

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2794

She is sincere.

On the way from her and Christopher's new home, Christopher kept explaining to her: "My sister has not been home for several years, we must accept her seamlessly and let her know that she is here. The importance of home, let her feel needed, let her know that although she has been away for nearly five years, let her know that although she has been sleeping outside for four or five years, she is still in the fashion circle of Nancheng. The senior little master."

Having said so much, Christopher looked at Galia apologetically: "Wife, don't be angry, my sister hasn't been home for several years after all..."

Galia leaned her head on Christopher's head: "Silly man! Why do you think I like you? It's because I see you every day for a few years, and I've never given up looking for your sister. Seeing how strong your affection for your sister is, I like you.

At this time, your sister is back. If you don't love her so much, I don't agree!

Do not worry!

Your daughter-in-law has the same name as Galia and is also her sister-in-law.

I will definitely treat her like a sister. "

"You seem to be younger than my sister, wife." Christopher joked.

"fu** you! Ignore you, I only care about your sister!" Galia pinched Christopher's nose.

Then the two looked at each other and smiled.

The husband and wife reached an agreement in this way. When they arrived at Galia's house, they said and did everything based on Galia.

In fact, Galia also felt sorry for Galia from the bottom of her heart.

Because they are people who have experienced pain, they know how to sympathize with each other.

But what caught Galia off guard was that Galia looked at Galia up and down, and said, "You, no matter how you dress up, you won't lose a dirty smell!"

Galia: "..."

For a moment, she felt embarrassed.

At this time, Suzi and Pan Mingsai knocked on the door and came in, which broke the short-term embarrassment. Seeing Suzi coming in, Galia was extremely enthusiastic.

She pulled away her holding hands and ran towards Suzi: "Sister Suzi, what have you been doing all day, you don't mind looking at me, I want to kill you, Sister Suzi..."

Suzi: "..."

She is really annoying Galia calling her 'sister\'.

That child is flattering, and that child is greasy.

She really can't stand it!

She shouted, "Galia, you are here too. I haven't seen you for a long time. How are you working recently?"

Galia: "..."

Galia at the other end was immediately relieved from the embarrassment: "Mrs. Fu, you are here. You must be very happy to see your best friend back, right? I told my sister just now that you will take me too when you go shopping. Bring it on and get rid of the earthy smell on me."

Suzi smiled and said, "Of course, there is no problem!"

At this time, Galia immediately changed her tone: "Sister-in-law, I will take you with me in the future, and I will definitely be able to dress you up like an authentic Nancheng goblin. Hehe, sister-in-law, just kidding you, you are not allowed to have me Angry, I used to joke with my brother often."

Hearing Galia says this, the whole family laughed.

Galia also smiled.

Shen even looked at Galia with a smile on his face: "You, don't look away from home for so many years, your personality still hasn't changed, you're still the same little sweetie before, smiling happily."

Galia raised her eyebrows and looked at Suzi: "Look at what you said about Sister Suzi, how can a person's character change? Impossible! Everyone has said that the country is easy to change, but nature is hard to change!"

Suzi still looked at Galia with a smile on his face.

But he said silently in his heart: "You are indeed pretending to be very similar, very similar."

The chatting of the people in the room became even hotter. At this time, Galia suddenly asked inadvertently, "Up to now, I haven't seen Ming Zhen. Where is Ming Zhen?"

Chapter 2795

Finally mentioned Ming Zhen.

Suzi and Pan Mingsai looked at each other.

Immediately afterward, Yan's mother said, "Galia, do you want Ming Zhen?"

Galiajiao glanced at Yan's mother angrily: "Mom! What are you talking about? Ming Zhen and I have known and fallen in love for so many years, Ming Zhen is my favorite! I firmly believe that! I am also her favorite! No matter how many years I have disappeared, Ming Zhen will definitely wait for me!

Even if he finds him in the past few years, I have to let that woman leave!

I am the daughter-in-law that Ming Zhen Ming Media is marrying!

My father-in-law and my mother-in-law love me very much, and Ming Zhen's dead grandfather also recognizes me very much!

I am the young mistress of the Shu family!

This thing cannot be changed!

Ming Zhen can only be mine! "

At this time, Suzi finally understood.

After all, the name Darius is attractive enough.

In Nancheng, the Shu family's fame is second only to the Fu family, and Darius's fame is second only to Arron.

Sometimes even more, because Darius is kind and gentle, and he is extremely generous in dealing with people and things, he is more liked by girls than Arron.

Nice people.

The family background is so good.

Who wouldn't want to marry such a man?

Suzi sneered in his heart, but said on the surface: "Galia, you are still so domineering towards Ming Zhen, but you are right, Ming Zhen is yours! When you were away these past few years, Rong and I were there. Let us help you watch it!

If that woman dared to occupy Ming Zhen, she would not be able to pass the tolerance level in the first place.

So Ming Zhen is still single until now. "

"Really?" Galia was overjoyed, and then began to act coquettishly again: "Then why didn't he come to see me?"

"He happened to be going abroad for something. I heard that you are back. He has already rushed back." Suzi said.

"Great!" Galia clasped her hands on her chest, the shy look of a little girl in clothes.

"This child!" Yan's mother looked at Galia lovingly: "I just came back not long ago, I don't know how to have a good time with my parents, I just know the man who misses you!"

"Mom! So many people are watching, don't say anything, let alone there is an outsider here..." Galia glanced at Galia intentionally or unintentionally.

Galia immediately said interestingly: "Oh, I almost forgot, my company still has a lot of things to do, don't you know, Christopher is just a hands-off shopkeeper, whether the company can go or not, I will be different. , I have to go to work every day, and the company will deduct my salary if I don't go to work, uncle and aunt, I...let's talk, I have to go to work."

Yan's father and mother are quite embarrassed.

After all, in the past few years that Galia was not at home, the days when the old couple used to wash their face every day were almost desperate, and when the old couple felt that life was meaningless, Galia came to this home.

Chat with them every day.

Clean them up.

Accompany them to the street to buy food.

In the eyes of the two old people, if Galia never comes back in this life, then there is no doubt that Galia is their daughter.

But when Galia came back, she rejected Galia.

Yan's father immediately rounded up the game: "Galia, go to work, come over in the evening after dinner, and Yan's father will burn your favorite lion head for you."

"Dad, I don't like eating lion heads!" Galia said angrily.

Father Yan: "..."

Galia smiled and said, "Uncle, then I'll go to work first."

Then he looked at Suzi again: "Mrs. Fu, Mingsai, I'll go first."

Galia left Yan's father and Yan's mother a little lonely.
