Remarriage Never And Go Away

Chapter 521

Chapter 521 She couldn't Stay Calm Anymore

Angela was speechless.

She looked at Martha in disbelief, "Mom... Seriously? You still think I can get engaged to him?"

"You child, why do you have these groundless conjectures?" Claude frowned, "I said, if they really want to call off the engagement, they would have made the decision. They can't be so calm. It's not their style."

Angela frowned deeply, "Oh my God! You just don't believe what I said. I really have a premonition!"

Sometimes, the premonition was right!

Very right!

Something was wrong with Jordy!

Something was very wrong!

Martha frowned, "Well, tomorrow I'll go to Olivia and talk to her to see if there is anything unusual."

Angela quickly nodded, "Good, you should do that. Otherwise, I will always be in apprehension. Every time I called him recently, his assistant answered the phone for him. He was very busy, and I had no chance to talk to him. If this continues, we two..."

Angela was afraid to go on. She was afraid that what she said would become true...

"Alright, calm down. Look at you. You are not like the daughter I personally taught." Martha frowned with obviously disgust in her eyes.

Angela was speechless.

“Mom, you...”

Angela was about to cry with anger. She was restless today, but her parents didn't take her words seriously. She was going to collapse.

The next moment, she cried, “Why? Why don't you believe what I said? Do you know how terrible I feel? Do you really regard me as your daughter?”

“Come on!” Claude felt very distressed at the sight of his daughter's tears. He immediately went forward and wiped her tears, “Sweetheart, of course we do. But I've explained it to you. If they dare to call off your engagement, we will stop cooperating with them. The Brown Group is eager to cooperate with us. How do you think the Collins family will wrap it up?”

Angela's expression changed slightly, “Well...”

Claude wiped away all the tears on her face, and then said gently, “If they really propose to call off your engagement, I will ask them to terminate all our cooperation. I'll see what they will do!”

Angela breathed a sigh of relief. She knew how important their company was.

So...

There would be no problem?

Martha said helplessly, “Well, just stay calm and patient. My daughter is noble. You will be Mrs. Collins, okay?”

How could Martha not feel distressed seeing her daughter crying? She could only hold her hand and soothe her.

Angela nodded and said nothing else..

The next day.

Martha was going to see Olivia.

But...

Olivia didn't answer her call.

How could this happen?

Angela's heart did a somersault, "Why didn't Olivia answer your phone? Was she deliberately hiding from you? Mom, are they really going to call off the engagement?"

Remarriage Never And Go Away Chapter 522

Remarriage Never And Go Away

Chapter 522

Chapter 522 Seriously?

Martha frowned, "How's that possible? She's probably busy. Maybe she's in the bathroom?"

Angela's expression changed slightly, "Call her again!"

Martha said helplessly, "When she sees it, she will call me back. How could we keep calling her?"

"Have you forgotten what I told you last night? Stay calm and patient!"

Angela was speechless

Seriously?

She had no choice but to sit anxiously on the sofa.

She browsed Twittet restlessly. Fifteen minutes passed, and they still got no response

"Call her again!"

"Just be patient." Martha looked grave, and she also felt something was wrong.

She thought that Olivia might be really busy, so she decided to wait.

But...

After waiting for another hour, Martha still didn't receive Olivia's call.

"Mom, just call her again!"

Martha picked up her mobile phone with a frown and called Olivia again.

But...

Olivia still didn't answer the call.

Angela became paler and paler, "It's over, it's over..."

She couldn't help repeating it.

Martha frowned with a cold look, "I'll call her assistant."

The phone was answered.

The assistant answered it quickly.

"Mrs. White? What can I do for you?"

Martha smiled, "Well, what is Mrs. Collins doing? Is she busy?"

The assistant paused for a moment, then said with a smile, "I don't know. Maybe you can call her: 1

was sent out by her for some errands. I am not in the city."

Martha frowned deeply, and she could clearly feel the hesitation in her words.

Something fishy was going on here!

But Martha could only reply with a smile, "OK. I'll call her. Bye."

"Bye, Mrs. White."

Martha hung up

Angela said with a pale face, "Mom... Is it over..."

Martha frowned, "No."

"What should we do now? What should we do?"

Angela was extremely flustered like a chicken with its head cut off.

The next moment, Martha said directly, "Come on, go to the Collins family with me."

Angela immediately got up and followed her.

They got in the car and went straight to the Collins family!

Along the way, they discussed what to do.

Martha was not as calm as before. After all, Olivia hadn't called her back, which was very weird!

But...

When they arrived at the Collins family, her mobile phone suddenly rang.

They looked at the mobile phone together and found that it was Olivia. Angela immediately said, "Come on, answer it! Tell her we're here!"

Martha didn't speak. She answered the phone with a smile, "Hi, Olivia."

"Martha, I'm sorry. I was playing golf with my friends and didn't notice your call. What's the matter?"

Martha?

Hearing this, Martha froze for an instant.

Why did Olivia call her in such an estranged tone?

Martha told herself that it was an illusion. She said with a smile, "You were playing golf? Are you at home now? I'm downstairs with Angela."

Olivia liked Angela very much. She often said that she regarded Angela as her daughter and liked her very much.

Chapter 523 The Angry Voice

Olivia immediately said with some regret, "Well... you are downstairs my home? But I'm not at

home."

Martha's expression stiffened, and she immediately said with a smile, "Oh, then we..."

Just when she was about to say that 'we would meet another day', Angela had opened her mouth.

"Mrs. Collins, it's me, Angela."

They were on speaker, so Olivia wasn't startled.

"Hi, Angela." Olivia's voice was very soft, and Angela couldn't tell anything wrong.

"I'm not at home. What's the matter? *Maybe* you can come to my house another *day*?"

Angela turned slightly pale. She wanted to say that "we'll wait for you to come back".

But...

Olivia obviously didn't want to see them on this day. What should she do?

Angela looked at Martha with some confusion. She wanted her to come up with a solution.

Martha took a slight breath and said, "Then we'll come again. Enjoy your time."

"Okay, we'll meet again sometime."

Olivia's voice was soft, but there was a strong sense of rejection in it.

"OK." Martha responded as usual.

"Goodbye, Mrs. Collins." Angela tried to make her voice sweet.

"Oh, goodbye." Olivia finished speaking with a smile and then hung up the phone.

Angela held Martha's hand tightly, "Mom, something's wrong!"

Martha was grim-faced and didn't say a word.

She began to have some apprehension.

"Mom, what should we do?" Angela was flustered and was no longer as calm as before.

Martha frowned and said in a deep voice, "Let's go back."

"But..."

Angela obviously didn't intend to give up, but Martha had looked at her with a displeased look, "Then what are you going to do? She doesn't want to see us. You want to go in and wait for her to

come back?"

"I..." Angela did not know what to say.

But she didn't want to give up like this!

She couldn't believe this!

"Let's go back."

After saying this, they went back.

At the same time, in the old mansion of the Collins family.

Olivia had a very complicated look.

She looked at Jordy with a frown, "I've done what you said, but do you know what will happen? How can you fail Angela? She is..."

"My life saver?" Jordy's eyes were full of disdain.

Olivia's eyelashes fluttered, "What do you mean?"

The look in Jordy's eyes was satirical. He said in a flat tone, "I won't be engaged to her. Just don't bother about it anymore."

"What? You promised! Jordy, what the hell do you want?"

Olivia was very confident that Jordy and Angela could have a happy marriage, but Jordy didn't listen to her at all!

Just when she was about to answer the phone, Jordy stopped her.

A long time later, she said that she wanted to call Martha back. Jordy let her do that, but he did not allow her to meet Martha and Angela.

The housekeeper told them when Martha and Angela arrived.

That was why Jordy allowed Olivia to call Martha back. Otherwise, Martha and Angela might have come in directly

“You bastard! What on earth do you want?” Just as Olivia and Jordy were in a standoff, an angry voice came from the stairs.

Chapter 524

Chapter 524 The Sudden Doorbell

Olivia was relieved when she saw Joseph. Her son might not listen to her, but he might listen to

Joseph.

But...

Olivia was wrong.

Jordy said in a very firm tone, “I won’t be engaged to Angela.

He looked very calm.

Joseph was so furious, “You... promised, didn’t you?”

“Yes.” Jordy looked at Joseph with cold eyes, “But I won’t be engaged to a liar.”

“You... What liar? What are you talking about?” Joseph clenched his teeth, “If you refuse to be engaged to her, our cooperation with the White Group will...”

Jordy suddenly interrupted him, “Our Collins Group does not need to cooperate with them.”

Joseph sized Jordy up with his eagle eye, “What do you mean?”

In fact, Joseph wanted to be in—
laws with the White family because of the White Group...

After hearing Jordy’s words, he noticed something wrong.

Even Olivia rested her eyes on Jordy.

In fact, that was also the reason why she liked Angela. Moreover, she really didn't like Gloria before.

Angela was smarter than Gloria.

But if they had other choices, Angela might not be worthy of her son!

Jordy said calmly, "We have established our own timber business."

Joseph and Olivia were shocked, "What?"

Jordy's expression was calm and cold, and the words he uttered are extremely freezing, "The White Group always takes a huge cut, and our timber business is developing well. We'll keep the cut to ourselves."

Joseph frowned, "Take me to it!"

Gloria and Nydia had been staying at home all day. Gloria hadn't gone out these days. She felt that

she was going to be moldy.

She looked at Nydia and said helplessly, "In fact, I'm not as fragile as you think. We can go out for a

walk."

"It will take at least 100 days to recover if one breaks his bones. Your rib was broken! Remember? Don't go out! You'll do that after you really recover!"

Gloria was helpless, but she felt warm inside. She was lucky to have such a good friend

She had terrible families but she had wonderful friends.

She said helplessly, "Okay, I'll listen to you."

Nydia was relieved. In fact, she was also bored.

But Gloria was injured and couldn't go out at will.

"In fact, we are not bored at home. We can chat and work, watch TV, play on our phones and browse Twitter. There are many interesting things to do!"

Gloria nodded with a smile.

“Yes, you are right.”

She remembered many things her friends did for her and would not keep expressing her gratitude to them. If she did that, they would feel uncomfortable. That was how friends got along.

While they were talking and laughing, the doorbell suddenly rang.

Nydia looked at Gloria and said with a surprised look, “Who’s here to see you?”

Nydia thought that Gloria knew who would come. Seeing Gloria shaking her head and getting up, she quickly stopped her,

“Don’t move. I’ll check it out.”

Gloria nodded without speaking.

Nydia walked to the door. Through the peephole, she found the person here was...

Nydia looked at Gloria in surprise and whispered,

“It’s your cousin? How could she be here? Did she call you?”

Gloria frowned slightly and shook her head.

Nydia looked a little grave. She said in a deep voice, “What to do now? Should I let her in?”

Gloria curled her lip, and the sarcasm in her eyes emerged instantly.

She said, “Let her in. Since she came here aboveboard, she doesn’t dare to hurt me. I’ll see what she’s up to.”

Nydia looked somewhat worried, as if she were torn.

But looking at Gloria's determined expression, she opened the door silently.

Angela walked in, but when she saw that it was Nydia who opened the door for her, she froze.

"Why are you here?"

Nydia looked at her and asked in reply, "Can't I be here? Does it have anything to do with you?"

Nydia really hated Angela. She was already very polite to her.

Angela turned sullen. She didn't expect that Nydia would be so aggressive. She said angrily, "You..."

However, Gloria interrupted her and said with an indifferent look, "Why did you come to me

suddenly?"

Angela was momentarily distracted by Gloria's voice.

She walked towards her, and the anger in her eyes almost spilled.

The next moment, she asked as if she were really pitiful, "Gloria, what do you want? When will you stop? Are you still not satisfied after hurting me so many times?"

Nydia frowned at her words. She walked over without hesitation and stood in front of Gloria. Looking Angela in the eye, she said with displeasure, "Angela, what do you mean? Who is hurting who? Okay, let's just settle this up. When will stop hurting Gloria? You've broken one of her ribs. What else do you want? Do you really want to kill her?"

These questions sounded extremely harsh.

Angela turned sullen and she shouted angrily,

"What are you talking about? What does that have to do with me?"

Gloria just chuckled.

"Nydia, don't have this argument with her. It's meaningless."

Nydia frowned, but did not refute. Angela was completely enraged by Gloria's words.

She approached Gloria, but Nydia took a step forward and pushed her in the shoulder. Angela staggered back

“What are you going to do? Your men failed to kill us, so you are going to do it yourself? You know what? I’m here. If you want to hurt Gloria, over my dead body!”

“Nydia!” Angela shouted angrily.

Nydia gave a cold snort, picked her ear impatiently, and said irritably, “I’m not deaf. I can hear you. Do you want everyone to hear you? It’s funny. You’re not afraid that I’ll film your fishwife look? Then your noble image will be destroyed by me.”

Angela’s chest heaved with anger. She came to settle accounts with Gloria, not for having a fight with others

Then she took a deep breath, suppressed her anger, looked at Gloria and said in a deep voice, “This is between us. I hope you can get her out of here.”

Remarriage Never And Go Away Chapter 526

Remarriage Never And Go Away

Chapter 526

Chapter 526 Why Would She Go Back to Jordy?

Nydia sneered, “I am Gloria. Gloria is me! I’m not an outsider. I’m much closer to Gloria than you. Your family depended on her to live back then, and now you’re still monopolizing her property. You wanted her to resign, so you gave her a difficult task, but you call it a test. You just wanted to read the benefits, didn’t you? You are so shameless!”

“You...”

Angela was used to being aloof in front of others. No one dared to question her like this for so many years. She never expected that Nydia would say such words!

When they met, they never had a fight no matter they liked each other or not, but today, Nydia...

“Nydia.”

Gloria grabbed Nydia’s hand and pulled her back. She didn’t want her to get involved in this. Angela and her family were cruel people. She didn’t want Nydia to be hurt by them.

But Nydia didn't worry about that. She looked at Angela again and sneered, "What? Isn't it the truth? You are shameless, aren't you? You actually wanted to steal Gloria's husband. This time you're finally going to be engaged. Congratulations! A bitch and an asshole can make a perfect match!"

"Nydia!"

Angela was so angry that even her words failed her.

She couldn't vent her anger. Now she just wanted to kill Nydia! Damn it! Damn Gloria. Damn Nydia! They were two bitches!

She was going to run over them with a car!

Angela's eyes flushed with anger, as if she were going to eat Nydia alive. Seeing this, Gloria immediately gripped Nydia's hand, "Enough. Go back to your room. She won't hurt me."

"No! I can't let her touch you! You haven't recovered yet." Nydia refused without hesitation.

"I'm still swift. I can handle this. Trust me." Gloria's voice and eyes were firm.

But Nydia didn't mean to leave. She said in a deep voice, "No! I will never leave! I know everything happened between you two. Angela, you can say whatever you want here. I'm not an outsider. As long as you don't hurt Gloria, I won't hurt you."

Angela clenched her teeth. Anger simmered inside her.

She was going to blow her top!

She took deep breaths again and again to suppress her anger!

She did that repeatedly!

When the blue veins on her forehead fell back, she looked at Gloria and said gloomily. "Gloria. since you don't like Jordy anymore, why do you keep pestering him? You want to come between us?"

Gloria suddenly chuckled, "So that's why you came to my door so angrily."

Angela was speechless.

Her eyes widened with anger. That was why she came to her door? How could Gloria say that in such a carefree tone? Right! It had nothing to do with her. The person who was punished was her. Of course she was happy!

Why? Why was Gloria so lucky? Why did she survive? Those two drivers were simply morons!

Nydia suddenly smiled, "What you said is really funny. Gloria asked for a divorce in front of so many people, a

her divorce certificates. Moreover, Mr. Brown is so nice and he is eager to be with her. Why would she go back to Jordy?"

Remarriage Never And Go Away Chapter 527

Chapter 527

Gloria also looked at Angela and smiled, "I never intended to go back to Jordy. You can rest assured about this."

Nydia sneered, "Yes, that's right! So you should focus more on Jordy. Did you show your true face too frequently recently? And you can't pretend to be lofty anymore? Otherwise, why did Jordy always ignore you and pester Gloria?"

Gloria was speechless.

She stroked her forehead. Nydia was taking it out on Angela for her.

"Nydia, that's enough. Stop it, okay?"

Gloria told Nydia to stop speaking again. Nydia curled her lip and said with a sullen look, "I can't!"

She had been expecting to have a fight with Angela! Angela was evil and vicious! She actually came to Gloria's house to make a fuss. How could she watch it without doing anything?

Angela clenched her fists and her eyes flushed with anger. She was going crazy, and even her heart was burning with rage.

But she took a deep breath and tried to stay calm.

“Gloria, just tell me what you want me to do so you can leave Jordy? Do you really not intend to go back to him?” Angela tried to be nice, but she could not help raising her voice when she said the last sentence.

Gloria smiled, “I said, I’m not interested in Jordy anymore.”

“But why are you still pestering him? Since you don’t like him, why did you let him approach you?”

Gloria laughed. Her laughter was very light, as if she were talking about something interesting with her friend.

Nydia also looked at Gloria with a puzzled look. Why was Gloria so calm? Gloria used to regard Angela as her sister. If they fell out, she should be angrier! Angela and her parents were ungrateful and vicious. They had done so many evil things to hurt her! How could she be so calm?

Alas.

She could never be like her.

Angela frowned, “What are you laughing at?”

Gloria’s smile widened. After a while, she slowly opened her mouth, “What happened before might be misunderstandings, but isn’t it because of you that we often got embroiled with each other?”

Angela frowned, “What do you mean?”

Gloria smiled, “When I put forward that plan, your father should have let me cooperate with the Brown Group. Then the things between Jordy and me wouldn’t have happened at all. You were afraid that I will show my talent and affect your position in the company, so you prevented me from appearing in front of others and cooperating with the Brown Group.”

Angela, “That was because...”

Gloria raised her hand and said helplessly, “Save your high-sounding reasons. I didn’t record our conversation, and I’m not interested in spreading it around. And you didn’t come here for the recording, right?”

Angela’s expression turned more vicious instantly, but she did not speak.

Nydia also wanted to see how Gloria would stimulate Angela like a fan waiting for her brave friend to continue to speak.

Gloria didn't disappoint Nydia. What she said next enraged Angela completely.

Gloria sneered, "Then, Jonathan didn't agree with your decision. He wanted to either give up working with you or use me. You were worried. How could you watch such a huge profit slip away? So you went to Jordy and showed him this plan. Jordy took a fancy to it and also chose me, didn't he?"

"You..." Angela's chest heaved with anger.

Gloria smiled calmly, "He also wanted me to work with them. You were in a dilemma. No matter who you chose, I would be the one who would work with them, and you would offend either of them. So, you had another plan, didn't you?"

Angela clenched her fists and wanted to scream at her and let her stop!

Nydia clenched her teeth! Damn it! If they hadn't gone so far, how could Gloria be so pitiful? Seeing that she had been living in pain for the past few months, she was so distressed!

Nydia held Gloria's hand. Although she didn't say anything, the sympathy in her eyes was about to spill.

Gloria just smiled at her and looked at Angela again, "You probably didn't expect that you only broke one of my ribs after hitting me with the truck, but Jordy was worried to death because he was afraid that I would die. He liked my plan. If I die, he would lose a very important partner. Then he would lose huge profits, wouldn't he?"

"So, he came to my ward and took care of me all day long. If I hadn't provoked him with harsh words, he would have come to see me every day. If you hadn't done those things, how could I get involved with him? Sometimes I wonder if I have misunderstood you since the beginning. You really did what you said. You always kept saying that you wanted us to make up and get back together. It seems that you were really helping us?"

"You..."

Angela was going to blow her top!

Gloria chuckled, "But I don't like Jordy. Otherwise, I think we might really get back together. If you keep helping him get embroiled with me, what if I rekindle my love for him? Jordy attaches great importance to interests. He thinks I'm very useful. Isn't business marriage like this? It can create wealth, and I can bring him wealth."

"You bitch! You shameless bitch! Bitch!" Angela was so angry that she kept swearing.

But Nydia laughed, "That's the only words you know when you curse? You've always pretended to be pure and lofty. You should know a lot of filthy words, but that's all you know? Maybe I can teach you how to swear. When I was in junior high school, I was an innocent fool. But they cursed me with a lot of filthy words. Do you want me to show it?"

"Shut the f**k up! Shut up! Nydia! Don't make me hurt you!"

"Come on! Let me see what you are capable of! You really think I'm a pushover? If you really hurt me, my father will never let you and your family go!"

Angela was speechless instantly.

Nydia had a backer.

"Enough. Nydia." While holding Nydia's hand, Gloria looked at Angela, "It's meaningless for you to come to me. As for the recording... You'd better not make any waves. Otherwise, you know what will happen."

"It's you! It's really you! Gloria! I knew these things had something to do with you!"

Gloria smiled, "You were more determined to kill me because of the recording, weren't you?"

"You bitch! Ah, I'm going to kill you!" Angela was so angry that she shouted like a raving lunatic.

Gloria smiled, "Then come at me at any time."

Angela reacted. What if Gloria was recording their conversation?

Remarriage Never And Go Away Chapter 529

Remarriage Never And Go Away

Chapter 529

Chapter 529 What Are You?

Gloria could send this recording directly to Jordy without any processing.

The day for their engagement was approaching, but the Collins family was quiet. Gloria might make a big wave to ruin it.

Gloria smiled, "Cousin, are you sure you want to stay and keep humiliating yourself like this? I can wait for you to attack me again."

"Gloria! Don't get cocky! You will fall into the mire and become the laughing stock of the world soon or later!"

"Are you serious?" Gloria squinted, "You mean you will let me go and let me live?"

Angela took a deep breath. She didn't want to be enraged by this bitch again, so she immediately said, gritting her teeth, "Don't be smug!"

With that, she turned around and left directly.

In fact, she wanted to clear the air with Gloria. If she was willing to give up, it would be good. But Gloria didn't want to solve the problem. Then what else could she do? Even if she stayed here, she would only humiliate herself!

After taking a deep breath, Angela left. Gloria! Gloria! That bitch. She would kill her sooner or later!

Bang!

The door was slammed shut.

Nydia looked at Gloria with some worry, "Gloria, we'd better stay home for the time being. We need to come up with a perfect plan! I'm afraid that crazy woman will attack you again!"

Gloria smiled, "Okay."

She really needed to lie low for a period of time. If she wanted Angela not to hurt her again, she could only force her to stop.

Moreover, Nydia had said so many things to provoke Angela. Angela obviously also hated her. However, what Nydia said just now could threaten Angela. Angela wouldn't dare to make any move because of the Maguire family.

"Nydia." The look in Gloria's eyes was somewhat puzzled, "Why doesn't Mr. Maguire work for your Maguire family but for our White Group?"

Nydia shrugged, "In fact, my uncle and my father didn't get along. However, my uncle was on good terms with your father, so he chose to start a business with your father. My father started his business after meeting a bigwig by chance."

Then she looked at Gloria with some doubts, "Why did you suddenly ask this?"

Gloria smiled, "No reason. It just occurred to me. Can you go to my bedroom and get the laptop for me?"

"You are going to work again?" Nydia frowned as if disapproving.

Gloria smiled, "No, how could I not record the conversation we had with Angela just now?"

"Hah!" Nydia's eyes lit up, "OK! I'll get it for you right now!"

She quickly got up and went to Gloria's bedroom with expectation in her eyes. She took out Gloria's laptop and handed it to her, "How are going to handle this recording? Post it on Twitter so that everyone can hear it?"

"Not for the time being."

"Huh?" Nydia sat next to Gloria, watching her fiddle with the laptop, wondering, "Then what are you going to?"

"I just want to destroy what Angela cares about most."

"Huh?" Nydia blinked, "So you'll just send it to Jordy?"

"Yes, for the time being. It's not time to make it public." Saying that, Gloria touched panel with her fingers, and then the recording was imported. She played it, and they listened to it.

Gloria turned her eyes to Nydia, "Would you mind being heard in the recording?"

"Hahaha, of course not. I enjoyed cursing her! Jordy will see what kind of person she is! I mentioned a lot of things to expose her just now!"

Gloria nodded with a smile, "OK."

Soon, she found Jordy's mailbox, selected the file and sent it.

Remarriage Never And Go Away Chapter 530

Chapter 530

Chapter 530 There's No Recording?

Nydia stretched herself with smiling eyes and said lazily, "I really want to see Jordy's reaction after he listens to the recording, but I can't."

Gloria just smiled and didn't say anything. She looked very calm. However, her fingers were still dancing on the touch panel of the laptop.

Nydia asked with some doubts, "What are you going to do?"

"Such a good recording can't be sent to only one person."

"Ah? Didn't you say you would only send it to Jordy?"

Gloria shook her head with a smile, "I've changed my mind. I suddenly realized that I might change the current situation by sorting out the several recordings and sending them to someone."

"What do you mean?" Nydia was confused by Gloria.

"I sent the recordings that I had sent to Jordy to Angela, including the ones that are favorable to me. If Angela doesn't want these recordings to be made public, she has to stop trying to hurt us. Otherwise, as long as something happens to us, these recordings will be made public. Angela still wants to persevere her reputation. She won't dare to hurt us in a short term."

"Hahaha, this is perfect. You're really smart." Nydia said with a smile in her eyes. She felt great on this day. She had a fight with Angela whom she had been hating for a long time, and even got the recording against her. She felt so great!

At this moment, Jordy was dealing with documents in the office. After he finished talking with Joseph, Joseph agreed to his decision with great satisfaction.

He could finally call off their engagement. Jordy was relieved. It seemed that he could handle his work more easily. Suddenly, he heard the sound of receiving an e-mail, and he subconsciously

opened it.

Since the person who sent the recording to him was the one who emailed him last time, Jordy was

sure that it was some evidence from Gloria.

Harold had been investigating the thing at his order, but many trails went cold.

He casually played the recording. Angela's hysterical voice made him frown.

"Gloria, what do you want? When will you stop? Are you still not satisfied after hurting me so many times?"

It might be because Jordy had a strong aversion to Angela. He disliked every word she said.

However, he didn't hear Gloria's voice. It was Nydia and Angela who kept quarreling.

Gradually, Jordy lost his patience, but he heard Angela's questions again and then continued listening to it.

"Gloria, just tell me what you want me to do so you can leave Jordy. Do you really not intend to go back to him?"

Jordy's breathing seemed to pause, and somehow he felt a little nervous.

Then he heard Gloria's chuckle.

"I said, I'm not interested in Jordy anymore."

Jordy's face turned gloomy instantly, and the room was filled with a cold atmosphere. The low temperature suddenly spread out, making people in other offices feel cold.

"But why are you still pestering him? Since you don't like him, why did you let him approach you?"

Jordy pursed his lips tightly.

"What happened before might be misunderstandings, but isn't it because of you that we often got embroiled with each other?"
