

## Chapter 5101

For a while, the Bergen police were shocked and immediately sealed off the scene, ready to investigate.

However, although this case has just happened,

It is already destined to be a no-nonsense case,

Because of the registered identities of the people who died here and those who used to live with false identities!

At the same time, on a heavy-duty container ship that has already left Norway and headed for Vladivostok, Russia,

Maria is in a cabin that has been carefully remodeled like a hotel suite,

And her servant is standing respectfully beside her.

In front of her, there was a huge monitor,

And the frozen picture on the monitor was the appearance of her study being ignited by a raging fire.

This picture was captured and transmitted through the pinhole camera hidden in the wall directly in front of her desk.

She manipulated the progress bar with a smile on her face,

And went back to a few minutes ago in the video.

When she saw the camera on the man's chest suddenly exploded,

She couldn't help but chuckled and said, "It's boring, I'm getting angry from embarrassment."

The servant on the side Couldn't help but ask:

"Miss, do you think they will believe it?"

Maria smiled narrowly, and said casually:

"Anyway, what I'm telling is the truth, they will, believe it or not, I don't care."

Seeing Maria so calm, the servant couldn't help but feel a little more admiration in his heart.

She asked him this time: "By the way, how long will it take to get to Vladivostok?"

The servant replied: "Miss, we will take the Arctic sea route."

"At the speed of this ship, it will take about 25 days."

"Too slow. "Maria said lightly: "I'm going to disembark at Murmansk and take a plane to Eastcliff."

After that, she asked the servant: "Can I reach Murmansk in four days?"

The servant hurriedly said: "It should be possible."

"Yes, but Miss, are you going to China in such a hurry?"

"Yes!" Maria nodded firmly, and said seriously:

"I can't wait to find that Charlie Wade as soon as possible,"

“There must be a lot of secrets and interesting things about this person.”

As she spoke, she pulled the progress bar and went back to the moment when Charlie appeared in her study,

Looked at him in the picture, and muttered curiously:

“Tell me, why did he appear in my office in such a timely manner?”

Charlie appeared to leave the video, but Maria had actually watched it many times on the way.

She didn't shy away from her most trusted servant,

So although the servant's memory was erased by Charlie,

Through the playback of the surveillance video, he still figured out the whole story.

The servant thought for a while and said, “Miss, I can't remember the situation at that time,”

“But I guess from the video recording, I don't think he knew anything about your situation, miss.”

“He should be chasing after them when he appeared in Bergen.”

“Those Cavalry guards passed by, and he wanted to fix them,”

“I guess he should have a blood feud with that organization.”

Maria nodded and said with emotion: “This should be the most likely one. It's kind of a guess.”

The servant couldn't help asking her: "Miss, where do you think he will send these Cavalry guards?"

Maria was stunned for a moment, then smiled slightly:

"I was also thinking about this question, he said at the time,"

"Let these Cavalry guards go to Austria Meeting his people on the highest mountain in Sucheng,"

"If it wasn't an emergency and there was no one available at the time,"

"I really wanted to go and have a look."

The servant couldn't help muttering: "I just don't know,"

"His strength is not as good as compared with that organization."

## Chapter 5102

Maria didn't speak but picked up the commander of Cavalry guards guard's assault rifle.

That was cut in half by Charlie's soul-piercing blade from her hand.

Her fingers stroked the section cut that was so neat that there was almost no burr, and she murmured:

"I don't know his overall strength, but his personal strength is really strong."

"Maybe cutting a gun like this, I think his aura has already achieved a little bit,"

"If he can go further in the future, the future must be limitless."

The servant asked her: “Miss when it comes to this gun, you have put so much value.”

“The antique calligraphy and paintings were not brought out, so why did you bring out this gun?”

Maria said calmly: “You have also seen what happened just now,”

“Their people disappeared while chasing me, then they will definitely send someone over to check;”

“Before they saw this gun, they wouldn’t have thought about how the Cavalry guards missed it.”

“They might think that the Cavalry guards were just not prepared enough and were dealt with by the people around me;”

“However, if they see this gun... then the situation will be different!”

“In this world, there are only a handful of people who can do this,”

“As long as they see this gun, they will realize that they have a strong enemy, and this strong enemy has an aura.”

“There are very few people with aura. In that case,”

“Once this Charlie Wade reveals his strength, the opponent will immediately target him,”

“Which will bring him a lot of trouble.”

The servant couldn’t help but sigh: “He’s so powerful, why didn’t he expect this...”

Maria smiled and said: “Strength is strength, but the real combat experience should not be rich enough,”

“Otherwise, I won’t let me get away under his nose.”

...

At the same time.

Gothenburg, Sweden.

Since they had already obtained the video data of the Bergen scene,

And saw the eight characters written by Maria herself,

The mysterious organization behind it immediately realized that this mission had completely failed,

And Maria must have escaped long ago.

Although the Lord was furious, he could only order an early end to this mission that had completely failed.

So, the head of the team who was waiting for Cavalry guards outside the gate of Gothenburg Airport received a call from the Viscount.

On the phone, the other party said in a dejected tone:

“Don’t wait any longer, let’s start delivering the goods to the customs now, and let it take off normally.”

The person in charge exclaimed: “Master Viscount, what happened to the Cavalry guards?”

The viscount said in a cold tone: “The eight Cavalry guards have been wiped out,”

“And the target has already escaped. The Lord has terminated the plan.”

It really didn't occur to him to be defeated in this small place in Norway.

However, he knows the rules of the organization,

There are multiple sets of preparatory plans for everything,

Success has a successful follow-up plan, and failure has a failed follow-up plan.

According to the current situation, although Cavalry guards encountered problems and failed to reach Gothenburg,

But in order not to reveal his identity and the pilot,

The air transportation task that should be completed still needs to be completed.

A plane that has been waiting for a long time, carrying these materials back to Nigeria,

In order to prevent someone from finding out the problem through the abnormal empty load of the plane after checking this line.

However, now that the mission of Cavalry guards has failed,

The target person he was originally responsible for transshipment naturally no longer exists,

So there is no need for the celebrity Lolita.

So, he immediately sent a message to his subordinates, the content was only three words: Let Lolita go!

The driver who said all the good things to Lolita at the last second,

After receiving this message, immediately said to her with a dark face:

“Okay, didn’t you make an appointment with your friends? You can go back now.”

“What?” The girl suddenly asked angrily, “Why do you want me to go back now?”

“Didn’t you agree to give me a Hermes Himalayan after I finish today’s task?”

The driver said coldly: “What you said just now is correct.”

“Media reporters are not interested in matters related to Nigeria,”

“So they didn’t come here. The original interview was canceled, and you are no longer needed here.”

The girl said angrily: “Whether you need it or not is your problem.”

“I don’t care if you need it or not. Since you promised me,”

“You must fulfill it! If I can’t get my Hermes Himalayas,”

“Then I will wait here. Until I see my Himalaya!”
