

Chapter 5022

One night, many people stayed up all night because of their happiness.

Ito Yuhiko was lying on the bed of the hotel at this time,

While he was pedaling his 'air bike' into the air, while looking at the chandelier with silly joy.

He liked the feeling of regaining his legs so much, if he wasn't afraid of his daughter's anger,

He would have wanted to go out and run three laps around New York.

The same goes for Tanaka Koichi.

He didn't lie on the bed for less than five minutes,

And he couldn't help but get down and walk around a few times,

And then put his legs on the table to look carefully and touch them carefully.

Roma didn't have much chance to experience the feeling of having her right hand again,

Because Zynn couldn't wait to carry her to the bedroom.

After more than 20 years, the two relived the passion of the year.

As for Duncan, who was the first to take Reshaping Dan,

He returned to his home in Houston with his wife, daughter, and son-in-law on the private jet of An family.

Since Stella endorsed him, his image in the eyes of his family is comparable to that of a superhero.

In their early years, his wife and daughter lived with him in New York.

At that time, he devoted himself to work and seldom asked about his wife and children.

And because of his identity as a policeman, he is quite strict with his wife and daughter on weekdays,

And the atmosphere at home has been very depressing without knowing it.

Later, his relationship with his family became tenser and tenser.

When his daughter was in college, she deliberately gave up the school in New York and chose to study in Houston,

In order to stay away from him so that she could breathe a sigh of relief.

The wife also took the opportunity to choose to accompany her daughter to study in Houston,

And began to separate from him in fact. But fortunately, the two sides have only been separated for a long time,

And it has not risen to the point of needing a divorce.

Duncan's daughter is not very good at her studies. She was rebellious when she was young,

And her father is a resolute detective who is more strict than ordinary parents.

Therefore, although her rebelliousness is struggling, she has never had a chance to emerge.

Although Duncan has lived in the United States for most of his life, He is a downright Chinese-style parent.

The way he treats his daughter's education can be summed up in the words

'excessive intervention and strict restraint'.

And because of the high pressure he brought, his daughter turned from rebellious to a relatively decadent school-weary mentality.

Because of this, the relationship between father and daughter has never been eased.

Duncan's income before retirement was almost \$400,000 to \$500,000 a year.

Although this income level is not low, it also firmly welds his family's social stratum to the middle class.

His daughter got married last year to a young Chinese man who graduated from a prestigious university and worked for NASA.

Although his son-in-law is somewhat talented, he is too high-spirited.

In addition, he is not valued very much in NASA, and he is even marginalized and thus a bit depressed.

Duncan understands his son-in-law quite a bit.

He is a professional in aerospace and has excellent education and skills.

However, because of his unrelated background, he has been suppressed where he works.

After returning home, Duncan left his family in the living room and said with emotion:

“It’s hard to come back, let’s have a meeting with everyone first.”

His wife, daughter, and son-in-law agreed without hesitation and sat on both sides of Duncan.

Duncan took out the \$10 million check given by Stella from his arms and said,

“As for this money, my current idea is to leave it all to the baby in Paula’s womb and make a family trust.

The daughter hurriedly said: “Dad, the child has not yet been born, you don’t have to think so long for him...”

Duncan said solemnly: “This is something I must consider because I did not think too much about you before.”

“That’s why our family is so alienated, and besides, I didn’t do it for you, but for your children and his future children...”

Speaking, he sighed: “I have more contact with your Uncle An and his family,

And I understand the truth. The reason why the rich in the West can keep getting rich is that their asset inheritance pays more attention to contracts, not blind inheritance.

So starting from the baby in your womb, we will also make a family trust,

And invest all ten million dollars into it. Before the child turns eighteen,

All this money will be used for the lowest-risk investment.

At the age of eight, it should be at least doubled.”

Duncan’s son-in-law couldn’t help but said at this time:

“Dad... there is something, I have been looking for a chance to tell you on the way back. But don’t be mad at me...”

Duncan looked at his son-in-law, nodded, and said, “Stephen, you can talk about it.”

The son-in-law hesitated for a moment, and then said bravely,

“When I was in the Anbang Building, Mr. Marsshal An talked to me,”

“And he said that the An family was willing to take out 100 million US dollars to make a trust for Paula’s children and me,”

“On the condition that if the child in Paula’s womb was a boy, we would give him the surname Li,”

“If it’s a girl, you can choose the surname Li, or wait for a boy to be born and let the boy’s surname Li...”

Duncan and his wife and daughter were both surprised.

Duncan was even more guilty. He didn’t expect that Marshal would tell his son-in-law about this in private, and quickly said:

“Stephen, don’t be angry, your uncle An told you this, mainly because you, Grandpa An is a bit of an old feudal person.”

“Don’t take it to your heart, let alone blame him...”

“No...” The son-in-law said awkwardly:

“Dad...I...I’ve...I’ve made my own...promise...”
