Chapter 5086

There is a strong mutual attraction between this ring and spiritual energy,

But the strange thing is that the spiritual energy did not get any actual transformation after entering it,

Which made Charlie very surprised.

According to the law of conservation of energy,

Energy is a kind of existence that can neither appear out of thin air nor disappear out of thin air.

It is like putting a pot of hot water outdoors, even if it finally cools down,

The heat does not disappear out of thin air but is released into nature through the air and other objects.

It's just that the heat of a basin of water is a little insignificant to the whole of nature.

But no matter how small it is, it is real.

However, the spiritual energy that Charlie entered into the ring one after another disappeared,

Like a stone sinking into the sea, he received no response.

He finds it more and more strange. In his opinion, the principle of a magic weapon is equivalent to an electrical appliance,

Except that the magic weapon needs to be driven by aura,

And the electrical appliance needs to be driven by electricity.

When electricity is delivered to a water heater, it will be converted into heat energy;

When electricity is delivered to a motor, it will be converted into kinetic energy;

When electricity is delivered to a light bulb, it will be converted into light energy;

When electricity is delivered to an electrolysis device, it will be converted into chemical energy.

It's like sending an aura to the Thunder Command, which can be transformed into thunder and lightning that falls from the sky,

And transporting the aura to the soul-piercing blade, which can be transformed into an indestructible blade,

But this ring swallowed so much of its own aura, but only transformed a humming.

A ring, making a sound similar to the sound of swords, is also very strange in itself.

This kind of phenomenon is strange as if the electric fan is powered on,

The blades of the electric fan do not rotate, and no wind is generated,

But it makes a blowing sound out of thin air, which cannot be explained.

While Charlie wondered, like a red-eyed gambler who kept throwing chips at the gaming table,

He kept sending spiritual energy into the ring.

Until half of the spiritual energy in the body was drained,

He still couldn't get any feedback other than Om's reputation.

He was a little annoyed.

Before reaching the destination, he simply took out a Cultivation Pill,

Pinched it together with the ring on his fingertips, and then gritted his teeth,

Forcibly transporting almost 90% of the spiritual energy in his body into the ring.

He felt that he had input most of the spiritual energy into it,

And this ghost had to give him a little bit of different feedback.

But what he didn't expect was that the ring was still like a black hole of spiritual energy.

After swallowing so much of his spiritual energy, there was still no change.

Charlie was helpless. In order to make up for the lack of spiritual energy in his body,

He could only throw a Cultivation Pill into his mouth.

When the surging spiritual energy spread rapidly, he crossed the half-spiritual energy into the ring again,

But the result was still extremely disappointing to him.

At a certain moment, he couldn't wait to quickly take out another Cultivation Pill and fight to the end with this pit ring.

But reason finally triumphed over his impulses.

Cultivation Pill is very precious, and there is no need to put them one after another for such a pitiful ring.

In this situation, it is the most sensible choice to stop loss in time.

So, he could only put the ring back in his pocket angrily.

Although he couldn't figure out the magic of this ring,

It subconsciously told him that it was definitely not simple.

You know, this is something that even the mysterious lord can't wait to get,

And even that kinds of high-level people are thinking about getting this thing,

This proves that this thing must have some kind of value that he doesn't know yet!
