### Chapter 127

The meeting lasted until noon. Those who attended the meeting could choose to either have lunch in the Lin Group building, or go out to eat.

Mo Yan relaxed her shoulders and sent a message to Luo Tao, asking where he was.

“Sister Xu, you spoke so well! I was stunned.” Mo Yan looked up at Xu Tian and smiled.

“Is that so?” Xu Tian asked. Two years ago, when she came to Jing City, she was humiliated. Today, Mo Yan praised her.

“Yes! You did very well.” Mo Yan nodded her head hard. Li Guoguo also praised Xu Tian.

Listening to the heartfelt words from the two people, Xu Tian lowered her teary eyes and the corners of her mouth slowly curved up.

At this moment, a voice suddenly sounded from beside the three people.

“Excuse me, are you Miss Mo?”

Mo Yan turned around and saw a man in a suit standing beside her.

“It’s me. Hello.”

The man looked extremely familiar. Mo Yan carefully recalled that this person had sat in the fourth seat from the right in the first row.

“What is the matter?” Mo Yan asked.

The man smiled and said, “Miss Mo. I think your plan is very good. I would like to talk to you in private.”

My plan? In private? His words instantly made Mo Yan wary.

“I think you may have misunderstood. This is not my plan. The three of us completed it together. If you have questions about the project, sister Xu is more suitable to answer you.” Mo Yan smiled politely.

The man looked deeply at Mo Yan and said, “Alright then! This is my business card. If you change her mind, you can contact me again.”

Helpless, Mo Yan took the business card. Only after the man left did she furrow her eyebrows.

Thankfully, no one else saw their conversation.

“Mo Yan, he was Lin Group’s leader, right? Why did he give you his business card? Does that mean that our plan was selected?” Li Guoguo asked hesitantly.

Xu Tian did not say anything but took the business card and looked at it. Mo Yan said, “I’m not sure. Let’s go and eat first.”

Picking up her phone, Mo Yan realized that Luo Tao had already replied and said that he had already arrived downstairs.

Mo Yan told the two of them that they could leave first. She did not realize that Chen Ya saw what had happened. She immediately revealed a resentful expression.

...

After the man left, he took the elevator and went straight up to a luxurious office on the fifteenth floor.

“Has it been settled?” The voice of another man came from behind the leather chair.

The man who gave Mo Yan his business card stood respectfully in front of the desk and said, “Miss Mo did not agree to the request for a private meeting. I left my business card with her.”

“She did not agree? Why? Does she not want the project?” The man still did not turn around.

“Rather than meeting Miss Mo, why don’t you directly negotiate with her superior?”

As the man spoke, his cell phone rang. The man glanced at the caller’s name.

“Young master, it’s Chen Ya,” the man said to the man behind the leather chair.

“Answer it.”

As soon as he picked up the call, Chen Ya’s rude voice came from the other end.

“Mr. Zhao, why can’t you do things properly? You should have contacted me instead of Mo Yan.”

Chen Ya’s merciless words made Mr. Zhao’s face turn cold.

“Miss Chen, please mind your tone. This is not Hong Jing, it’s not a place for you to be arrogant and despotic.”

Chen Ya was silent. The man continued, “Regardless of who we go through, you will still have rewards to reap. Don’t worry.”

Chen Ya had no choice but to listen to him. If she continued being disrespectful, Lin Group might have changed their mind and chosen another company’s plan.

Chen Ya could tell that the Lin family’s young master had really had taken a liking to Mo Yan, thus he decided to choose Hong Jing’s plan.

“I understand, sorry.”

After Mo Yan left, Chen Ya also left the Lin Group building with her two lackeys. She was calling Mr. Zhao from a remote corner of the building.

At the banquet, Chen Ya confirmed that Lin Group’s young master was interested in Mo Yan. She was pleased at how this turned out.

Chen Ya wanted to get Mo Yan into Lin Group’s young master’s bed so bad that she even contacted a woman named Mo Lian.

Both of their surnames were Mo, and she remembered hearing this woman talking bad about Mo Yan with her family.

After contacting Mo Lian, the two of them hit it off. After all, they both had a grudge against Mo Yan.

Chen Ya and her uncle really spent a lot of effort trying to mess with Mo Yan/

Initially, they had planned to sow discord between Mo Yan and Xu Tian in advance, so that Mo Yan would be on guard against Xu Tian. At the same time, Xu Tian would have a sense of distrust towards Mo Yan due to the errors in her data.

However, Mo Yan did not act like they thought she would and alienate Xu Tian because of her suspicion towards Song Yun. This caused all of their subsequent plans to be ruined.

After having a conversation with Mo Lian, Chen Ya called her uncle.

Chen Jin asked Chen Ya about what the Lin family’s young master thought about Mo Yan. After hearing that Chen Ya was able to confirm that the young master was

interested in Mo Yan after what happened at the banquet, he told Chen Ya not to act in a hurry. He wanted to see if the young master would take the initiative to contact her.

Sure enough, on the third day after the banquet, Mr. Zhao called her and asked about Mo Yan.

After negotiating, Chen Ya was ready to make a move on Mo Yan. However, for some reason, Mo Yan was nowhere to be found. This made Chen Ya very anxious.

As for Mr. Zhao going to Mo Yan directly today, it seemed that he couldn't wait any longer.

"To be honest, your proposal isn't that good. If it weren't for the additional conditions, I think Lin Group would choose to cooperate with another company. Tonight is your last chance, Ms. Chen."

...

Mo Yan had just walked downstairs when she noticed the man standing in the dark alley.

She jogged all the way to Luo Tao's side. Mo Yan was ready to scare him. "Luo Tao!"

However, Luo Tao wasn't frightened and simply smiled at her.

"Are you done with the meeting?" Luo Tao asked.

"No, it will continue in the afternoon."

Thinking that she would have to wait the whole afternoon to go on a date with Luo Tao, Mo Yan frowned gloomily.

It was said that absence makes the heart grow fonder. This was what Mo Yan was going through. When she wasn't able to be with Luo Tao, she missed him. When she was finally able to be with him, she only wanted to stay with him.

Holding Luo Tao's hand, Mo Yan asked, "When did you arrive? Have you been waiting for a long time?"

Unknowingly, the two of them had developed the habit of holding hands.

Luo Tao held Mo Yan's hand with one hand and handed her a bottle of honey lemon water with the other.

“That was my guess.”

Mo Yan took the honey lemon water and looked at it. “Mo Nuan?”

Mo Nuan was a beverage shop that Mo Yan found online. After reading the comments, she found out that this beverage shop was very famous in Jing City.

Out of curiosity, Mo Yan once took Li Guoguo and Xu Tian there to get drinks.

However, the beverage shop was too crowded. They would have to queue up for an hour for their turn. The three of them decisively gave up.

Mo Yan had jokingly told Luo Tao about this matter. She didn’t expect Luo Tao to remember it.

“So you didn’t just arrive. The queue at Mo Nuan is at least an hour long.” Mo Yan said helplessly.

Luo Tao smiled and patted her head without answering. He recalled when Qin Yuan asked if he wanted to buy a drink for Mo Yan.

Mo Yan used a straw to drink the beverage and took a deep breath.

As expected of a well-known beverage shop. The taste of lemon and honey combined perfectly. It was sweet and sour, refreshing and soothing for the throat.

Mo Yan secretly glanced at Luo Tao from the corner of her eyes. How did he know that her throat was sore?

Although her throat had almost fully recovered and she could speak normally, she still felt a tingling pain.

The honey lemon water made her throat feel much better.

Luo Tao saw that she had been sneaking glances at him, so he asked what was wrong.

“How did you know that I wanted to drink something? And you even brought me honey lemon water?” Mo Yan asked.

Luo Tao chuckled. “I remember the beverage shop that you talked to me about. After being in a meeting for so many hours, drinking honey lemon water is good for you.”

Mo Yan stuck out her little white teeth and gave Luo Tao a big smile. “You’re too thoughtful! Then I’ll reward you with a mouthful.”

After saying that, Mo Yan brought the cup to Luo Tao's lips and glanced at the straw that she had already bitten. Luo Tao looked back at Mo Yan with a deeper gaze...

## Chapter 129: Mo Lian's Invitation

In the afternoon, Mo Yan returned to the meeting room. Xu Tian and Li Guoguo were already waiting for her.

Seeing Mo Yan return, Li Guoguo pouted and said coquettishly, "Mo Yan, you promised me to let me meet your husband! Why did you run away when he came downstairs?"

Actually, Mo Yan was also helpless about this matter. She did want to introduce Li Guoguo and Xu Tian to Luo Tao.

However, her identity would be exposed when Li Guoguo called her Mo Yan.

In order not to expose the fact that she took her sister's place to marry Luo Tao, she could only tell the two of them that she missed Luo Tao so much that she ran away so quickly.

Mo Yan could not help but let out a sigh of relief.

It seemed that she needed to pay more attention when introducing her friends to Luo Tao in the future.

The meeting in the afternoon was no different from the morning. However, what surprised Mo Yan was that the leaders of Lin Group had not selected a plan by the end of the meeting. They only said that they would inform everyone of the results in three days.

Just as the few of them were about to return to the hotel, Mo Yan was packing up the documents when her phone on the table suddenly rang.

Mo Yan thought that it was a call from Luo Tao. Without looking, she pressed the answer button before holding the phone with her shoulder.

"Mo Yan, it's Mo Lian. Come out and meet me."

The familiar but ear-piercing voice stunned Mo Yan, and she frowned. After giving a signal to Xu Tian and Mo Yan, she went outside to continue the phone call.

Walking into the bathroom, Mo Yan asked, "What's the matter?"

"Mo Yan, do you want to hear about my dad and my mom?" Mo Lian asked.

“Your dad and mom?” Mo Yan asked first, then smiled and said, “Their matters are not my business. Why would I want to know about their matters?”

Did Mo Lian take her for a fool? Giving her a call just to talk to her about her parents? Ha! As if. It was obvious that Mo Lian had something up her sleeve

“Don’t you want to know why Dad divorced your mom?” Mo Lian suppressed her anger towards Mo Yan’s rude reply.

Mo Yan laughed softly, her laughter was filled with ridicule. “Mo Dong divorced my mom because of your mom. Do you think I don’t know this? Besides, why would I need to hear this from you? If anything I can just ask my mom directly.”

Mo Lian was so angry that her entire body was trembling. She gritted her teeth and said hatefully, “Even if you ask you mom, she won’t tell you! Because...”

At this point, Mo Lian seemed to have thought of something and immediately stopped talking. When she spoke again, her voice was full of calmness. There was even a hint of schadenfreude in her tone.

“Do you really not want to know? Why was Dad so heartless towards your family? Why your mom agreed to Dad’s request for a divorce instead of fighting against it?”

Mo Lian’s words were like a thorn that stabbed deep into Mo Yan’s heart. In fact, she had asked her mother this question before, but her mother only responded with a pained expression on her face. She shook her head and was unwilling to say anything.

As if sensing Mo Yan’s hesitation, Mo Lian’s tone became even lighter. “Tonight at six o’clock, on the second floor of the Grand Court, I will wait for you there.”

Without waiting for Mo Yan’s reply, Mo Lian hung up the phone by herself.

Mo Yan gripped her phone tightly. This kind of situation where she knew that Mo Lian had bad intentions but had no choice but to go made Mo Yan feel powerless.

She wanted to know what had happened in the past. Why did Mo Dong suddenly want to divorce her mother? And her mother just accepted?

When Mo Yan returned to the meeting room, she was still a little distracted.

Xu Tian noticed her abnormality and asked, “Who called?”

Mo Yan did not want to tell others about her family matters, so she tried her best to squeeze out a smile. "It's just someone I know. Sister Xu, I'm going out for a while. I'll see you guys back at the hotel later."

"You want to go out alone?" Xu Tian's eyes revealed a look of disapproval.

She didn't think that it was a good idea.

"Yes, I have an appointment. I'll be back as soon as possible."

Mo Yan was thinking about Mo Lian's words, so she didn't notice Xu Tian's gaze.

"Mo Yan, come with me. I have something to ask you."

Seeing Li Guoguo looking at the two of them, Xu Tian wanted to talk to Mo Yan in private.

"Sister Xu, what's wrong?"

Mo Yan walked out with Xu Tian absent-mindedly.

"Mo Yan, do you know how crucial this time is?"

"Hmm?" Mo Yan still hadn't understood what Xu Tian meant.

Xu Tian gazed deeply at Mo Yan with her pair of beautiful eyes. "The project results are not out yet, and Chen Ya is still eyeing us like a hawk. If she sees us doing something wrong, she will pounce on us."

Mo Yan looked back at Xu Tian in confusion. "Doing something wrong?"

"In the afternoon, the leader of Lin Group gave you his business card and asked you to meet him privately."

Xu Tian's words instantly enlightened Mo Yan and she understood Xu Tian's concerns.

"Sister Xu, do you really think I'm that kind of person?" Mo Yan asked with a frown. She did not expect sister Xu to suspect her like this.

Xu Tian did not say anything. She wanted to trust Mo Yan. However, the betrayal that she had experienced before made her have trust issues. She did not want to win the project by cheating. She also did not want Mo Yan to do immoral things just to get what she wanted.

Mo Yan said sternly, "Sister Xu, I'm just going to meet someone I know tonight, not the leader of Lin Group. Of course I won't do such a stupid thing."

"I'll go with you."

Xu Tian's request was a little unreasonable, but she could not take any chances.

"I'm sorry, sister Xu. This is my personal matter. I can't let you go with me."

From what Mo Lian said, it seemed like what she wanted to tell her was private, so she couldn't let a third person hear it.

After being rejected, Xu Tian looked at Mo Yan for a while without saying anything. She turned around and left.

Mo Yan felt a little uncomfortable. Whether it was her mother's matter or Xu Tian's suspicions, they both made her feel as if a huge weight was pressing down on her heart. It felt like something bad was about to happen.

...

After leaving the Lin Group building, Mo Yan headed straight for the Grand Court that Mo Lian had mentioned. The sky gradually became gloomy. It was about to start raining.

Sitting in the taxi, Mo Yan looked at the hurried pedestrians. She suddenly recollected about her childhood. At that time, she had a perfect family, an amiable father, a kind mother, and a cute younger brother. She lived a happy life.

However, everything changed when her father brought Chang Lu home two years ago.

Her father drove them out of the villa, leaving only a fifty-square-meter old house for the three of them to live in.

At that time, she and her younger brother were still studying, so their mother had to work hard to support them.

Living that way was already difficult, but God was still not merciful. Her mother's health deteriorated, and Mo Yan had to work to earn her living expenses, her mother's hospital fees, and her brother's tuition fees.

Raindrops fell on the car window.

Mo Yan thought about everything that had changed since then. She no longer called Mo Dong her father, and she had also forgotten those happy times. No matter how happy she was in the past, everything that had happened since then smeared whatever happy memories she had left.

Her phone vibrated. It was a text message from Luo Tao.

[Are you back at the hotel?]

Luo Tao told her at noon that he would be staying at his friend's place in Jing City for the next two days.

Mo Yan was quite shock to hear that Luo Tao had a friend in Jing city. Luo Tao said that they were good friends who grew up together before his whole family moved to Jing City.

He said that when he came to Jing City, his friend specifically invited him, so he couldn't refuse. Mo Yan expressed her understanding, and also understood how Luo Tao was able to give her recommendations of where to visit in Jing City.

Mo Yan thought for a moment, but she still didn't want to lie to Luo Tao, so she replied: [Not yet, I'm meeting an acquaintance.]

After Mo Yan sent the message, Luo Tao also received the location where Mo Yan's taxi stopped.

The reason why Luo Tao asked Qin Yuan to help him take care of Mo Yan when he was abroad was because he was very busy overseas and could not pay attention to Mo Yan's every move in Jing City.
