

# **PUNISHED BY HIS LOVE**

## **I'm Sorry My Love Novel Alternative**

### Chapter 2742

When she entered the door and saw Darius who had wrapped her life around her, Mi Lu couldn't help showing a happy smile.

Darius was speechless.

"Your mouth is still bleeding!" he said angrily.

"It's okay, it's not in the way, it's a small matter." Mi Lu said tightly, after a pause, she said again: "I...you believe me, I just took off your clothes yesterday, But I didn't do anything to you, you were so drunk that you really couldn't do anything, and I didn't defile you."

"I know!" Shu Ming said coldly, "Otherwise do you think you can still be alive!"

"Hey I hey." Mi Lu smiled.

Shu Ming shook his head and dressed himself, then bent down and hugged Mi Lu in his arms.

Now it was Mi Lu's turn to be surprised: "What are you doing, don't hug me, as soon as you go out, others will see, you let me down, I... I don't want to give You are causing trouble, everyone is going to go out to work at the moment, you wait until after nine o'clock, everyone goes to work, and those who buy groceries buy groceries, you go out at that time, and no one sees you."

Shu Ming was stunned for a moment: "Are you still thinking about me?"

"Of course! I will definitely consider it for you, I will cherish you, love you, and I will put your life more important than mine, don't worry, you will find out later." Mi Lu said happily .

Shu Ming sighed: "It was my fault yesterday, if I didn't get drunk at the bar, it would be impossible for me to be brought to your residence by you, it's my fault, I have to bear it if I did something wrong.

I'm responsible for your broken rib.

But I have to tell you clearly that there is no way I can have anything with you!

It was impossible before, impossible today, and even more impossible in the future.

Even if I sleep with you!

I will not be responsible for you! "

Mi Lu's heart was a little sad.

Then he said happily: "I know, I know, I... you let me down, and after you're gone, I'll go to the hospital by myself."

"Stop talking nonsense!" Darius said, hugged Mi Lu, and walked out without hesitation.

"Yeah, this is Milu!"

"Little star Mi Lu!"

"She was carried out by a man, and the man looks pretty good!"

"The clothes seem to be very expensive and extravagant, and at a glance, they are extraordinary."

"Which of today's little stars is not from a sugar daddy. They are all the same!"

"The question is, shouldn't she be in the Mediterranean Sea with a bald belly and more than 60 years of age, this man is not..."

"My God... This man, isn't this Young Master Shu of the Shu family?"

"What?"

"The famous aristocratic gold and diamond king in Nancheng! How many women are waiting to be embraced, but Shu Shao has never forgotten his deceased wife. Today, how could this ugly and old-fashioned woman pick up a bargain today? ?"

"Ow, I'm going to die of anger! Mi Lu, wait for me!"

After Darius walked over with Mi Lu in his arms, there was a lot of chatter behind him, and in the end the chatter turned into a murmur of jealousy.

Mi Lu looked at Darius a little worriedly.

Darius didn't have any reaction.

"It will... affect you badly."

"Deserved!" Darius said.

"I said it didn't affect you... badly."

"What I said is that I deserve it!" Shu Ming said coldly without looking at Mi Lu.

Mi Lu: "...". She smiled in his arms, he couldn't see it.

When I arrived at the hospital, the doctor sighed after examining it: "Two ribs were broken, and the spleen was damaged and bleeding. How can it hurt like this, yes..."

The doctor looked at Darius and asked suspiciously, "Is it... domestic violence?"

"I beat him." Darius admitted bluntly. He thought that it would be best to arrest him now and not come out for a few years!

Mi Lu flatly denied: "No, no, I fell myself. He... Young Master Shu treats me very well."

## Chapter 2743

The doctor can understand that this should be a situation similar to domestic violence.

The man is domineering and even hates the woman very much, but the woman is chasing after him. She is a bit cheap, and she is not willing to leave the man after being beaten. Maybe the woman is trying to make money from the man.

Deserved!

A man deserves such a brownie candy.

Women deserve to be beaten!

It is the doctor's duty to save people from death. They can't manage so much other than to cure the disease and save people.

The doctors didn't care about it, but they avoided Darius and Mi Lu's eyes, and they were also chattering in high spirits.

"This Mi Lu is a little actor, and now he is famous, so he wants to be a sugar daddy and soar to the sky."

"What kind of fame is a little celebrity? A third-tier actor?"

"And! Is the 18th line? It can only be said that it is a little better than the extras. In every movie and TV series, there are only three, five, ten, eight shots of her, and she earns a few hundred a year like others. Wan's little famous actor is not a little bit worse.

However, someone knew her. "

"So, this kind of person also thinks that he has the capital, so he goes to the famous rich young man near the southern city?"

"I don't know if there is capital or no capital, but this time I really let her fall in love. Even if she is beaten to death, it will be worth it. In the future, this will be the big money owner for a lifetime."

"Is this relationship going to last? It's a lifetime! Maybe Shu Shao played with her for a month and dumped her. It's so ugly! It's so ugly!"

"You don't understand this, right? Young Master Shu is different from others! Young Master Shu must have beaten her because she deceived Young Master Shu, and Young Master Shu never asks questions. It's a lot of fun, and Shu Shao has a wife, but he's just dead.

He should not love his dead wife too much.

If he hadn't been tricked by this woman, he would never have been able to find a woman in his life.

However, as long as she is in contact with Shao Shu, Shao Shu will be responsible for her. "

“Shao Shao was calculated by her, so Shao Shu was annoyed, so he beat her up? Beat her up, but Shao Shu won’t leave her alone?”

“As a human being, Shao Shu is like this! You see Shao Shu personally took her to the hospital for treatment, and also disclosed that he has something to do with her.”

“So, for today’s women, as long as you are thick-skinned, as long as you are willing to give up, this is also a good way to be a sugar daddy. Especially if you can get close to Shu Shao.”

“It’s so cheap this ugly girl...”

A group of doctors and nurses chatted together, adding fuel to the discussion, and it didn’t take long for their conclusions to be settled.

That is, Mi Lu, an unknown actress who specializes in supporting roles and villains, relied on her thick skin to calculate Shu Shao time and time again, and finally she was calculated by her. In the end, Shu Shao had to admit his relationship with Mi Lu.

Within a long time, this message spread throughout the entire Nancheng.

A household name.

In this way, Suzi, Rayna, Yan Weimin, Luo Jin and his wife, Christopher and Galia, all know about it.

“Hey, it’s really embarrassing. He has been single for so many years. He is a normal man. When will he be a head just by letting people wait for our child?” Yan Weimin is a big man in the end, although he is his daughter Galia felt uncomfortable, but he also had to have his own demeanor.

Luo Jin is different.

Luo Jin is a woman after all, and the usually reasonable old lady is also crying at this moment: "My daughter is not dead, not dead! My poor daughter..."

"Auntie...don't be sad. It was also mentioned in the report that it was Mi Lu who had been pestering Ming Zhen all the time. Ming Zhen was figured out, so don't blame Ming Zhen." Christopher comforted his aunt. .
