## Chapter 2406

The

police repeated: "The pickpocket, he knows Mr. Yan, and he wants Mr. Yan to come and bail him."

Galia: "..."

She stared blankly at her parents, covering the receiver in her hands, and then asked her parents, "What the hell is going on?"

Galia's parents bowed their heads.

Galia had to say into the receiver: "I see, we will come over as soon as possible."

After closing the line, she was a little excited: "What the hell is going on, Mom and Dad! Why did you go out for a morning exercise and it happened? What happened? The necklace around my mother's neck was bought by Ming Zhen for 600,000 yuan to honor my mother. The necklace was robbed, but you were indifferent and didn't let me call the police.

Now the police came to me.

The one who stole my mother's necklace is the pickpocket who is currently at the police station, right?

Dad!

Mom!

What the hell is going on!

Can you tell me! At this time, won't you do anything wrong!"

Galia, whose mother was furious, finally couldn't hold back at this moment.

She has been wronged for several days.

She couldn't go back to the huge Shu family.

Always beware of the woman who haunts Ming Zhen!

These things were enough to upset her, and now her parents have something to hide from her.

She is about to collapse!

At this time, someone knocked on the door outside.

Galia immediately went to open the door.

The door opened, and the uncle, aunt and Christopher came in.

"Uncle and auntie? Brother? Why are you here? Do you also know what happened at home? Do you all know something, just hide it from me, right?"

Christopher looked at Galia solemnly: " Galia, you are now 30 years old. You have to take responsibility and take care of your parents. You have to support a family and not be petty, understand! Brother

tell you!

, the more we can't be impatient!

Because this is the most easy time to get dizzy.

Brother, as long as you remember one thing, your parents have done nothing wrong, they have always had a clear conscience!

Do you understand?”

Galia shouted with tears in her eyes. Head: “Understood brother, brother, why didn’t you go to work today?”

“Temporarily asked for leave from the fourth master.” Christopher said.

Yu Bi, he looked at the second uncle and second aunt: “Second uncle and second aunt, since things have come, don’t be afraid, we are doing well, we will go to the police station now, and see that scum first. Besides

, at least, you have to get back the necklace on Aunt Er’s neck! It

’s worth hundreds of thousands!

Let’s go, let’s go with the whole family!”

Yan’s father and Yan’s mother nodded immediately.

Galia originally wanted to ask what was going on, but at this moment she didn’t ask.

Anyway, go to the police station first.

A family of six drove to the police station.

In the detention room, when the extremely thin and incomparably locked man saw Dad Yan, he immediately sneered: “You are still here.”

Dad Yan also came: “You haven’t been smoking less in recent years, right?”

Man: “Can you manage it?”

Father Yan sneered again: “Of course I can’t! Even if you rob you everywhere because of this! I can’t control you, that’s the law enforcement department, but you robbed me. The wife’s priceless necklace is none of my business.”

## **Chapter 2407**

“What if I rob it?” The man sneered like a sneer.

“I just robbed her, and I want to strangle her! It’s just that I’m not strong enough!” the man said viciously.

Dad Yan shook his head contemptuously: “You were robbed, but you were also caught in, the necklace still has to be returned to us, not only that, you have to go to jail!” The

man looked at Dad Yan provocatively: “So, I Let the people at the police station call you and ask you to bail me out. And you are here too, aren’t you?”

Dad Yan stood up immediately: “Do you think I will bail you out! You are a crime! Robbing people on the street is a real crime! So many people are watching! Don’t you know how harmful you are? Not only robbing people, but also smoking!

I bail you!

Don’t say I am not qualified to bail you

Even if I am qualified, why should I bail you, you are too imaginative!”  
The man ignored it

, but said in a threatening tone: “Anyway, I am a person, I have a habit of going in and out, I am now I don’t have any money. Arrest me. Just give me a warning. Why don’t I do it?”

But you!

Yan Weimin! Listen

to me!

I, you will pay the price right away.”

“You!” Dad Yan was angry, raising his hand trembling and pointing at the man: “What did you do! What did you do! Say it! Say it!

” A face turned red.

His voice is also very intense and very loud!

It was so big that Galia and Yan's mother, Christopher and his uncle and aunt who were outside the detention room all heard it.

Several people outside looked at each other.

Galia was so anxious that she cried and looked at the detainees: "Is my dad alright inside?"

Christopher couldn't take care of that much anymore. It was the first time he called Arron because of his personal affairs.

A few seconds later, Arron's phone number reached the prison.

After closing the line, the detainee said to Christopher: "Mr. Yan, you and your sister can go in, and the other two old people are fine. This is already an exception for us. Be careful not to irritate the prisoner."

Galia immediately nodded and thanked: " Alright, alright, alright! Thank you."

When the two brothers and sisters entered the cell, they saw Dad Yan angrily and trembling, glaring at the detained man opposite him.

The man was calm: "You don't even think about it, I've been vying for it all the way, and it's still a wet market with huge traffic. Do you know how many people there are?"

Do you know how many people see me?

Do you know how many people called the police?

However, even if you don't know the above, you must know the danger and news.

If I guess correctly, after a while, the reporters will be surrounded by reporters, waiting for you As soon as you go out, those reporters will surround you.

And!

Some of these reporters will definitely ask you some questions that you don't want to ask."

“You are too despicable!” Father Yan yelled angrily.

The man sneered slyly.

Galia behind him was so angry that he was about to explode: “Dad! Who the hell is he! What nonsense are we talking to him!”

The man seemed to see Galia behind Yan’s father. She greeted Galia very relaxedly and affectionately: “Hi, hello, my sister. After so many years, you must be the first Have you seen me again?”

But you grew up, I have seen you several times.”

Galia was stunned: “What did you say!”

“I said, you are my sister.” The man smiled, and in his smile, Even with a bit of wretchedness.

Galia looked disgusting: “Who are you, your sister! I only have one brother! Here!”

Galia pointed at Christopher and glared angrily at the extremely thin man opposite.

The man raised his eyebrows and looked at Galia, and said in a provocative tone: “I said, you are not only my sister! You are also your \* mother! She is a junior!”

Galia: “Do you say it again?”

“Your mother, yes Little San!” The man looked at Galia and smiled viciously.

## **Chapter 2408**

Galia: “What did you say? What kind of shit are you spraying all over your mouth! Your mother is a junior, and your whole family is a junior ! You pickpocket! Robber!”

Your parents are the most perfect.

Since she was born, she has never seen her parents blush or quarrel. They love each other very much. How could her mother be a mistress?

“My mother is not a mistress, my mother is the original wife, and your mother is a shameless and indecent mistress!”

“You fart!” Galia stood up suddenly, tears also bursting out.

She would never allow anyone to insult her mother.

The man was very calm: “I can’t fart, ask your father!”

Galia turned to look at her father.

She hoped to find the answer on Dad’s face.

Yan’s father didn’t look at Galia, he also looked at the man calmly:  
“Whether your mother is a mistress, in fact, you can tell, when your mother gave birth to you, your mother and I were still married.

But you, but Not my child.

Do you think your mother is a mistress?

I shouldn’t have exposed your scars at this time, but you hurt my daughter.

Also, listen to me!

Whatever happens next Whatever happens, our whole family will hug each other tightly, even if a reporter comes to interview, let him do it!

We will do it!

As for you!

I will not bail you!

Because you are indeed a crime!

Let’s go, boy. “

Yan's father's last sentence was Galia.

Galia was still confused. She looked at her father with tears in her eyes: "Dad, what's the situation?" You are hiding something from me, you, your mother, even my uncle and my brother, are you hiding from me?

Is my mother really a junior? "

Galia, let's go out and talk about it." "Father Yan ordered calmly.

"Okay!" "Galia is a sensible girl, she wiped her tears and followed her father out.

The scrawny man behind him laughed horribly: "Haha! I didn't want you to bail me originally, I just wanted your daughter to know what the two of you are, and also, let the people in the whole South City know what you are!

a ha ha ha! Yan 's

father didn't turn his head back.

Galia was puzzled, but he didn't ask the man.

He wanted to ask his relatives what was going on. When

he came out of the prison, Galia saw his aunt sitting with her back. The mother on the steps comforted her softly. The

mother was crying with tears in her eyes.

Seeing Galia and her father coming out, her mother got up quickly, and then looked at Galia apologetically: "Child..."

"Is what the man inside said true? Galia asked.

Mom: "..."

"Are you really a junior?" Have you ever destroyed someone else's family? "Galia was almost questioning.

Mom: "..."

“The man inside, his mother and my dad are the original match!” And you, my dad’s second marriage? You are a third party interfering in someone else’s marriage and family, aren’t you! “

Mom: “...”

“You answer me!”

“Enough Galia! You are so ignorant!” At this time, the uncle suddenly scolded.

Galia looked back at the uncle: “Uncle...”

## **Chapter 2409**

“Mom is a mother! You must respect your mother! You must always remember that your mother is the most beautiful woman in the world. A good mother, the most admired mother!” The uncle looked at Galia sharply.

Galia’s aggrieved tears fell.

She asked inexplicably, “Isn’t this true?”

At this time, my aunt came over, looked at Galia, and said earnestly, “Son, is your mother a junior? That’s all in the past. Let’s not say that she is not a junior. Even if she is, your mother and your father have been legally married for more than 30 years. Now at this juncture, how can it be so coincidental that the old things of more than 30 years have been brought up again?”

Very Obviously, this was premeditated. It was aimed

at our Yan family, at you, child.

If our Yan family had an internal strife at this time, we would really fall into the full set of others. We

will be laughed at by others . If you say that, you will be succeeded by those who are behind the conspiracy.

Do you understand, child?”

The aunt's words reminded Galia.

She stopped crying immediately.

Although she was dissatisfied with her parents, at this moment, she still wiped away her tears and asked firmly: "Auntie is right, what should we do now?"

"Later, no matter how many reporters there are outside, no matter how many reporters they How ugly the culture is, let's protect the mother first. In this disaster, the mother is the biggest victim. Do you understand? When we go home and close the door, we are telling you what happened in the past."

Galia nodded.

She looked at her mother with red eyes: "Mom, I'm sorry, I'm too impulsive, no matter what happened, you are my mother, and the daughter will always be with you." The

mother hugged Galia , crying and weeping.

"Okay mom, stop crying, let's go home."

Mom nodded.

Two families, six people, just came out of the detention center.

Everyone's heart is peaceful.

They all knew what was coming next.

Sure enough, as soon as he walked out of the gate of the detention center, he saw a group of reporters swarming up like a hornet's nest.

"Excuse me, are you Galia? Are you Galia, the fourth daughter-in-law of the Shu family, the most respected family in Nancheng?"

"Excuse me, Miss Galia, your mother used to be a junior. This is already a serious matter. Excuse me. When you and Shao Shu were in love, did you tell the Shu family that your mother was a shameless and disgraceful little three crawling on the bed?"

“You have always concealed such disgraceful episodes of your mother?”

“Yan Miss Yan, I heard that when your mother forced your first wife away, she was already eight months pregnant and was about to give birth, but she was forced away by your mother? Is there such a thing?”

” Yes, that’s your brother, right?”

“Does the Shu family know that you have such a half-brother?”

“I’m sorry!” Galia finally spoke, her tone was calm: “The man detained in the detention center His mother is my father’s original wife, that’s true! But that man is not my father’s child!

He is not my brother!

The man detained in the detention center has no blood relationship with me!”

Although Galia did not confirm it, However, she believed in her father.

Dad is the father who has raised her for 30 years, and mother is the mother who has raised her for 30 years.

She knows better than anyone what kind of character parents are and how upright they are.

So at this most critical moment, she chose to face it bravely and defend the reputation of her parents!

“If it’s really the mistress, it’s the same woman! My father’s original wife, she was the mistress first, and she destroyed the family first!” Galia looked at the reporters in front of him with a cold gaze.

Such remarks are simply sensational.

All of these reporters’ interviews were broadcast live, and Galia’s remarks were quickly transmitted to Shu’s house.

It reached the eyes of the parents-in-law and Darius.

At this moment, my parents-in-law, Darius, and the three brothers above were all visiting Yi Yun in the hospital.

When he saw such sensational news, Shu Ming was shocked.

“Nonsense! How can you do this! It’s shameless!” Darius’s father, Shu Qinggong, was furious.
