

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel

Chapter 2816

Fake Galia naturally agreed.

Three days later, they entertained the benefactors of fake Galia in the largest and most luxurious hotel in Nancheng.

Some of them came from abroad.

There are also local ones in Nancheng.

Darius took a cursory look, and sure enough there was that middle-aged woman.

It was the woman who lived in the same yard with Mi Lu and suggested that Mi Lu be the one who did the DNA.

Darius held hands with fake Galia and came to the middle-aged woman:
"Eldest sister, do you still know me?"

Fake Yanyan immediately introduced: "Darling, let me tell you, this is one of my sisters who has helped me a lot, called Zhen Meimei, this eldest sister has always taken care of me, including when I had a miscarriage. , she took care of my confinement, I think we should give her two suites!"

The middle-aged woman named Zhen Meili immediately waved her hand:
"No, no, really no, I can escort you to your husband's side, which is also a part of my merit. I didn't come for money."

As she said that, Zhen Meili looked at Darius: "You don't mean what you said, Master Shu, in fact, I paid attention to that Mi Lu for a long time, I knew she was fake, Galia didn't come to Nancheng at that time, she was out of town. One more thing, I was really worried that you were recognizing Milu.

That's why I encourage you to do DNA.

This year, only DNA is the most accurate, don't you think?

You see, if you do DNA, you can immediately tell that Mi Lu is fake. You said, how can there be such a person these days?

She doesn't look alike, doesn't have any resemblance, and she pretends to be someone's wife outright, just relying on a bit of cheapness? Stick up naked?

Really, is there no reason?

Fortunately, Shu Shao, you and Galia's parents are wise. Otherwise, that Mi Lu really took advantage of it.

At that time, we are really Galia, won't we cry to death? "

Hearing Zhenmei finished speaking, Shu Ming smiled calmly: "Otherwise, how can I give you two suites, eldest sister."

Miss!

Darius has already sent someone to verify it.

This Zhen Meimei should be the eldest sister of fake Galia.

should be!

"No, no really no need." Zhen Meili was still evading.

But the fake Yanyan said: "Eldest sister, just keep it, I told you a long time ago that my husband is not bad for money. At that time, you always thought I was bragging and said I was dreaming. I told you that I was It's not a dream, is it?"

"Yes, yes, I see it now, your husband is indeed the number one rich man in Nancheng. He is handsome, rich, and so caring. Regarding the house, slow down first, I really dare not do this. I am looking forward to the generous gift from you, can Young Master Shu send my two children abroad to study in the best universities abroad, so that they can have a good future?" Zhen Meili finally put forward her own request.

Fake Galia: "This..."

She pretended to be embarrassed to look at Darius.

This was all negotiated by her and her eldest sister in advance. She had to ask for money and a house, and she had to use Darius's strength to help all her family members soar.

That's how it gets ingrained.

Prosperity forever!

Fake Yanyan shouted to Shu Ming, "Darling, is this difficult for you?"

Darius smiled casually: "It's easy to talk about this! Are there any other difficulties? Let's talk about it together?"

Chapter 2817

Hearing Darius say this, Zhen Meili immediately said embarrassedly, "Hey, how can I trouble Young Master Shu with everything? There's nothing... there's nothing else to do."

"Hey, eldest sister, if you have any difficulties, just say it. Anyway, my husband is the second most capable husband in Nancheng. He is really omnipotent." As soon as he raised his head, Fake Galia looked at Darius coquettishly: " Am I right, husband?"

Shu Ming looked at the fake Galia with a doting face: "Darling, what do you think? Could the husband you choose be wrong?"

"I'll just say it!" Fake Galia rested her head on Darius's shoulder happily.

Darius hugged the fake Galia, and almost retched with disgust in his heart.

This Galia is indeed very similar to his Galia, very similar!

If this Galia didn't speak, but only remained still, Darius would feel that this was his Galia, the wife he thought about day and night.

But, Galia would never ask him that way.

Although Galia was pampered and had never endured hardship, Galia was never greedy.

Galia is a person who has no concept of money.

Also, she doesn't buy luxury goods.

Her tutoring is very good.

Never buy a product that is beyond your reach.

Even if Galia was married to the Shu family, she would never be petty to ask for this or that.

Not to mention his embarrassed husband, while letting his husband export such a large amount of property, he also has to let his husband do things for others.

Galia never!

But this fake Galia is so greedy!

It's downright abominable!

However, the more this is the case, the more Darius dotes on the fake Galia on the surface: "Baby, from the aspect of your selfless help to them and the selfless giving of property, I can see that they must have helped you a lot back then. Big, right? That way I can thank them even more.

Without them, I would never see my wife in my life. "

Fake Galia also choked with excitement: "Who said no? Husband, husband, I have a better proposal, would you like to listen to it?"

Darius immediately became energetic: "Okay, tell me, you always have a lot of ghost ideas, come and listen."

Fake Yanyan took a deep breath: "I think, in this world, there are really many people like me who are wandering outside and can't go home, why don't we set up a foundation and let these people who help me take care of it, I The Moshu family donates 200 million to this foundation every year, and uses this money to help those homeless people.

Especially homeless women, what do you think? "

Darius looked at the fake Yanyao, but said nothing: "..."

Fake Yanyan immediately became unhappy: "Husband, do you not want to do this kind of business, public welfare business, but I always want to do it."

Darius sneered in his heart.

Two billion!

She is really a lion's mouth!

The appetite should be more than two hundred million, right?

In the future, in the name of the Shu family's public welfare project, will they be able to make money in the upper circle of Nancheng?

This plan is really thoughtful.

It's perfect!

The smile on Darius's face became more tolerant: "Why only 200 million, my wife, it's too few, my husband donates 100 million to this public welfare project every year! Not only that, I will mobilize all the upper-class circles in Nancheng to come. How about donating money?"

"Wow! Thank you so much, husband!" Fake Galia smiled brightly.

Turning around, she looked at her benefactors and said loudly: "From now on, we will have our own business to do. Although it is not profitable, it is very meaningful. You are right!"

In the entire banquet hall, I remembered the cheers.

Everyone was surrounded by fake Galia.

Not far away, in a box on the second floor of the hall, two people were talking to the video screen.

At the other end of the video, it turned out to be Darius's eldest brother.

The eldest brother in the video was furious: "This fourth! He is so cruel to our three brothers, let's never go back to China for the rest of our lives, and never go back to Nancheng! He's so good!

For such a little b!tch, little b!tch!

A woman who doesn't belong to the Shu family at all, he is willing to talk to one billion yuan a year!
