#### **Chapter 361 Tom Wake Up**

Ryleigh hurriedly chased after them. She must see Murray Fortunately, Mark and the others were only searching intently with their flashlights on and did not notice Ryleigh who was following them When Ryleigh reached the cliff, she saw the girl standing on the cliff, and Murray had disappeared. Mark angrily touched his bald head and spat on the ground. "Damn it! What bad luck... Anyway, there is still one left.

Take her back! As he spoke, a few men surrounded the girl, glaring at the girl fiercely. They wanted to capture her and bring her back. The girl was also frightened by them. She kept shaking her head and retreating. She did not stop even when she was about to reach the edge of the cliff. Suddenly, she fell. "Ah!" Ryleigh could only hear her scream Ryleigh furrowed her eyebrows after she came back to her senses.

Back then, that girl fell off such a high cliff and must have died. And Ryleigh's adoptive father adopted her only because she was the daughter of the kidnapper and knew what had happened at that time. All these years, his adoptive father had deliberately cultivated her into that girl so that she could approach Murray at the right time. His goal was to destroy the Gibson Corporation She did not know what conflicts the Lawford family had with the Gibson family, but she knew that she loved Murray. For the first time she saw Murray, she could not help but fall in love with him.

Therefore, she would not do anything to harm Murray! In Los Angeles Tom had been lying in the ward in a coma. Melissa would perform special treatment on Tom at a fixed time every day, so the condition of his right leg did not continue to worsen.

"Melissa, how is Tom?" Nina's eyes were filled with worry. Melissa was skillful and careful when she performed special treatment on Tom. "Don't worry, have been treating his injury. The condition is quite stable. Yesterday, Dr. Hanson told me that he had booked plane tickets to Aldness.

We can take Tom back to Aldness tomorrow." "Great, then I will go and prepare for it now!" Nina finally revealed a smile of joy. Melissa nodded, watched Nina leave, and began to pack her things. "Are you going back to Aldness tomorrow?" Murray sat on a chair on the side, holding a financial magazine in his hand, but his eyes fell on Melissa, who was busy. "Yes, Tom must be treated as soon as possible."

Melissa packed everything up. glanced back at Murray, and smiled. Murray was stunned. He put down the magazine in his hand walked behind Melissa and said, "I will go back with you tomorrow. "No, you can't Melissa shook hier head. "You shouldn't go back Since you said that you came to Los Angeles for disaster relief you should stay here for a few more days.

Il you go back so quickly, you will be suspected by Ryleigh." "You don't want to be with me?" Murray reached out his hands and put his arms around Melissa's slender waist. Melissa was out of breath as they got so close suddenly.

His warm breath sprayed all over Melissa's neck. It was itchy. Melissa felt that her face was burning with a blushi. She thought this is too intimate! Tom is still in the ward! Melissa quickly pulled Murray to the corridor outside the ward and pouted. Of course, I want you to be with me.

But the business is important. Jim might be related to your father's accident back then, and now Jim has joined hands with Sebastian Ryleighi and Sebastian are inextricably related." "You are right."

Thinking of his father's accident, Murray put on a solemn face, He had the responsibility to find out the truth about his father's death. He could not let his father just die like that. However, he really did not want to separate from Melissa, Not even a moment! Murray caressed Melissa's face with his hand and rubbed her earlobe. He couldn't help but lower his head and kiss her red lips that he yearned for day and night.

He held Melissa's waist more tightly, kissing her with extreme patience and gentleness. "Oh.." When Melissa was kissed by Murray, she struggled for a moment. But soon, she was immersed in the kiss and began to kiss himn back Melissa's response made Murray excited He kissed her deeper.

His tongue pried open Melissa's mouth, and he stuck his tongue in her mouth. He enjoyed the kiss as he tasted her sweet lips. That familiar and beautiful feeling made Murray feel lost. After a long time, Melissa was almost suffocated. They finally let go of each other Melissa lowered her head, and her face was flushed with shyness. Murray looked down at Melissa, who was shy.

His sexy lips curled up slightly. "Have you noticed that we seem to be better matched, especially when we kiss?" Melissa didn't know what to say. She thought, what a bold man! He is really thick skinned! "We're in the hospital. Aren't you afraid of being seen by other people?" Melissa rolled her eyes. Chapter 361 Tom Wakes in "Why should I be afraid of it? I kissed my own wife. What can they do to me?" Murray raised his eyebrows After saying that he paused for another two seconds.

Before Melissa could speak, he put his hands on her shoulders and looked at her face seriously. "Melissa, I want you to marry me tomorrow. I can't wait." Murray was a cold man. It was rare for him to express his feelings in such a straightforward manner. He

only did this in front of Melissa Melissa was stunned and raised her head to look into his deep eyes. She saw Murray's sincerity, but..

Melissa cooled down and revealed a faint smile. She deliberately teased him, "In your dreams. Now we need to deal with disaster relief. There is no time to think about that. Moreover, we have to deal with Ryleigh Be patient."

Ryleigh? Murray thought of her and his eyes darkened. But he still nodded and agreed with Melissa's words. The next day, Melissa and Nina brought Tom back to Aldness. Before getting onto the plane, Melissa looked at Murray, who had come to send her off. Melissa suddenly had a feeling that he had never felt before. She didn't want to leave him "Wait for me. I'll be back soon.

Murray kissed Melissa on the forehead. Melissa blushed. "OK" The plane took off and quickly flew into the sky. Along the way, Nina held Tom's hand tightly. ecover. You must hold Tom, we are arriving in Aldness soon. Dr. Hanson will come to treat you. You will don understand?"

Nina murmured constantly. She hoped that Tom could hear what she said and wake up earlier. Perhaps Tom heard what she said. At noon, when everyone was asleep. Tom's hand suddenly moved. After another ten seconds, he slowly opened his eyes and asked weakly. "Where ar 17" Tom! Tom, you are finally awake!" Nina shouted excitedly

#### **Chapter 362 Tom's Indifference**

Nina had been holding Tom's hand lightly. When his fingers moved, she suddenly woke up. She opened her eyes and saw that Tomliad finally woken up. Nina, who had been worried, finally felt relieved She hugged Tom, excited and happy. Her eyes turned red, and she could not help but shed tears Tom, you are awake. You are finally awake! Great. I am so worried!" Tom furrowed his brows. He felt pain all over his body, especially in his right leg. He wondered what had happened to him.

His memories gradually flooded back. Tom recalled that when he was in class, there was a big earthquake suddenly He organized the students to retreat outside the classroom, but before he could run out, he was engulfed by the ruins of the collapsed house. At that time, he felt that he would not be able to survive. He called Nina before he fainted. He thought why is Nina here? When Tom turned around and saw Nina beside him, there was surprise in lis eyes.

Then, he immediately cooled down and calmly asked, "Nina? Why are you here?" Nina looked at Tom with tears in her eyes. She was happy excited and worried. All kinds of emotions intertwined in her heart. "I was so worried about you... Fortunately, you're fine..Tom, don't worry. Your right leg will definitely be fine... I'm here with you." Nina stammered and sobbed, and she was too excited to put it clearly.

Tom, it's good that you woke up. I was worried sick. You never know how scared and worried was when I received your call and learned that you were stuck in a big earthquake. Melissa and went to Los Angeles to look for you at once. Finally, we found you!" Tom lowered his eyes slightly and looked at his right leg, which was tightly bandaged. He deliberately looked away.

"Why did you save me?" "What ... What did you say?" Nina was stunned and puzzled. Tom glanced at her, hiding the true feelings in his eyes. He adjusted his mood and even continued to say coldly, "Why did you save me? Didn't we break up? I have nothing to do with you now. He still did not look into Nina's eyes and was trying to control his emotions. Nina's heart sank as if she had been thrown down a cliff. She was shocked and sobbed, "No, Tom... I was very worried about you. You are just angry with me. You do not want to break up with inc, right? "I don't believe that you have fallen in love with someone else.

This is just an excuse..." Nina looked at Tom pleadingly Tom closed liis eyes tiredly, forcefully suppressing the urge to hug, Nina lle paused for three or four seconds, his eyes cold. "Haven't put it clearly enough before? I am in love with someone else you don't have to waste time on me." "No, impossible! When Nina heard this, she got emotional Her face turned red, and her tears fell. "It's been five years... Five years! How could you fall in love with someone else? No...

Melissa and Harley sat beside them. Harley's eyes were full of indignance Harley thought Tom is a bastard. How could he treat Nina like this? Melissa also frowned. She walked up and hugged Nina's shoulders, gently patting her back "Nina, don't cry After saying that Melissa looked down at Tom, who was lying on the stretcher, and said coldly.

Tom, I shouldn't have interfered with this. It's just that your words really hurt "You worked as a volunteer teacher in the mountains. When Nina heard about the earthquake she immediately asked me to come with her to look for you overnight. You know the situation in the mountains, and there were aftershocks.

In order to look for you, we took great risks. Nina was almost at stake because of you! "Don't you know that? You must know her feelings for you." Tom listened to Melissa, and he had complex feelings. He raised his eyes slightly and looked at Nina, who was in a daze. For a moment his heart softened. But in the end, he moved his lips and did not say anything. Nina's parents were right.

Right now, he was just a poor man. Compared to Nina's family, he was very different. He could not let her live a happy life. What was more, after the earthquake, his right leg was injured so badly that he couldn't feel it at all. He was afraid that he would be disabled in the future Tom felt that he was not worthy of Nina. He didn't want to be her burden either.

"So what?" Tom smiled with disdain and asked Melissa After a pause. Tom said coldly, "I have broken up with her. It was my own business to suffer from the earthquake. I did not ask her to save me. Even if she cried and almost died, it had nothing to do with me.

She asked for it Nina raised her head and looked at Tom in astonishment. She could not believe her ears. Nina thought why? Why has Tom changed so much? Melissa frowned and was about to say something but Harley had already stood up and looked at Tom angrily.

He pointed at Tom and gritted his teeth Tom, don't be so ungrateful!" Tom sneered and looked at the man in front of him with contempt. "So what? Do you want to stand up for Nina? "You!" Harley was so angry that his face turned red and he even waved his list, but he was hurriedly pulled by Melissa Melissa grabbed Harley's wrist and tried to calm him down. "Calm down, don't hit him.

Let's talk about it when we return to Aldness." Shehad heard Nina talk about Tom before, and she felt that there might be some reasons for Tom's indifference Harley had no choire but to pivo up after hearing that He reluctantly returned to his chair and sat down Nina's eyes were red she wanted to ask Tom more questions, but Tom simply closed lis eyes and innored her Looking at Nina's sad face, Melissa secretly sighed.

Three hours later, the plane landed, and they left the airport On the way to the hospital Tom kept his eyes closed and did not say a word to Nina. After sending. Tom into the ward, Melissa heaved a sigh of relief.

Nina said worriedly, "When will Dr. Hanson come over? Tom's legs..." Harley couldn't help but retort "He deserves it! He was so ruthless to you. Nina, why are you still so worried about him "Be quiet. Harley, if you have nothing to do go back to work!" Melissa frowned and looked at Harley

Melissa pushed Harley out of the hospital in a hurry. "Nina, don't worry. Tom might be in a bad mood because he was injured. After Dr. Hanson cures his leg, you can talk to him." Melissa comforted Nina. Nina nodded, her eyes red. "OK" "I'll call Dr. Hanson now and ask when Dr. Hanson will arrive." As Melissa spoke, she took out her phone to call Luca. "Hello? Dr. Hanson, when will you come to Aldness? Yes, Nina and I just came back today. Call me when you arrive. I will be waiting for you at the airport in advance." Luca had just put another piece of clothing into his suitcase. "I have already bought the plane ticket to Aldness. I will arrive there and treat him at one o'clock tomorrow afternoon. Send the address of the hospital over in advance." "Okay," Melissa replied simply. After hanging up the phone, she was relieved. "How is it?" Nina looked at her nervously. "Don't worry," Melissa smiled. "Dr. Hanson will come to Aldness tomorrow afternoon to treat Tom." "Great!" Nina finally let out a sigh of relief and revealed a faint smile. Nina thought, Melissa was right. As long as Tom's legs get better, his mood will get better. At that time, I will talk with him. Nina refused to believe that Tom would fall in love with another woman. This was absolutely impossible in her heart! Looking at Melissa's tired face, Nina patted her shoulder. "Melissa, you should go back and have a rest. You have been busy treating Tom. You look tired."

"Okay, then I will go back," Melissa heard Nina's words and subconsciously touched her face. Melissa had been busy saving people in the disaster area for the past few days and had gone to the hospital several times. Now she really felt tired. Melissa took another look at the ward and then looked at Nina worriedly. "But are you sure you got this alone?" Nina smiled faintly and shook her head. "I'm fine. You don't have to worry about me. Alright, just go." Since Nina was firm, Melissa did not say anything else. She just made a gesture of "call me" and turned to leave. The moment she returned home, Melissa felt fully relaxed. She took a shower and felt extremely comfortable the moment she put on her pajamas. She was so tired. Melissa lay on the bed and took out her phone. She casually scrolled through the web page, but suddenly saw the news that Murray personally went to the disaster area in Los Angeles to help. The president of the Gibson Group personally went to the disaster area for disaster relief." There was also a video of Murray in the disaster area. In the video, he was insmiling and aloof as usual. But when facing the old people and children in the disaster area, he softened up. Melissa watched the video and couldn't help smiling. Somehow, although they had only been apart for less than a day, she suddenly missed him. Chapter 363 Miss Just then, Melissa's phone rang. It was Murray who called her. Melissa's heart skipped a beat. She answered the call.

"Melissa, are you home?" Murray's concerned voice came from the phone. "I just got home and took a shower. Now I'm lying in bed, and I'm reading news about you that you went to the disaster area." Melissa's lips unconsciously curved into a happy smile. "You were quite handsome in front of the camera. By the way, is everything okay in the disaster area?" "So what if I am handsome. My wife is not here. There is no point in being handsome." Murray's voice suddenly became lower, and there was a hint of grievance. Melissa thought, what a smooth-tongued man! Hearing the sweet nothing,

Melissa suddenly blushed. She could not help but say, "Stop it! I'm not your wife yet. I'm talking to you seriously." "Everything is good in the disaster area. The main task is to settle the survivors. You don't have to worry." After Murray reported to Melissa, he paused for a few more seconds. Suddenly, his extremely magnetic voice sounded. "But Melissa, I am serious too. I miss you very much. I really want to see you right away." He had said a lot of sweet words, but she was still touched. Her voice became smaller and smaller. Melissa felt very tired. She even forgot when she hung up the phone. When she closed her eyes and leaned against the pillow, she fell asleep at once. In her dream, she suddenly saw Murray. They were in the bedroom. He walked over, put his hands around her waist, and whispered in her ear, "Melissa, I missed you very much. I – I want to kiss you." His hot breath tickled her ear, and Melissa blushed when she heard what he said. Then, his thin lips pressed against hers.

"Oh..." Melissa couldn't help but groan and her hand grabbed Murray's collar. They were passionate. Suddenly, the alarm clock rang. Melissa frowned and suddenly opened her eyes. She woke up. She sat on the bed and could not help but put her hand on her forehead. Only then did she realize that everything that had just happened was a dream. There was a sense of loss in her heart. What happened in her dream suddenly popped into her mind. Melissa's face was somewhat hot. She thought, how could I have such a dream? It was all Murray's fault. Since when did he become so good at flirting? After Melissa got up, she went to Star Entertainment. She had been away for so long, and she even asked Jaylin to decide on the casting, of the movie named "The King Saying Farewell to His Queen". Now that she had come back she must check the results first. She arrived at the door of Jaylin's office and knocked on the door. "Come in," Jaylin said in a low voice. Melissa pushed the door and entered. Jaylin looked up and found that the person who appeared in front of him was the girl that he was thinking about. "Melissa, you're back?" Jaylin asked in surprise, standing up. Melissa smiled faintly, "Yeah."

"You've been away for so long. I thought you would be back in a few days. How was it? Was everything okay in the disaster area? Did you get hurt? The moment Melissa sat down, Jaylin asked with concern. Melissa picked up the glass in front of her, took a sip of the water, and put the glass aside, "Not bad. Murray is there now, and the situation is much better. I just came back yesterday, and came to the company to see if you are ready. Have you found the right people for the movie? Do you have any documents about them? Melissa talked about the work with him. Jaylin's eyes could not help but darken a bit.

"Wait a moment." Jaylin walked to the desk picked up a few documents turned back and handed them to Melissa, his deep eyes staring at her. These are about the actors and director chose. Take a look and see if there is anything inappropriate. Melissa took the documents and began to read them page by page The director that Jaylin chose specialized in filming art films. He was very good at handling the capturing of the camera and guiding actors. There was nothing to worry about the director. But there was something wrong with the heroine Jaylin chose for the movie... Melissa pointed at the photos on the paper, looked up at Jaylin, and said, "I watched the show of Diana Jackson before she has been in many classic shows. Her eyes were impressive. But her temperament was not in line with the character of the heroine. "In my opinion, it's better to change the heroine into Vivian. She has a nice temperament. And she learns fast. Vivian was cultivated by Melissa. Melissa knew her better and Melissa knew what kind of role was the best for Vivian. Moreover, Vivian was very popular because of the ad for 'Ice and Fire Jaylin was quiet for a moment before nodding his head. "Alright, I just got things done. There's still time to adjust them. I'll call their agents right away." After Jaylin went out to make a call, Melissa subconsciously tapped on the coffee table. Then she received a call from Nina "Nana, what's wrong? What happened? Melissa. Tom is missing. I can't find him anywhere. What should I do?" Nina said in a tearful and anacous voice "What? Tom is gone?" Melissa was also shocked when she heard the news. She immediately stood up from the sofa and was about to leave with her bag.

As she walked, she comforted Nina. "Don't worry. I'll be right there. Wait for me!" "Melissa, what's the matter?" Seeing the sudden change in Melissa's expression, Jaylin hurriedly hung up and asked with concern. "I have something to deal with now. I'll leave the actor thing to you. Call me if you need me!" After that, Melissa hurried out of the office When Melissa arrived and pushed open the door with a bang. Nina was alone inside Nina covered her face with both hands, and her shoulders kept shaling. She cried hard "What happened?" Melissa quickly walked over and held her shoulder as she asked. Ning kept shaking her head. Ever her voice was trembling "No, I couldn't find him. I searched the entire hospital and couldn't find him anywhere. Where did he go? Did something bad happen to him Melissa frowned and looked around Tom was gone the patted Nina's bek and comforted her, "Don't pand let's go out and search again there is a pork suby !! Tort goes out someone must have seen him. Moreover, his legs is injured, and it is convenient to himn in walk Ple muust be very conspicuous someone will notice lolen." Nina finally stopped crying and looked up at Melisst, nodding After they left the hospital, they asked everyone if they had seen Tom However, no one had seen Tom. Nina's heart sank Nina and Melissa went to the small park. Just then, Nina was already exhausted. Nina had a headache. And she was extremely anacious Tom, where did you go..." Nina leaned on the railing of the gym equipment and looked around helplessly.

### Chapter 365 Enemies

A day had already passed, and there was still no news from Tom. Melissa couldn't stand it so she advised Nina to go home and rest. She would try to find Tom. That afternoon, the flight that Luca took just arrived in Aldness. Melissa saw Luca in the crowd and waved her hand. "Dr. Hanson!" She ran quickly to Luca and took the suitcase from him. "How about Nina's boyfriend? Is he fine? Let's go to the hospital directly," Luca smiled. Hearing his words, Melissa was silent for a moment and shook her head. "He broke up with Nina and ran out of the hospital yesterday. Nina and I still don't know where he is, and we can't find him. Dr. Hanson, why don't you rest in the hotel for a few days?" "Alright then." Luca said with a frown. Melissa suddenly thought of Rachel and asked tentatively, "By the way, Dr. Hanson, I have a question." When Luca looked over, Melissa said after deliberation, "I want to know. Who Rachel is. Why did you all say that I was very similar to her? Are you two friends? When he heard Rachel's name, Luca's eyes dimmed. He was silent for a long time before asking "How did you know her? Why did you ask about Rachel? Melissa told Luca everything about her conversation with the old lady in the mountains. Luca raised his head slightly, intentionally avoiding Melissa's gaze. "She was just my old friend. There's nothing to say about her."

Seeing that Luca bit his tongue, Melissa became even more confused. She wondered who Rachel was. She was curious why Luca refused to talk about Rachel. But it was private. If Luca didn't want to talk about it she couldn't keep asking. A few days passed in the blink of an eye, but there was still no news from Tom. At the bar, Nina sat alone at the bar counter with half a bottle of wine in her hand. There was wine left in the glass she had just picked up. But she was unaware of it and picked up the bottle to drink the wine. Her heart was extremely bitter. Just then, her phone kept ringing. Nina took out her phone to look at it and pressed the answer button "Nina, where are you? Why didn't you answer my calls? Melissa asked worriedly. Nina's eyes were hazy, and she couldn't even speak clearly. "Me? I'm drinking at the bar we often go to. You don't have to worry about me..." "I'll pick you up." Melissa was worried about Nina and sighed slightly. Half an hour later, Melissa's car stopped in front of the bar. As soon as she entered, she saw many people having fun here. They drank and flirted. Melissa tried her best to pass through the crowd her eyes still searching around for Nina. And then with a casual glance, Melissa saw a familiar figure.

She saw Alayna. Just then, Alayna was wearing a bright suspender dress, leaning against a blond man with blue eyes with a glass of wine in her hand. She smiled as she fed the man "Jon, then it's a deal. I'll serve you the wine. Then you will let me be the supporting actress in the movie you invested." "Of course, of course." Jon was a famous investor in Wyvernholt and had invested in many movies. At that moment, his hand patted Alayna's smooth and fair thigh, and his eyes flashed with a look of lust. "As long as you make me happy, you'll get what you want." Despite the disgust in her heart,

Alayna smiled. She casually looked away, and her eyes met Melissa's gaze. Alayna's eyes turned cold and serious. She thought, Melissa? How could she have the cheek to come here! If it wasn't for her, I wouldn't have been reduced to an infamous actress! I even have to flatter a man to get a job! It is really unfair! At the thought of this, Alayna gritted her teeth in hatred. "What are you looking at?" Jon noticed that something was wrong with Alayna's gaze and asked subconsciously He followed Alayna's gaze. The moment he saw Melissa, his eyes lit up. He had been in Aldness for so long, but he had never seen a woman as beautiful as Melissa

"Tsk.." He sighed and unconsciously touched his lips with his thumb, his eyes flashing with excitement. He looked at Melissa as if she was his prey. She is so beautiful. She is really a stunner." Alayna had been paying attention to Jon She knew that this man was an old pervert, especially in bed. She had been enduring that to get more jobs. It seemed that he had fallen for Melissa\_ Alayna knew him better than anyone else, so she was even inore jealous of Melissa. Her hatred became stronger, and her fingers tightly gripped the hem of her dress as she stared resentfully at Melissa Melissa didn't look at Alayna anymore. She would rather stay away from trouble. The most important thing was to find Nina Seeing that Melissa was about to leave, Jon could no longer sit still. He ignored Alayna. He quickly walked through the crowd and walked to Melissa, revealing a gentle sinile. "Hey, beautiful lady, are you here alone? Do you wanna have a drink with me? Jon pointed at his seal, his eyes looking Melissa up and down boldly. "Sorry, my friend is here. I have to find her." Melissa said coldly as she stepped back warily. Chapter 365 Enemies Get Bonus Get Bonus Melissa wanted to bypass Jon and walk forward. But he pulled her wrist and his body came closer "Don't worry, beautiful lady. If you have a drink with me. I will be very happy. It will not be too late to find your friend later." Jon pretended to be polite.

Melissa looked at Jon with disgust. She kept à distance from him and pulled her hand back "Please behave yourself!" Jon's expression became serious. Obviously, he was enraged by Melissa's eyes. He decided not to disguise himself anymore. He directly pulled Melissa into his arms, and he lowered his head to kiss her angrily regardless But Melissa didn't buy it. Since she could not break free, she stepped on his foot hard. When Jon had no choice but to let go of her out of pain, she slapped him again across the face. "I'm sorry, but I really don't have much interest in people like you. If you don't want to be slapped again, get out of my way!" Melissa said coldly and quickly left Jon glared at the woman's back hatefully. He had never been so despised! He thought, damn it! I must find a way to get this woman!

Jon returned to the sofa with an unhappy expression. Alayna wanted to give him an ice compress, but Jon stopped her. A voice full of anger sounded. "Scram!" Alayna's smile froze for a moment but she forcefully suppressed her anger. She leaned over and whispered into Jon's ear, "Jon you just want that woman. She and I are old acquaintances. I have a way to help you get her." Jon was angry, but when he heard what Alayna said, he instantly became interested. "Is what you said true?" "Absolutely." Alayna nodded seriously, a meaningful smile appearing on her lips. "What can you do?" Jon narrowed his eyes slightly, and his tone carried a trace of suspicion. Alayna leaned close to Jon and whispered, "Well, you... After a few whispers, Jean revealed a look of enlightenment and nodded repeatedly. He reached out and pinched Alayna's chin. "Baby, your idea is good." – Alayna was sure she would get what she wanted. "Then don't forget what you promised me. After this is done, I will be the heroine in the next movie." "Don't worry. As long as I can get Melissa, I will promise you everything." Jon smiled lustfully. Jon couldn't wait to press Melissa under his body and ravage her. "It's a deal." Alayna raised her head slightly, ruthlessness flashing across her eyes. Alayna thought, Melissa, I wonder how you will escape this time! "Nina, stop drinking. Come back with me."

There were a lot of people in the bar. After going through a lot of trouble, Melissa finally found Nina, who was drunk in the corner. "No, I'm not going back. Let's drink again. Melissa, drink with me. Nina got completely drunk. Her cheeks flushed red and she smelt of alcohol. Melissa shook her head with frustration, feeling sorry for Nina. Tom was heartless. Nina loved him so much and gave him everything, but he left without saying goodbye! How ungrateful Tom was! Nina was so drunk that Melissa had to put Nina's arm on her shoulder and help Nina slowly go back. Murray called Melissa. "Melissa, where are you? Melissa frowned and tried her best to reply loudly, "I'm in the bar. I want to take Nina home. She drank a lot. Alright, let's talk when I get back." After hanging up, Melissa put the phone in her pocket. She was concerned about whether Nina bumped into something. Just as Melissa helped Nina to the entrance of the bar, she was suddenly stopped by two men. They were Jon and the bar owner. When Jon saw Melissa, he pointed at her excitedly and said to the bar owner. "She is the one. I just wanted to treat her to a drink. But she took the opportunity to steal my necklace! It's worth 3.5 million dollars. This happened in your bar. You have to take full responsibility!" Alayna stood beside Jean and nodded in agreement. "Yes, I saw it too. This is about 3.5 million dollars! If you let this woman go today, you will have to pay for the money."

Jon stared at Melissa fiercely and then pointed at the phone in the hand of the bar owner. "Call the police and arrest this woman. Ask her to compensate me for my loss!" Alayna clicked her tongue and crossed her arms around her chest as if she was watching a good show. She was ridiculing Melissa. "Melissa? You used to have a glorious career. But now without the support of Gibson Corporation you have to come to the bar to steal other people's things. That's right. 3.5 million dollars is not a small amount. I think that with this necklace, it will be enough for you to squander for a while. Melissa narrowed her eyes and looked at Alayna with a mocking smile. They hadn't

seen each other for such a long time. But Alayna was as brainless as ever. "Aren't you also here to be the barmaid? Why are you meddling in my business?" "You!" Alayna was so angry that she blushed. She glared at Melissa, but in the end, she turned her head to the side and urged the bar owner. "You heard what Jon said just now. A necklace worth 3.5 million dollars is enough for her to stay in the police station for three to five years. Why don't you call the police? Or do you want your bar to be closed?" Melissa frowned and looked at Jon and Alayna. They were now like fools in Melissa's eyes. Melissa put Nina on the highchair, reached out to take off the necklace on her neck and showed it to the three people. This necklace is worth 16 million dollars. I don't care about such a necklace only worth 3.5 million." Alayna looked down and saw the necklace in Melissa's hand shining brightly. It was indeed very expensive. Alayna's and Jon's faces immediately turned a little sullen. They looked at each other. In the end, Alayna spoke first "Who knows if your necklace is real or fake and whether it is worth 16 million dollars? Besides, even if you wear a precious necklace, it doesn't mean that you won't steal someone else's necklace. Who can vouch for you?"

"Yes. You said you didn't steal the necklace. You have to open your bag and let us check it!" Jon blushed in anger "Alright." Melissa shrugged indifferently and opened her bag to show what was inside to them. There was nothing inside except a pair of earrings and a packet of tissues. There was no necklace that Jon mentioned! Melissa gave a mocking smile. "How is it? Did you see it clearly?" "This.... Alayna's face instantly turned pale. She had a look of disbelief. How was that possible? Alayna found Melissa's bag and put the necklace in it. How could it be gone? Melissa looked up and saw the look in Alayna's eyes. She found it funny and deliberately said, "You saw it too. There is nothing in my bag. Maybe you are the thief. If you don't mind..." Melissa looked at Alayna and said, "Why don't you check your bag too? Maybe you will find the necklace." "How ... is this possible? The necklace won't be in my bag Alayna argued, trying to prove her innocence, she quickly opened her bag, only to find that the ruby necklace was inside "No. It wasn't me. I swear!" Alayna shouted, How was this possible? Alayna placed the necklace in Melissa's bag just now. Why was the necklace in Alayna's bag now?

"Alright, now that the truth has been revealed, it's clear who the thief is. Melissa curled her lips and smiled coldly. An idiot like Alayna wanted to frame Melissa. Melissa snorted. Alayna overestimated herself!

Jon looked so shocked. How could this be? Alayna said that she had put the necklace in Melissa's bag but how did the necklace appear in Alayna's bag? Did Alayna want to get Jon's necklace? At the thought of this, Jon looked at Alayna angrily. "What happened?" "It wasn't me. I didn't steal your necklace." Alayna's face was pale. She was at a loss. Just as Melissa was about to speak, a clear voice of a man came from not far away. "Alayna is suspected of stealing other people's belongings and framing Melissa. And this necklace is worth 3.5 million dollars. I think Alayna will be put in prison." This voice... was so familiar. Melissa's heart skipped a beat. She subconsciously turned her head and saw a tall and slender figure walking toward them. It was Murray! Shouldn't he be in Los Angeles? Why did he come back all of a sudden? Murray smiled at Melissa's doubtful gaze and instructed the security guards beside him, "Send Alayna to the police station. As for Jon, take him to make a statement." As soon as Murray finished speaking, two security guards forcefully brought Alayna out of the bar. Jon was also frightened by the cold aura around Murray and could not say anything. Jon then turned around and left dejectedly. After the farce ended, Melissa finally heaved a sigh of relief. She looked at Murray and asked "Why did you suddenly come back? Why didn't you tell me?"

"I miss you, so I came back." Murray rubbed Melissa's hair, and his thin lips leaned close to her ear. "You shifted the necklace. Nice job..." Murray's warm breath sprayed all over Melissa's ears, causing her to blush "So you saw it all." Just now, when Alayna was conspiring with Jon to frame Melissa Melissa noticed it Alayna did put the 3.5-million dollar necklace in Melissa's bag at the beginning. When Melissa pretended to help Nina, Melissa took advantage of the time when Alayna turned to deal with other men and opened Alayna's handbag on the bar counter. Then Melissa successfully shifted the necklace to Alayna. It was a simple operation. Melissa did it very discreetly, but she did not expect Murray to see it. "Yes, I saw it." Murray raised his eyebrows with a half smile. "I called you to confirm where you were, but who would know that I would see such a wonderful scene?" Murray approached Melissa and put his hands on her waist. Their eyes met and they were very close Things were so erotic "However, this is what I like about you." Murray brushed the hair by Melissa's cheeks with his fingertips and gently fucked them behind her ears When Murray was separated from Melissa, he had been thinking about her every moment "Do you miss me?" Murray's low voice sounded in Melissa's ears. Melissa could not help but blush. If she said that she did not miss Murray at all, it was a lie. Melissa paused for a few seconds, then finally tiptoed and kissed Murray's forehead. "People say absence makes the heart grow fonder. I also miss you very much."

Murray was stunned. It was rare for Melissa to directly confess her love like this. For Murray, it was a surprise. He curved his lips and hugged Melissa even tighter. His jaw was placed on her shoulder "You miss me. Don't move. Let me hug you like this." Melissa smiled and pushed Murray away. "Alright, let's send Nina back first. This is not the place to talk Murray could only let go of Melissa Melissa helped Nina, who was drunk. Then the three of them walked out of the bar together. In the police station..."

Alayna felt like she was sitting on pins and needles. If her crime of theft was established, then she would be ruined. Alayna thought, Melissa must have done something! What a shameless slut! Just then, a policeman came over with a man in a black suit and glasses. "Alayna, you can go back now." "Really?" Alayna looked up happily. "This gentleman has put up bail for you and helped you pay the fine. You can leave now." The policeman knocked on the door, mechanically repeated it and then walked away, leaving only the man in a black suit standing at the door. "Ms. Nash, I'm here to help you. Someone asked me to pay the fine to bail you out and wants to see you, the man said while pushing up his glasses. "To see me? Who wants to see me?" Alayna pointed at herself in confusion. Then she saw the bespectacled man's gaze. She suddenly became alert. "Who wants to see me?" "You'll know when the time comes."

The man took Alayna to Room 3103 of a hotel. After nodding at her, he left Alayna was puzzled. Who saved her? She took a deep breath and knocked on the door. "Come In!" The voice of a young woman sounded. It was somewhat familiar, Alayna pushed open the door and entered when she saw the woman sitting in the room, Alayna was stunned. The woman sitting on the sofa in the room was Adela "Alayna, come in." Adela looked up. Alayna suddenly realized that it was Adela who saved her. However, Alayna wondered why Adela was so kind. "Ms. Yale, did you get me out?" Alayna asked after consideration "Yes." Adela nodded. "I know. Someone must have framed you, right? Was it Melissa? What Adela said undoubtedly touched Alayna deeply. Alayna's eyes instantly turned red, and she nodded heavily. She seemed to be full of grievances. Smugness flashed through Adela's eyes. She patted Alayna's hand and comforted her. "I know you have suffered a lot. Don't be afraid. I will help you." "Will you? What are your conditions? Alayna asked in surprise. "Help me get rid of Melissa Both of us have our own goals. After you help me get rid of her can make you a big star in the world." Alayna hated Melissa to the bone. Now that Adela gave such a condition, how could Alayna not be tempted?

"Alright! Adela's lips curled up slightly, and ruthlessness flashed in her eyes. Adela thought, Melissa just wait However, Alayna was not strong enough to deal with Melissa It was best to have the support of someone powerful. As Adela thought about it, she gradually had an idea. The next morning, Adela came to Star Entertainment. Jaylin was sorting out some documents in the office. When he looked up, he saw Adela standing at the door. "Mr. Segar, can we have a chat?" Adela walked in. "Ms. Yale, what's the matter?" Jaylin asked with an indifferent look "I'll go to the point." Adela sat on the sofa and looked up at Jaylin. "I know you can help me get Murray, Melissa will be yours."

Due to Adela's self-confident statement Jaylin sneered. He leaned against the desk and said to Adela seriously. "Ms. Yale forgive me for being blunt You are too naive. If Murray and Melissa will easily break up because of us you won't come to me today. What Jaylin said was hurtful to Adela. She clenched her hand slightly pursed her lips, and smiled less brightly "So?" Jaylin shook his head and looked at Adela indifferently. He said bluntly, "So, I don't want to cooperate with you. Although I like Melissa, I will never use such a disgraceful method to get her. I'm afraid you have found the wrong person." Jaylin's refusal was flat and Adela's eyes turned gloomy for a moment. "If there is nothing else, Ms. Yale, please go back!" Jaylin bluntly asked her to leave. Adela suddenly stood up from the sofa and glared at Jaylin. "Mr. Segar, I hope you will not regret what you said." With that, Adela quickly left Julie, who followed Adela, had a cold light in her eyes. Adela even had ideas about Jaylin. She wanted to get Murray, so she tried to get Jaylin and Melissa together Julie thought, Jaylin is mine It seemed that the lesson Julie taught Adela last time was too small. When Melissa returned home, she received a call from Jaylin. "Melissa, are you home?"

"I just got home. What's the matter?" Melissa replied as she changed her shoes at the entrance of the house. "I'll talk to you face to face about the opening ceremony of The King Saying Farewell to His Queen', Jaylin said and then hung up Twenty minutes later, the doorbell rang. Melissa opened the door and saw Jaylin standing at the entrance "Come in." Melissa smiled. Jaylin nodded and stepped in. "Three days later, the company will hold the opening ceremony of the movie. At that time, you and I must attend it. Only then can it show that we value this movie very much. Do you have time?" "So soon?" Melissa rubbed the space between her eyebrows. She had been too busy these days. She almost forgot about this matter. "Not at all otherwise, we won't be able to make it to the International Film Festival," Jaylin said in a low voice. Melissa muttered, "Alright got it. I'm the screenwriter of the movie. I will attend." "Melissa, you haven't had dinner yet, right? How about we eat out together?" After talking about work, Jaylin looked at Melissa with a worried look It had just been a few days. Melissa had lost a little weight Get Bonus Jaylin was a little distressed. He knew that Melissa had been busy looking for Nina's boyfriend these days. She zoomed around. "No need..." Melissa shook her head and refused.

Melissa felt very tired after a busy day. So, she just wanted to stay at home to rest. Jaylin's eyes glinted disappointedly. Just as he was about to say something there was a sudden knock on the door, followed by Murray's charming voice. "Melissa! Melissa was stunned. Why did Murray suddenly come over? She opened the door and asked, "Why are you here?" Murray's gaze fell on Jaylin in the living room, and his handsome face darkened. "Jaylin, what are you doing here at this hour?" Murray was jealous! Melissa understood Murray too well. It was not late, but Murray said this. He must be jealous. "We are talking about work." Melissa explained patiently. "Is that so? Are you done with your work?" Murray curled his lips and asked expressionlessly. "Yes." Melissa shrugged. "Since so, Jaylin, why don't you leave?" Murray asked Jaylin to leave rudely. Murray could see the way Jaylin looked at Melissa. Jaylin had never given up on

Melissa This made Murray unhappy. Seeing that Murray was getting more and more jealous Melissa had to say to Jaylin “Just go home. When the time comes, I will attend the opening ceremony on time. “Okay. I’m leaving.” Jaylin stood up his handsome face full of disappointment The moment the door closed, Melissa turned around and glared at Murray. “Jaylin came to me for work. Why are you jealous? You even scared him away. “He had a good time with my wife. Shouldn’t I be jealous?”

Murray reached out his arm and pulled Melissa into his arms. He leaned close to her and deliberately lowered his voice. Murray lifted Melissa’s jaw. Her beautiful face was close to him, and there was a blush on her cheeks. Murray suddenly felt his throat tighten. It had been a long time since he had been so close to Melissa As jealous as he was, he couldn’t help but feel angry. He held Melissa’s chin and kissed her forcefully. Melissa was kissed before she could finish. What freed her was Murray’s overbearing kiss. Murray forcefully opened Melissa’s mouth and stuck his tongue in Melissa sat on his lap and could only raise her head to respond. Her hand unconsciously tightened around Murray’s shoulder and neck. Melissa even wrinkled his suit “Melissa.” As they kissed, Murray became mischievous. He moved his hand up and down along Melissa’s waist, trying to roll up her clothes, and his voice was a little flirtatious. “I miss you so much...” As soon as Murray finished, he carried Melissa in his arms strode into the bedroom, and placed her on the bed. Murray looked down at Melissa’s eyes seriously. His fingers rubbed the side of Melissa’s face and slowly slid to her neck and collarbone. He caressed her gently. Immediately Murray kissed Melissa’s red lips again, but it was different from the overbearing kiss just now. It was tender. Melissa was inexplicably nervous, her heart beating wildly.

Melissa did not refuse, but she suddenly came to herself when her pajamas were about to be rolled up Melissa held Murray’s hand and half-opened her eyes, looking at him in a daze. However, then Melissa rejected Murray. “Murray, I know you miss me, and so do I. But this is not the right time. Let’s not do this, okay?” The more Melissa spoke, the more clear-headed she became. Her tone was gentle and soft, but it was a firm refusal. Murray stood there, not knowing what to say for a moment. “Didn’t you say that you would respect me?” Melissa took a deep breath and pushed Murray away. Murray’s eyes were burning with desire. He said in a low and hoarse voice. “But I can’t wait any longer.” “I can’t do that now.” Melissa was a man of principles. “You promised me so you have to keep your promise.

**Chapter 369 We Find Tom**

"OK" Murray stared at Melissa for a long time. His eyes were still filled with desire, but he finally compromised. He loosened his hands and stood up, sitting beside Melissa helplessly. Melissa couldn't bear to see him like this. She wrapped her slender hands around Murray's shoulder as she snuggled up to him. She raised her eyes and looked at him. "We still have a lot of time. Be patient. OK?" Murray turned his head slightly and saw Melissa's beautiful face. He planted a kiss on her forehead. "OK" Jaylin went out and walked under the dim yellow street lamp. It was facing the direction of Melissa's living room. He couldn't help but look up. There was a bright light behind the window. Jaylin thought, Murray and Melissa must be together now. Perhaps the two of them are... Jaylin felt bitterness in his heart and the feeling was getting stronger. He shook his head and did not dare to think further. In the end, he only lowered his head and laughed at himself. When he thought that Melissa might be nestled in Murray's arms at this time and the two of them were saying sweet words to each other, he felt upset. The feeling was painful and made him uncomfortable. The joints of his fingers tightened bit by bit. In the end, he put them into his jacket pocket and stepped forward. Somehow, Jaylin suddenly thought of Adela's words. "Let's cooperate. You help me get Murray. And Melissa will be yours."

These words kept ringing in his mind. Jaylin felt inexplicably irritated. He took a deep breath to get rid of the inexplicable emotions in his heart. He said to himself, Jaylin, what are you thinking? He did not look in the direction of Melissa's home again. Instead, he forcibly suppressed the irritation in his heart and left quickly. Over the past few days, Melissa and Nina had not given up on finding Tom. Seeing Nina becoming more and more haggard, Melissa felt sorry for her. "Melissa, where did Tom go?" Nina's eyes were reddish, and she was exhausted. Melissa sighed in her heart and comforted Nina. "Nina, why don't you go get some rest first? Don't worry. I will definitely help you find Tom." "Really?" Nina bit her lip. Melissa nodded and pulled Nina onto the bed to let Nina rest. "You need all your energy to find Tom." Melissa watched Nina fall asleep, and then she left. Melissa had only taken a few steps when she received a call from a bodyguard. "Ms. Elle, we found Tom!" "Really? Where is he?" Melissa asked happily. "He is in Boston," the bodyguard said. "OK. I got it. I'm on my way." Melissa responded repeatedly and then returned to the hotel where Nina was. In Melissa pushed Nina's shoulder. "Nina, wake up! We know where Tom is!" When Nina heard Tom's name, she instantly opened her eyes and sat up from the bed.

"Really? Where is he now?" The bodyguard looking for Tom said that someone on the outskirts of Boston had seen Tom. He's not going to make it far in his current condition. Boston is not far away. If we go now, we will be there in an hour or two! Nina immediately became spirited and walked out with Melissa. "Let's go!" An hour later, the two of them finally arrived in Boston. Melissa quickly contacted the bodyguard who called her and rushed to meet up with him. "Where is Tom?" Nina hurriedly asked the bodyguard the moment she saw him. A middle-aged man beside the bodyguard said, "I saw the person you described when I was fishing in the suburbs. The place is only half an hour's drive away from the city. Oh, there is also an artificial lake nearby, find." Tea

Nina was already very excited. She wanted to both cry and laugh. She unconsciously clenched Melissa's hand. Melissa hurriedly patted Nina's back and asked the middle-aged man about the specific direction of the artificial lake. They hurriedly drove over. At this time, there were not many people in the suburbs. Melissa and the others began to look around for Tom as soon as they got out of the car. Nina walked up a small hill, and Melissa was nearby Nina found a small cabin on the hillside. From the outside it looked very old. It seemed that no one would live there. Nina stood in front of the door and pondered for a while. Just as she was about to turn around and walk away, a loud sound suddenly came from inside the cabin t to turn ard It seemed to be the sound of a plate falling to the ground. Nina paused for a moment and pushed open the door of the cabin without hesitation. Instantly she saw Tom, who was stunned in situ.

His right leg was still bandaged, and the gauze had turned yellow. It seemed that he had not treated the wound property for several days. Tom. Tom. I found you. Finally! Nina's eyes turned red. She was extremely emotional She took a few steps forward and hugged Tom tightly. Tom was stunned for a moment. Then, he reacted quickly and wanted to shake Nina off. He struggled to move back a step and struggled to break free from Nina. His right leg was still hurting "What are you doing here? Didn't I already break up with you? I'm done with you. Hurry up and leave. He tried hard to turn his body to the side, controlling himself not to look at Nina's face, and his voice became very cold, Nina Yawkrd at Tom in astonishment. She shook hier lead gently and still wanted to grab Tom's arm. "No... Tom, your right leg has not recovered you. It has been a long time before it was treated, right? Luca has already come lo Aldness Come back with us quickly. At least you should heal your leg. "No need!" Tom suddenly became extremely excited. He shouted at Nina with a reddish lace. I'm already a cripple now. Why do you still care about me? I won't Robuck with you!" Just as the two of them were in a deadlock the door of the cabin will suddenly pushed open again. It was Melissa The moment she saw Tom, her eyes were filled with surprise. When Nina saw Melissa. Nina seemed to see her savior. She grabbed Tom's wrist and hurriedly said to Melissa, "Melissa, help me persuade him. Tom said he didn't want to go back to Aldness with us. He didn't want to treat his leg

"Can't you understand what I'm saying? I won't go back! That's it! I'm done talking to you!" Tom became more and more agitated as if he had gone mad. Melissa frowned and looked at him with disappointment. Melissa simply gestured for the bodyguards behind her to come forward. The two bodyguards held Tom's arms respectively, forcibly took Tom out of the cabin, and stuffed him into the car. During the process, Tom was still struggling. Only when he sat in the car did he finally calm down. However, he still refused to say a word and ignored Nina. He just looked out the window. After returning to Aldness, Melissa immediately contacted Luca and brought Tom to the hotel where Luca stayed. "Luca, this is Tom. We finally found him. Please take a look at his leg."
