

## WHEN HIS EYES OPENED

### Chapter 2236

Avery laughed dumbly: "This gossip is too outrageous. When I gave birth to Robert, I took a break for at least half a year."

Elliot: "You didn't stay at home in the first place."

"Go out. I'll see your recovery then!" Avery helped Elliot to the dining room, "You can work from home after a while. As long as you don't have a headache, I won't let you do anything."

"Do you still want to go to Bridgedale?" Elliot asked, "Didn't you invite a team to be in Bridgedale before? Would you like to go and deal with the affairs of Bridgedale?"

"I can go or not. Originally, those people in my team have not believed in any resurrection. They keep suggesting that I open your head and look at the thing inside, but I did the operation considering you, and I'm worried it will hurt you..."

"Avery, sometimes you still have to believe in yourself." Elliot said.

Avery: "It doesn't make sense to talk about it now. If it wasn't you who was at risk, I would definitely be more sensible. As long as something related to you requires me to make a decision, I will be dominated by fear."

Elliot: "When you go out in the future, you can no longer be led by the nose."

Avery: "Okay."

...

“Oh, you two don’t be nauseous!” Layla said, “In the future, when you two go out, it will be safe to bring more bodyguards.”

“Layla, it’s not the bodyguard’s problem.” Although Avery wanted to let go of this matter, but she felt that it was necessary to review it, “The reason why your father and I were calculated by others a while ago was because we wanted to find your sister Haze too much.”

“Mom, haven’t you found Haze yet?” Layla remembered this, and her face was inexplicably heavy.

Robert’s eyes lit up and his voice was clear and asked: “Sister, do I have a younger sister?”

“Yes! She is a little younger than you. She was taken away by the bad guys. Mom and Dad just left us just because they were looking for her.” Layla explained the matter to her brother in an easy-to-understand manner.

Robert listened and pouted: “Why did the villain arrest my sister? Is it because she was disobedient?”

“When our sister was taken away, she was still a very small baby. How could she be disobedient? The villain is too bad, that’s why they took our sister.” Layla explained angrily, “If I catch the villain, I have to kill him!”

“Sister, I will kill the villain with you!” Robert said, cried out.

## WHEN HIS EYES OPENED

### Chapter 2237

The expressions on Avery and Elliot’s faces suddenly froze.

“Brother! Did you find Sister Haze?!” Layla exclaimed.

“No. But I heard some news.” Hayden didn’t want to say this now.

It was because his mother said that Haze was dead, and he couldn’t help but say it.

“Hayden, what news have you heard?” Avery’s heart was hanging in her throat, and she felt that her breath was hot.

Elliot looked at Hayden, his voice trembling: “Hayden, where is Haze now?”

“I don’t know where she is, all I know is that she was not killed. The criminal group in Yonroeville knew that she was your daughter, so they didn’t put her with other children.” Hayden told them the news he had inquired, “That person only knew that Haze was sold to a rich man. The rich man spent a lot of money to buy a child, sure It will be raised, not killed.”

This topic was clearly beyond Robert’s understanding. Robert didn’t understand the meaning, but he understood the murderous intent. He was so frightened that he hurried into his sister’s arms.

“Brother, stop talking! Robert is terrified.” Layla hugged Robert, her voice a little crying.

Layla was also intimidated.

What to sell children, what to kill... These words made her shudder. It’s almost like listening to a horror story.

“Hayden, let’s talk in another place.” Avery got up from the dining chair and walked to Hayden.

Under the pressure of his mother, Hayden stood up and left the dining room.

Elliot thought for a few seconds, and then stood up, planning to listen to what Hayden had heard.

“Dad, don’t go! I’m so scared!” Layla looked at Elliot pitifully, “My brother Robert is so scared too!”

Elliot looked at the two trembling children, and his heart softened suddenly.

He walked up to the two children and coaxed softly, “Don’t be afraid. Dad won’t let the bad guys approach you. Haze was taken away by the bad guys because he wasn’t with his parents.”
