

## Chapter 5110

Joseph said a little excitedly: “Mr. Wade since we are so close,”

“Why don’t you make a good plan, and all the members of the Front will be dispatched to wipe out their residence!”

Ever since Charlie extrajudicially spared his life,

He was able to preserve even his parents’ bones.

After his cultivation was blessed by misfortune and stepped into the darkness,

Joseph couldn’t wait to make contributions to Charlie.

As a person, he didn’t have too many twists and turns in his stomach.

If you owe someone, you will think about giving it back.

If you owe someone a favor, you will also think about repaying it.

Originally, he thought that Charlie would be lenient to him and incorporated the entire Cataclysmic Front,

So he would squeeze the value of the Front as much as possible,

And even make the entire Front have to work for it.

However, he never dreamed that after Charlie incorporated Cataclysmic Front,

Not only did the members of Cataclysmic Front seldom take risks for him,

But he even continued to send various resources and help to the organization.

Moreover, its handwriting is only big, completely beyond Joseph's imagination.

Among other things, the base in front of him is Joseph's biggest dream for many years.

However, although he has been in a war-torn country for many years,

He has never found a chance to get the local officials to allow Cataclysmic Front to the station in its territory.

But Charlie did it easily.

In addition, he also helped Cataclysmic Front to open up armed escort and armed security,

Two clean businesses with high returns, low risks, and completely legal.

Not only that, but he also continues to provide financial support.

With the current scale alone, in the next ten or twenty years,

Cataclysmic Front will not be able to spend all the flowers lying around.

Therefore, during this period of time, Joseph's desire to contribute to Charlie has become even more urgent.

He originally thought that the kindness he and Cataclysmic Front owed Charlie was immeasurable,

But who would have thought that Charlie in Mexico poured everyone a cup of celebration wine,

Which actually improved everyone's cultivation base!

Ever since he came back from Mexico, Joseph really dreamed of charging into the battle for Charlie and killing the enemy before the battle.

So, after hearing from him that he had mastered the exact address of a mysterious organization's residence,

He couldn't wait to unplug this residence for Charlie!

But Charlie waved his hand at this time, and said seriously:

"A copper mine guarded by hundreds of cavalry guards may have a very strong defense force,"

"Not to mention the intricate underground fortifications. If you go in rashly, you will definitely be caught by the other party."

"In this case, it is almost impossible for us to wipe out the opponent without revealing any clues,"

"And there are thousands of dead men and relatives of thousands of dead men inside."

"Next, it is also a big hidden danger."

May 47 on the side also nodded and said: "Mr. Wade is right, the dead man and their family members have to take the antidote of the organization regularly,"

"So even if they hate the organization for generations,"

"Once the organization encounters trouble, they will still subconsciously go up and do their best;"

As he said, he said again: “For the dead, the organization will give us the antidote only if we work hard for the organization,”

“Otherwise once the organization finds out that we are not loyal enough, we will be punished.”

“They will kill our relatives first, and let us see them killed with our own eyes,”

“And then publicly execute us as a punishment;”

“Only if you try your best, you will have a chance to survive, even if you die, your family will be treated kindly.”

“So, if Master Wan intends to attack this garrison, these dead men will resist desperately at the first moment.”

Hearing this, Joseph realized how impulsive he was just now.

Embarrassed, he said to Charlie very apologetically: “I’m sorry, Mr. Wade,”

“It’s your subordinates who didn’t think carefully, please forgive me!”

“You were not there at the time, so it is understandable that you do not know the actual situation of these dead men.”

He said, “Bring those seven guards here and let them introduce themselves to us.

Check out the situation at the station.”

“Your orders!”

Soon, seven Cavalry Guards were brought in.

These seven people have been very anxious since the journey because they knew very well that the poison in their bodies would explode in six days,

And if they didn't get the antidote within six days, all of them would die.

However, Charlie promised to detoxify their bodies at the beginning,

But before they saw Charlie again, Joseph took them to Syria, so they felt even more uneasy.

The moment they walked into this conference room and saw Charlie, the seven talents finally seemed to see a savior.

So, after seeing Charlie, the leader immediately said excitedly: "Sir... you are also here!"

Charlie nodded slightly, pointed to a row of empty seats in front of him,

And smiled as he said: "Sit down first, there are some situations that I need to understand with you in depth."

"No problem!" The man quickly agreed, but his expression was still a little uneasy.

He was afraid that Charlie didn't intend to detoxify them at all,

But first squeezed out all the information they knew in the past few days,

And then left them to fend for themselves.

Charlie could also see the worry and apprehension in their expressions,

So he smiled slightly, went up and patted their shoulders one by one, and then said,

“Are you worried that I won’t detoxify you as I promised?”

Seven People looked at each other in blank dismay, but no one dared to answer.

The leader mustered up his courage and nodded,

And only then did the others dare to nod lightly along with him.

Charlie smiled playfully, and said,

“It’s normal to be worried, but don’t worry now, the poison in your body has been cured!”
