Chapter 2796 – 2797

Chapter 2796

After a few minutes of embarrassment for the Yan family, it was over. The whole family, as well as Suzi, still spoiled Galia like a little princess.

After having dinner at Yan's house at noon, Suzi and Pan Mingsai left Yan's house for an excuse.

After leaving the gate of the community, Pan Mingsai said angrily: "Auntie! This Galia is too much, even her sister-in-law is rushing! Why is she, Galia is married to Christopherming, and she has something to do with her. relation!"

Suzi sneered: "People are not enough to swallow an elephant."

Pan Mingsai looked at his aunt in puzzlement: "Auntie, what do you mean? People are not enough to swallow an elephant? Could it be that this fake Galia wants to occupy Uncle Ming Zhen and Uncle Christopher?"

That doesn't work either, she is related to Uncle Christopher by blood! "

"You stupid girl!" Suzi raised his hand and pinched Mingsai's nose: "For you to study medicine for so many years, it's all in vain! You all said a fake Galia, where is he related to Christopher? ?"

Mingsai immediately smiled stupidly: "Yes, yes. I forgot all about it. Oh my god... Does she really want one girl to dominate two husbands?"

She Niang sighed: "Isn't it enough, I can see it, she is mainly aimed at Ming Zhen. In the entire Nancheng and even the whole country, as long as unmarried women, how many people want to marry Ming Zhen?"

She could pretend to be Galia and live by Ming Zhen's side all her life, naturally she earned it. "

"If that's the case, why exclude Galia!" Ming Sai said angrily.

"That's why she doesn't have enough heart to swallow an elephant. Not only does she want to marry Ming Zhen, she wants to be a legitimate Mrs. Shu, but she also wants to occupy the Yan family's property!" Suzi expressed the true thoughts of the fake Galia.

The Yan family is not like before.

In the past, the Yan family had a lot of property.

Yan's father and Yan's mother are teachers and have a pension. Galia has always worked well and never spends money indiscriminately. The family already has a small treasury of two or three million.

Later, after Galia and Darius got married, the property and property that Darius lived to the name of Er Lao was worth one or two hundred million.

That was Darius's pension for the two old people.

It is estimated that this Galia now wants to take this money as his own, right?

And Christopher.

When Galia ran away from home, Christopher was still an unmarried person. The real Galia really hoped that her brother could find a lover.

What about the fake Galia?

Since my brother is a non-marriageist, it is best not to get married and have no children all his life.

The property is hers.

This is the abacus. That's called a shrewd one. "

Suzi sneered.

"Damn it!" Pan Ming's angry eyes flashed with anger: "Auntie, what are we going to do next?"

Suzi sighed and said in a low voice, "Start with that doctor! We must first know how this fake Galia bought that doctor!"

"Okay!" Pan Mingsai said angrily, "I'll handle this matter!"

Suzi shook his head: "No, the fake Galia people, know you, as soon as you go to the doctor who did the genetic test, and Galia finds out, we will be exposed."

Pan Mingsai put his arms around Suzi: "Auntie, don't you underestimate your niece? You forgot what I do? I am a doctor of medical aesthetics, medical aesthetics, not only can I use a knife, I can also Make up, mend! You look at me so ugly, but I can make myself beautiful!"

Suzi was stunned: "Really?"

"Seeing is believing!"

Pan Mingsai led Suzi to his residence, and after an hour and a half of step by step, Suzi was watching. A beautiful woman with eyes.

A gorgeous and noble lady.

"My God, this really reflects the saying that there are no ugly women, only lazy women!" Suzi sighed.

At this time, someone knocked on the door outside.

"Come in." Ming Sai said.

As soon as the people who came in outside saw Ming Sai, they asked in a daze, "You are... Who are you?"

Chapter 2797

Seeing Joan, Suzi couldn't help laughing.

Pan Mingsai also laughed.

"Suzi, why are you here, where is Sai Sai? Who is this?" Joan asked in confusion.

Pan Mingsai couldn't help laughing.

"Sai Sai?" Joan blurted out: "You...how did you become such a goblin?"

"Well, it was prepared to seduce others." Ming Sai said unabashedly.

Joan: "You...what do you want to do!"

"I want to dump you, look at you, you are almost forty, I'm not yet thirty years old, I usually look ugly and freckled, I don't look worthy of you The big shopkeeper of the Chu Group.

But look at me now, I am a doctor of medical and aesthetics, and I dress up so well, I dump you now, like a joke. "

"Really?" Joan laughed with a 'poof'.

"Then let me ask you, the man you want to seduce, does he know that you are snoring and snoring loudly? Does he know that when you sleep, the snoring flows into a river?"

He knows you, looks like a doctor, and is very hygienic.

In fact, if you don't wash your feet for half a month, you don't even know how to take a bath without urging you, and you're too lazy..."

"Joan!" Pan Mingsai, who had been exposed, was immediately anxious.

Suzi on the side was watching a joke.

My heart suddenly felt very warm.

For several years, Suzi had been worrying about Joan, worried that he would have nothing for the rest of his life. Now, it seemed that her worries were all superfluous. Joan and Mingsai were really few. .

"Auntie, look at him! You have to vent your anger and support me!" Fat Ming said coquettishly around Suzi's arm.

Suzi looked at Joan and sighed sincerely: "Congratulations to you, Young Master Ling, you are very happy now."

Joan also sighed: "Suzi, I'm almost forty in a flash, and you are in your thirties. At that time, we didn't have you, it was me... how absurd, what a bastard. Ah. Thankfully everything is fine.

Having Mingsai in my life is my greatest happiness. "

"It's good." Suzi said.

"By the way, what are you doing?" Joan asked.

"Go check that male doctor." Pan Mingsai said.

Joan immediately came to the spirit: "put a make-up on me too, let's go together, so that I can also protect you."

Ming Sai said: "Okay!"

The two have a tacit understanding.

Even if a man takes a woman to seduce another man, they cooperate perfectly.

Pan Mingsai had a big wave, wearing a long trench coat, a miniskirt, and stepping on high heels to the inspection window.

"Sir, I want to ask you something?" Pang Minsai said delicately.

In the window, the male inspector is very veneer: "For inquiries, you can go to the service desk in the lobby to go to the lobby, I have nothing here!"

"Sir... Could you please do me a favor?" After saying this, Pan Mingsai's eyes turned red.

She choked her throat and swallowed silently several times without speaking, but tears fell.

That pear flower looks like rain.

That sad look.

The male doctor in the window couldn't help but glance at Mingsai.

The male doctor looked at Pan Mingsai with a bit of sadness on his face: "Do you have something to say?"

"I...I like children very much, myself...I'm afraid of losing shape and don't want to have children, so I...Tell my boyfriend that we should adopt one, I don't think of me The boyfriend quickly agreed.

Who would have thought, he brought a child over the next day and said it was adopted?

But the more I look at it, the more I feel that the child looks a lot like my boyfriend...

Sir, you are talking about the world, how come there are no good men?

Can you...can you help me?
