

Substitute Bride's Husband Is An Invisible Rich Man

Chapter 161

That day, Mo Yan was sorting out her information when Xu Tian suddenly sent her a message asking her to come out.

When she reached the stairs, Xu Tian was already waiting for her on the steps.

In order to prevent anyone from accidentally overhearing, the two of them walked down another floor. Xu Tian lit a cigarette and said first, "There's good news. I heard from sister Song that the board of directors has decided to transfer Chen Jin to H City."

"Transfer?" Mo Yan was puzzled. Why was Chen Jin suddenly being transferred?

"Yes, Sister Song looked into the changing of our information previously and found some traces. Although the evidence is insufficient, we can confirm that Chen Jin was involved."

Xu Tian exhaled a puff of smoke and looked out of the window. She continued, "However, the most important thing is still the project you brought back."

Mo Yan felt a stab in her heart, but she still smiled and said, "The division of power in H City is quite clear. I'm afraid there's no place for Chen Jin to interfere."

"No matter what, Chen Jin is an elder of the company. It can be considered as finding a place for him to retire," Xu Tian said with a sneer.

Hearing Xu Tian's words, Mo Yan burst into laughter. "Knowing that Chen Jin is dumb, he was sent to retire."

"There's something I don't quite understand." Xu Tian looked at the smiling Mo Yan and relaxed her brows.

"Huh?" Mo Yan placed her arms on the guardrail and turned her head.

"I heard that someone from above is pressuring people to not let anyone visit Chen Ya. Then how did Chen Jin know that this matter is related to Lin Peng?"

Mo Yan frowned slightly. This was indeed a little problematic.

After the conversation with Lin Ye that day, she was certain that the Lin family would protect Lin Peng. In order not to cause a greater impact, the Lin family would naturally cover up the news and remove Lin Peng from this matter.

As for Chen Ya and Mo Lian, logically speaking, it was very likely that Chen Jin heard about the whole matter from Chen Ya and then threatened the Lin family.

Suddenly, a figure flashed through Mo Yan's mind.

"Zhou Shuai..."

"What?" Xu Tian asked.

"Zhou Shuai came to look for me once before. He was certain that Chen Ya was arrested because of me, so he came to see me to discuss whether I could let Chen Ya off." Mo Yan frowned as she recalled the conversation she had with Zhou Shuai that day.

"I seem to have mentioned to him that the reason Chen Ya was arrested was because she took part in kidnapping me. Could it be that he heard about this and found some clues in A City before he went to look for the Lin Family?"

Xu Tian silently flicked her cigarette ash twice. After a moment, she said, "Maybe! Forget it, I don't want to think about it. If nothing goes wrong, Zhou Shuai should go with Chen Jin."

"Oh? So good!"

Mo Yan's eyes instantly lit up. This news was the happiest thing in recent times.

Seeing Mo Yan's undisguised expression, Xu Tian could not help but smile.

"Congratulations! You got rid of a person who harassed you."

"Same here. This time, you got rid of Chen Jin. This can be considered as you have avenged yourself."

Mo Yan mischievously winked at Xu Tian. Xu Tian's matter was not considered a secret. There were still some people in the company who knew about it.

Xu Tian did not care that someone knew about her past. She smiled lightly and said, "It's not enough. It will only be counted if we can win this project later."

"You are really asking for a lot. But no matter what, it's good news. Shall we go for a drink tonight? My treat."

Mo Yan gave an invitation to Xu Tian. Xu Tian readily agreed.

When she returned to the office, Mo Yan saw that Li Guoguo kept looking at her, so she walked over.

“What’s wrong, Guoguo?”

“Sister Mo Yan, we didn’t win the project in Jing City. Sister Mo Yan, can you help me?”
Li Guoguo said with a sad face.

Hearing Li Guoguo mention Jing City, Mo Yan felt a little guilty. She calculated what other unfinished projects she had in her hands and thought for a long time before she picked one out from the corner.

Because the client had a lot of requests and there was no time limit, she was not in a hurry. They could do it together.

“There is one, but the commission is not too high.”

“It’s okay, it’s okay. As long as there is one.”

After saying that, Li Guoguo gave Mo Yan a bright smile.

Seeing her like this, Mo Yan returned to her seat and passed the document to her. Li Guoguo received the document very quickly and immediately sent a message to Mo Yan: “Sister Mo Yan, you are too good to me. Let me treat you to dinner tonight!”

Thinking of her appointment with Xu Tian that night, Mo Yan replied: “You are welcome. I have an appointment with sister Xu tonight.”

“Eh? Just the two of you? How can you not bring me along? I want to go too! At worst, I’ll invite sister Xu Along.”

Mo Yan had a strange feeling when she saw this message, but she could not pinpoint why.

After thinking for a moment, Mo Yan asked sister Xu. Unexpectedly, sister Xu readily agreed to dinner with the two of them.

Mo Yan glanced at Li Guoguo, who had a bright smile on her face because she had agreed. She did not know when it had started, but she felt that Guoguo was a little too enthusiastic towards her.

After that, Li Guoguo kept asking about the plan, causing Mo Yan to only remember to send Luo Tao a message that he didn’t need to pick her up when she was about to get off work.

[I’m here.]

Luo Tao's reply made Mo Yan a little dumbfounded. It was only five o'clock when she went downstairs.

"Luo Tao."

Mo Yan smiled helplessly. He was right on time as usual.

Luo Tao pushed her hair behind her ear and said with a smile, "You said that you were going to have a meal with your colleagues. Do you need me to go back first?"

Looking at the man who had specially come to pick her up, Mo Yan shook her head. "They have said that they wanted to meet you. Let's take this opportunity for you to meet them!"

Just as Mo Yan was speaking, Li Guoguo's voice was heard.

"Sister Mo Yan, why are you running so fast on your own! Sister Xu and I can't keep up."

Li Guoguo was one step ahead of Xu Tian. When she saw Luo Tao, a trace of surprise flashed across her eyes. "This must be brother-in-law! I've been hearing from sister Mo Yan that you're a very good husband!"

Mo Yan blushed at her words. She didn't always mention Luo Tao, did she!

At this moment, Xu Tian also walked over. Mo Yan introduced the two of them to Luo Tao.

"Luo Tao, these two are my colleagues, Xu Tian and Li Guoguo. We worked on the project together in Jing City."

After introducing the two of them, Mo Yan turned to introduce Luo Tao.

"Sister Xu, Guoguo, this is my husband, Luo Tao." Mo Yan's face became even redder as she introduced them.

When Luo Tao's gaze fell on Mo Yan, he was very gentle, but when he faced Xu Tian and Li Guoguo, he was very calm. "Hello."

"Hello."

When it came to treating others coldly, Xu Tian and Luo Tao were equally matched. However, Xu Tian still looked at Luo Tao twice. She seemed to have seen this person somewhere before.

“Brother-in-law, Hello. I’m Li Guoguo. Brother-in-law, how tall are you? You’re about 1.8 meters, right? So handsome!”

Mo Yan was already used to Li Guoguo’s exaggeration. When she heard her praising her husband, she could not help but snicker.

Luo Tao, on the other hand, was not used to it. He frowned slightly. He did not like people of the opposite sex being overly enthusiastic towards him.

As more and more people came downstairs, the few of them took a taxi to a restaurant a little further away. The restaurant was recommended by Luo Tao. He said that it was the first time he treated Mo Yan’s colleague to a meal, so he had to be generous.

Until the meal time, Mo Yan was still lamenting. This meal was originally for her and sister Xu to celebrate. Then, it became a three-person dinner. In the end, it became her husband treating her friends to a meal. This was really..

Luo Tao ordered a few of Mo Yan’s favorite dishes and handed the menu to Xu Tian and Li Guoguo.

Mo Yan leaned over to Luo Tao’s ear and asked in surprise, “How did you know that I like to eat these dishes?”

Seeing that her eyes were full of surprise, Luo Tao imitated her appearance and leaned over to her ear and said, “It’s not just dishes. I also know about your favorite TV series, your favorite games, and the music you often listen to, as well as...”

As he spoke, Luo Tao lowered his voice and chuckled in Mo Yan’s ear, “You like to kick the quilt when you sleep, and you even wrap your pajamas around it.”

“You rascal!” Mo Yan’s face was red as she lightly punched Luo Tao’s arm, causing Luo Tao’s smile to deepen.

Although their voices were very soft, Mo Yan’s actions still attracted the attention of the two people on the opposite side.

Xu Tian looked at the two of them and did not say anything. There was only a hint of relief and disappointment in her eyes. On the other hand, Li Guoguo’s expression was a little strange.

A few dishes that looked, smelled, and tasted good were all served, causing Mo Yan’s appetite to increase greatly. Her stomach, which had not felt hungry before, began to growl.

Mo Yan pretended to call the two of them to eat while glaring at Luo Tao, who was smiling at her stomach.

“Wow! The food here is so delicious!”

Hearing Li Guoguo’s exclamation, Mo Yan also picked up a piece of Golden Sea Bass. The fresh fragrance assailed her nose, and before it entered her mouth, Mo Yan already felt that it was delicious.

“Oh! Brother-in-law, how did you know there was such a delicious place!”

“I’ve been here before,” Luo Tao answered politely, as if he did not notice Li Guoguo’s eager gaze.

Seeing that Mo Yan was eating happily, Luo Tao clumsily helped Mo Yan pick up the fish bones. Although it was the first time he did this, Luo Tao felt bad.

A moment later, Mo Yan’s bowl was filled with some shredded fish meat.

Mo Yan was stunned for a moment. Her gaze turned to Luo Tao, but Luo Tao was staring at the fish meat, thinking about something.

“There’s no need to pick it for me. You eat too.” As she spoke, Mo Yan picked up a ball and placed it into Luo Tao’s bowl.

However, Luo Tao did not move. His gaze remained on the bowl.

“What’s wrong?” Mo Yan asked him.

After hesitating for a few seconds, Luo Tao frowned and said, “This is the first time I picked fish bones. I didn’t pick it well.”

Mo Yan felt warm in her heart. Just as she was about to speak, she was interrupted by Li Guoguo. She interjected, “Sister Mo Yan, aren’t you too happy? Brother-in-law actually helped you pick fish bones. I also want a boyfriend like this!”

Xu Tian glanced at Li Guoguo indifferently. Li Guoguo seemed to have not noticed it and stared at Luo Tao with bright eyes.

Mo Yan smiled faintly and turned to Luo Tao, “You picked very well! You don’t know that although I love fish, fish bones are too troublesome. I was pricked by it when I was young.”

After saying that, Mo Yan stuffed a big mouthful of rice with fish meat into her mouth. She even narrowed her eyes and showed a satisfied expression.

“How good would it be if the fish meat didn’t have thorns.” Mo Yan sighed.

Luo Tao looked at Mo Yan who didn’t care about her image and smiled, “I know.”

“Ah? What?” Mo Yan looked puzzled.

“I know you like to eat fish, but you don’t like to pick it.”

Luo Tao’s words made Mo Yan’s eyes widen and she looked dumbfounded.

“Eat quickly, it won’t taste good when it’s cold.”

Luo Tao said while touching Mo Yan’s head. Mo Yan foolishly followed Luo Tao’s words, causing Luo Tao to laugh out loud.

“Brother-in-law, what does your family do?” Li Guoguo’s voice broke the warm atmosphere between the two of them.

Luo Tao glanced at her and then looked at Mo Yan. Luo Tao didn’t have a good family background. Wouldn’t he embarrass Mo Yan?

Just as Luo Tao was in a dilemma, Mo Yan spoke first, “Luo Tao’s family is from the countryside. They usually grow some vegetables and raise some small animals to sell.”

“Ah! I see!”

Li Guoguo sounded a little disappointed, causing Mo Yan to raise her eyebrows and look at her a few more times.

“Oh right, brother-in-law, what do you do now?” Li Guoguo continued to ask.

Luo Tao did not let Mo Yan answer this question.

“I do some translation work.” Luo Tao took a sip of tea and answered.

“Translation? Brother-in-law is so amazing! Which University did you graduate from?”

“Never been to, self-taught.”

Luo Tao did not blush at all when he lied. His expression was calm as if he was talking about a very ordinary matter. Mo Yan glanced at him and continued eating without saying anything.

“Those who can self-learn are all Gods, Haha. I think all the gossip in the company is fake! Since sister Mo Yan is so outstanding, brother-in-law must be amazing too.”

“Gossip?” Luo Tao raised his eyebrows slightly and looked at Mo Yan.

Seeing Luo Tao’s gaze, Mo Yan raised her head from the bowl and laughed dryly, “You know that Chen Ya and the others are always jealous of me. I’m thick-skinned and it’s useless for them to say anything, so they just slander you!”

“What did they say about me?” Luo Tao asked calmly.

“It’s nothing, it’s just about your past! I didn’t specifically ask around.”

Luo Tao nodded and didn’t say anything else. When Li Guoguo was about to speak, Xu Tian placed a piece of cake into her bowl.

After a meal, only Mo Yan was the happiest. After Li Guoguo was quiet, Xu Tian and Mo Yan talked about work. Luo Tao would occasionally say a few words. Although Luo Tao didn’t say much, he always hit the nail on the head, making Mo Yan wish she could remember everything he said.

After a few times, Xu Tian was also curious about Luo Tao. When she found out that Luo Tao was thinking about Mo Yan’s plan from his usual perspective, she couldn’t help but show an appreciative smile.

After the meal, Mo Yan and Luo Tao sent the two away.

Mo Yan looked at the man opposite her. She felt that she couldn’t see him clearly.

There were too many things that happened in the past, so she didn’t pay attention to many things that didn’t make sense about Luo Tao.

“Luo Tao, did you read about what you said today from my proposal?”

The two of them walked hand in hand as Mo Yan asked softly.

“Yes,” Luo Tao replied.

The Huo family was involved in many industries, so he knew a lot of things, but that did not include real estate sales. He had gone to learn about this because of Mo Yan’s work.

“I remember when I got married, Mo Lian told me that the person I was going to marry was an ignorant and idle local hooligan.”

Luo Tao was silent for a moment and replied, “Yeah.”

Mo Yan turned to face Luo Tao, looked him straight in the eyes, and opened and closed her red lips. “Are you Luo Tao?”

After asking the question, Mo Yan saw that Luo Tao did not answer, so she changed the topic.

However, Luo Tao did not fall asleep until late at night when he returned home. He lit many cigarettes on the balcony.

Chapter 164

Two days later, Mo Yan suddenly received a call from Mo Dong.

Mo Yan didn't want to pick up, so Mo Dong called a few times. She had no choice but to answer the call.

"Hello! Yan! It's your father, Mo Dong."

"What's the matter?" Mo Yan said coldly.

It was obvious that he didn't call her for any good reason.

"Yan! I have already transferred the ownership of your house to your name. When are you coming to get the certificate of ownership?"

Mo Dong's tone on the phone seemed to be trying to curry favor, causing Mo Yan's eyebrows to furrow even deeper. What kind of trick was Mo Dong trying to pull this time?

The last time he agreed to treat his mother's illness, he wanted her to take her place in the marriage. This time, what was he planning to do by giving her the house?

"Speak! What do you want me to do this time?"

Previously, she was helpless in the face of her mother's huge medical expenses. However, things were different now. If Mo Dong still wanted her to do something overboard, she would definitely reject him harshly.

“Yan, I'm doing this because I feel sorry for you. Do you have to be so distant from me?”

Mo Yan shook the goosebumps on her body and sneered.

Sorry for her? Ha! Why didn't he say he was sorry when the three of them could only afford to eat once a day? Why didn't he feel sorry when she dropped out of university? Why didn't he feel sorry when she was asked to marry someone in place of his daughter because of her mother's medical expenses? Wasn't he a little too late to act as if he was sorry?

Without saying anything, Mo Yan waited for him to continue acting. To be able to make Mo Dong talk to her like this, she was also curious about what else Mo Dong wanted from her.

Seeing that Mo Yan didn't respond to his words, Mo Dong felt a little awkward. He coughed lightly and said to Mo Yan, “Yan! How did you meet Qin Yuan?”

“I don't know him. Mr. Mo, do you have anything else? If there's nothing else, I'll hang up. Oh right, you can mail the certificate of ownership directly to my company.”

After saying that, Mo Yan frowned and was about to hang up the phone. Why did Mo Dong suddenly mention Qin Yuan? Could it be that Mo Dong suddenly gave her the certificate of ownership because of Qin Yuan?

“Mo Yan!”

Mo Dong finally stopped pretending to be kind, and a stern scolding came from the phone receiver.

“Ha! Mr. Mo, you're finally back to normal. Is there anything else you want to tell me?” Mo Yan's voice was full of mockery.

Mo Dong suppressed his anger and said to Mo Yan, “Mo Yan! Tell me, what exactly is your relationship with Qin Yuan?”

“Why do I have to report what relationship I have with anyone to you?” Mo Yan provoked.

From the heavy breathing, Mo Yan could tell how angry Mo Dong was.

“Mo Yan! Qin Yuan is not someone you can provoke. Don't get close to someone you can't afford to offend just to take revenge on the Mo family.”

Mo Dong originally wanted to test if he could get in touch with the Qin family through Mo Yan, but from Mo Yan's attitude, he knew that even if Mo Yan really had a relationship with Qin Yuan, the Mo family would not be able to get any benefits, naturally, his attitude changed.

After hearing Mo Dong's words, Mo Yan suddenly laughed out loud, "Oh right! There's still such a way to take revenge on you guys. I didn't think of it until Mr. Mo mentioned it! Thank you for reminding me, Mr. Mo!"

"You!"

Mo Dong was almost angered by Mo Yan. When did Mo Yan become so sharp-tongued.

"You're just like your fickle mother! You're not a good person!"

"Mo Dong."

Mo Yan's voice contained traces of coldness as she transmitted her anger over the phone to the person on the other side.

"Uncultured thing!"

Mo Dong heard Mo Yan dare to call his name directly, and his anger grew even more.

"Mo Dong, Mo Lian is two years older than me. How dare you talk about my mother?"

At this moment, there was no trace of a smile on Mo Yan's face. Her pair of cold eyes made one's scalp go numb.

"Let me tell you, don't provoke me. You don't have the right to talk about my family either. No matter what happened back then, bringing an illegitimate daughter who is two years older than me to my mother, you still have the nerve to blame my mother?"

"Mo Yan, you unfilial daughter!" Mo Dong was panting heavily as he shouted into the microphone.

"Haven't you been asking about my relationship with Qin Yuan? Ha! Let's not talk about anything else, I will tell you that I know him. Do you think he will be angry if I tell him that you specifically asked me about him?"

"Mo Yan! How dare you!"

"You dare to scold me like this, scold my family, what would I not dare to do? Mail the certificate of ownership to me as soon as possible! Mr. Mo..."

Without giving Mo Dong a chance to speak, Mo Yan quickly hung up the phone. She was already so angry that her entire body was trembling. If she continued to speak, it would be easy for others to discover her flaws.

Mo Yan covered her face and took a few deep breaths. It seemed like she should go and see Qin Yuan.

Chapter 165

Mo Yan arrived at the jewelry store after work. When she asked to see Qin Yuan at the front desk, she clearly saw a strange expression on the front desk. She smiled politely and said, "Hello, customer. Do you have an appointment?"

Mo Yan frowned slightly and asked, "Appointment?"

The front desk continued to reply politely, "Yes, you can only see young master Qin after making an appointment."

This made Mo Yan immediately recall the scene where she had been waiting in the reception room when she came. She thought that it was because of the bracelet that Qin Yuan had specially instructed her. After knowing that she would not sell the bracelet, he no longer paid attention to her.

Mo Yan thought for a moment and decided to use the bracelet to lure Qin Yuan to her next time!

Just as Mo Yan was about to leave, a voice suddenly interrupted her.

"Miss Mo?"

Mo Yan turned around and saw that it was Qin Yuan.

"Mr. Qin." Mo Yan was a little surprised. She thought that she would return empty-handed today, but she didn't expect to meet him in person.

Qin Yuan smiled and walked to Mo Yan's side and said, "I wonder what you are here for today? Did you get another good jade gain?"

Mo Yan shook her head and said to Qin Yuan, "I'm here for some personal matters today. Can we talk in private?"

"Yes, sure." Qin Yuan smiled and led her into the reception room.

When the two of them entered the room, the workers in the jewelry shop surrounded the front desk one by one.

“Xiao Zheng, what did young master Qin say just now? He brought her in just like that?”

When they saw their boss leave, they started to gossip about the boss behind his back.

“I think they know each other,” the girl called Xiao Zheng recalled the conversation between the two and answered.

“Our boss knows a girl in C City? That’s really strange. I thought the boss only cared about his jades!”

“Oh right! I remember now! This girl came twice before. I think she wants to sell jades.”

As Mo Yan was good-looking, even though a long time had passed, the shop assistant still had a vague impression of her.

“Eh? She’s selling jade this time too?” A shop assistant asked in surprise.

Xiao Zheng shook her head. “No, that girl said she had a private matter.”

Come and read on our website [wuxia worldsite](#). Thanks

“Oh, a private matter,” several shop assistants said in unison. The burning flames of gossip in their eyes could not be suppressed no matter how hard they tried. This was not their fault. After all, this was the first time the boss had given special treatment to a girl. They were also quite curious.

“Why are you all gathered together when you’re not working?”

Suddenly, a stern female voice interrupted their conversation. They stole a glance at the woman and silently returned to their seats.

The woman looked to be in her forties. She walked to Xiao Zheng in a few steps with six to seven centimeters high heels.

“Did you just say that someone was brought into the reception room by young master Qin without an appointment? And it’s a woman?”

“Yes, yes.”

The woman was the housekeeper Qin Yuan’s father had sent to Qin Yuan’s side. She took care of everything around Qin Yuan. When Qin Yuan was not around, the woman could make the decisions in the jewelry shop. Unlike Qin Yuan’s friendliness, the woman was very strict with her employees. She even acted like she was Qin Yuan’s

wife, which made many employees dislike her. However, Qin Yuan's father really trusted her. No matter what others said, Qin Yuan didn't dare to ask him to remove her from her position.

The woman frowned deeply. The gap between her eyebrows indicated that she often showed such an expression.

When Qin Yuan was in Jing City, he did have the habit of attracting bees and butterflies.

However, ever since he came to C City, he seemed to be fascinated by these jade stones. It had been a long time since he had seen him with girls. What was going on today?

The woman stopped at the door of the reception room for a while, then turned to Qin Yuan's office.

On the other side, Mo Yan was brought into the reception room by Qin Yuan.

As soon as she sat down, Mo Yan went straight to the point and asked, "Mr. Qin, did you intervene in the matter of the Mo family's estate?"

Qin Yuan raised his eyebrows slightly, sat opposite Mo Yan and poured her a cup of tea.

"Did Mo Dong tell you this? Did Miss Mo come here today specifically to talk about this matter?"

"Yes, although Mo Dong didn't say that the matter of the certificate of ownership was related to you, he asked about my relationship with you. I think it was your intervention that made Mo Dong so anxious."

Different from the last meeting, both of their attitudes had changed a lot this time. The most intuitive feeling for Qin Yuan was that his sister-in-law had become more emotionally stable, unlike last time when she was easily agitated.

When he saw her on the surveillance camera, she was also a lot different from earlier.

"Yes, that's right. I was the one who told Mo Dong that if he continued to suppress you, I would take action."

Mo Yan looked at Qin Yuan and was at a loss for words. She did not expect Qin Yuan to admit it so readily. However, it was also true. This was Qin Yuan's act of helping her. Why would he not admit it?

Chapter 166

As Qin Yuan was drinking tea with his head lowered and did not look at Mo Yan, Mo Yan could not tell what expression Qin Yuan had when he said this.

After a long silence, Mo Yan asked, "Mr. Qin, I want to know why you did this. You fought for my mother's medical fees before, but this time, you are helping me get back my property."

"I said I wanted to help you."

Qin Yuan and Mo Yan looked at each other and spoke very sincerely. He had to let his sister-in-law feel his kindness so Huo Zhen would make him do less work for him.

"Is it because you want to help others when you see them in trouble? If that's the case, then you should be given the title of the person of the year in Z Nation."

Mo Yan's tone was a little mocking.

"I only want to help you."

Qin Yuan was quick-witted. Mo Yan had just finished teasing Qin Yuan when he immediately replied.

"I'm very touched. It's just that... you treat me so well. Is it really like what I thought before, you are interested in me?" Mo Yan said to Qin Yuan in a relaxed tone as if she was joking.

Qin Yuan looked deeply at Mo Yan. His sister-in-law's reaction was completely different from the last time. What did she sense that made her believe that he was not helping her for her?

Glancing at his phone, Qin Yuan smiled and said, "What if I say yes!"

Seeing Qin Yuan smile, Mo Yan also smiled and said, "Then I remember that I told you that I have a family."

"You are talking about your husband who just got out of prison a few months ago. According to what I know, your husband, Luo Tao, is an uneducated, incompetent, and destitute thug."

Upon hearing Qin Yuan's words, Mo Yan could not help but put away her smile, her expression indifferent.

"Mr. Qin, are you investigating me? Or my husband?"

Mo Yan was not only angry because of Qin Yuan's investigation of them, but also because of Qin Yuan's evaluation of Luo Tao.

"Yes, I did a little investigation. A graceful lady deserves to be with a gentleman. Since I am interested in you, I won't go overboard with the investigation!"

Qin Yuan was not afraid of Mo Yan's frosty expression. He continued, "Since your husband is such a person, why don't you consider me?"

"I think you know that I have some assets. It should be much better for you to choose me than your husband who has been in prison."

Mo Yan's eyes darkened, she suppressed her anger and said, "Mr. Qin, do you want me to be your mistress? Or do you want me to be the young mistress of the Qin family? I don't think it's possible for you to marry me! Does this mean that you want to be my mistress?"

Faced with Mo Yan's questioning, Qin Yuan smiled indifferently and did not comment on her words.

"Ha! So you use the method of belittling my husband to elevate yourself. This behavior is really unbearable."

Even though Mo Yan said so, Qin Yuan did not have any reaction and continued to drink the tea in his cup.

Mo Yan opened her bag and pushed a bank card in front of Qin Yuan. Qin Yuan raised his eyebrows in confusion.

"Mr. Qin, I'm sorry that I cannot accept your request. This is the money that my mother owes you for her treatment. In the future, I will also repay the money for the house at the market price, so I hope that my relationship with Mr. Qin will stop here. In the future, if you need my help with other matters, I will definitely help you."

After saying this, Mo Yan was about to leave, but was stopped by Qin Yuan.

"It was just a joke. Miss Mo, you don't have to be so agitated."

Qin Yuan gave Mo Yan another cup of tea and said with a smile.

"Actually, I was just testing Miss Mo."

"Testing?" Mo Yan's voice was still cold as she asked Qin Yuan coldly.

Seeing that Mo Yan was still cold, Qin Yuan touched his nose embarrassedly. It seemed that he had put on an act too much.

“Yes, yes. In fact, I’m actually more interested in your husband.”

“What did you say?”

Mo Yan’s expression slowly turned from cold to stiff. Then, she became even more wary of Qin Yuan and glared at him. As soon as Qin Yuan said something shocking, she would put a teacup on his head.

Seeing the change in Mo Yan’s expression, Qin Yuan suddenly realized the ambiguity in his words. The two of them looked at each other for a moment, feeling a little awkward.

Qin Yuan cleared his throat and said, “To be precise, I’m quite interested in the bracelet that your husband gave you. The jade quality is not bad, and it’s a family heirloom. I thought that your husband was from a good background, so I went to check it out.”

“Oh, what does that have to do with you trying to test me?” Mo Yan said with a wooden face. She didn’t understand the thoughts of rich people.

“Uh... I’m just curious about your choice between that kind of family and the tall, rich, handsome.” Qin Yuan touched his nose and said hesitantly.

Mo Yan’s forehead twitched. How on earth did this young master say that he was tall, rich, and handsome with such a straight face? However, Qin Yuan’s words did give Mo Yan some ideas. Was he testing her character?

“I’ve made my choice. What do you think, Mr. Qin?”

Since she was sure that Qin Yuan had no ill intentions towards her, Mo Yan was relieved.

“Very good, he didn’t make the wrong choice,” Qin Yuan said with a smile.

“He?” Mo Yan asked in confusion.

Qin Yuan didn’t answer. Instead, he asked Mo Yan another question, “I’m very curious why you didn’t leave after getting the medical fees.”

Many people had asked Mo Yan similar questions. Everyone who knew about Luo Tao’s situation did not understand why Mo Yan would stay by his side. Every time, Mo Yan answered very seriously.

“Because I like him.”

“Like a good-for-nothing hooligan?” Qin Yuan’s tone was filled with surprise.

“Mr. Qin, do you know? Every time you say that, I have the urge to hit you!” Mo Yan smiled and said to Qin Yuan.

Mo Yan couldn't say how she felt about Qin Yuan. He was clearly a stranger, but Qin Yuan had helped her time and time again. However, if they were friends, Mo Yan felt that she wasn't good enough to be his friend. Therefore, what she wanted to know the most was the reason why Qin Yuan helped her, so that she could determine what attitude she should use to face him.

However, it couldn't be denied that because of Qin Yuan's help, she had indeed developed a lot of cordial feelings toward Qin Yuan.

“Perhaps in your eyes, you only see my husband's past, but in my eyes, I am facing his real person.”

“Many people say that he is uneducated, incompetent, and idle, but what I see is Luo Tao, who loves to work out and loves to read. He is not good with words, but he is very good at caring for the people around him. He is also very capable. Not only can he learn to become a translator, but he will also give me inspiration when I encounter a bottleneck in my work. He's reliable no matter what. It seems that as long as he's around, I don't have to worry about anything...”

At the mention of Luo Tao, Mo Yan started to talk non-stop. Qin Yuan felt his teeth ache. He seriously suspected that his sister-in-law did it on purpose and was still thinking about what he said before.

After saying a lot of nice things about Luo Tao, Mo Yan finally stopped and gave Qin Yuan a final blow with a smile in her eyes.

“You said that I have such a perfect husband, why didn't I choose him and chose you?”

Qin Yuan almost choked on his tea. He picked up a tissue to cover up his mouth. In fact, Huo Zhen and his wife were deliberately torturing him!

“He doesn't have as much money as me.” After holding it in for a long time, Qin Yuan squeezed out five words.

“Well, money can be earned slowly. If such a good husband ran away, you wouldn't be able to find him,” Mo Yan continued to answer.

Qin Yun was speechless.

“Mr. Qin, do you have any other questions? If not, may I also ask a question?”

Qin Yuan and Mo Yan looked at each other and instantly felt that something was wrong.

Sure enough, before Qin Yuan agreed, Mo Yan spoke, "I wish to know the real reason why you helped me."

Mo Yan could not be blamed for asking so directly, because she really could not think of what he had to gain.

Qin Yuan was silent for a moment and said, "Someone asked me to take care of you, but I can't tell you who that person is."

Mo Yan lowered her eyes and looked like she was thinking about something, which made Qin Yuan's hair stand on end. Could it be that she had guessed something?

Only after sending Mo Yan away did Qin Yuan let out a long sigh of relief.

Back in the reception room, Qin Yuan turned on his completely black phone screen. He didn't know that the phone was in the middle of a call.

"Hello, Huo Zhen, are you satisfied this time?"

Qin Yuan sat on the sofa with a sullen face and gulped down a few cups of tea.

"I'm satisfied." Only two words came from the phone.

"Didn't you hear sister-in-law's confession in Jing City? Why did you use this method to test sister-in-law? Aren't you afraid of being exposed?"

Upon hearing Qin Yuan's words, Luo Tao was silent for a moment before saying, "Do you think it's possible that she suspects me? I feel like she's praising me on purpose."

Qin Yuan recalled Mo Yan's expression when she spoke. It didn't seem intentional, but her final expression made Qin Yuan uncertain.

"I don't think so! Sigh! Huo Zhen, you're worrying about nothing," Qin Yuan ridiculed.

"Worrying about nothing?" Luo Tao suddenly sneered. "Qin Yuan, didn't you say that you said you were more interested in me than Mo Yan?"

"Pfft! Cough, cough, cough, cough, cough!"

This time, Qin Yuan quickly denied, "That was a slip of the tongue! A slip of the tongue! Sister-in-law is so smart, I can't use you as a shield! Otherwise, how can I keep the conversation going?"

Chapter 168

Luo Tao did not answer, Qin Yuan continued, "I have to compare sister-in-law's feelings for you! It's better to tell my sister-in-law that I investigated you two because of you than to reveal your identity for no reason! Even between me and you, sister-in-law still chose you. Doesn't that prove her love for you! ?"

Qin Yuan's unreasonable logic gave Luo Tao a headache. Actually, Luo Tao also understood that Qin Yuan was a little flustered at that time. In order to hide his identity for him, Qin Yuan lied a lot.

"Okay, you go to Grand Court Hotel to get that Jade." Luo Tao rubbed the space between his eyebrows.

On the other end of the phone, Qin Yuan was stunned for two seconds, and suddenly let out a series of wails and wails.

"Ah! Huo Zhen! You're finally willing to give it to me! I'm so touched!"

Luo Tao pulled his phone away, not wanting to hear Qin Yuan's call.

"Stop fooling around, Go get it yourself. And don't forget about your investigation."

"Okay, brother Huo, leave it to me."

After hanging up the phone, Luo Tao went into the bathroom to take a shower. Before he received Mo Yan's message saying that he didn't need to pick her up, he had been

working out.” Ever since the fight with Mo Lian’s men that day, he realized that there were still many parts of his body that were stiff, so he had to continue his physical recovery training.

The sound of water splashing could be heard. Luo Tao didn’t hear Mo Yan opening the door.

“Luo...”

Mo Yan had just opened her mouth when she was stunned by the scene in front of her.

She saw the man in front of her naked upper body. The tight tendons and muscles all over his body showed his strength. The graceful lines of his muscles were hidden under the tight towel tied around his waist, and his pair of long and straight legs made Mo Yan swallow her saliva involuntarily.

“Mo Yan.”

Luo Tao was slightly moved by Mo Yan’s passionate gaze. He called out Mo Yan’s name in a slightly hoarse voice.

Mo Yan followed the voice and looked up. Luo Tao’s shiny black short hair was dripping down his handsome face, making his handsome face appear somewhat seductive.

His low and hoarse voice made Mo Yan’s face turn red. It was as if she had drunk a few jars of strong wine and was in a daze.

“Luo Tao.” Mo Yan called out to Luo Tao like a kitten.

Luo Tao had just taken a step forward and wanted to carry Mo Yan, but he did not expect that.

“Mo Yan, you...”

Seeing Luo Tao suddenly stop, Mo Yan did not understand. Her eyes reflected Luo Tao’s dumbfounded look.

Luo Tao walked to the table, took out a few tissues, and wiped them under Mo Yan’s nose.

1

Mo Yan opened her eyes suddenly after a while. She took the tissues and looked at them. In an instant, she let out a scream and went straight to the bathroom.

Seeing Mo Yan's reaction, Luo Tao could no longer control his movements. He covered his stomach and laughed out loud.

Hearing the laughter outside the door, Mo Yan felt bad.

Seeing a naked body made her nose bleed! She could not be more embarrassed! Moreover, it was not like she had never seen Luo Tao naked. How could she be like that!

When she came out of the bathroom, Mo Yan's face was still dark, causing Luo Tao to only dare to laugh secretly. Mo Yan glared at him fiercely and carried the dishes into the kitchen proudly.

By the time Luo Tao changed his clothes and went into the kitchen to help, Mo Yan had already washed the dishes. Luo Tao skillfully used a knife to cut them.

"Your knife skills are so good. Did you often cut things in the past?"

Mo Yan asked casually while handling the ingredients. Luo Tao's hand movements paused and he acknowledged.

"Oh right, guess what I went to do after work?"

As if they were chatting, Mo Yan brought up Qin Yuan and told him everything that had happened since she met Qin Yuan.

"Mr. Qin said someone asked him to take care of me. Who do you think this person is?"

Luo Tao's hands did not stop, but his eyes were deep as he said, "Maybe it's someone you helped in the past!"

"Oh? is that so? I don't remember helping any big shot. But then again, Mr. Qin is really nice. It's just that someone asked him to take care of me."

The sound of a kitchen knife hitting the chopping board startled Mo Yan.

Mo Yan turned to look, but Luo Tao kissed her lips.

The passionate kiss made Mo Yan unable to think of anything else. She could only open her red lips for Luo Tao to pick.

After the kiss, Luo Tao leaned against Mo Yan's ear and panted lightly.

"Mo Yan, you've been saying other men's names since just now. Do you think I won't be jealous?"

Mo Yan's warm breath pressed against her ear. She held back her trembling movements and said, "No, I just want to tell you everything."

"Good girl, don't go to see other men alone in the future. I'll go with you." Luo Tao said as he kissed Mo Yan's ear.

Mo Yan couldn't control her body's reaction anymore and answered with a trembling voice.

The next day, Mo Yan had just arrived at the company when she found a package on her desk. Inside was her family's property's certificate of ownership.

In fact, after the incident of Mo Lian wanting her house, Mo Yan had thought about whether or not to fight a lawsuit with Mo Dong.

Back then, her mother and Mo Dong's divorce assets were not evenly distributed, so if she wanted to fight, she could fight. However, Mo Yan also knew the reason why her mother did not fight a lawsuit was because of her and Cheng.

With Mo Dong's greedy personality, he would not easily give them half of his assets. Moreover, going to court required time, energy, and money. Her mother could not afford to waste time with him. Moreover, once the court session started, Mo Lian and Cheng's backgrounds would definitely be exposed. It was fine in Mo Lian's case, but Cheng was still a child. With the identity of an illegitimate child that everyone knew, it would definitely have a great impact on Cheng.

Touching the few words on the certificate of ownership, Mo Yan took a deep breath and revealed a smile. Fortunately, it had not reached that stage yet. She could still protect Cheng for a period of time.

...

Just like what Xu Tian said, the news of Chen Jin's transfer came very quickly. The office was bustling with activity. Because Chen Jin was not the only one who was leaving, Zhou Shuai was also going with him. Therefore, Team A also had a lot of things to hand over.

Mo Yan had been in a good mood these two days. Firstly, she had gone to consult the real estate department. Now that the paperwork for her house was complete, it meant that the house belonged to her family completely.

Secondly, Chen Jin would take Zhou Shuai away. Chen Ya might have to leave some time later. However, no matter what time it was, as long as she confirmed that the three of them could leave, Mo Yan would be happy.

Third, CEO Song had already sent people to Jing City for a field trip. If she won the project, her position as an assistant would be guaranteed.

Zhou Shuai and Chen Ya's situation was bleak.

Smoke lingered in Zhou Shuai's office. He had inquired about H City, and he was very reluctant to leave.

He could only be a marginal manager there and had no real power. If he dared to interfere in the company's affairs, the leader might find a random reason to fire him. Under such circumstances, Zhou Shuai had to think about the future. Should he continue to follow Chen Jin or change jobs just like that?

Chen Ya pushed the door open and choked on the smoke. She covered her mouth and nose, and Chen Ya used her hand to slap him twice.

"Zhou Shuai, what's wrong with you?"

Sitting up straight, Zhou Shuai saw that it was Chen Ya who came, and he looked a little annoyed. He continued to lean against the boss's chair.

"What are you doing here?"

Zhou Shuai did not like Chen Ya at the moment. If it were not for the fact that Chen Ya did not clean up after herself, her uncle would not have been directly sent to H City.

"Zhou Shuai, why are you being so rude?" Chen Ya yelled at Zhou Shuai.

"Why am I being so rude?" Zhou Shuai's voice was even filled with annoyance.

Chen Ya held back her anger again and again. She knew that it was her who caused the trouble and caused Zhou Shuai to be transferred, which made him in a bad mood.

Taking a deep breath, Chen Ya tried her best to maintain a calm tone. "Zhou Shuai, I don't want to argue with you. I know that you were implicated by me this time, but uncle said that as long as you can hold on in H City, he will have a way to help you come back."

Hearing Chen Ya's words, Zhou Shuai's dazed mind instantly sobered up.

"Your uncle really said that?"

"Yes, so don't be discouraged. We still have to get married in the future! I still have to rely on you! You can't give up on yourself." Chen Ya put down her attitude and walked to Zhou Shuai's side.

Extinguishing the cigarette in his hand, a glimmer of light flashed in Zhou Shuai's eyes.

Zhou Shuai still maintained his dispirited appearance, he sighed and said, "Okay, it's best if I can come back. If I can't come back, then we'd better not get married. I'm afraid of implicating you. You also know the situation in H City. The salary is low, and I won't have real power. If that's the case, how can I give you a good life?"

Zhou Shuai's expression of enduring the pain and thinking of Chen Ya deeply touched Chen Ya. He was originally dissatisfied, but now he put it down. Chen Ya held Zhou Shuai's hand and said, "Don't say that. It won't happen. You won't be there forever. Uncle said that he has a way. As long as you don't make any mistakes during this period of time, we'll get married when you're transferred back to C City."

"Okay." Zhou Shuai lowered his eyes so that no one could see his expression clearly.

On Saturday, Mo Yan received an unexpected invitation.

"What is it?"

Mo Yan popped her head out of the kitchen and looked at the thing in Luo Tao's hand.

Just now, someone knocked on the door. She was cooking, so she asked Luo Tao to open the door.

Luo Tao frowned and said, "Mo Lian's birthday party invitation."

"Who are you talking about? Mo Lian? Did I hear wrong?"

Mo Yan rushed out of the kitchen with a shovel. When she saw the word "Invitation", her eyes widened.

"What does she want to do now?" Luo Tao's frown deepened.

Although he was prepared to lift Mo Lian up and then throw her down again, this woman was too much. He couldn't stand it anymore.

"I don't know. The Mo family hasn't let my family participate in their gatherings all these years. This time, Mo Lian specially sent an invitation letter. It's obvious that she doesn't have good intentions."

Mo Yan's face was full of exaggerated disdain as she successfully teased Luo Tao.

This was probably the feeling of liking someone. No matter what she did, she looked cute. As long as he was with her, he would feel happy even if it was an ordinary conversation or an ordinary day.

Scratching Mo Yan's small nose, Luo Tao asked, "What are you going to do?"

"Um..." Mo Yan thought for a moment and said, "I'm not going! It's not worth my time? Isn't it better for me to be with you when I have time?"

After saying that, Mo Yan hugged Luo Tao's arm and threw the invitation letter in his hand to the side.

Luo Tao looked at Mo Yan's sparkling eyes, touched her head and smiled, "Okay, then I'm not going. Where do you want to go in the afternoon?"

"Go shopping! I've paid Mr. Qin the money I owe him this month. I still have some left. I'm going to buy you two sets of clothes."

Luo Tao was touched. He gently pinched Mo Yan's lips and said, "Not for me, but for you. Your clothes are old."

Following Luo Tao's line of sight, Mo Yan saw that there was a hole on her short sleeve, so she carelessly touched it twice.

"It's okay. Old clothes are easy to wear. I'm already used to it."

Looking at Mo Yan's bright smile, Luo Tao felt his heart ache and numb. She was obviously unwilling to spend money herself, but she wanted to give him the best.

"Why don't we buy a couple's outfit?"

Luo Tao suddenly thought of a couple he saw on the street a few days ago. Even if they didn't speak and only held hands, just by looking at their clothes, he could tell that they liked each other.

Couple's outfit? Hearing this word, Mo Yan's eyes widened in surprise. She had also imagined how the two of them would look in a couple's outfit. However, ever since she came to the city, Luo Tao always dressed in a white shirt and black pants. She thought that Luo Tao wouldn't like these things.

"Couple's outfit? Do you like stuff like that?" Don't you think it's childish

It was only the last sentence that Mo Yan did not ask.

"Do you like stuff like that?" Luo Tao asked back.

Mo Yan and Luo Tao looked at each other for a moment, then nodded.

"I like it."

“Then I like it too.”

A gentle voice sounded in the small but warm rented room. The scene of Mo Yan holding a spatula and Luo Tao looking at each other was comical but sweet. This time, Mo Yan felt that her heart was very close to Luo Tao.

“Mo Yan, have you finished cooking?”

Luo Tao inadvertently glanced at the spatula in Mo Yan’s hand and subconsciously asked.

“Ah! Oh no!”

Mo Yan reacted for a moment and instantly exploded. She ran back to the kitchen.

Not long after, a small head popped out from the door with a face full of depression.

“Luo Tao, our lunch is burnt. Can I cook some noodles?”

Luo Tao pressed his fist against his lips and smiled lightly. “Okay, anything is fine.”

After a pause, he said, “Why don’t we go out to eat?”

“No need. Instant noodles are very easy and quick to cook.” Mo Yan’s voice came from the kitchen.

Instant noodles? Luo Tao raised his eyebrows and walked to the kitchen.

...

Luo Tao had never been interested in shopping, but shopping with Mo Yan would always give him a new experience. She would pull him to shop one by one and carefully pick out clothes for him. She would even feel annoyed because she thought all the clothes looked good on him. This was the fifth time Mo Yan had complained.

“Luo Tao, you’re the reincarnation of the clothes rack, right? Why do all the clothes look good on you?” Mo Yan sat on the stool prepared for customers in the clothing store and complained.

The man standing in front of the fitting mirror tidied his collar and turned to Mo Yan with a smile, “Your way of praising people is really unique.”

The three shop assistants standing at the side listened to the conversation between the two and could not help but tease, “Beautiful lady, you’re too sweet. At least take into account the feelings of us single people!”

Logically speaking, there should not be three people to receive the two customers, but Mo Yan and Luo Tao, the handsome couple, were really pleasing to the eye. There were not many people in the store, so those who were free came to watch Luo Tao try on clothes.

The next day, Mo Yan had just arrived at the company when she found a package on her desk. Inside was her family's property's certificate of ownership.

In fact, after the incident of Mo Lian wanting her house, Mo Yan had thought about whether or not to fight a lawsuit with Mo Dong.

Back then, her mother and Mo Dong's divorce assets were not evenly distributed, so if she wanted to fight, she could fight. However, Mo Yan also knew the reason why her mother did not fight a lawsuit was because of her and Cheng.

With Mo Dong's greedy personality, he would not easily give them half of his assets. Moreover, going to court required time, energy, and money. Her mother could not afford to waste time with him. Moreover, once the court session started, Mo Lian and Cheng's backgrounds would definitely be exposed. It was fine in Mo Lian's case, but Cheng was still a child. With the identity of an illegitimate child that everyone knew, it would definitely have a great impact on Cheng.

Touching the few words on the certificate of ownership, Mo Yan took a deep breath and revealed a smile. Fortunately, it had not reached that stage yet. She could still protect Cheng for a period of time.

...

Just like what Xu Tian said, the news of Chen Jin's transfer came very quickly. The office was bustling with activity. Because Chen Jin was not the only one who was leaving, Zhou Shuai was also going with him. Therefore, Team A also had a lot of things to hand over.

Mo Yan had been in a good mood these two days. Firstly, she had gone to consult the real estate department. Now that the paperwork for her house was complete, it meant that the house belonged to her family completely.

Secondly, Chen Jin would take Zhou Shuai away. Chen Ya might have to leave some time later. However, no matter what time it was, as long as she confirmed that the three of them could leave, Mo Yan would be happy.

Third, CEO Song had already sent people to Jing City for a field trip. If she won the project, her position as an assistant would be guaranteed.

Zhou Shuai and Chen Ya's situation was bleak.

Smoke lingered in Zhou Shuai's office. He had inquired about H City, and he was very reluctant to leave.

He could only be a marginal manager there and had no real power. If he dared to interfere in the company's affairs, the leader might find a random reason to fire him. Under such circumstances, Zhou Shuai had to think about the future. Should he continue to follow Chen Jin or change jobs just like that?

Chen Ya pushed the door open and choked on the smoke. She covered her mouth and nose, and Chen Ya used her hand to slap him twice.

"Zhou Shuai, what's wrong with you?"

Sitting up straight, Zhou Shuai saw that it was Chen Ya who came, and he looked a little annoyed. He continued to lean against the boss's chair.

"What are you doing here?"

Zhou Shuai did not like Chen Ya at the moment. If it were not for the fact that Chen Ya did not clean up after herself, her uncle would not have been directly sent to H City.

"Zhou Shuai, why are you being so rude?" Chen Ya yelled at Zhou Shuai.
