## Chapter 2396

Darius: "You! What nonsense are you talking about!"

I really want to slap this damn woman to death!

So \*ing nasty!

It is true that a gentle, refined and well-trained person like Darius would be swearing at this moment!

However, he still resisted the urge to utter foul language, but grabbed Yi Yun's clothes and said word by word: "Yi Yun! Did you know that you have been condescending and worshipping Gao since you were five years old when you were young? Step down!

You went to Shu's house with my grandfather when you were five years old. It wasn't that my grandfather took you!

Instead, my grandfather was afraid that my sister Qingyan would be lonely, so he asked you, the little maid, to accompany her!

And!

Do you still think that you give Arron snacks a gift of water?

Do you know that helping people can't hurt the dignity of the other person!

You really want to help him, why don't you pass the snacks to him and give them to him? Where is his real warmth?

And you!

You are giving alms!

The alms-giving above!”

Yi Yun didn't dare to talk back to Shu Ming.

She knew that his next goal was Darius, and of course he couldn't talk back.

She cried and whispered, “I was so kind at the time, but the way I gave it was wrong!”

“But you don't even know that people don't need you to give them snacks! Arron is the son of Fu Zhengxiong, the son of the little princess of Jiaying Island, does he lack food and clothing? You idiot!

” scold Yi Yun.

Yi Yun: “Then what is he doing at the entrance of Fu's house?”

“He is standing at the entrance of Fu's house because Fu Zhengxiong and the old man let him in, because that day the Fu family was entertaining the dignitaries in Nancheng, and the young masters of the Fu family were all in the house. Arron was supposed to be there.

He came out by himself.

He didn't want to stay in that yard!

Because his mother was not recognized!

Got it!

You idiot!

He didn't want a bite at Fu's door . Yes !

He didn't care to enter Fu's house at all, he ran out of Fu's house, and his mother was at the door of Fu's house and pushed him to let him in. He didn't want to, so he stood at the door with his Mother is angry!

He is not standing at the door of Fu's house begging for food!

Do you understand!”

It really made Shu Ming die from anger.

This idiot woman, I really don't know what she's doing when she comes back!

Most of the people in this world are mediocre, and there is nothing wrong with mediocrity, but you are obviously mediocre to the point of stupidity, but do you still think that you are smart and beautiful?

Still thinking about the Ang family reporting to you?

What bullshit thinking is this!

What Galia said was extremely embarrassing.

She wanted to cry, but she didn't dare.

Her eyes rolled and turned, and then she suddenly remembered what the three brothers of the Shu family had told her in the car.

She immediately burst into tears, and her voice was timid: “Well, I know I was wrong, I was all wrong, but I didn't say anything wrong about one thing.

That Galia, she was obviously going to hook up with Arron. I went.

He and Arron were very affectionate.

He even sent him to sleep in person.

On the way here, three brothers told me that Arron had married and had children. But

according to Galia, isn't this a knowing crime?

If it was a woman from another family, I would You can't talk so much, but, but I heard... that Galia, she is... she is really the young mistress of our Shu family.

In this case, I will take care of this matter. I can't hide it from you.

I have to report it to the young master.”

Darius: “...”

“I, I have finished reporting my words, I know I did something wrong, I know... I have committed an unforgivable sin, I will kneel down to the old man and wife now to atone for my sin.”

Saying that, Yi Yun was about to kneel.

That look of pretending to be submissive really made Darius look sick.

Moreover, at any time now, I still come to kneel.

## **Chapter 2397**

Feudal imperial system ah!

Besides, you are a woman who has returned from abroad, aren't you independent and free?

Kneel down.

The more I look at Yi Yun, the more disgusting it becomes.

However, no matter how disgusting it is, he will have to survive these few days. When Yi Yun and a few older brothers regret going abroad, he will be silent.

Just hold on for a while.

Before Yi Yun knelt down, Darius immediately bent down and supported Yi Yun.

“Oops, I... what's wrong with me?” Suddenly Yi Yun lost her head and slowly fell into Darius's arms.

“Yiyun! Sister Yiyun! What's wrong with you?” Shu Ming hugged Yiyun and shouted vigorously.

Yi Yun fainted.

“What’s going on here! What’s wrong with Yi Yun?” Darius looked back at his three brothers anxiously.

Shu Mingxia lamented: “What else could happen? After flying for more than ten hours in a row, when I got off the plane, I went to visit Xiaoqiao who she thought she had rescued, but she was sent to the detention center, where she was detained. She stayed for a long time, frightened and tired.

She was finally released on bail, but she returned home. We still interrogated her like this.

You must know that she grew up abroad

. Familiar.

If you go to a place you don’t know well, and you’re so tired after a ten-hour flight, try going to the detention center!”

Darius was speechless.

He suddenly roared: “Call an ambulance!”

Yu Bi, he shouted again: “Forget it, let’s drive over by ourselves!”

Yu Bi, he didn’t have time to think about it, so he picked Yi Yun up with a horizontal support and quickly run to the car.

Putting her into the car smoothly, Darius drove all the way to the hospital.

The three brothers behind him also drove behind him.

The three brothers sneered at each other in the car, and the three said in unison, “Galia! We will never let you, a little bastard, enter our Shu family as Mrs. Shu!

Young mistress!

Don’t even think about it!”

Yu Bi , Shu Mingtian drove and followed Darius to the hospital.

Outside the emergency ward, the four brothers were extremely anxious.

“Hey, if Yi Yun’s parents found out about this, they would definitely think we didn’t take good care of Yi Yun.”

“The Yi family has been loyal to our family for generations, we can’t treat Yi Yun like this...”

“Stop talking, Ming Zhen didn’t mean it either...” The three brothers sang in harmony.

Darius didn’t hear it.

Because he only looked at the door of the emergency room with great concern.

More than two hours later, the door is still closed.

What is the situation?

Will Yi Yun have any three strengths and two weaknesses?

If that’s the case, he, Darius, has an inescapable responsibility.

She also just got off the plane and came back, why are you so harsh on her?

Also called her an idiot.

Why!

In the end is too impulsive.

The door to the emergency room suddenly opened.

Darius immediately grabbed the doctor’s hand: “Doctor, doctor, may I ask what’s going on with my sister?”

“Are you from Yi Yun’s family?” the doctor asked.

“I am, I am, I am her younger brother. At that time, her three older brothers, and the four of us were her closest relatives. You can tell us anything with confidence.” The

doctor sighed: “Actually, There is nothing serious. She may not have lived in Nancheng before, so she cannot adapt to the humid air in Nancheng. In addition, she is anemic and her blood supply is insufficient, and people are prone to fainting.

The patient is not accustomed to the soil and water. You, as family members, must take good care of her. .”

Darius: “...Understood.”

At this time, his cell phone rang, and when he picked it up, he saw that Galia was calling.

He then said in a slightly tired tone: “Galia, I’m busy here, don’t call me if you have nothing to do.”

At that end, Galia’s heart sank, and then she said sensible: “Got it. ...”
