The Divorced Billionaire Heiress Boss Chapter 2142

Chapter 2142 Incapacitate Him

Yvette struggled in horror and opened her mouth to bite Lex's hand.However, Lex slapped her hard on the face.

Half of Yvette's face was numb and painful.She gasped for breath and stared at Lex warily.

"How dare you hit me! Even if Sean is just using me, I still have some value.If you dare to touch me, I'll never let you get away with it!"

Yvette's tone was cold, stern, and sharp.

Even if she was imprisoned, she would not allow anyone to belittle her or become this hooligan's plaything.If it really came down to it, Yvette would never compromise and fight him to the death.Lex covered his hand and sneered.

His eyes were ruthless, and his smile became even more lecherous.

"You won't let me get away with it? Even if I f*ck you right here, the boss won't do anything to me! He's willing to give such an innocent girl like Melissa to me, let alone a sl*t like you! Even if he finds out, I'll just say that you took the initiative to hook up with me!"

Lex gritted his teeth and pounced on Yvette.

Just when he touched her shoulder, Yvette screamed and scratched Lex's face fiercely with her fingernails.

A trail of blood stained Lex's face.Lex was irritated and tore at her clothes impatiently.However, Yvette did not give up so easily.Her eyes were bloodshot as she struggled and hit him.She felt repulsed by this man.

Lex dragged Yvette to a corner where no one would hear her screams.

Suddenly, there was a loud bang.Lex looked back in shock.

The door, which had been locked, was kicked open from the outside.

Sean walked in with bloodshot and gloomy eyes.His body was exuding a chill.

For a moment, the air turned cold. Yvette grabbed onto her clothes with a pale face.

The tears and finger marks on her face were particularly obvious, and her whole body was trembling violently.

Lex hurriedly straightened his messy clothes.

"Boss! Boss, listen to me.This woman tried to hook up with me when I caught her trying to escape.She wanted to hook up with me so that I wouldn't tell you!"

For some reason, Lex panicked.

Earlier, Lex even threatened Yvette and said that Sean would not do anything to him just because of a woman.However, when Lex saw Sean's grim face, he panicked.

Sean's dark eyes stared at Yvette's face.He looked at the marks on her face with gloomy eyes.

Those few seconds felt like forever as if time stopped.

Sean walked slowly to Yvette.His eyes were extremely cold as he gently raised his hand to touch the finger marks on her face.

However, as soon as he touched her, she turned her head to dodge him.Her pale face was in pain, but she looked stubborn and indifferent.

It was as if she hated him so much that she did not want to talk to him.It had only been slightly more than ten minutes when Sean did not see her.

He did not expect to see this scene! Yvette had changed out of that beautiful dress into a waiter's uniform, which was torn and messy.

Sean's eyes seemed to be hiding a raging fire that could incinerate everything in sight.He squinted his eyes and looked cold.

Lex was even more frightened when he saw that Sean did not speak.He went forward apprehensively.

"Boss! Boss, please believe me.I wasn't thinking straight.This woman seduced me, and I couldn't resist…Ahh—"

Lex's screams broke the silence in the stairwell.Sean kicked him in the chest.

Lex held onto the railing of the stairs but slipped and rolled down the stairs.

Yvette's eyelashes trembled slightly.She looked scared.

That was because she knew that Sean did not keep her by his side because he liked her.

Thus, she was wary of him.Lex rolled down and knocked his head.

Blood dripped down his hair onto his face.It was quite gory.

However, Lex could not care less at this time.He crawled up the stairs and looked nervous and remorseful.

"Boss, listen to me.It's not my fault!"

Unfortunately, Sean did not look at Lex again.He just stared at Yvette's face.

"Do you have anything to say?"

After a long time, Yvette said in a low voice, "I want to go home."

Yvette wanted to go back to her own home.She missed Lance, her mother, Fiona, and her friends.

This incident was a lesson for her.

If Yvette remembered Floyd's birthday, she would not have fallen into their trap.

From the very beginning, Yvette was played like a fool.She felt exhausted from the humiliation.

Sean looked down at her expressionless face with an angry and cold gaze.

However, before Yvette noticed it, he suppressed his emotions.His voice was hoarse and cold and somewhat negotiating.

"Wait a minute.Let me settle this first."

After that, he took her hand and walked out with a gloomy face.

Sean thought that what Yvette meant by going home was their villa.

When the two walked out of the door, the bodyguards rushed in.

Then, Yvette heard a scream that was even more tragic and sharp than before.It was hysterical, and it pierced through the silence.

Yvette stood there and froze slightly.

Sean felt it and glanced at her with dark eyes.

Seeing the marks on her face made Sean grow even colder.

The screams from the stairwell were endless and could be heard clearly from the outside.

Many people came out of the banquet hall and looked around.

However, when they saw Sean, they instantly stopped snooping.

Sean grasped Yvette's hand so tightly that she could not pull away from him.

She opened her mouth and was about to say something when the person inside dragged a bloodied man out of the stairwell.

Was that Lex? Lex looked like he was crushed to the bone, and he could not even stand up.

Two people dragged Lex out by the arms.

His screams earlier turned into a groan, and wherever he passed by was dripping with blood.

Yvette had never seen such a scene before, and her face instantly turned pale.

One of the men came out, wiped his hands, and nodded respectfully to Sean.

"Boss, he's incapacitated." Sean nodded expressionlessly as if what he had just heard was very common.

"Since he's incapacitated, get rid of him.Don't let him create trouble elsewhere."

"Yes, sir."

They had their own way of dealing with people here.It was necessary to clean up the mess to prevent unnecessary trouble in the future.

Yvette did not dare to think about it, nor did she dare to ask.She was just horrified.

Sean did not do anything to her.

Was it because he believed her? Or did he have something in store for her?
