

# PUNISHED BY HIS LOVE

## I'm Sorry My Love Novel

### Chapter 2760

Her face was as pale as a blank sheet of paper, like a zombie.

The bitterness in my heart is even more bitter than Huanglian.

In fact, everything is because her face has changed, her blood has changed, and her voice has changed.

Whenever there is a little mistake, Mom and Dad will be suspicious of her, won't they?

If her face doesn't change, let alone change, even if there are four or five points of similarity, parents don't need to go to the test, they just take her home, don't they?

To put it bluntly, genetic testing is a double-edged sword.

The test results are consistent and hurt.

The results of the test rolls are not consistent, which is even more hurtful.

Who is she to blame? God want to punish her like this?

Depriving her of her right to be around her parents, her lover, and depriving her of all the splendid life, it's okay to even be wrong about things like genes?

Mi Lu, who was in a hurry, turned her face and looked at Suzi like crazy: "Suzi, didn't you say that genes can't be wrong? But why is it wrong!

why are you telling me?

If you don't want to recognize me, tell me directly, I have never thought about recognizing you, I just want to be by your side very humbly, just take a look at you.

I am not in your way!

I have never threatened you. I am like a dog wagging its tail and begging for mercy. I just want to see you more. For my parents, I have never thought of recognizing each other. I just want to give them a foot wash. Cook them a meal and buy them a grocery every morning!

That's all!

For Ming Zhen, I never thought about marrying him!

I just want to be by his side and serve him, so that he won't be so lonely!

My requirements are so low.

I have never harmed any of you!

There is none!

But why didn't you even give me this chance!

why! "

When she finally said it, the hoarse voice in her throat could not make a sound.

Her eyes were so desperate, so desperate that Suzi felt distressed when he saw it.

After going through so much, being misunderstood, and being attacked by the entire Nancheng crowd, Suzi had also experienced times of despair, and she was the best at understanding Mi Lu's situation at this time.

Before the test, she had no doubt that the test report would be inconsistent.

Suzi's heart firmly believed that it was the same.

Because she had a feeling that Mi Lu in front of her was Galia.

But, how can it be inconsistent?

Test reports, such as an authoritative hospital, cannot be wrong.

Where exactly is the problem.

Suzi stared at Mi Lu who was crying in despair. Mi Lu's eyes were full of helplessness and longing. Those pure eyes made Suzi feel for a moment, and those eyes were obviously Galia's.

Just like when she believed that Mi Lu was Galia before Mi Lu had a genetic test, she felt that Mi Lu was intuitively because there would be no substitute in this world who could tell so many details.

Camille said it.

And now, Suzi's eyes when looking at Mi Lu are the same. Suzi feels that no matter how disguised or deceived a person is, their eyes can't be deceived.

Mi Lu's eyes, the light in Mi Lu's eyes, is exactly the same as Galia's.

Suzi raised his hand to support Mi Lu's arm: "You..."

At this time, the police had already arrived. They quickly came to Mi Lu, looked at Suzi and Darius, and asked, "Is the suspect this woman?"

Suzi and Darius didn't know how to answer at the same time: "..."

If she is not a suspect, why does the genetic test not match?

If Mi Lu was a suspect, both Suzi and Darius had doubts in their hearts.

"Officer, I... I, I have two children, twins." Mi Lu suddenly spoke out about her two children in despair.

## Chapter 2761

The policeman froze for a moment, then asked, "You have two children, where are your children?"

Mi Lu shook her head, she didn't look at the police, she only looked at Suzi: "Suzi, maybe you don't believe what I say now, but I have to tell you too."

Suzi nodded solemnly: "If you have anything to say, you can say it."

Mi Lu smiled sadly: "I still say that, I don't plan to meet my parents again in my life, because I know that this will definitely cause a lot of trouble.

My parents can't stand any storm anymore.

And Ming Zhen.

Ming Zhen is innocent.

He shouldn't have waited so long for me, he's still so young.

And I, my face, my blood, are no longer Galia, let alone Ming Zhen, even my parents may not accept me, let alone Ming Zhen?

The reason I tell you this is because you have had a near-death experience.

You are more understanding and inclusive, and I will tell you. "

Suzi could hear that Mi Lu was speaking from the bottom of his heart.

"Mi Lu, I can understand what you said, I understand, you can say what you have to say, if you believe me." Suzi looked at Mi Lu solemnly and promised her.

Mi Lu nodded, tears streaming out: "This is the end, I no longer think about being able to serve my parents, and I don't think about being able to take a look at Ming Zhen every day, I no longer ask for these.

I might.....

I can't even make sense now.

I'm so sorry, I was too aggressive.

But it's too late, isn't it?

I may be in prison for a while, can I trouble you, Suzi...

Can I trouble you to take care of my two children.

You are a good person, I don't trust who I entrust my child to, but you.

Please take care of my two children, okay? "

Suzi: "..."

"They are twins, twins.

They are... nearly three years old.

But they have never... never met their own father, they are very good, very obedient, follow me, they have never had such fine clothes and food as children from rich families.

Because of filming reasons, and because I want to see my parents and Ming Zhen as soon as possible, I have fostered the two of them with an old couple in the countryside for a while.

No matter what I do, it doesn't matter whether I am Galia or not.

But, the child is innocent, isn't it?

They are only three years old.

Don't know anything, don't know anything.

Can Suzi... please dress them well and eat well. I know you have this ability, so I can entrust my child to you.

Please... please don't reject me, okay?

If you don't reject me, I will... I will never admit that I am Galia again in my life.

Never again bother to harass Galia's parents, and never harass Ming Zhen again.

I promise you. "

When it came to this, Mi Lu was already crying.

She cried for a while, then looked at Darius with tears in her eyes: "Mr. Shu, I'm sorry, please forgive me for harassing you these days.

I thought about it, it was my fault.

Everything is my fault.

I shouldn't be so shameless and harass you again and again, I'll tell you now, I'm not your Galia.

no.

Neither do I....."

Mi Lu looked at her parents again: "I'm not your daughter either. I'm sorry I lied to you. I'm sorry.

I hope you can return to a peaceful life as soon as possible.

And, you...you're sure to find your daughter.

Sorry again.

excuse me. "

As soon as it was said, Mi Lu stopped looking at Darius and his parents.
