Chapter 2418

Jiang Meiruo laughed even more ironically: “Haha! Yan Weimin, do you think your sister is a pure saint? Is he a piece of shit?”

Let me tell you, the family she offended is powerful and powerful in our generation.

Now your sister will look good.

If I guess right, the old man's first wife will definitely Find dozens of homeless people and give your sister to...”

“Where is my sister, tell me quickly!” Yan Weimin almost smashed the phone.

“You come to me now, I'll see if you can think of something.” Jiang Meiruo sighed.

“Okay, okay, I'll go now.”

Yan Weimin ran out of the school, called a tricycle, and went straight to the playground where Jiang Meiruo played.

At this time, Jiang Meiruo was smoking a cigarette in her mouth, looking like a little sister.

“Where's my sister!” Yan Weimin asked urgently.

“You came to a step late, your sister has been taken away, how about you, do you want me to help you?” Jiang Meiruo raised her eyebrows and smiled at Yan Weimin.

Yan Weimin glared at Jiang Meiruo angrily: “You are intentional, right! You have been intentional from the beginning! This is the whole set you set up. You dragged my sister into the water, why are you?”

Tell me, why are you doing this!”

At that moment, Yan Weimin even thought, this woman is not some kind of shady organization that specializes in selling human body parts, right?

If that’s the case, Yan Weimin is willing to sacrifice his body parts to save his sister.

He clenched his fists and glared at Jiang Meiruo angrily.

At that moment, he wished he could beat Jiang Meiruo to death.

Jiang Meiruo did not answer Yan Weimin’s question, but instead asked: “Yan Weimin, do you know when I noticed you?”

Yan Weimin: “Where is my sister! Tell me quickly, where is my sister!”

“From you and you The moment the two sisters entered the university with snakeskin bags on their backs, I noticed you both. At that time, your clothes were so dirty, your toes were still exposed, and the socks your sister was wearing were patched. Hahahaha,

I laughed so hard. I couldn’t believe at that time that there are still poor people like you in this world.

But later, I found out that you and your sister are the best students in the class.

And you Sister, you look pretty decent.

Not to mention you, you are active and cheerful, you work-study every day, and you hum a song while cleaning in the cafeteria.

The love between you and your sister makes you even more so. I’m jealous!

I’m jealous, you know!”

"I ask you, where is my sister! What do you want me to do to let my sister go!" Yan Weimin really didn't have the heart to listen to Jiang Meiruo's comparisons here.

"Want to hear my story?" Jiang Meiruo asked.

"I don't want to! Tell me quickly, where is my sister!" Yan Weimin came to Jiang Meiruo and shook Jiang Meiruo vigorously.

Jiang Meiruo only talked about her own affairs.

"Everyone knows that I was born into a wealthy family. They all think that I should be the eldest lady.

But no one knows that my mother is just one of my father's many wives. It

happened that, My mom is still the least favored.

When I was born, my father was already old.

Not only is he old, but our entire Jiang family has also fallen into decline.

My brothers, unscrupulously spent their family's savings, eating their old money, and emptying the Jiang family into nothingness.

When I grow up, our Jiang family will only have an empty shell.

Empty shell, you know? When

he said this, Jiang Meiruo's face was full of cruelty.

Originally, Yan Weimin wanted to continue to ask about his sister, but he understood it. If Jiang Meiruo was not allowed to finish her words, Jiang Meiruo would Won't tell him where his sister is.

Chapter 2419

Unfortunately, he could only listen to her patiently.

If only she would tell him where her sister was.

The expression on Jiang Meiruo's face changed from distorted to deep and desolate.

"When I grow up, my family, my father doesn't even give me enough living expenses, but the whole Jiang family will continue to support the appearance!

What is the appearance of such a big family?

Once, I actually saw me with my own eyes. That goddamn dad, let my mom go and seduce a big guy he used.

My mom doesn't want to go.

My mom said that big guy is old, bald, and has a big belly. There's not a lot of hair falling out.

She won't go!

But what did my dad say?

My dad said, 'You're the *** I ransomed out of that place! Letting you go is just letting you go back to your old business, what are you pretending to be arrogant here!

If you don't go, then Let my daughter go!'

No way, that night, my mother went to accompany the man.

That night, I was at home waiting for my mother to come back, I thought if my mother came back crying. I will give her warmth, I I wanted to run away with my mother.

But after my mother came back, she beat me hard.

She said that if it wasn't for being pregnant with me, she would not have married into the Jiang family.

She said how free he lived before

. I was dragging her down.

She kicked me with her heels and made me roll!

Roll as far as possible!

That night, I went to my best classmate's house, and I was also a rich and noble family, but when my classmates heard that I wanted to take my mother to leave Jiang's house, when I heard that I was actually very poor at living expenses, I The classmate kicked me out immediately.

She doesn't want to play with poor acid.

That night, I was not only beaten up by my mother, but also kicked out by my classmates.

From then on, I knew that if I left the Jiang family, I would no longer be a rich lady, and I might not even be the one to commit crimes on the street.

If I stayed at Jiang's house, I would be as proud as a beggar, except that I could have a reputation as a wealthy and noble family.

Since then, I have learned to be self-reliant.

That year, I was only sixteen years old.

Yan Weimin, don't you think I'm very good? "

"Are you done?" "Yan Weimin asked.

"Well." Jiang Meiruo nodded.

"Can you let me see my sister?" "Yan Weimin asked again.

"I can let you hear her voice." Jiang Meiruo said. As soon as she spoke

, she dialed a set of numbers, and the other end was quickly connected. Luo Jin's miserable cry immediately came from the other end of the phone: "No, don't come here, don't come!" "

"Jinjin, Jinjin, where are you, I'm brother, where are you, I'll save you."
"Yan Weimin's eyes were red on the phone.

“Brother, brother, come and save me, save me... woo, brother...” Luo Jin’s cry was miserable Great.

“I’ll be right here! “As soon as Yan Weimin’s voice fell, Jiang Meiruo hung up the phone.

Yan Weimin grabbed Jiang Meiruo’s clothes and glared fiercely: “What do you want, say it! Hurry up!”

Jiang Meiruo straightened her clothes and said slowly: “Yan Weimin, marry me. I promise your sister It’s intact.”

“What did you say?” Yan Weimin thought he didn’t hear clearly.

Jiang Meiruo repeated: “Within a week, marry me. I’ll keep your sister intact!”

Chapter 2420

“What did you say?” Yan Weimin thought he heard it wrong.

“Within a week, marry me.” Jiang Meiruo repeated.

Yan Weimin: “...”

He didn’t understand, how could such a poor man come out of a big mountain, how could he be favored by the eldest lady in the big city and wanted to marry him. In order to marry him, Jiang Meiruo would not hesitate to play like this trick?

“How is this possible?” Yan Weimin said sarcastically after a while.

After a pause, he said again: “I don’t understand the games you people play in the city, but since my sister is already in your hands, I will give you whatever you want to kill me.

Please don’t miss Jiang . I’m joking with me!”

“I’m not joking with you!” Jiang Meiruo said.

She looked at Yan Weimin with a possessive expression on her face: “I’ve fallen in love with you for a long time, you study well, you have a good heart, you are good in all aspects, and you are out of poverty!

But you are poor, and I am rich.

That's why we are the most correct, aren't you? You

married your sister who is not related to you, and you are in love, but you are both poor, and you are poor all your life."

Yan Weimin: "I'm sorry, Miss Jiang, It's our business that we are poor, I don't want to marry you, and I'm not used to your rich circle, I just want to be with Jinjin."

"Then wait for Jinjin to be smashed and die!" Surely, Jiang Meiruo also showed a vicious look.

Yan Weimin: "..."

"Would you like to hear your sister's voice?" Jiang Meiruo asked.

Yan Weimin clenched his fists with both hands.

At this moment, he really did not dare to have any resistance.

Because Jinjin is in the hands of others.

Even if he called the police, it was too late.

As time passed by, Yan Weimin's heart struggled fiercely.

He seemed to have walked through hell, and in the end, he looked at Jiang Meiruo with a pale face: "Okay, I'm marrying you, please let my sister go immediately, when will I see my sister come back safely , I will marry you again. If my sister has any mishaps, even if I am a ghost, I will not let you go!"

"Okay, very good! Don't worry, I am not interested in your sister. I am only interested in you! Seeing that Yan Weimin had agreed to her, Jiang Meiruo made a phone call and said into the receiver, "Let go!"

Yan Weimin saw his sister Luo Jin the next morning.

Her face was swollen from being beaten.

The corners of the lips are hurt.

The whole person seemed to be weak.

Yan Weimin's whole person went crazy: "Jin Jin, Jin Jin, tell me, did they bully you, did they! Do they!"

Luo Jin looked at Yan Weimin while weeping: "Brother, what did you promise them? Why did they let me go? They didn't do anything to me except beating me. You must have promised them something, right?"

Brother, did you agree to give them some part of your body?

Brother, Tell me quickly, what did you promise them?

Otherwise, they wouldn't let me go so easily."

Hearing Luo Jin's words, Yan Weimin suddenly laughed.

He put Luo Jin in his arms, and then cried repressedly: "It's alright, it's alright, sister, it's alright, just come back, as long as you can come back, I'm fine, I have nothing to do."

Luo Jin He also hugged Yan Weimin: "Brother, it's all my fault, I'm too petty, I always want to make money, I want to share some for my elder brother, Jiang Meiruo said that she can make me money, I think I will be Her sidekick, helping her with Lin's bags, shoes, etc. I can make money.

I didn't expect her to be such a vicious person.

Brother, it's my fault, I will never be greedy for petty benefits What if we don't have

money?

As long as we kiss each other and love each other.

When they took me away, I thought I would never see you again in my life, brother, and I will never be separated from you again

. We are all poor, we are all together

chapter 2421

brother.

Two lines of clear tears fell on Yan Weimin's face. He

straightened Luo Jin and said bleakly: "Jin Jin, in fact, we all came from the mountains, and we don't care much about human relations or anything." When we got to the university, didn't you realize that our classmates looked at us differently, we were brothers and sisters, and we couldn't get married.

Luo Jin was stunned. Then she burst into tears: "

What are you talking about, brother!" We came out of the mountains, yes! But I'm not illiterate, and neither are you! We are different parents, we are not related by blood. We don't even have the household registration book together, I just call you brother, but you are not my brother!

you are lover!

my love!

We are not siblings!

Be a lover!

Are you confused, for the people! She no longer called

her brother, but directly called Yan Weimin's name.

Yan Weimin pushed Luo Jin away: "I'm not your lover, I'm your brother, your brother!" Don't pester me in the future, I already have someone I love! Hope you are doing well! "

Speaking clearly, Yan Weimin turned around and left.

Luo Jin, who was behind him, was directly stiff there.

Seeing that Yan Weimin was about to go far, she couldn't help chasing up and grabbing Yan Weimin: "Weimin, you say, is it me? What's wrong there, you say? Are you saying that I should change course? "

Seeing her sister who was crying like a tearful person, Yan Weimin's heart was cut like a knife.

He really wanted to comfort his sister a few words, and wanted to tell her to ask her to find a boyfriend who would live in a big city after graduating from college.

However, Luo Jin might feel decadent at the thought of losing him.

He ruthlessly said to Luo Jin: "Yes! You are wrong! Although you told me nothing happened to you, how can I know what happened! I despise you now! I have long since despised you. Now, how did you get into the university, others don't know, don't I know?"

You always relied on the tutoring I gave you!

Without me, you couldn't get into the university at all!

I thought I would help you so much, but you took the exam! When you go to college, you should be grateful to me and marry me. As a result, your wings are now hard, and you go out to run around and fool around with so many men!

Our Yan family, even if they are starving to death, will not want you like this Woman!

I'm sure, as long as you leave me and fool around with those men, you will definitely not even go to college!

You woman

who loves vanity! Who wouldn't love vanity?

Only you are allowed to love vanity, and you are allowed to find someone The man with money will not allow me?

I can find it in minutes!

I have already decided to fall in love with Jiang Meiruo!

You, go as far as you can!"

Yan Weimin walked away without looking back.

He couldn't turn his head, he would burst into tears when he turned around.

He didn't know what Luo Jin's expression was behind him. He only knew that Luo Jin didn't call him anymore, didn't even say a word, and that afternoon, Luo Jin went to class normally. Since then, Luo Jin seemed to be Just like getting into a pile of books, every day in addition to studying, it is studying.

Seeing Luo Jin like this, Yan Weimin was very sad, but he smiled happily.

Because he knew that if the younger sister made further progress, she did not fall down due to such a blow.

This is the best ending.

A week later, Yan Weimin stood in front of Luo Jin.

Logic went around like he didn't see him, and Yan Weimin blocked her again.

Luo Jin's tone was calm: "Please excuse me, I'm going to the library."

"Jin Jin, I will have a wedding with Jiang Meiruo at the Ocean Hotel tomorrow night." Yan Weimin said calmly.

Luo Jin was stunned: "What, what did you say?"
