

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2800

Facing such a woman, Song Tao almost lost his function in that area. Every time he did that, he pinched his nose.

But he can't get a divorce.

Just like this, I have been with my wife, and it has been more than ten years.

Gradually, he grew from a young man in his twenties to a man in his thirties with temperament, status, and status, but who knew that his family lived in an old and ugly ugly monster?

Who can know that he is not a waste person, he has normal needs?

Not only did he have normal needs, he even saw a beautiful woman, and his eyes lit up.

But his job is a laboratory technician.

Beautiful women are rarely seen.

Just three months ago, he just got off work and suddenly encountered a beautiful woman at the door of the hospital who took the initiative to strike up a conversation with him. After going back and forth, the two of them rolled onto the bed.

When Sun Huawei woke up the next day, someone had already taken a photo, and he took a photo of the two of them when they were intense.

"Who took the pictures for you?" Darius asked.

Sun Huawei recalled: "It's a middle-aged woman with a fierce look, and she doesn't look like a good person."

Middle-aged woman, a fierce look?

Darius thought that the woman who appeared in Mi Lu's small courtyard was the woman who urged Mi Lu to do DNA.

is her!

It was her!

It seemed that Mi Lu had been targeted for a long time.

"You guys have already discussed it. When you're on duty, someone will push Mi Lu to do DNA, right?" Darius asked.

At this moment, Darius really realized that it turned out that someone really did something in this regard!

That's abominable!

Just damn it!

But at this moment, he still held back his anger and asked Sun Huawei calmly.

Sun Huawei nodded: "I have no choice, I also know that this is a big taboo, as long as I do it once, as long as I get caught, I will not only be fired from public office, but I will also be imprisoned, but I... . They have photos of me and that woman in their hands. They are really real. If they spread these photos, my life will be over.

I'm dead all over the place.

If I choose to cooperate with them, maybe I still have a way to live, I will... I chose to cooperate with them. "

"I never thought that this would cause a person to have a home and not be able to return, and would cause that woman to be misunderstood by everyone, so that she might have no hope of living in the end?" At this moment, Darius was angry. It finally broke out. He grabbed Sun Huawei and slammed him into the wall viciously!

"Uncle Mingzhen! You... you can't, you can't hit him, we'll be exposed if you hurt him, we can't expose it yet, Uncle Mingzhen, calm down!" Pan Mingsai immediately ordered Stop Darius.

Only then did Darius take his hand.

"Listen to me, you are caught by me now. Sooner or later, things like you will be exposed. If Mi Lu is in a different place with her parents for testing, you will be exposed immediately, and you will too. Go to jail, your only chance for redemption now is to pretend you don't know anything. As long as you dare not cooperate with me, you, your hometown, and your children..." He never threatened anyone. Darius did the same thing at this moment.

The man nodded like a chicken pecking rice: "I know, I understand, I understand!"

Darius said coldly: "Mingsai, let's go!"

Going out, Pan Mingsai asked Darius, "Uncle Mingzhen, where are we... going?"

"Go to Yan's house, I'm going to meet Galia for a while!" Darius said calmly.

Chapter 2801

Darius came to Yan's father and Yan's mother. Before entering the door, he heard laughter and laughter inside.

Raising my hand and knocking on the door, I heard a startled voice inside:
"Dad, Mom, could it be Ming Zhen? I miss Ming Zhen so much, don't stand up, I'll open the door, I'll go!"

Immediately afterwards, a brisk running sound was heard.

Door open.

The woman who should be as close to Shu Ming's eyes really made Shu Ming stunned.

"Galia... is Galia you? You are finally back, my Galia." At this moment, Darius was not acting, he was really showing his true feelings.

He misses Galia so much.

Almost every day I dream, I can achieve this look.

Although at this moment, Galia's face, who was standing in front of Darius, was a little stiff.

But, it was still the Galia he thought about day and night.

Darius's eyes turned red.

"Galia...my Galia, you are finally back." The man choked his throat, his voice extremely hoarse.

Galia also burst into tears: "Darling, I...I miss you, I thought you didn't want me anymore, I didn't dare to see you for so many days, oh... Darling ."

Darling?

Darius, who had originally revealed his true feelings, was suddenly startled.

Then, there was an incomparable disgust in my heart.

Galia never called Darius Darling.

She usually calls him: "A Zhen, Ming Zhen, the surname is Shu!"

After being stunned for a second, Darius hugged Galia in his arms: "It's good to be back, it's good to be back, we... our whole family has been waiting for you, after so many years, finally Huang Tian pays off, we finally got it."

"Yeah, Darling, I love you to death, I think of you every day, every moment, every second, Shu Shao... You don't know, no matter how much suffering I have endured over the years, I think that I still have you in this world, and I have the faith to live again, Darling... When you come, I don't want to leave you again, Darling, take me Back to our home, I miss you and our home.

That home is full of memories of our love.

Darling....."

She sips a dart.

One bite at a time.

Not to mention that Darius got goosebumps, even Yan's father and Yan's mother couldn't listen to it.

When did Galia of their family become so hypocritical and so fond of saying nice things?

Why is this so awkward?

Darius felt even more uncomfortable.

However, he has to endure.

He coaxed Galia softly: "Baby, I'm here to take you back to our house today, but we want to go back after Mom and Dad have eaten here, okay?"

"Not good!" Galia immediately coaxed her eyes and acted coquettishly.

Darius coaxed Galia patiently: "Look at you, they are your parents, I said to stay with them, but you can't say it well."

"It's annoying, I've been with my parents for a long time, I haven't seen you all the time, I miss you very much, I miss our home so much, so..." Galia said hesitantly.

"Okay, let's sit down and have a meal with Mom and Dad, and we'll go home after dinner, okay?" Darius asked.

Galia nodded: "Well, good."

Holding Darius's hand and sitting in the middle of the sofa, Darius saw that the Yan family was all there.

Yan's father, Yan's mother, Yan's uncle, Yan's mother, and Christopher.

"Why is there one missing?" Darius blurted out and asked.

And Galia.
