Chapter 2427

Chapter 2427

“Gloria said the person she liked died.” Avery said regretfully, “She said she would never get married in the future. She is a very affectionate person.”

Elliot: “She’s honest and told you everything.”

“Because I saw the scar on her wrist and asked her.

Then we talked a lot. If I didn’t ask, she wouldn’t say either. She took the

initiative to tell me. She came to work today and wore a wristband to cover the scar. I guess she was afraid that others would ask

if they saw it. I definitely wouldn’t want to tell others about this kind of thing over and over again.”

Elliot: “Well, wait for me. Once the assistant has been recruited, let’s go out for a meal together.”

“Well, I feel very busy next time. Katalina and Aqi are getting married, and Ben and Gwen are getting married.”

“Aqi and Katalina are going back to their wedding this year. It will be held in Aqi’s hometown. We will hold another one here next

year according to the request of Katalina's parents.”  
Elliot said, “Katalina's family is not bad, and her parents will not let Katalina be wronged.”

Avery: “I can understand. When Layla gets married in the future, we will definitely not let Layla suffer any grievances.”

Elliot: “Avery, don't use this metaphor.”

Avery saw Elliot who couldn't be frightened, wanted to laugh but couldn't.

If Layla wanted to marry Eric in the future, Avery couldn't imagine how Elliot would be stimulated.

When Avery got home, she first went to see the two children.

Robert was already asleep, and Layla was still reviewing her homework.

“Layla, you must go to bed before 10 o'clock.” Avery reminded her daughter, “Did Mom and Dad push you too hard?”

“No! I'm not sleepy right now. When I'm tired, I'll go to bed naturally...” Layla looked calm, “Mom, go take a shower! I'll go to bed after reading a while.”

Avery: “Well. Mom will come to check after taking a bath.”

Layla: “Got it!”

Avery came out of her daughter's room and went back to the bedroom.

Elliot had already gone to the bathroom to take a shower.

Avery listened to the sound of rushing water, took out her mobile phone from her bag, and sent a message to Eric: [Eric, are you

free now? I have something to talk to you about.]

Two minutes later, Avery received a message, the message was not from Eric, but from Eric's agent.

—Miss Tate, Eric is still working, and I have his cell phone. What's the matter with you, tell me!

Avery thought about it, and replied politely: [I have nothing to do, I just want to ask him if he is tired from work.]

Agent: [I have something to tell you. Is it convenient for you to talk on the phone now?]

Avery: [Convenient.]

The agent's phone number immediately reached Avery.

“Miss Tate, does your company have a vice president named Jesse Caldwell?”

Avery was stunned: “Yes! He's looking for you?”

“No, he didn't look for me. But he asked others about me. I found out about it. I've been waiting for him to contact me, but he

didn't contact me.” The agent was a little puzzled,

“Why did he ask for my contact information?”
