

When His Eyes Opened by Simple Silence Chapter 2366-2369

Chapter 2366

Avery quickly knew the answer. But Robert in the audience was completely fascinated by Ultraman and kept shouting at Ultraman.

“Layla, do you think your dad is an Ultraman or a dinosaur?” Mike asked Layla.

Layla frowned, staring at Ultraman and the dinosaurs on the stage, lost in thought.

After a while, Layla asked Hayden, “Brother, which one do you think is the father?”

Hayden said: “Look at the figure.”

Although Hayden rarely looked directly at Elliot, he still knew about Elliot’s figure.

The Ultraman on the stage was obviously slimmer, and it was definitely not Elliot.

“Oh! Look at the figure! But that dinosaur, you can’t see the figure at all!” Layla really wanted to go on stage to take off the dinosaur’s headgear!

“Exclusion method.” Hayden reminded.

“Oh...this Ultraman is so tightly wrapped, I can’t see it.” Layla whispered, “My dad...seems to be bigger than that Ultraman. Man a little taller... brother, right?”

Hayden didn’t have time to answer his sister’s question, and a child from the audience rushed directly to the stage!

“Ultraman! Can you take me to fight monsters?! I want to play with you!” After one child rushed onto the stage, other children broke free from their elders and rushed up.

Ultraman on stage was stunned.

He was surrounded by one, two, three...a dozen children! Can’t move!

Avery: “???”

Someone in the dinosaur: “....”

So there’s a reason he wasn’t happy with the wedding.

Before the ceremony was held, the scene was already out of control.

However, it was really lively.

“Come down! Come down! I’ll play with you later!” Ultraman waved his arms, trying to shout the children off the stage.

He did not forget that today’s protagonists were the bride and groom on stage.

Not far away, Robert heard his father’s voice and immediately screamed and shouted ‘Dad’!

Taking advantage of the chaos on the stage, Avery quickly walked to the dinosaur and took off the dinosaur’s hood.

Elliot’s handsome face suddenly appeared in front of her.

“I’ve known you for so long, and it’s the first time I’ve seen you in such a cute dress hahaha!” Avery was very happy.

Elliot had a gloomy face at first, but when he saw the bright smile on Avery’s face, the chill in his eyes dissipated little by little.

“I wanted to wear that Ultraman suit, but Ben said it was uncomfortable.” Elliot walked out of the dinosaur.

Ultraman’s leather cover was tight, if Elliot wore that, there was no way to wear a dress inside.

“My son likes Ultraman. When he saw Ultraman coming out, his eyes lit up.” Avery arranged his hairstyle and clothes with him.

Elliot: “I know my son likes it. And Ultraman’s image is obviously more handsome.”

“Hahaha! You look good in a dinosaur costume. You look good in anything.” Avery comforted him.

Elliot’s eyes fell on her face for a moment: “Avery, you are... beautiful today.”

Avery: “You are also very handsome today.”

The two of them stood on the stage and stared affectionately, with no eyes at other people.

Ultraman walked off the stage with a group of children, the scene lights returned to normal, and the wedding emcee also came out.

Chapter 2367

“The children at our scene today are so cute! Originally, the knight was going to save the princess, but it turned out to be the princess saving the knight... Maybe this is the true meaning of love, two people help each other, This will last for a long time.”

The wedding ceremony officially began.

Witnessed by relatives and friends, the two made a vow of eternal loyalty and love for each other, and then exchanged wedding rings.

This was the first time Avery and Elliot saw the wedding ring.

The wedding ring was bought by Hayden, and they didn't know who chose the style.

The wedding ring was simple and elegant, and the diamonds sparkle in the light for a dazzling brilliance.

After the two put on their wedding rings for each other, before the emcee could speak, they kissed passionately.

There was a loud exclamation from the audience!

"Woooooo! I'm so moved!" Tammy was filming with a mobile phone, but her eyes suddenly became wet, "They are a good match!"

Gwen's eyes were also wet: "I also think they are made in heaven. If the two of them don't get married, it's really hard to end."

The two people talked and laughed again.

"You're going to get married soon. I'm so envious! When I got married, I forgot all the details. I can't even remember how I was feeling at the time, but I'm sure I wasn't as excited as I am now." Tammy sighed, "I really want to get married again."

Gwen couldn't help laughing: "Don't let your husband hear that."

"Even if I get married again, I'll get married with him! Although I often despise him, I don't want anyone except him." Tammy said contentedly, "Few people can stand my stinky temper."

Gwen: "Tammy, I think you have a good temper!"

Tammy: "That's because you haven't seen me when I lost my temper. Besides, of course I won't lose my temper with you. Just like you are so vicious to Ben, you won't be so vicious to us."

Gwen: "As soon as you said it, I suddenly felt more pity for Ben."

Tammy: "Hahaha! Ben really has nothing wrong with him other than being a little older."

Gwen: "Hey, Tammy, you think he is too old too. Is it?"

Tammy leaned into Gwen's ear and whispered, "It's mainly because men are getting old and their health is not good..."

Ben sat beside Gwen. He heard their whispers clearly.

“Tammy, you think I don’t exist!” Ben was afraid that Gwen would be brainwashed by Tammy, and immediately spoke up.

“Since you want to hear it, then I’ll tell you to listen to it. You have to exercise more, otherwise you will grow old quickly.” Tammy said this, and looked at Elliot on the stage, “Look at how well Elliot takes care of himself. I have known him for so many years, not only did he not gain weight, but he was thinner than the beginning.”

“Okay, don’t talk about it! Today is their big day, can’t you make me happy?” Ben didn’t like to exercise as much as Elliot, and his body was naturally not as good as Elliot’s.

Who didn’t know that exercise was good for the body! The point was that someone just couldn’t stand it.

After the ceremony, the bride and groom went to dress up.

That time they were together.

“Husband, although today’s wedding is not as good as what you have prepared before, I am really happy. There is a feeling that this is the real marriage.” Avery changed into her toasting clothes, sat in a chair and let the teacher changed her makeup.

Elliot changed his clothes, sat in a chair not far from her, and asked the makeup artist to touch up his makeup.

“I don’t know what a few children think.” Elliot no longer disliked today’s wedding as much as he did in the morning.

After all, Avery said that she was satisfied. If the children were also satisfied, he would naturally be satisfied too.

“I see Robert sticking to Jun, so excited. If Jun didn’t take off the holster today, he would definitely not be able to get off today.” Avery couldn’t help laughing, “He looks like that in that holster. I’m sorry.”

Elliot’s phone rang.

After he responded to Avery, he lowered his eyes and looked at the phone.

Chapter 2368

News pops up in the notification bar.

Coincidentally, the news was about his and Avery’s wedding today.

After his and Avery’s wedding was on the news today, some friends who didn’t receive the invitation sent him messages to congratulate him.

Elliot glanced at it, the information was several times more than in the morning.

In the banquet hall, there was a commotion.

It's not a chaotic mess, but a lively mess.

Jun wanted to change Ultraman's leather jacket, but his daughter did not allow him to change it.

The reason why Kara didn't allow him to take it off was because her father was so handsome now that all the children surrounded him, which made Kara feel very proud.

For the sake of his daughter, Jun could only continue to play Ultraman bitterly.

Jun held Kara and walked around in the banquet hall, making Kara feel the feeling of being surrounded by stars.

"I also want my dad to be an Ultraman." Robert followed the other children and followed Jun.

"Brother Robert, your father is the groom today. He can't change from Ultraman." Maria tugged at the corner of Robert's clothes and said softly.

"Your father is not the groom, you can make your father an Ultraman." Robert told Maria.

Be careful.

At this time, Lilly said, "I don't want Dad to become Ultraman! Dad is better than Ultraman." Like Maria, Lilly called Wesley and Shea her parents.

When she first saw When His Eyes Opened by Simple Silence arrived at Wesley's house, Lilly didn't dare to shout like that. After living together for a few days, she felt that they were really good to her, so she naturally followed Maria to call them.

"Sister is right! I don't want my dad to become an Ultraman! If my dad becomes an Ultraman, will he fly away? If he flies away, he won't be my dad anymore. I don't want my dad flew away." Maria echoed.

This question made Robert think seriously: "I made my father an Ultraman during the day and my father at night."

Maria was stunned: "Brother Robert, what you think is so beautiful!"

Lilly covered her mouth and smiled.

Robert's face flushed red.

On the other side, Layla pulled Eric and asked Eric to talk about his recent life.

"I haven't worked for two months, but after the New Year's Day holiday, I have to work." Eric said lazily, "On days when I don't have to go to work, besides sleeping, I just eat. I started to lose weight a week ago, fortunately it went relatively smoothly, and the weight loss was successful..."

Layla: "Uncle Eric, I have never seen you gain weight!"

"I have gained about ten pounds." Eric said helplessly, "Actually, I am easy to gain weight. As long as I don't work, I will basically gain weight. But after I gain weight, it is not very obvious. Because I usually don't have a fat face."

"Uncle Eric, do you sleep every day? Didn't you go shopping?" Layla said, and remembered something, "My mother said you had a blind date before, did you succeed in your blind date?"

If it wasn't for Layla, Eric would have forgotten about it.

He tried hard to recall Maggie's appearance, but he didn't remember it at all.

Because he and Maggie never formally met.

Chapter 2369

After the identity of the music festival was exposed, Maggie did not chat with him again. He also didn't talk to Maggie.

But Maggie should have made it clear to the elders, because his mother didn't force him to have a blind date anymore.

Therefore, he has a trace of gratitude to Maggie.

"If the blind date is successful, then I should bring her with me today." Eric smiled, "actually a good person, at least I think so now."

"Oh... Uncle Eric, aren't you afraid of getting old?" Layla asked, "Auntie Gwen dislikes Uncle Ben being too old."

Ben really didn't mean to eavesdrop on them.

It was Layla's voice, which was not lowered at all, and everyone around her should have heard it.

Others say this, Ben can protest, Layla said, Ben dare not speak at all.

Eric glanced at Ben, then held back a smile and said, "Then I won't find a wife. If I stay by myself, no one will dislike me."

"Uncle Eric, wait for my long vacation next time, take me out to play!" Layla looked at him expectantly, "I will definitely pass the final exam this time."

Eric was of course willing to take Layla out to play, but Eric didn't dare.

Affected by Elliot and Avery's divorce in the first two years, Layla's studies declined, so Elliot did not let Eric take Layla out to play.

Of course Elliot wouldn't say such things in front of Layla.

Elliot asked Eric to reject Layla, so Layla still didn't know that Eric didn't take her out to play because Elliot refused.

"I'll take you to play when your final exam is over and you're done." Eric discussed with Layla, "Otherwise your parents may ask you to make up the class."

Layla pouted, not very happy.

"Aren't you very confident that you can pass the test just now? As long as you pass the test, I promise to take you out to play. You can play wherever you want." Eric whispered, "Otherwise I'm afraid I won't be able to convince you. Mom."

"Okay!" Layla reluctantly agreed, "I will try my best to pass the exam."

In the other corner of the banquet hall, Mike and Chad were also chatting hotly.

"Elliot's in a good mood today, so you can tell him while he's having a drink later, and promise that he'll agree to you." Mike asked Chad, "Today is a golden opportunity. You wait for him to wake up tomorrow. Now, he may not be so cheerful."

After thinking about it, Chad said, "My boss is getting married today, and I don't want to spoil his mood with official business. You are not wicked, you are my boss, if someone is with you. How do you feel when you talk about business with you when you get married?"

Mike: "I don't think it's a big deal! It's not a business, isn't it just an ordinary job transfer?"

"Since it's just an ordinary job transfer, why do you have to tell me when my boss gets married?" Chad felt that his words were full of loopholes, "Don't talk about it, I'll handle my affairs myself."

"What do you do? What to do? If I don't urge you, you will definitely not be able to open your mouth. Should I help you?" Mike thought about telling Elliot about this today.

As long as it didn't touch the bottom line of Elliot's principle, went to him and told him today, he would definitely agree.

How could such a great opportunity be missed?

"Can you stop forcing me? I don't want to talk about it today." Chad said firmly, his cheeks slightly red, "You are really a disappointment! Everyone is so happy today, you have to mention this?"

Mike: "Can't you just listen to me once?"

Chad saw that he seemed a little angry, his teeth clenched: "Let's talk about it at night! Anyway, I won't talk now!"

“Okay! Then tell him at night. If you don’t tell him at night, then I’ll go!” Mike didn’t want to drag this matter down any longer, “Sometimes a thing is good or bad, and it’s not a one-sided view. Maybe after you transfer to Bridgedale, everything will be better?”
