I'm Sorry My Love Novel Alternative

Chapter 2808

It turned out that what Galia said was not wrong at all. Galia was like a little princess in the Yan family, and Mi Qunli remembered it clearly. Galia once said that the eldest brother of the Yan family does not plan to get married in this life.

Moreover, the big brother Yan has never spent the money he has earned over the years. The elder brother of the Yan family is worth more or less tens of millions.

However, when Galia came to the Yan family, she discovered that the elder brother of the Yan family was worth more than tens of millions.

The worth of the Yan family's eldest brother has skyrocketed nearly a hundred times now. Although his worth is not as much as Darius's, he has more than one billion.

How could Mi Qunli miss out on such an asset?

Therefore, Mi Qunli did not welcome Galia very much.

She knew that the Yan family would obey Galia no matter the big or small matter, so no matter what her fake Galia said, the Yan family would do it. Mi Qunli seemed to show that she didn't like Galia.

Sure enough, after a few times, Galia stopped coming to her parents.

what!

very nice!

It is best that Galia can leave the Yan family and divorce Christopher.

Then the entire Yan family and all the property will belong to her Mi Qunli in the future.

Such a plan made Mi Qunli complacent.

She felt that the tens of billions of worth was about to arrive.

What makes her even more proud is that she has also managed to get the man that many women dream of, Darius.

The only wrong move she made was when she told the Yan family and Darius that the twins she was carrying had died.

Mi Qunli never thought that Darius didn't recognize the real Galia, but brought back Galia's two children. This was unexpected by Mi Qunli.

As soon as she saw Galia's two children at Darius's house, Mi Qunli almost panicked.

At that moment, she broke out in a cold sweat.

However, she is also witty.

In an instant, she was dealt with again.

From then on, she moved into Shu's house smoothly, and shared the bed with Darius smoothly. In a year at most, she and Darius would have their own child.

As for the real Galia, haha, let her die.

Not only did she die, she also had to find a way to create an accident and let Galia's two children die too!

From now on, Mi Qunli's first step is to increase her exposure in the entire Nancheng, to let the whole Nancheng know that she is Galia, she has come back, and to let the whole Nancheng know that she is Galia. All the women saw that Darius still doted on Galia immensely.

In this way, a lot of trouble can be saved.

At least, many women have to give up.

Don't miss Darius again.

The most important thing is that Mi Qunli wants the real Galia to give up.

In fact, the real Galia should have been wiped out in the western ancient city at the earliest. But if she did that, Mi Qunli didn't know Nancheng very well, and she had never met Galia's relatives. She had to follow the real Galia, let the real Galia come back, and then After secretly observing Galia's contact with her relatives and friends, as well as Darius, Mi Qunli had a bottom line.

However, since then, the biggest trouble now is that the real Galia is still alive.

Since he is alive, let Galia be sad and die.

From tomorrow onwards, the current Galia, as high profile as she can be, will make everyone in the entire South City know that Galia is back!

Everyone knows that Darius loves her very much!

This wishful thinking could not have been better.

This evening, Mi Qunli, also known as fake Galia, came to Darius's study and asked shyly, "Darling, can you... hug me to sleep tonight? I miss you so much. embraced."

Chapter 2809

Darius looked at Fake Yanyan quietly: "No, dear."

Fake Yanyan: "Why...why?"

Did she make a mistake ? Let him see that she is fake, no, there is nothing wrong with her?

"One year I went out to look for you, and in a mountain valley, I accidentally got a kind of psoriasis, which is difficult to treat. No, I was favored by a doctor a while ago, and the doctor asked me to take medicine to consolidate it for a year. During this period, you can't have s3x with anyone, you can't eat spicy food, you can't drink alcohol, if you have s3x with you, you will spread the disease to you." Darius said with nose and eyes.

The fake Galia immediately burst into laughter, and then cried again: "Ming Zhen, how much pain did you take for me?"

"It doesn't matter, the important thing is that you've found it now, don't you?"

"Well, Ming Zhen!" Fake Yanyan closed her eyes excitedly and put her pillow on Darius's shoulder.

"Go to sleep." Darius coaxed her: "I'm here to watch you."

"Okay, husband." Fake Galia was extremely excited, she felt that in this life, she had captured happiness.

Darius said that he watched her sleep all night, and he really watched her all night.

When he woke up the next morning, he was sitting on the head of the bed.

Watching her wake up, he took her to have breakfast with her. After breakfast, he specially arranged for her to be well raised at home. After he had finished dealing with the company's affairs, he would come back to see her.

"Go, husband, I'll be fine at home." Fake Yanyan was extremely happy.

Darius also went out the door with a happy face.

It wasn't until the moment he got into the car that his face slowly filled with sadness.

As soon as the car drove out, Darius called the most caring housekeeper in the house: "Housekeeper! Be sure to pay close attention not to let the young lady hurt the two children, but keep it hidden so that no one can find it! Remember!

" Darius leaned his head on the backrest, no one knew what he was thinking.

After arriving at the company, the whole company was waiting for him to have a meeting. He couldn't separate himself from the meeting for a while, so he could only have a meeting. After everything was settled, Darius asked the special assistant to buy him a suit and a wig. Beards, all kinds.

At one o'clock in the afternoon, a man with a beard, slightly longer hair and a top hat walked out of Darius's company.

Nobody knows who this person is?

The man got in a car and drove away.

On the way, his cell phone rang, he picked it up and looked at it and then connected: "Hello, dear? Why didn't you sleep well at home?" On

the other end, it was the voice of fake Galia: "Darling... ..Are you in the company now?"

"I'm in the company. Are you alright dear?" the man asked.

"Husband...I want to play at your company." The fake Galia said.

"Why is it so bad at home? You just came back, you are so weak, you are not suitable for walking..." The man shied away.

The fake Galia suddenly choked up: "Ming Zhen...I..."

"What's wrong with you dear?"

"I... Mom and Dad treat me very well, They treat me like my own daughter, that is...the two children..." The fake Galia stopped talking halfway through.

She is so embarrassed!

She thought two children under four years old would be easy to deal with.

Not long after Shu Ming exited the door, she also said hello to Shu's father and mother and went out. Instead of going far, she went to the supermarket and bought a lot of snacks that two or three-year-old children like to eat. Going home.

She deliberately brought a large package of snacks to Mimi and Tiantian: "How are you guys? Look, this is what Auntie bought for you. You can choose what you like to eat?" The

fake Galia just bought it with snacks. The two children, and then gain the trust of the two children.
