Chapter 2445

“Then you can accompany me back to your hometown during the Spring Festival!” Hayes arranged with a smile, “Don’t worry, I will not let you be wronged. Since you are my girlfriend now, I will definitely do my best to treat you well...”

Gloria selectively blocked what Hayes said.

The next day, in the morning.

After Avery arrived at the company, she dialed Gloria’s internal number and asked her to come to the office.

Gloria soon came to Avery’s office.

Avery took out an exquisite small paper bag and handed it to her: “This is the wedding candy I got from the wedding rehearsal at the hotel yesterday. I’ll give it to you.”

Gloria accepted with a smile: “Thank you, President Tate. Whose wedding candy is this?”

“It’s my husband’s sister’s. She and the chief financial officer of Sterling Group are getting married.” Avery said with a smile.

Gloria: “That’s really a happy event.”

“Well.”

Avery saw the red mark on her neck, so she asked, “What’s wrong with your neck? Is it an allergy?”

Any traces on the skin could be seen clearly.

With an unnatural look, Gloria reached out and touched her neck: “Maybe I was bitten by a bug. The lighting in the rented house is not very good.”

“Then let’s change the house! Are you short of money? I’ll pay you your salary first!” Avery said, “It’s very uncomfortable to live in a house with poor lighting.”

“Thank you, President Tate, no need. I just rented it, and I’ll change the house after three months.” Gloria said politely, “If it’s nothing. I’ll go to work first. Thank you for the wedding candy.”

Avery: “Well, let me know if you have any difficulties.”

“Okay.” After Gloria nodded slightly, she exited Avery’s office.

After coming out of the office, Gloria strode towards the bathroom.

Last night, Hayes tortured her all night.

She had never suffered such humiliation.

Such grievances, she could not tell anyone.

Her family disapproved of her coming to Aryadelle. If she said she was wronged here, her family would only force her to go back.

She couldn't just compromise her fate like that.

She wanted to find a way to deal with Hayes.

...

At noon, Avery received a call from Mike and asked her to go to the airport to pick him up.

Mike and Chad came back to attend the wedding of Ben and Gwen.

“You are waiting for me at the airport, and I'll pick you up right away.” Avery picked up her bag and walked out of the office

immediately, “Chad came back with you, right?”

“You don't need to worry about Chad. He has already taken a taxi to Sterling Group. He said he was going to see Elliot's new

assistant.” Mike said, “He was afraid that Elliot's new assistant would not do well enough. So this time, he plans to bring the new

assistant with him. Just in time, I will also visit your company to look at your new assistant.”
