

Punished By His Love

I'm Sorry My Love Novel Alternative

Chapter 2508

Arron's knuckles of both hands were clenched by her and she made a sound: "Mingsai, tell Fourth Uncle, you are in...where? Where are you now?"

Pan Mingsai cried out of breath, the fear in his tone could be imagined: "Fourth uncle, I...I don't know, I...I don't know where I am, he...they say...they say if you don't come and save me, they'll chop off my finger.... .. Fourth uncle... woo woo woo, it hurts... it hurts..."

In a minute, Arron's eyes became red and angry.

He waited for his scarlet eyes to look at Cheng Feng: "Cheng Feng..." I

have to say, until this time, Cheng Feng was still very calm: "Mr. Fu, I'm just betting on whether you will Save Pan Mingsai.

I know that although Pan Mingsai calls you fourth uncle, she is not actually related to you by blood.

You can save her. You can

also...don't save her."

"Don't talk nonsense . Said Cheng Feng! Where is Mingsai!" Arron asked word by word.

It was his negligence.

It was his negligence to remember the URL .

He just protected his children, but ignored the others around him.

Why didn't he think earlier that others would attack Mingsai?

why!

If Ming Sai has a slight handicap, how can Arron explain to Ming Sai's parents who are far away in Jiaying Island?

How to explain to Pan Youming?

What's more, Tianling still likes Mingsai so much. The murderous aura that had been decided long ago in his heart also rushed out without reservation: "Hurry up and tell me! Cheng Feng! If you dare to move a finger of Mingsai

, you can try!" Cheng Feng said politely.

: "Your niece, Pan Mingsai, is in a very safe place now. But..."

"But what?" Arron asked impatiently.

Cheng Feng shook his head gently: "Mr. Fu, you are a ruthless person. I know that although I am a few years older than you, I have learned a lot from you, including being ruthless.

Cheng Feng will no longer follow you . Arron spoke, but took out his mobile phone and dialed a set of numbers.

Then, the connection was quickly connected.

Cheng Feng only said one word: "Cut off her little finger!"

He quickly hung up the phone. Fu

Shaoqin's eyes were all round.

Darius next to him was dumbfounded.

In less than a second, Arron's cell phone rang again. They were all trembling, and no one could see that he was panicking?

Or was it anger?

However, the moment he was connected, his tone was extremely calm:
"Mingsai..."

"Four.fourth uncle...it hurts..." From the other end, Pan Mingsai's incomparably weak voice came: "Fourth uncle...rescue... Save...I..."

"ba! At this moment, Arron couldn't bear it any longer, he threw the phone violently, and then grabbed Cheng Feng's shoulder: "ba! Lao Tzu will tear you to pieces now! "

In five minutes, your niece will break her second finger!" "Cheng Feng's words were very calm.

Arron let go of Cheng Feng in an instant.

Growing up so big, this is the worst coercion ever.

Even if Cheng Feng asked Arron to kneel now, he probably wouldn't hesitate.

Cheng Feng spoke again: "President Fu, I'm not an unkind person, so my niece's fingers are now in a sterile bag, and her fingers can still be attached in a short time, but if it takes a long time, it's not guaranteed. "..."

"Speak!" Arron suddenly stopped drinking: "What conditions do you want! Speak!"

Chapter 2509

"Let go of my master. Don't pursue it any more, we have failed, for you and the Shu family have been established. It's no longer a threat, so let my boss go, and that's it." Cheng Feng said.

"Yes!" Arron agreed without hesitation.

"Then please call out now, let go of all airport train stations, and let go of all situation records." Cheng Feng's escape strategy was foolproof.

Arron immediately took out his mobile phone and quickly dialed the phone: "Open all entrances and exits, and don't pursue any further."

After hanging up the phone, he said to Cheng Feng, "Take me to see my niece immediately!"

"I The order has already been issued, your niece has a doctor specializing in bone repair in front of her, and her fingers can still connect..." Cheng Feng did not say anything, and was punched by the already angry Joan. come over.

Joan's eyes burst into flames: "Beasts! I'll kill you right now!" One punch, one punch, another punch!

When Joan was fighting wildly, Arron and Darius hugged him.

"A Ling! Don't be impulsive, you haven't found Mingsai yet, don't be impulsive!" Arron said viciously.

Only then did Joan let go of Cheng Feng.

Arron, who stopped Joan, became more and more calm, and his tone became more and more cold: "Cheng Feng, I understand, you must wait until your

master is safe abroad and find a hidden location, Then you left the country safely, and then you released my niece.

Right?"

"Yes, Mr. Fu, your niece is my only bargaining chip to escape." Cheng Feng's words were extremely sincere.

Arron nodded: "Okay, let's go."

Cheng Feng wiped the blood from his face and said respectfully to Arron, "Thank you, Mr. Fu."

Then, he turned around and left. Walking to the door of Arron's office, Cheng Feng turned around and said to

Arron, "Mr. Fu, this world is a world where the weak eat the strong. It

's the cruelest food chain.

I have no hatred with you.

So, please forgive me.

Goodbye, Mr. Fu."

Cheng Feng's head wouldn't go away either.

Looking at this man who caused a huge bloodbath in Nancheng for a while, the most unwilling thing was Darius. He grabbed Arron and said, "Just let him go, won't you be held accountable?"

Arron looked at Darius very calmly: " What else can happen? Cheng Feng's meaning is very clear, as long as we dare to touch him and the boss behind him, Ming Sai's life will be gone.

I haven't done anything yet, he has already watched Ming Sai's life. Fingers crossed!

This is a warning to us!

Ming Zhen, I know Galia is very wishful and pitiful.

But why is Mingsai not innocent?"

Darius suddenly crouched on the ground in a decadent manner and burst into tears.

Yes, Galia is pitiful, but how innocent is Mingsai?

The three men in the office were so decadent that their hearts shattered.

Time passed by second by second, until it was dark, the three men did not leave Arron's office, and it was another whole night, and the three men kept their eyes open until dawn.

Until the afternoon of the next day, Arron's cell phone finally rang again.

He picked it up and connected, his voice became so hoarse that he couldn't speak: "Hello, who are you?"

"Mr. Fu, I have now reached a safe area abroad, thank you for your trustworthiness, and take your niece as the last I won the bet. Your niece has been sent to the hospital of her other fourth uncle, Pan Youming. Five minutes later, Pan Youming will see Pan Mingsai. Goodbye, Mr. Fu. "Cheng Feng said on the other end of the phone.

Arron's hoarse voice said only one word: "Okay."

Chapter 2510

When Arron,

Darius and Joan arrived at the hospital where Pan Youming was located, Pan Mingsai's fingers were indeed connected up.

But Pan Mingsai has also been frightened and fainted several times.

Pan Youming, who had just finished the operation yesterday, came to Pan Mingsai. When he saw Pan Mingsai's semi-conscious fever, Pan Youming, who had always been gentle and refined, picked up the lancet in his hand and rushed out.

"Who is it! Who made my niece like this! I'm going to kill him!" The man shed tears of incomparable annoyance.

Immediately afterwards, Arron, Joan, and Darius rushed in.

Several people surrounded the unconscious Pan Mingsai and didn't leave for half a step.

After a long time, Pan Mingsai's fever subsided, and her consciousness gradually became clear. At first, her lips were tender and she kept shouting: "Fourth Uncle, save me, Fourth Uncle..." "Fourth

Uncle is here!"

"Fourth Uncle!" Uncle is here!"

Arron and Pan Youming said at the same time, and the two of them surrounded Pan Mingsai.

Pan Mingsai's eyes slowly opened.

The first thing he saw was Arron, because Arron was lying closer, Arron wanted to see if her fingers were connected or not.

When he saw Arron, Pan Mingsai suddenly realized that he was finally safe.

"Wow...wow..." The girl cried like a baby finding her mother.

"Woo woo, fourth uncle, you are finally here, fourth uncle...they...they chop my fingers, my fingers have a headache...fourth uncle.... .. woo woo, I'm very scared, there are people I don't know next to me, they tied me and beat me. Fourth

uncle...I'm afraid..."

Arron tried his best to control his emotions , gritted his teeth.

Pan Youming, who was behind him, roared directly: "ba! **ba!** Who, who is it... I'm going to kill him now!"

After speaking, Pan Youming rushed out.

"Youming!" Arron's hoarse voice stopped Pan Youming.

"Brother!" Pan Youming rarely got angry with Arron: "Sai Sai was almost beaten to death!"

"I know..."

"I am his fourth uncle!"

"Me too!" Arron roared: "You It's uncomfortable, don't I feel uncomfortable! But let me tell you, that person and the main messenger behind him have already fled abroad. Even if you search the whole country with a lancet, you won't be able to find it! "

Why! Tell me why you let that person go! Why! Because Sai Sai is not your own niece?" Pan Youming grabbed Arron's shirt and kept shaking.

Behind him, Joan and Darius supported Pan Youming at the same time.

Joan's voice was even louder: "Brother Youming! You can't blame my fourth brother, you can't blame him! Saisai called the fourth brother several times in a row, but unfortunately those gangsters are too vicious, they didn't mention any conditions. At the time, he had already cut off one of Sai Sai's finger.

That is to demonstrate to my fourth brother.

If my fourth brother dares to resist half a point, Sai Sai will lose the second finger, the third finger, And then until death.

That person is not ambiguous at all.

What do you want my fourth brother to do!

There is no way for Brother Youming, my fourth brother can only let those people go and let them flee abroad.

Otherwise, you won't see Sai Sai alive. "

Pan Youming: "..."

He looked at Arron with tears in his eyes: "Brother, who the hell is he, so cruel!" "

So ruthless! Youming

is right.

Over the years, Arron has encountered enemies one after another. He has seen people who kill people without blinking an eye, but they are not as ruthless as this time.

This man named Cheng Feng not only Ruthless.

And brave and resourceful, very calm.

Most importantly, what this man named Cheng Feng did was not for himself.

Who should Arron hate?

Chapter 2511

Who should I go to settle accounts?

He punched the wall of the hospital, the skin on his hand fell off, and the blood flowed down, but Arron felt no pain.

Several men were sitting outside the door of Pan Mingsai's ward, waiting.

The most innocent person to say this is Pan Mingsai.

Even Galia was not as innocent as Ming Sai.

They all stayed here until Pan Mingsai was fully awake three days later. The doctor also checked her and her fingers were connected. After a period of training, her fingers could return to the field.

This is a great fortune in misfortune.

Mingsai's body was intact, but no one could understand the damage he suffered in his mind.

This incident also ended because Mingsai chopped off a finger and then reattached it.

The Fu family's property was unscathed, not to mention the Fu family, and even 90% of the Shu family's property was kept by Arron. Remember the website

In general, the Fu family and the Shu family have basically no losses.

However, until now, Galia has not been found.

Darius's whole person fell into the same decadence that he used to be. Under normal circumstances, if the company has any urgent matters or major projects, only Arron can solve it.

Because of Ming Sai's intimidation and Galia's disappearance, both events seemed to shroud the sky over Nancheng in a layer of haze.

However, no one was angry anymore because of Mingsai's affairs or Galia's affairs.

Pan Youming is still active on the operating table.

Joan is much calmer than before, and now Joan manages the Chu Group in an orderly manner.

However, from time to time, Joan would appear in Arron's office.

"Fourth brother, I know you are in a hurry. You can't be in a hurry. Take your time." Joan comforted Arron in turn.

He knew that Fourth Brother Fu had actually put down his butcher's knife for many years.

But the recent Arron obviously has the ruthless spirit that Arron had when he first started to fight the world.

Even more ruthless than then.

Although Arron is taciturn every day, he is extremely calm every day.

However, Joan knew that this time, Arron would definitely be ruthless.

He just hadn't revealed Cheng Feng, the force behind Cheng Feng, the fact that Arron had already figured out who it was and was ready to eradicate it, but was successfully preserved by Cheng Feng. , turn it out!

Once it is revealed, Arron will definitely kill.

"Four, can you tell me who is the master behind Cheng Feng? I heard Ming Zhen say, you already know who it is. You are very familiar with that person, who is he?" Joan asked Arron.

Arron looked up at Joan: "Why are you asking this?"

"I'll check it out for you! If it wasn't for the boss behind Cheng Feng, how could Mingsai suffer such intimidation and pain? I don't blame Cheng Feng for this, he is just that person's dog.

If I want to punish, I also want to punish the boss behind Cheng Feng!

I want to smash her boss into pieces!

Not only for Mingsai! It's

also for Galia revenge!"

Arron looked at Joan coldly, shook his head and said, "No, A Ling, you are wrong."

Joan: "What do you mean by four?"

"This matter is nothing to do with Cheng Feng's boss. It's a big deal, although his boss is trying to conspire with Nancheng to conspire with my Fu family, but his boss is not that capable.

Cheng Feng came up with the idea."

Joan: "..."

Yes!

At this time, the landline on Arron's desk rang, and Arron picked it up and connected it: "Hello?"

A distant voice came from the other end: "Mr. Fu, we have fully grasped Cheng Feng's foothold."

Arron was cold . A smile: "Very good!"
