

PUNISHED BY HIS LOVE

I' m Sorry My Love Novel Alternative

Chapter 2448

Galia turned around and saw a man in casual clothes, but with a refined air all over his body standing beside her behind.

The man is more than 1.8 meters tall, and his appearance is upright and gentle. The first impression he gives is that he is very kind.

Galia was stunned for a moment.

If it were her past temperament, she would be very willing to make friends.

But now, Galia has become more cautious, she looked at the man in front of her with cold eyes, and her voice was even more cold: "Sir, do I know you?" The

man smiled elegantly: "I don't know."

Galia: " I'm sorry, I'm a married person, don't say I don't know, even if I know a man, I rarely dance with people, sir, please stay away from me! Otherwise, I will call the security guard here You kick out!"

She had already kicked one out just now, and she didn't mind kicking out another one.

Hearing Galia's words, the man did not walk away.

Instead, he sat patiently opposite Galia.

Galia: "..."

After a moment's pause, she suddenly became angry: "How could you be! Do you fall into the pit? Or the wall is pushed down by everyone! I Galia, including our Yan family, think that they have always been I haven't done anything wrong! What the hell are you

trying to do? Can you have some fun? It's like stealing chickens and dogs. Don't you feel very forced to come to such a play today and come to such a play tomorrow? Okay

Come

on!

I'm not afraid!

come! “

From childhood to adulthood, Galia has never been so angry.

At this moment, she really erupted.

Her facial features are petite and exquisite, with a playful look, and her skin is also fair and tender. Very thin, when she got so angry, the blue capillaries on her nose seemed to be throbbing.

Since then, she has become Galia, cute and pitiful. The

man stared at it for a second.

His expression was still very flat, and he was extremely patient. After

watching Galia get angry, his tone was still indifferent: “This incident has hit you hard? Touched a lot? Galia: “

What did you say!” Can't understand! I am here waiting for my sister! Please leave! “The

stranger shook his head: “Galia...”

“You know my name?” Galia asked even more angrily.

“Listen to Galia, in fact, we live in this world, originally suffering outweighs joy. Many people in this world have experienced more pain

and injustice than you, far from it. Say, take your friend Suzi as an example, her experience from childhood to adulthood has been more difficult than you, but you can see how calm Suzi is now, and her face has always had a smile on her face.

And, rarely get angry. “

“You! You not only know me, you also know Suzi, who are you! I tell you! You bulls, ghosts and snakes come to destroy my Galia and Shu family affairs, you will destroy it! This is not to involve others!

Suzi’s life has been bumpy and difficult!

She has finally lived a clean life. If you dare to provoke Suzi, Suzi’s children, and my little aunt, I will come in with you with a white knife and come out with a red knife!

I can tell you can do it! “

Hearing Galia’s harsh words, the man was still not angry.

Instead, he smiled, with such a gentle smile.

His smile was born with a healing effect, so that an angry person like Galia could not escalate his anger.

The man’s voice is even more gentle and can make the ear pregnant: “Galia, I know you because from yesterday to today, I saw reports about you and your mother on short videos, the reason why I know your friend It’s called Suzi because I and you were calling Suzi’s name on the phone just now.

Because of the exposure of your family on the short video, anyone who has watched the short video should know that you are the daughter-in-law of the Shu family in Nancheng.

Chapter 2449

And Nancheng Shu’s daughter-in-law and Nancheng’s richest man Arron’s wife Suzi have a good relationship, which many people know matter.

It’s no secret.

As for Suzi, anyone with a bit of logical thinking, especially those who pay attention to the upper classes and the life of the wealthy, will know the name of Suzi.

Because her life has been bumpy and legendary, and she is a woman who has come through all the way calmly.

Although I have not met Suzizhen, I have researched her.

After saying this, Galia was stunned.

It even made her terrified. “

You...you...who are you!” Galia asked with a trembling voice.

After a while, Suzi will come. If this person touches her and Suzi so clearly, Galia does not want Suzi to come over, she is afraid of Suzi She was hurt.

At this moment, she even wanted to call and tell Suzi to tell her not to come.

Don't go into this muddy water. The

man took out a business card from his casual clothes and handed it to Galia.

“Jin Jiaming? Are you Jin Jiaming? Galia looked at the man in front of her with re-examining eyes. The

man smiled gently: “It's like a fake. “

“Are you really Jin Jiaming?” Galia looked at Jin Jiaming suspiciously.

She knew about Jin Jiaming.

Jin Jiaming is a rare talent who is a screenwriter, film director, director and performer.

In the past five years, the films written and directed by Jin Jiaming have won major international awards for many times, and the works directed by Jin Jiaming have profound meanings at every step.

He has received rave reviews at home and abroad.

Galia also likes watching director Kim Ka Ming's works very much.

Not long ago, she watched a movie with Suzi and Rayna.

Not to mention that Galia is familiar with Jin Jiaming, even Suzi, who doesn't pay attention to film and television, knows about Jin Jiaming.

Jin Jiaming looked at Galia with a wide-eyed smile: "Now, you won't doubt my identity any more? I'm not someone from the Shu family, let alone someone the Shu family brought to frame and smear you, so Galia, you don't have to be afraid of me. The

reason why I came here today is because people say that there is a coffee shop nearby that is very sentimental and has a retro decoration.

The music here is also melodious and light.

I just want to see if I can use the scenery here. , I didn't expect to meet Miss Galia here."

Having said this, Jin Jiaming's face showed a look of recall.

Just ten minutes ago, when he was drinking coffee alone in the corner and secretly observing the scenery and humanistic atmosphere here, he happened to see the scene where Galia dealt with Yi Yun.

The girl's resoluteness and firmness made Jin Jiaming's eyes shine.

After disposing of the woman named Yi Yun, he saw Galia sitting here alone, crying like a child and calling her good friend. Anyone who saw the situation couldn't help it. Pity and love.

Later, when she saw Galia sitting alone in the booth waiting for Suzi, her hesitant, quiet, and slightly aggrieved profile gave people a dreamlike feeling.

Jin Jiaming was stunned.

It has been a long time since he had seen a girl with such a rich expression.

Nowadays, the market economy is extremely serious, especially the new generation of actresses who graduated from film academies, wish they could grow into a face in one class.

Nothing special.

Especially when they were performing, all the emotions, all the emotions, all the joys and sorrows, could not be performed by staring and gnashing their teeth. That kind of performance often embarrassed Jin Jiaming so much that he couldn't bear to look directly.

But, the girl in front of me is different.

Her joys and sorrows, her firmness, and her child's helplessness, all made Jin Jiaming feel the same.

"Miss Galia, I... can I invite you to be the heroine in my movie?" Jin Jiaming asked straight to the point.
