mountain without telling others.

Melissa drove fast and arrived at the foot of Green Mountain before six o'clock.

The sun would set in half an hour, so Melissa became panicky. I must reach the summit before sunset.

Melissa looked up at the mountain that was about 2700 feet high. Wordless, Melissa began to climb up the

mountain.

Melissa did not dare to stop, though she felt that her lungs were about to explode at any moment.

She was scared.

She was afraid that she couldn't meet the deadline. She was afraid that Anaya would hurt Nina.

Because of me, Nina got into this trouble... Melissa thought.

Motivated, Melissa managed to reach the cliff at the summit of the mountain when the setting sun was on

the horizon

Looking up, Melissa saw that Nina was tied to a big tree beside the cliff.

Anaya was standing beside Nina.

Melissa was surprised at the sight of Anaya.

Chapter 299 Nina is kidnapped

Melissa wouldn't have recognized Anaya if she hadn't got informed by the call that it was Anaya who had kidnapped Nina. The woman who was standing beside Nina looked dishevelled in a loose green coat with a dirty face

Melissa, I thought you wouldn't come." Anaya looked at Melissa coldly

Anaya's face was so dirty that Melissa could see no sign of its previous features. However, there was obvious hatred flashing in Anaya's eyes.

Melissa ignored Anaya and fixed her gaze on Nina. "Nina, are you alright?"

"Meli, don't come over. Leave now! This woman is insane!" Nina shouted.

Nina went to the supermarket to buy something last night. She heard someone call her when walking past the underground parking lot.

Nina looked back subconsciously but saw nobody. Then, she passed out because of an attack from behind

Waking up, Nina found herself tied and locked in a shabby warehouse.

At the same time, Anaya stood right in front of Nina.

Nina knew Anaya, as well as the grudges between Anaya and Melissa.

Nina knew that Anaya had tried to harm Melissa several times but failed.

Never could Nina imagine that the crazy Anaya would kidnap her instead of Melissa!

Nina was tied near the cliff by Anaya. She was very scared.

Meanwhile, Nina was clear that she was not Anaya's target.

Melissa was the one Anaya wanted.

Nina thought Anaya kidnapped me to threaten Meli.

I must stop Anaya!

‘Meli, don’t *worry* about me. Leave quickly! Call the police to arrest this madwoman!’ Nina shouted

“Shut up!” Anaya had a sharp knife that was no less than twelve inches long in her hand and pointed it at Nina ‘One *more word*, and I’ll kill you!”

Seeing the sharp knife *on* Nina’s neck, Melissa felt that her heart skipped a beat Instantly, Melissa shouted

Anaya, *calm down!*

“It *seems* you care about *your friend*,” Anaya said with a cold smile

‘Anaya, the *person* you hate is me, so Nino is innocent Don’t drag my friend into our problem let her go

now Melissa said in a deep voice

“Let her go? Okay. Anaya turned the knife in her hands and cut off the rope on Nina

Anaya’s submissiveness took both Melissa and Nina by surprise, and they wondered, what is wrong with

Chapter 295 Nina is kidnapped

Anaya?

Nina wanted to walk toward Melissa, but Anaya gripped Nina quickly and pointed the sharp knife at her again. “Do you want to flee? No way!”

Speaking, Anaya forced Nina to walk to the edge of the cliff with the knife in her hand.

When Melissa saw Nina standing on the edge of the cliff, her heart was in her throat.

Melissa thought, if the wind is a little stronger, Nina will lose her balance and fall off the mountain!

She will be smashed to pieces after the fall since the mountain is about 2700 feet high.

Mrs. Gibson Your Identity Is Exposed by Fair Day

Chapter 300

Chapter 300 Replace Her with Yourself!

This was Murray's office in the Gibson Corporation,

Murray worked abstractedly all day.

"Mr. Gibson, please sign here." Alex reminded Murray to sign with a document in his hands.

Murray took the document and signed it with a flamboyant style.

Out of concern, Murray called Melissa, but no one answered his call.

Murray called Moonlight Mansion, and it was Clara who answered the call.

"Where is Meli?" Murray asked in a low voice,

"Ms. Eugen is out," Clara answered honestly.

Out? Murray was surprised.

Murray felt that his heart skipped a beat at this news,

Meli was discharged from the hospital yesterday. She has not fully recovered. Why did she go out? Murray wondered.

"Where did she go?" Murray asked.

Clara thought for a moment and then said, "I think she must go find Miss Paul in the hotel."

"Didn't Nina come today?" Murray asked with a frown.

"No! Ms. Eugen went to the hotel because she couldn't reach Miss Paul." Clara was also worried about

Melissa

"Got it." Murray hung up the phone and said to Alex, "I have to leave for a while."

"Mr. Gibson, an important meeting will begin soon," Alex said.

"Cancel it first." Murray spat out two words coldly.

Murray couldn't focus on work at all.

"Okay Alex nodded helplessly,

Alex thought the reason for this cancellation must be connected with Ms Eugen

Alex hesitated for a moment and then asked with concern, "Mr. Gibson, what happened to Ms Eugeni?"

"I can't reach her. Murray stood up, put on his suit jacket and walked straight to the door

Alex shook his head. It is not the first time that Me Gibson has left work undone because of Melissa

Its always the girl

Murray sped all the way to the hotel where Nina lived and found the manager there "Where's Melissa?"

It's always the girl.

Murray sped all the way to the hotel where Nina lived and found the manager there "Where's Melissa?"

"Mr. Gibson, Ms. Eugen did come today. She came to look for Miss Paul. However, Miss Paul had left and was not in the hotel. Later, Ms. Eugen left in a hurry after receiving a call from Miss Paul," the manager replied respectfully.

"Where did she go?" Murray frowned,

Murray wondered, did Meli receive a call from Nina?

If Nina was alright, why didn't she go to Moonlight Mansion today?

Why did Meli come to find Nina in such a hurry?

There must be something wrong.

"Ms. Eugen did not tell me." The manager couldn't help holding his breath at the sight of Murray's gloomy

face.

Murray called Melissa again, but her phone had been turned off.

Meli is missing again! Murray thought.

Murray had a bad feeling again, and it was getting stronger and stronger.

Both Meli and Nina disappeared.

My instinct tells me that something bad has happened to them.

Murray thought for a few seconds. Then, he called Alex and ordered coldly, "Locate Melissa's car

immediately."

Alex was stunned. "What happened to Ms. Eugen?"

"I can't reach her" Murray pulled a long face, and his tone was cold.

"Yes, Mr. Gibson I will locate it immediately!" Alex's expression turned cold. He finally found the reason why his boss had been distracted today.

A few minutes later, Murray received a call from Alex. "Mr. Gibson, We've found the car Ms Eugen's car is

heading toward Green Mountain

Murray wondered, Green Mountain?

That place is very far from downtown in remote, and few people will go there

it is getting dark now Why is Meli gone there?

Something must have happened

There was growing concern in Murray's eyes and in a low voice Get me one hundred bodyguards, and bring them to Green Mountain immediately

"Yes, Mr Gibson!"

This was the cliff on the summit of Green Mountain

Melissa watched Nina go to the edge of the cliff under Anaya's threat.

"Anaya, put down the knife. Let's talk about our problems." Melissa took a few steps forward and tried to sound calm

Looking at the cliff, Melissa suddenly felt a nameless fear,

The scene was inexplicably familiar.

That is it! I have dreamed many times that someone hunted me down and made me jump into an abyss.

Those were horrible dreams.

However, this is not a dream this time.

Nina was Melissa's best friend. Moreover, Melissa and Nina had established a close rapport with each other after the long-term cooperation. Never would Melissa allow anything bad to happen to Nina.

Nina is implicated in this farce because of me! Melissa thought.

"Talk the problem over?" Anaya sneered, and there was madness in her eyes.

Anaya angrily pointed at Melissa. "Melissa, I am doomed because of you! Whoever is close to you must die!

"If it weren't for you, Jay wouldn't have dumped me. I would still be his fiancée! It is all your fault. It is you who shamelessly seduced him, fooled him, and made him break off the engagement with me! Moreover, you, a shameless slut, ruined my reputation. I was Miss Knowles, but now?"

The netizens ridiculed Anaya, and the young pianist, who had been famous for her talent, became a laughing

stock

Anaya thought, I am a laughing stock in the world now!

People consider me shameless.

Why?

It is Melissa who is shameless! I did nothing wrong!

At the thought of how Melissa had ruined her life, Anaya had hatred in her eyes,

"The one who ruined your reputation is you, not me," Melissa said while looking at Anaya expressionlessly.

Anaya's absurdity impressed Melissa. If Anaya behaved herself, she wouldn't end up like this.

It's all her fault. Why does she blame me?

How insane and ridiculous Anaya is! She can't accept her failure but attributes blame to me,

"Anaya, you know very well that you are the reason for your fall from grace. You made one blunder and then

another. You are just unwilling to accept your defeat. Think of how you and the Knowles family treated Jaylin back then!

Why do you think that Jaylin will still wait for you in the same spot when you think of him?"

There wouldn't be such a good thing in the world.

"Nonsense!"

Anaya had red eyes, and her face was twisted in anger. "Melissa, don't show off in front of me. I have your friend here. If you act rashly, you will have to meet your friend at the bottom of the cliff!"

"What do you want?" Melissa frowned, and there was an unfathomable light in her clear and bright eyes.

No matter what happens, I have to make sure that Nina will be safe.

Anaya's eyes were full of infinite hatred. Anaya pointed her knife at Nina and burst into laughter suddenly.

The creepy laughter echoed in the woods and sent shivers down Melissa's spine.

Anaya glared at Melissa and said through her gritted teeth. "Melissa, don't you want to save your friend? It's simple. Replace her with yourself!"
