

Chapter 5111

For these Cavalry guards, the poison in their bodies is a shackle that imprisons them for a lifetime and can never be broken.

But for Charlie, it only takes a little spiritual energy to completely remove the poison in their bodies.

Therefore, when he patted their shoulders one by one just now,

He had already used spiritual energy to remove the poison from their bodies one by one.

At this time, the seven people heard Charlie say that the poison in their bodies had been cured.

They were surprised at first, and then they closed their eyes and felt it carefully.

Sure enough, the power that had gathered in the dantian before was gone!

The poison in their body is not an ordinary highly toxic substance,

But the energy cannot be controlled by the body.

This energy is like a time bomb in their body, counting down on a cycle of seven days.

Once the seven days are up, this energy will completely destroy their meridians and internal organs.

And the so-called antidote is not able to remove the toxin,

But just taking it once can reset the countdown time of the seven days.

It is precisely because of this that they can clearly feel at this moment,

That the toxin in their bodies has completely disappeared.

This made several people look shocked for a moment.

They really couldn't figure out when the toxin that they could feel just now disappeared at this moment.

The head's mind turned relatively quickly.

He remembered that Charlie had patted him on the shoulder just now, so he asked subconsciously:

"Could it be... Could it be that you patted us just now,"

"And you helped us to cure the poison?"

Charlie nodded slightly.

The man asked in amazement: "There is no cure for this kind of poison, you... how did you do it?!"

Charlie said with a smile: "The reason why there is no cure is that the poison left in your body is not a real poison,"

"But an energy that you cannot control, since you cannot control it, you must be controlled by it."

The expressions of the seven people were both surprised and happy,

And at the same time, they were more in awe of Charlie.

Although his words were few, they revealed a hierarchical relationship.

The strength of these Cavalry guards is weaker than the energy in their bodies,

That has been controlling them, and this energy is weaker than Charlie's strength.

Therefore, for them, Charlie is the most powerful ceiling in all their cognition at this stage.

The leader stood up from the chair, took a step back,

Walked around the chair, knelt down on one knee in front of Charlie, and said respectfully:

"Thank you for saving my life, sir!"

The other six people immediately got up, backed up, and got down Kneeling, and said in unison:

"Thank you, sir, for saving our lives."

Charlie nodded slightly, and said to several people:

"Sit down and talk about your understanding of the organization,"

"And see if you can provide some valuable information."

The man immediately nodded and said: "Don't worry, for everything I know I will talk endlessly!"

Charlie looked at Duncan and said, "Inspector Li, do you have any questions?"

Duncan said without hesitation: "I have a lot of questions."

Charlie nodded: "Then you can ask."

"Okay." Duncan immediately picked up his notepad,

And he had already listed the conversations Charlie had with several people just now.

There is a question that he wants to know.

The first few questions were actually asked by Charlie when he was in Bergen.

Such as their identities, intelligence, the location of the resident, and some specific information about the resident.

These seven people naturally said everything they knew in one go.

Duncan listened carefully, and after they finished introducing the basic situation,

He asked, "What is the organizational structure in Cyprus, you knights?"

The leader explained: "There are two hundred and seventy-one Cavalry guards, divided into three banners,"

"Left, middle, and right, with ninety people in each banner,"

"And three battalions in each banner, thirty people in each battalion."

"Each battalion is divided into three teams, each team has ten people, and there is a commander."

"Below are the banner commanders of the three banners, the battalion commanders of the nine battalions,"

"And the captains of the twenty-seven teams. The battalion commander of the first battalion of Commander."

He continued to introduce: "Besides, there is a Commissioner and five personal guards next to the Commissioner, but they are another He is a member of the system, and his status is much higher than ours."

Duncan asked him: "What is the official position of the Commissioner?"

The man replied: "Commissioner is the highest commander of the entire station,"

"In charge of all the people in the station. The power of life and death."

Duncan frowned and asked: "Commissioner, Commander, Cavalry guards,"

"These functional titles of yours seem to be very old, what is their origin?"

The man explained: "They all come from the Ming Dynasty military system of China."

Duncan blurted out: "This organization of yours has continued from the Ming Dynasty to today, right?"
