## **Chapter 699 Crazy Move**

**Janet had a bad feeling about this. Nope knew what Charis was up to, but technically talking.there was nothing to fear "Charis, what do you want from me?"**

**What a shame! charis had done countless bad things to hurt Janet before.How dare you come back for more! Thought that Janet was stupid? "Don't worry.We are in the territory of your husband.I would never do anything to hurt you." Charis**

narrowed his smiling eyes. He was wearing only a mask, his face was not so well covered as before.

Janet bit her lip lower with anxiety. After a while, he thought Charis didn't like him. I would do anything, at least not here.

Also, I had just get out of a rehab center.

someone so rational as Charis would not destroy herself so soon, right? So Janet obeyed and followed her into her office.

But Janet stayed alert and stood by the door, refusing to enter.

Charis sat on the chair and calmly poured him tea.

"I did not tell you? Don't worry. I'm not going to hurt you Just relax".

Although hesitant, Janet walked slowly towards the seat in front of her.

He sat on a chair near from the French window and said without expression: 'Let of beating around the bush.What the hell you want?"

Since they were sworn enemies, there was no need to be courteous.

"You were right, okay? now i'm a ugly monster I don't deserve to be with Brandon.I have decided and I have decided to surrender.I hope that you and Brandon live happily ever after"

Charis she pushed the cup of tea in front of her."No, thanks.That doesn't sound like something you'd say."

Janet very much doubted that Charis, the woman who she had coveted her husband for so long, I would suddenly like to bless your relationship.

Charis scoffed and her eyes took on a dark light.

**Then, without warning, he suddenly came out fired and pushed Janet out of the chair, Straight out the French window.**

**Janet cried out in surprise.I had thought that Charis was back to her usual cunning and cunning.**

**Even if I wanted to hurt her, I would have made a plan careful first.**

**Janet didn't expect Charis to act so radically! Unprepared, Janet fell to the ground and sprained her ankle**

**.He struggled to get to his feet, but failed.**

**Then, in a quick movement, Charis raised her head leg and kicked the window hard.**

**The whole window frame fell off, falling to the ground meters below.**

**Then dragged to Janet, who was struggling, to the gaping hole.He tugged on her hair, forcing her to look**

**up.**

**"Bitch! Open your eyes.If you fall from here.Tea I promise you will die in the worst way!"**

**They were standing at a height of more than twenty floors, and Janet could even hear the wind whistling in his ears.**

**The people and cars below looked like toy models.**

**In an instant, the legs of Janet loosened up.**

**They were too high if he fell From this height, there was no way I would live to see tomorrow.**
