

When His Eyes Opened Chapter 2316

Chapter 2316

Elliot saw Avery's face astonished, strode in front of her, and asked, "was it Lilly's grandmother? "

"Well. She asked about Lilly. I asked her to meet, but she refused." Avery was a little disappointed, "She said she would take Siena to a far place. It is estimated that Lilly and Siena will not meet in the future."

Elliot: "Didn't you ask her where she's going?"

"She didn't give me a chance. She just told me not to go to them." Avery looked at the landline number on the phone screen, "This number is from a neighboring city. Yes, it's not far. I don't know if she wants to take Siena to a farther place."

"Don't you think she seems to be running away?" Elliot questioned, "After taking Lilly from up the mountain, Siena's mother-in-law left immediately with Siena and she walked in such a hurry. It stands to reason that she has been living on the mountain with Siena, so there should be no family at the bottom of the mountain. If there is a family, why would she take such a small child to live on the mountain. "

Avery: "Elliot, we don't know anything about their situation. What you're saying now is just your guess. I don't think mother-in-law needs to run away from us. Why should she run away from us? We won't do anything to her."

"My focus is not on the mother-in-law, but on the little girl." Elliot said his guess, "Combining with the dream I had last night, I have to be so suspicious..."

"Hahaha!" Avery was amused by his serious look and tone, "Since you have this suspicion, let's go and see what Siena looks like!"

"I want to do this. So let me tell you." Elliot wanted to see Avery Attitude.

Avery: "Elliot, just send someone to do this. In fact, you can see if this child is our daughter by looking at Siena's photos."

"Well. You sent me the landline number just now. I'll send someone to investigate this number." Elliot got Avery's support and became more and more motivated.

In the evening.

The driver took Layla and Robert home.

Robert fell asleep in the car again.

When the bodyguard took Robert out of the car, he still didn't wake up.

"Layla, what did you guys play at your auntie's house today? Your brother slept really soundly." Avery saw that her daughter was not in a good mood, so she held her daughter's hand.

"Uncle Wesley has gone to work, I'm afraid Auntie Shea will be tired, so I'll take three little guys to play!" Layla yawned, "My brother didn't say he wanted to sleep before he got in the car, and as soon as he got in the car, he closed his eyes. The car has a hypnotic effect on him."

Avery: "Baby, you worked hard today. Are you hungry?"

"Mom, I'm not hungry. I'm full at my auntie's house. I want to take a bath now."

Avery: "Well, Mommy will take you to your room."

"Okay!" Layla grabbed Mommy's hand and walked through the living room with Mommy, when she suddenly remembered something, and immediately let go of Mommy and walked towards Dad "Dad, what did you look like when you were young?"

Elliot was stunned by this sudden question.

"Hahaha, Layla, come here. I'll show you what your Dad looked like when he was a child." Avery took her daughter to the master bedroom.

Elliot wanted to go to the master bedroom with them, but Robert woke up.

After Robert woke up, he glanced at the situation around him, and then his eyes locked in the direction of his Dad.

"Dad..." Robert's mouth was deflated, with an expression like he was about to cry, "Dad hug!"

Elliot immediately walked over and took his son into his arms.

Although Robert was four years old and a big baby, in Elliot's view, his son would always be a little baby who needed his care.

In the master bedroom.

Avery showed Elliot's childhood photos to her daughter.

Avery: "It just so happened that I saw your Dad as a child last night. Your Dad was very good-looking when he was a child, and his temperament is completely different from his present temperament."

Layla stared at her Dad's appearance as a child in the photo, and she was fascinated.

After a while, Layla took out her phone and found the album: "Mom, there is a function on the phone that can make a person look like a child... Look, this is a photo of my dad getting smaller on my phone. I want to see if the photos on my phone are different from the ones my dad really looked like when he was a kid."

"It's definitely different." Avery glanced at the photos on both sides and said firmly, "The phone is based on the photos provided by users. No, it's not as cute as your dad's real look."

After comparing it, Layla felt that her Mom was right.

"Lilly said that the shrinking dad on my phone looks like her good friend Siena." Layla showed her Mom the photo of Elliot's size on the phone, "but she said that her Dad doesn't look like Siena now... Now I'm looking at the photos of my Dad when he was a child, and I think..."

"Did Lilly really say that?" Avery said in shock.

Layla: "Yeah! I gave her my cell phone to play with today. She saw this photo and said it was very similar to her good friend Siena."

Avery took her daughter's cell phone and stared at the photo for a while, then muttered. She murmured, "Layla, do you know what kind of dream your dad had last night?"

Layla: "What dream?"

Of course Layla couldn't guess.

Avery: "Your Dad dreamed that Haze was in G-Temple. Your Dad suspected that Siena was Haze."

Although Elliot didn't say so directly, Avery could guess what Elliot was thinking.

Layla looked shocked, not knowing what to say.

The other side.

Because the mother-in-law took Siena out today and borrowed the phone to call Avery, the Miss was very angry.

Originally, the mother-in-law could not tell the Miss about it, but the mother-in-law was afraid that she would cause trouble by making an assertion, so she still told the Miss.

“Elliot and Avery are looking for Siena regardless of the cost. Once they become suspicious, they can find Siena.” The Miss frowned, “Siena can’t stay here anymore.”

“Miss, you are telling us now...Are you going?” the mother-in-law asked.

“Siena will go but you don’t go.” The Miss’s eyes were sharp and her tone was calm, “Prepare for the worst first.”

Siena heard what they said, and immediately exclaimed: “I don’t want to be separated from my mother-in-law! Miss!, you’re a bad people!”

“Siena, you can’t say such things to Miss!” The mother-in-law hugged Siena with tears in her eyes, “Siena, Miss is for your own good, you are obedient. You leave with Miss first. When the risk is over, I will find you again.”

The Miss looked at Siena coldly: “Siena, do you want to know who your mother is?”

This question aroused Siena’s curiosity: “Who is my mother?”

“Come with me, I’ll tell you. Not only can I tell you, I can show you her picture.” The Miss reached out to her, “Let’s go! If you are caught by Avery, then You will never see your mother-in-law again. You will never know your background.”

“Siena, go!” The mother-in-law put Siena’s little hand in the Miss’s hand with tears in her eyes.

Siena followed the Miss away and got into a car.

After the car started, Siena became uneasy: “Miss, who is my mother? What does she look like?”

The Miss turned on her phone, found a photo, and showed it to her.

“This is your mother.” The Miss said, “Is she beautiful?”

Siena looked at the photo and saw fascinated.

Siena: “Is this really my mother? She is so beautiful!”

“Yes. She is indeed beautiful. Not only is she beautiful, but she also has a sweet voice. She fascinates men.” The Miss said this, and added, “What’s even more enviable is that her family is rich.”

Siena: “She died?”

Siena remembered that her mother-in-law said that her family was dead.

“Yes. She died. You are the only one in your family who survived.” The Miss put away her phone, “Siena, to kill your whole family, I definitely want to kill you. So if you run around, There is only one dead end.”

“Mother-in-law said it was Auntie Tate...” Siena didn’t believe that Avery was such a terrible bad person.

“Not necessarily. I’m investigating. I think it’s more likely to be her.” The Miss said, “There are many things, I’m telling you now, but you don’t understand. When you grow up, you will naturally understand everything.”

Oh...what’s my mother’s name?” Siena asked.

“Her name is Rebecca Jobin.”

“Rebecca Jobin.” Siena kept her mother’s name in her heart, and then asked, “What about my father? What’s my father’s name?”

“Hehe, your father is an irresponsible man! You know his name is not good for you!” When the Miss said this, her eyes were full of hatred.

If Elliot could have been with Rebecca, then all the tragedies would not have happened——

The Jobin family will not be destroyed, and Lorenzo Paquette will not be implicated!

Siena saw that the Miss was very emotional, and suddenly lost the courage to continue to ask questions.

“Miss, where are you taking me? When will my mother-in-law come to me? I want to be with my mother-in-law.” Siena pleaded softly.

“We’ll talk about it in a few days. Let’s see if someone will find your mother-in-law.” The Miss’s mood gradually calmed down, “Don’t be afraid, I won’t hurt you. I just want to find out who killed your whole family.”

“Miss, Are you my relative?” Siena thought that the Miss might be a good person.

“No. I don’t like your mother. But there are people in your family that I care about.” The Miss said sadly.

She felt that Siena was too young, so she was not wary of Siena.

Siena: “Miss, who do you care about?”

The Miss: “You don’t even know me. When something happened to your family, you were a little baby who didn’t understand anything.”

“I only know my mother-in-law. My mother-in-law takes care of me, yes. she’s good. The Masters and maids on the mountain are also very good to me.” Siena has no memory of the Jobin family annihilation case.

Although her childhood was ups and downs, what she remembered in her mind were all beautiful things.

“Your mother-in-law takes care of you every day and has feelings for you. Besides, you are not an annoying child.” The Miss looked at Siena’s face and was fascinated, “You look like your father but you don’t look like your Mom at all.”

“So, my father is very handsome.” Siena said that because her mother-in-law always praised her for her good looks.

“Haha, what’s the use of being good-looking, a man who doesn’t take responsibility is a lot of harm!” The Miss attacked.

The Miss thought that Avery was most likely responsible for the murder of the Jobin family. Because Rebecca gave birth to Elliot’s daughter, Haze, Avery became jealous, so she found someone to kill dozens of people in the Jobin family.

Avery did all the calculations, but Haze escaped unexpectedly.

If The Miss guess was right, then Avery would definitely not let Haze, who changed her name to Siena, be spared.
