Chapter 2762 – 2763

Chapter 2762

Should have known this was the end.

She has been hesitant and timid all the time, for fear that recognizing her parents would be a bad ending.

But, when the ending is really bad, she will still be sad and sad.

That's it.

She tried hard anyway.

Perhaps, this is her Galia's life.

Before the age of thirty in the first half of her life, she had already enjoyed all the sweetness that she should enjoy, so after the age of thirty, she deserved to suffer.

She doesn't want anything from now on.

But begging Suzi to pull her two children into adults, she was satisfied.

Mi Lu spread her hands towards the police.

police:“”

Behind him, Suzi was extremely moved: “You... Yan... Mi Lu. What... what the hell is going on?”

Mi Lu smiled and shook her head: “It’s nothing.”

Suzi grabbed Mi Lu’s hand: “What you said, your eyes, I can feel that you are Galia, but your voice, your appearance, your blood type, and even your DNA are not Galia. .

What do you want us to do? ”

Yes.

Let them do what?

Mi Lu never thought that her DNA was different from that of her parents.

how can that be?

What went wrong?

She didn’t know, and she couldn’t explain it.

“I’m sorry, I’m not the person you’re looking for, I’m not Galia, I’m a liar, I lied to you. I don’t ask for anything but Mrs. Fu, I know you are a kindhearted and compassionate person, please don’t let me My children are suffering.

They are only two or three years old now. If you love them now, they will recognize you and Mr. Fu as parents in the future.

You are two more relatives.

May I? ”

Suzi felt very sad.

She coaxed her eyes and nodded: "Yes, yes! Of course! The child is innocent, let alone your child, even anyone's child should be taken care of.

But, what's going on here? "

Mi Lu sighed: "I want to say I don't know, do you believe it?"

Suzi: "... " She didn't know whether to believe it or not.

Not to mention her, even Darius and Yan Weimin and Luo Jin couldn't help but be moved.

Luo Jin, who was furious just now, suddenly said to the police, "This... this is a misunderstanding. Let her go, we... We won't call the police. Let her go?"

The policeman said, "There is no criminal fact at all. It's just that you want a paternity test, and you'll be fine when you're determined. Since you said you don't need to pursue it, that's fine. It's best for you to negotiate on your own."

It was a false alarm after all.

The police left without taking Mi Lu away.

And Mi Lu looked at everyone present like a dream, she murmured: "You...you believe me?"

No one answered her.

How to believe?

DNA is different, how can you believe it?

Seeing that no one answered her, Mi Lu smiled bleakly again: "It's my imagination, I'm sorry, I won't bother you again in the future. I'm leaving."

After that, Mi Lu dragged her tired body and walked out slowly.

"Mi Lu." Darius stopped her.

Mi Lu looked back at Darius, and her tone became unfamiliar: "Mr. Shu, do you...do you have anything else to do?"

Before Darius could answer, Mi Lu said again: "Are you going to let me get involved in the film and television industry? That...I...I have nothing but acting skills. I'm good at it, I promise you that I will not bother you in the future, can you give me a chance, I will take all jobs, bad movies, any movies, it doesn't matter.

Let me be an extra or a zombie.

give me a chance?

just one time? "

Darius's heart was extremely sad: "Take me...take us to meet your child?"

Chapter 2763

As soon as he heard that he wanted to see children, it was brought up by Darius, Mi Lu's expression immediately became defensive: "You, what are you doing?"

Darius shrugged bitterly: "I ...my wife was pregnant when she disappeared..."

"No!" Before Darius could finish speaking, Mi Lu quickly refused.

"You won't let me see your child?" Darius asked.

Then he said: "Don't you want Suzi to adopt your child? Now the police have stopped arresting you, you are safe now, and we won't hold you accountable, why don't you let the child look after you? Mi Lu shook his head bitterly: "

No, no, you can watch the children, just have a look! But you can't do DNA for them!"

Darius: "... " I

have to admit that he did There is this idea.

He thought, seeing Mi Lu like this now, it doesn't seem like a lie, but Mi Lu's DNA is different from that of Yan's father and Yan's mother. This has proved that Mi Lu is not Galia.

However, Darius did not give up.

He thought, Mi Lu said she had children, could it be that Mi Lu's child is Galia's child?

If you can make a DNA for the child, as long as it proves that the child belongs to him, Darius, at least it means that Galia and Mi Lu must be related.

However, Darius did not expect that Mi Lu would refuse with incomparable resistance, and she wisely guessed it.

"If anyone dares to use my children as DNA, I will fight with you and with all of you! Anyway, I am barefoot and not afraid of wearing shoes! I will kill each of you and count as one!" At this time, Mi Lu suddenly became ruthless said.

No one knows, she is clearly Galia, but the DNA she made is different, no one can understand what it is like.

It wasn't her Galia's fault.

It must be someone who did DNA.

definitely is!

Why do tricks?

Galia did not know.

In this world, who should she trust?

Look at Mom and Dad, their faces are sad.

Look at Suzi, Suzi can't be such a person, Suzi is the person she trusts the most in this world, she trusts Suzi more than Darius.

But, what went wrong?

Milo didn't know.

The DNA of her and her parents can always go wrong. If the DNA of the child and Darius's were to be made again, it should be 100% correct. It must be different.

Mi Lu couldn't accept this fact.

She can't accept her death!

Anyway, she is no longer the daughter of the Yan family. It has nothing to do with the Yan family, so it has nothing to do with Darius. Naturally, her child has nothing to do with Darius.

In the future, let her protect her children.

The child cannot be harmed any more.

Seeing Mi Lu so excited, Darius was at a loss. He turned around and looked at Suzi. Among these people, Suzi was the best one to communicate with Mi Lu.

Suzi understood, she said to Mi Lu gently: "Okay, if you don't do it, you won't do it. I promise you with my personality that no one will do DNA for your children in the future!"

"Really?" Mi Lu believed in Suzi the most.

What Suzi promises will definitely be promised to the end.

"Really!" Suzi said solemnly: "Now, can you take me to see your child?"

Mi Lu: "..."

"You have children, you need to support your children, in fact Your acting skills are very good. You are very similar to Galia here. Galia is missing money and has already planned to become an actor. In this regard, the two of you have deep similarities.
