

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel

Chapter 2812 – 2813

"I'm a ba I'm the most ba* **ba*** in the world..." Shu Ming kept admitting this.

The two of them were like this, one crying and scolding, the other being tolerant, back and forth for two hours, and in the end, Galia fell asleep tiredly.

Darius gently put her on the hospital bed.

Gently cover her with the quilt.

When he took a closer look at her appearance, he realized that, in fact, he could still see that it was Galia.

her sleeping position. Some of her movements, of her micro-expressions, and expressions are all Galia, but her appearance is different.

In fact, no matter how a person changes, her unconscious expression will not change.

He just looked at his wife so carefully.

four years ago.

For four years, she has not come back.

She finally came back and was not recognized by the whole family. All her relatives, her parents, her husband, almost pushed her to the brink of death.

How can Darius not regret it?

How not to annoy yourself?

Darius raised his hand and put his hand on Galia's forehead. But the moment her hand touched her forehead, Galia in her sleep suddenly frowned: "It hurts, I hurt so much, Ming Zhen, don't hit me, don't hit me, I hurt so much, Ming Zhen... .."

"No no no... I'm not Galia, I said the wrong thing, I'm not Galia... I'm Mi Lu, I... will never bother you again in the future. Now, I'm leaving now, you don't..."

"Azhen, don't abandon me, Azhen, I just want to be a maid by your side...Azhen, don't ignore me, okay, Azhen... I beg you... woo woo woo..."

Galia cried very sadly in her sleep.

Not a single bit of outbursts.

She curled up like a homeless child, mumbling, "It hurts, my ribs hurt, I hurt... woo woo."

Seeing such Galia, Shu Ming felt ashamed and guilty.

He raised his hand and slammed it on the edge of the bed, scolding himself: "Darius, you **ba! ba!** ba****!"

He hit himself abruptly.

The back of the hand was bleeding.

Galia was also awakened by him.

She had nightmares, in which everyone abandoned her, she fell into the abyss, and her whole body was in unbearable pain, but the whole family ignored her and pushed her into the abyss, and she woke up like this.

Seeing that the back of Ming Zhen's hand was bleeding, Galiali hugged Darius's hand in her arms in distress: "Azhen, what are you doing, don't treat yourself like this, I... I will feel distressed Ah Zhen, I will feel distressed."

"You forgive me?" Darius asked while holding Galia's face.

Galia shook her head: "I never blame you, I never blame you..."

"Galia!" He hugged his wife in his arms, and the two hugged tightly.

The husband and wife did not say a word.

All the complaints, all the resentments, all of it, all vanished.

She and he are still in the same heart.

No one can separate their hearts.

Even if Galia's face is no longer the face of Zeng Jin, even if Galia's voice has changed, as long as it is the same heart.

Their love, their marital love, and their appearance have nothing to do with them.

The only thing is that Darius still doesn't understand, what did he and Galia do wrong? God wants to punish them like this, let them be separated for four years, and let his wife suffer all the hardships in the world.

why!

What the hell did they do wrong?

But, is he going to hate God?

He could only hold his wife, secretly ruthless, he would never be separated from his wife again in this life.

"What are you two doing? You don't pay attention to your image at all!" A sharp criticism suddenly came from behind.

Chapter 2813

Galia and Darius were both startled at the same time, and when they looked back, they looked back at the seventeen-year-old Shen Weiyi.

"You! Little bunny. You scared me to death, why are you here!" Darius saw that it was Shen Weiyi, and immediately became angry.

Shen Weiyi came to Darius and Galia with a smile, and shouted affectionately, "Aunt Galia, you are here after all your hard work."

Galia shed tears happily: "The only one, you always knew it was me, didn't you? You always knew it was me?"

The only nodded: "I never doubted!"

"Thank you, my baby, I will never buy snacks from you again. I will buy you a lot of potato chips, spicy chips, and all the junk food that your parents don't let you eat. You have enough!"

Shen Weiwei immediately took two or three steps back in fright: "Aunt Galia, no...don't bring me such harm, I...I haven't eaten this kind of junk food for a long time, I Now that I'm an adult, I want to stay in shape, I want good skin, and I want beauty."

"Really don't eat?" Galia tempted.

"I really don't eat it!" Shen Weiyi swallowed.

She is a little girl with strong self-restraint. She used to love to eat these things, but when she saw that her classmates had several chubby buns, she rarely ate them again.

However, I still want to eat.

"Resolutely don't eat it!" Shen Weiyi said with determination: "If Aunt Galia buys me these junk food again, I will tell everyone in the world that you are not my Aunt Galia."

"Haha." Galia smiled happily: "It's too late, your uncle Ming Zhen has already admitted me."

Shen Weiyi sighed: "Hey, if I knew it earlier, I wouldn't recognize you. If I recognize you, you should grab food from me in the future, and you should instruct me to do this and that."

Seeing Shen Weiyi's self-tortured appearance, Galia and Darius laughed all over the place.

However, although the little thing complained a little, he still took out the things in the backpack one by one.

"These are nutritional supplements prepared by my mother, which are helpful for Aunt Galia's physical recovery, as well as these foods, Aunt Galia, my mother said that in order not to make that fake Galia suspect, she can't take it for a while now. Come to see you, take care of yourself." The only serious thing said to Galia.

Galia nodded: "Well, I see, thank you mom, the only one."

Speaking of the fake Galia, Galia looked at you, Darius worriedly: "Ming Zhen, what will happen to the fake one?"

Shu Ming gave Galia a hug and said, "Galia, I'm here to tell you that I'll have to grieve you for a while, and I'll perfunctory Galia for a while to catch them all in one go."

Galia nodded: "Don't worry, Ming Zhen, I will be fine here, you don't have to worry about me, you can deal with her, remember to protect yourself, that Mi Qunli, she is really insidious, You don't want her to jump off the wall and hurt you. Understand?"

Ming Zhen hugged Galia in his arms: "Don't worry! Wife, I'm leaving."

"Wait a minute, Mingzhen." Galia hugged Darius again.

"What's wrong?"

"We...our child...do you believe that is our child?" Galia asked.

Darius poked Galia's nose: "Stupid or not, that's our child!"

"You don't need to do a DNA?" Galia asked.

"Don't do it, it hurts the children too much."

"Then you believe that?" Galia asked again.

After so many things, she has matured a lot. She thinks that the most convincing evidence must be presented.

Hearing Galia's words, Darius's eyes turned red: "Baby, everything is my fault, I hurt you, or else I won't let you become like this, I don't have to do DNA, never will to do it.

do you know?

On the third day after I brought the baby home, your mother-in-law turned up a chapter of photos of me when I was two years old.

Exactly the same as sweet long.

Honey is a bit like me too.
