

## Chapter 5075

Charlie's words shocked the ten people in the study.

The lead man turned around and saw Charlie alone at the door of the study,

He frowned and asked, "Who are you?"

"Me?" Charlie snorted and said,

"I am someone who can't be offended. If all eight of you combined."

The man was stunned for a moment, then smiled contemptuously:

"What a joke! Don't be afraid to back down before you talk big,"

"Just because you are only one person, you want to fight against the eight of us,"

"You know where I come from?"

Charlie smiled and nodded: "I know, aren't you the commander of some cavalry guards?"

"Don't say eight of you, what if there are eighty?"

That person didn't expect Charlie to know him In addition to being surprised,

His expression became extremely gloomy, and he said in a cold voice full of murderous intent,

"Boy, you are really courting death!"

After that, he immediately picked up the gun and was about to pull the trigger at Charlie.

Charlie didn't hide at all, and suddenly a cold light flashed in his hand,

And then he heard the crisp sound of the other party pulling the trigger,

But strangely, no one heard the gunshot except for the click.

The man in the lead was also stunned.

He subconsciously looked down at the assault rifle in his hand,

And found that the gun in his hand was not dysfunctional, but for some reason, it just couldn't shoot the bullet.

So, he subconsciously wanted to pull the bolt again,

But what he didn't expect was that he just pulled it,

And the top cover of the entire assault rifle was suddenly pulled down!

He was horrified, thinking that something was wrong with the gun.

At this moment, one of his subordinates seemed to have seen the devil,

Pointed to the gun in his hand, and stammered: "Comm... commander... your gun... .."

The lead man took a closer look, and he was so frightened that he was instantly blown away!

He suddenly found that his gun was not as simple as tearing off the cover.

Started from the center of the muzzle, it was cut open!

Not only was the barrel cut in half, but even the bullet that was loaded in the chamber was cut into a plane,

Just like a textbook, revealing the 5.56mm caliber cross-section,

Which could clearly show all the structures, warheads, eggshells, gunpowder, and primers.

He was completely frightened, looked up at Charlie subconsciously,

And asked with a trembling voice, "You... how did you do it..."

Charlie shot the soul-piercing blade. He was calm and said with a smile: "Well, that's what it is."

The man frowned and blurted out, "How can a mere shell cut off an assault Rifle made of steel!"

"Don't believe it?" Charlie raised his eyebrows, smiled playfully, and said,

"It seems that the old saying is right, this man really can't cry without seeing the coffin!"

Suddenly cold, he said sharply, "Since you don't believe me, I'll let you try it!"

As soon as the words fell, a cold light flashed in Charlie's hand again.

This time, before the man in the lead, could react,

He saw the other half of the assault rifle in his hand fall from the air.

Just when he was wondering how Charlie did it,

He suddenly felt a sharp pain in his right shoulder.

He instinctively looked at the sore spot, only to realize that there was only a bowl-sized wound left there!

The wound was neat and completely on a plane,

And the flesh and bones were clearly visible, and a lot of blood spurted out!

His whole brain was dizzy, and he quickly looked at the ground,

Only to realize that it was not just half an assault rifle that fell just now,

But a half-assault rifle, along with his entire right arm!

“Ah!!” The severe pain made him almost collapse, and he looked at Charlie as if he saw a ghost.

After experiencing extreme fear for about three seconds, he suddenly shouted:

“Quick! Quickly kill him! Quickly kill him!!”
