

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel alternative...

Chapter 2378

“Who are you??” Yi Yun asked Arron straight to the point.

Arron still looked at the woman in front of him calmly. He was sure that he had never seen this woman before.

“How did you get in?” Arron asked.

“The front desk brought me in, I asked you, who are you!” The woman asked in a questioning tone.

Arron stopped looking at the woman, just picked up his mobile phone and dialed a set of numbers: “Xiao Zhuo! Who is this woman!”

Xiao Zhuo is one of his secretaries.

She also just came out of the meeting with President Fu. She really didn't see a woman at the door of the president's office.

Xiao Zhuo hurried over and glanced at the woman, she really didn't know her. She didn't know whether to laugh or cry: “Excuse me, miss, how did you come in, how did you find the president's office, who are you, please leave immediately, or we will call the police!”

Yi Yun: “You, what did you say!”

“Please leave immediately . !”

Xiaozhuo looked up at Arron again: “I'm sorry, Mr. Fu, I'm sorry, I will investigate this matter immediately, and the relevant personnel will be held accountable, I will do it immediately!”

Yu Bi, Xiaozhuo didn't look at Arron, no longer looked at Yi Yun, Instead, he picked up his mobile phone and dialed a set of numbers: "Security, please come to Mr. Fu's office immediately, there is a woman who is unknown here, shoot her out immediately!"

It's really hateful.

The Fu Group has been strictly managed over the years.

When did such a pouting woman come to the door of the president's office.

After the call, Xiao Zhuo looked at Yi Yun in disgust.

Yi Yun was stunned.

A few seconds later, seeing that Arron was about to push the door in, she grabbed Arron's arm and said, "Are you President Fu?"

Her expression cannot be said to be a surprise.

At this moment, Yi Yun's expression is not an exaggeration to say that she is a nympho.

The reason why she broke into Arron's office uninvited was just to see what Arron was like.

An illegitimate child!

He has been filthy since he was a child. It is said that he has never been nurtured in the Fu family, and has always been wandering outside. Such a man is not only a nouveau riche, but may also be a gluttonous pig's head!

If that's the case, she Yiyun will definitely not wrong herself.

She just looked at it first, and if she didn't pass, she would say to Arron very condescendingly, "I'm sorry, Miss Ben doesn't like you!"

Then she turned around and left.

However, what she never expected was that Arron was so...

nearly 1.9 meters tall.

It looks a little thin, but the line of men is very compact.

He belongs to the kind of man with tall, long legs, wide shoulders and narrow hoards, and a whole body of tendon muscles.

Especially his facial features, angular, but extremely calm, his body has retreated the immaturity of a little man in his twenties, but he is not too old-fashioned at all.

this man.

It really fits Yi Yun's mate selection criteria.

She has stayed abroad for so many years and has never seen such a man.

too.....

At this moment, Yi Yun's antonymous disease was all written on her face.

She wished she could hug Arron and kiss her.

"Who are you?"

Everyone in Nancheng knew about his Arron's temper.

The woman who wants to marry Arron in Quannancheng can walk around Nancheng twice, but for so many years, there is really no woman who just came to Arron voluntarily.

Where did this superlative come from?

"Who am I! You must have never seen me, and I must have been to Fu's house when I was a child, but I don't remember it myself, and you, you never stayed in Fu's house when you were young, you have been wandering outside all the time, yes It's not allowed to enter Fu's house, so you must have never seen me. But that's okay.

I'm very satisfied with you.

Chapter 2379

Well, they say you are over forty this year, I thought you were very old, but I didn't expect you to be so young, I don't look old at all. If you say you are thirty-one or two years old, I believe it.

God..."

Arron: "..."

Really speechless. After

a long time, he is the father of three children, and everyone in Nancheng knows that he is afraid of his wife

. No one dared to come to the door.

Did this wonderful woman fall from the sky?

Arron was stunned.

He has not been so rude for many years . He

helped manage the funeral of the Shu family a few days ago . Not calm.

At this moment, after being admired by this wonderful girl, Arron was dizzy with anger.

"Go away! He said a word calmly.

Yi Yun: "What did you say?" "

Arron is too lazy to say it a second time.

He just wants to kick this woman out of his career immediately, it has nothing to do with her life or death.

It's better to kick her to death! Just as he

was about to lift his foot, a voice suddenly came from a distance. : "Mr. Fu, Mr. Fu, are you there, can I come in? "

Arron suddenly stopped.

That was Galia's voice.

Galia's voice came from the front desk.

"Galia?" Arron shouted.

"Well, it's me, Mr. Fu. If it's inconvenient for you, I'll put things at the front desk. If it's convenient for you, I'll come in by myself. I'll tell you about Mr. Fu first. I wanted Suzi to take me with you. I got up, but Suzi was not free, she said, she agreed with me to come by myself, so I came by myself, I mainly came to thank you.

You really supported me that day."

"Come in." Arron's mood eased a lot.

Galia is Christopher's younger sister.

After so many years, behind her and Darius's incomparable relationship, this girl has always been upright and has no bad intentions. Especially good for Suzi and the children.

Like Suzi's sister.

More like the aunt of several children.

In this way, the brother-in-law sees the sister-in-law, although it is a bit ridiculous. That's even better than seeing this wonderful woman in front of her.

Galia came in cheerfully, holding a lunch box in her hand. At first, she didn't take the two women next to her seriously.

She thought it was a company employee.

Galia is a well-behaved woman, she held the lunch box to Arron: "Mr. Fu, I won't go into your office, it's not good, this is the sleeping with wild vegetable stuffing wrapped by my parents, she said that our family is Poor, there is nothing else I can thank you for, so I packed a bed and asked me to deliver it to Suzi and the children. Suzi ate delicious food, and she insisted that I deliver it to you.

Thank you.”

Arron happily ended up with a lunch box : “I think, these dumplings must be delicious.”

Galia was even more happy: “Then I’ll go back, I won’t disturb you.”

“Okay.”

Turning around, Galia saw Yi Yun who was stunned.

“Hey, you...I think you look familiar, are you...a relative of our family?” Galia tilted her head and thought for a while, then asked Yi Yun.

“Who are you!” Yi Yun yelled angrily.

Galia suddenly remembered: “Oh, I remembered, you are the child of our domestic servant, your name is Yi Yun, I have seen your photo, our family has it, it was when the elder brother and sister-in-law were on an unexpected outing. The photo I took has you on it.

Oh, by the way, Yi Yun, why are you outside Mr. Fu’s office, are you here to apply for the job?”

“Crack!” Yi Yun raised her hand and slapped Galia: “Who is your family? The maid! You are so bold!”
