## Chapter 1257

Charlotte Comally lang phe Lansons and asked to speak with Sophic.

Nice hearing the old lady's invitation, Sophie beamce and thanked her graciously, then said she would right over.

Meanwhile, Ron was still working at the White house. He had taken off his suit jacket carlier, and hclochori noble she read the documents on the couch, his dark waistcoat accentuating his lcan wain and luis legs elegantly crosscui.

Men taking off his suit jacket, he sat on the couch like a noble and read the documents with his dark waistcoat accentuating his lean waist and his legs elegantly crossed.

"Mr. Husson," Elijah interrupted the silence. "It's time to leave for the Husson Residence."

Ren glanced at the time on his wristwatch and smiled at a sudden thought.

On the way to the Husson Residence, Ruka fished out her phone to text Ren. She was inexplicably nervous even though she

had been to the Husson Residence countless times prior to this. Are you there yet?" she sent out a text. Ren's reply was swift. 'I'm on my way' The fact that he had wasted no time in answering her reassured her somehow. She couldn't help grinning, feeling warm and fuzzy inside as she huddled in the corner of the backseat, letting her parents' conversation become white noise.

I'm on my way too, she texted back. Then, she lifted her phone up to a slightly more flattering angle and snapped a picture of herself. She sent it to him and followed up with another picture of her making a funny face. 'Cute,' he praised wholeheartedly. She pursed her lips to keep her smile from becoming too wide. 'See you at your place! Try to reach before you do so that I can wait for you by the door.'

Ruka was practically buzzing with happiness as she read this, feeling like a child that had gotten all the candy in the world.

Moments later, Ruka and her family arrived at the Husson Residence. At the same time, Scarlet and Walter pulled up behind them.

She got out of the car and headed for the front door with her parents, then looked up to see the tall and straight figure standing by the door.

Ren was dressed in a dark-colored suit, his hair styled in his usual swept-back quiff. He looked proper and charming, not to mention imposing
