

When His Eyes Opened Chapter 2356

Chapter 2356

News pops up in the notification bar.

Coincidentally, the news was about his and Avery's wedding today.

After his and Avery's wedding was on the news today, some friends who didn't receive the invitation sent him messages to congratulate him.

Elliot glanced at it, the information was several times more than in the morning.

In the banquet hall, there was a commotion.

It's not a chaotic mess, but a lively mess.

Jun wanted to change Ultraman's leather jacket, but his daughter did not allow him to change it.

The reason why Kara didn't allow him to take it off was because her father was so handsome now that all the children surrounded him, which made Kara feel very proud.

For the sake of his daughter, Jun could only continue to play Ultraman bitterly.

Jun held Kara and walked around in the banquet hall, making Kara feel the feeling of being surrounded by stars.

"I also want my dad to be an Ultraman." Robert followed the other children and followed Jun.

"Brother Robert, your father is the groom today. He can't change from Ultraman." Maria tugged at the corner of Robert's clothes and said softly.

"Your father is not the groom, you can make your father an Ultraman." Robert told Maria.

Be careful.

At this time, Lilly said, "I don't want Dad to become Ultraman! Dad is better than Ultraman." Like Maria, Lilly called Wesley and Shea her parents.

When she first arrived at Wesley's house, Lilly didn't dare to shout like that. After living together for a few days, she felt that they were really good to her, so she naturally followed Maria to call them.

“Sister is right! I don’t want my dad to become an Ultraman! If my dad becomes an Ultraman, will he fly away? If he flies away, he won’t be my dad anymore. I don’t want my dad flew away.” Maria echoed.

This question made Robert think seriously: “I made my father an Ultraman during the day and my father at night.”

Maria was stunned: “Brother Robert, what you think is so beautiful!”

Lilly covered her mouth and smiled.

Robert’s face flushed red.

On the other side, Layla pulled Eric and asked Eric to talk about his recent life.

“I haven’t worked for two months, but after the New Year’s Day holiday, I have to work.” Eric said lazily, “On days when I don’t have to go to work, besides sleeping, I just eat. I started to lose weight a week ago, fortunately It went relatively smoothly, and the weight loss was successful...”

Layla: “Uncle Eric, I have never seen you gain weight!”

“I have gained about ten pounds.” Eric said helplessly, “Actually, I am easy to gain weight. As long as I don’t work, I will basically gain weight. But after I gain weight, it is not very obvious. Because I usually don’t have a fat face.”

“Uncle Eric, do you sleep every day? Didn’t you go shopping?” Layla said, and remembered something, “My mother said you had a blind date before, did you succeed in your blind date?”

If it wasn’t for Layla, Eric would have forgotten about it.

He tried hard to recall Maggie’s appearance, but he didn’t remember it at all.

Because he and Maggie never formally met.

Chapter 2357

After the identity of the music festival was exposed, Maggie did not chat with him again. He also didn’t talk to Maggie.

But Maggie should have made it clear to the elders, because his mother didn’t force him to have a blind date anymore.

Therefore, he has a trace of gratitude to Maggie.

“If the blind date is successful, then I should bring her with me today.” Eric smiled, “actually a good person, at least I think so now.”

“Oh... Uncle Eric, aren't you afraid of getting old?” Layla asked, “Auntie Gwen dislikes Uncle Ben being too old.”

Ben really didn't mean to eavesdrop on them.

It was Layla's voice, which was not lowered at all, and everyone around her should have heard it.

Others say this, Ben can protest, Layla said, Ben dare not speak at all.

Eric glanced at Ben, then held back a smile and said, “Then I won't find a wife. If I stay by myself, no one will dislike me.”

“Uncle Eric, wait for my long vacation next time, take me out to play!” Layla looked at him expectantly, “I will definitely pass the final exam this time.”

Eric was of course willing to take Layla out to play, but Eric didn't dare.

Affected by Elliot and Avery's divorce in the first two years, Layla's studies declined, so Elliot did not let Eric take Layla out to play.

Of course Elliot wouldn't say such things in front of Layla.

Elliot asked Eric to reject Layla, so Layla still didn't know that Eric didn't take her out to play because Elliot refused.

“I'll take you to play when your final exam is over and you're done.” Eric discussed with Layla, “Otherwise your parents may ask you to make up the class.”

Layla pouted, not very happy.

“Aren't you very confident that you can pass the test just now? As long as you pass the test, I promise to take you out to play. You can play wherever you want.” Eric whispered, “Otherwise I'm afraid I won't be able to convince you. Mom.”

“Okay!” Layla reluctantly agreed, “I will try my best to pass the exam.”

In the other corner of the banquet hall, Mike and Chad were also chatting hotly.

“Elliot’s in a good mood today, so you can tell him while he’s having a drink later, and promise that he’ll agree to you.” Mike asked Chad, “Today is a golden opportunity. You wait for him to wake up tomorrow. Now, he may not be so cheerful.”

After thinking about it, Chad said, “My boss is getting married today, and I don’t want to spoil his mood with official business. You are not wicked, you are my boss, if someone is with you. How do you feel when you talk about business with you when you get married?”

Mike: “I don’t think it’s a big deal! It’s not a business, isn’t it just an ordinary job transfer?”

“Since it’s just an ordinary job transfer, why do you have to tell me when my boss gets married?” Chad felt that his words were full of loopholes, “Don’t talk about it, I’ll handle my affairs myself.”

“What do you do? What to do? If I don’t urge you, you will definitely not be able to open your mouth. Should I help you?” Mike thought about telling Elliot about this today.

As long as it didn’t touch the bottom line of Elliot’s principle, went to him and told him today, he would definitely agree.

How could such a great opportunity be missed?

“Can you stop forcing me? I don’t want to talk about it today.” Chad said firmly, his cheeks slightly red, “You are really a disappointment! Everyone is so happy today, you have to mention this?”

Mike: “Can’t you just listen to me once?”

Chad saw that he seemed a little angry, his teeth clenched: “Let’s talk about it at night! Anyway, I won’t talk now!”

“Okay! Then tell him at night. If you don’t tell him at night, then I’ll go!” Mike didn’t want to drag this matter down any longer, “Sometimes a thing is good or bad, and it’s not a one-sided view. Maybe after you transfer to Bridgedale, everything will be better?”
