

## Chapter 3388

Kori John covered her face while stumbling off the ground with a vengeful look.

“How dare you sneak up on me like that, you b\*stard?!”

“I wasn’t even ready yet!”

“This doesn’t count!”

“Oh? Is that so?”

Harvey York hooked his finger in front of Kori.

“Come back up here then.”

Kori gritted her teeth while walking forward. She took a deep breath and grabbed a longsword from the weapons rack before pointing it at Harvey.

“Let me make the first move if you dare!” she exclaimed coldly.

Harvey lightly nodded.

Kori swung her sword in the next moment.

Slap!

Harvey seemed indifferent when he swung his palm forward.

Kori screamed in pain before she was sent flying again.

And after slamming onto the ground, she could not get back up again...

The crowd was utterly shocked.

If the first slap was considered a sneak attack, the second one was clearly an obvious one.

Kori even made the first move.

Did this mean that Harvey was just way stronger?!

Without a second thought, cold sweat dripped down the backs of the furious participants.

They would not hesitate to insult useless filth...

But they would not dare go against a true talent.

Fisher Benett and the others let out sighs of relief. They knew that Harvey was impressive, but not to this extent.

Both sides of Kori's face had bright red palm prints on them. She did not cover up her face when she mumbled to herself, "How?

"How is this possible?!

"I couldn't even land a single hit..."

"Rigged?"

Harvey calmly walked to the edge of the ring and looked down at Kori.

“Do you think I need to do something like that to beat a small fry like you?”

“Kneel and apologize to Vice Branch Leader Benett already. Get out of here after you do.

“If not, I’ll sue you for slander!”

“You...”

Kori was infuriated. A vengeful gaze was showing in her eyes as she glared at Harvey.

“Apologize! Apologize!”

“Kneel! Apologize!”

People were screaming, demanding an apology from Kori.

But how could she even do that to some brown–noser who tried to pursue her in the first place?

She believed that she was in the right!

‘Harvey was just lucky! He only had the upper hand against a woman like me!

‘Good men would never go against a woman!

‘But not only did Harvey challenge me, he even slapped me in the face, twice!

‘That’s right! He was the one who lost for doing that!

“Aaah!”

Kori kept looking for excuses before she let out a horrible shriek and ran away like a lunatic under everyone’s gaze.

When Harvey easily won a place to participate in the provincial qualifiers...

Joseph Bauer was calmly enjoying his tea while listening to music in the family’s courtyard.

Ruby Murray was deftly making tea in front of Joseph when the faint fragrance of tea wafted over. It was quite a pleasing moment.

Joseph was not enjoying Ruby’s company, though. He attentively looked at the laptop screen in his hand.

He put down the laptop after a long while.

“Judging from the time, we should be able to put all the property in the second phase of Flutwell’s new district on sale.

“Did we invite all of the prominent figures for the opening ceremony as usual?

“After all, they are our most esteemed guests!”
