Chapter 2439

Tammy, Kara and Shea, Lilly, Maria were all at there. The little guys were on winter vacation, and now they could play together every day.

Gwen arranged work for the little guys. Let them be flower girls on their wedding day.

The staff took a few children and taught them to follow behind Gwen.

Avery, Tammy and Shea sat in the seats next to each other, looking at the children with relieved smiles.

“Gwen’s devilish figure is really enviable.” Tammy looked at Gwen wearing a dress and sighed, “Ben is really lucky, if I were a

man, I would also marry a beauty like Gwen. “

Shea praised sincerely: “Tammy, you are also very beautiful! You are so beautiful, and you are very lucky to be so beautiful!”

“You must have saved the galaxy in your last life.”

Tammy leaned her head on Shea’s shoulder and acted like a spoiled child.

Avery was about to interject when the phone vibrated in the bag.

She took out her mobile phone from her bag and saw the video call from Elliot.

After hesitating for a while, she walked outside the banquet hall and took the video call.

Elliot was watching Eric's commercial in the snow at this time, oh no, it should be said that he was watching Layla.

Layla kept staring at Eric's side, so Elliot followed for a while.

"Wife, look, how is the scenery here?" After the video call was connected, Elliot showed Avery the snow scene around him, "Let's go skiing here next time!"

"You only had surgery in the second half of the year. Let's talk about it next winter!" Avery looked at the scenery on the screen, it was really beautiful, "Where's Layla?"

Elliot immediately turned the camera towards his daughter: "Where is the camera, Where is my daughter? I'm tired."

"Haha! Then you can find a place to sit and rest for a while!" Avery saw that his cheeks were red, and she didn't know whether it was cold red or hot red, "I'm in the hotel now. Do you want to watch their rehearsal?"

"No." Elliot refused without thinking, "I just want to see you."

"We meet every day, haven't you seen enough?" Avery smiled.

“I just saw a couple sitting in the snow making out, so I miss you.” Elliot told the reason honestly.

Avery’s face turned even redder: “In the snow...Aren’t they too cold?”

“Probably with someone they like, fire is burning in their hearts.” At this point, he added, “It’s nice to be young.”

Avery: “Husband, we’re pretty young too.”

Elliot: “But we’re not ashamed of them.”

Avery: “...Don’t envy others like this face?”

Elliot: “I don’t want to go to work today.”

Avery: “Why?”

Elliot: “When the shooting is over, it’ll night when I go back to the city.”

Avery: “Is it going to take so long? Did the shooting go bad?”

Elliot : “The filming should go well, but my daughter wants to play in the snow here. She has made an appointment with Eric, and

when the filming is over, we will go skiing together.”

Avery suddenly realized: “Then you can go skiing with them!”

“My daughter didn’t invite me.” Elliot said sadly, “She only sees Eric in her eyes, but she can’t see her old father at all. I’m not old

yet, and she doesn’t take me seriously anymore...”

“Give your phone to your daughter, I want to have a word with her.” Avery can understand Elliot’s mood in particular.

If Layla continued like this, Avery was afraid that the contradiction would deepen in the future.
