Chapter 2454

“You are going to be Avery’s assistant.” Gritting his teeth, Mr. Wiens said, “Others found out that you are from Yonroeville, so

someone from Yonroeville began to investigate your details, and finally found out that you have something to do with Lorenzo!”

Gloria: “So what if I have something to do with Lorenzo? Just because I know him, do I have to die too?!”

“Hehe! No one wants your life! But you definitely can’t go to Aryadelle again!” After Mr. Wiens scolded her, he changed the topic,

“I’ll give you Arranged a marriage, before the end of the year, you will get married! I can’t control you, of course someone can control you!”

“Dad! I don’t want to marry! I don’t have to go to Aryadelle, I don’t go anywhere, but don’t let me marry!” Gloria cried and exclaimed.

“You have to marry if you don’t want to marry! Gloria, I warn you, you caused the disaster, and you must settle it for me! After you

marry, you will have nothing to do with this family! If you want to cause trouble again in the future, you will have nothing to do

with it! Waiting for your husband's family to take care of you!" After Mr. Wiens finished speaking, he left with a flick of his sleeves.

Mrs. Wiens hugged her crying daughter and patted her on the back.

"Gloria, your father was threatened. That's why he said such harsh words to you." Mrs. Wiens choked up, "He has nothing to do.

You offended someone we can't afford to offend."

Gloria: "Mom, I-I don't understand, how did I offend those people? I was just an assistant for Avery, and Avery treated me very well..."

"Daughter, have you ever thought that the problem is not with Avery, but with us Country?" Mrs. Wiens was so worried these days that she couldn't sleep all night.

Whether it's an accident in the Wiens family, or rashly marrying off their daughter, this was not what Mrs.

Wiens wanted. But now

between the Wiens family and her daughter, Mrs. Wiens had to make a choice.

"Mom, what do you mean...?" Gloria felt a heavy knock on the head, and suddenly burst out.

“I don’t have any evidence, but I think it might be like that.” Mrs. Wiens didn’t make it clear, “This matter is far more complicated than we thought... Daughter, we can’t continue to go into this muddy water... Whether it’s Avery, Elliot, or anyone else, don’t contact them any more. You’re just being honest and ready to get married.”

“...Who are you going to marry me?” Gloria looked at her mother blankly, feeling that her heart was dying little by little.

She didn’t hear a word of her mother’s answer.

After her mother finished speaking, Gloria suddenly remembered one thing: “Mom, I have a boyfriend in Aryadelle. I already live with him.”

The expression on Mrs. Wiens’s face suddenly became hideous.

In Yonroeville, if an unmarried woman lived with another man before she got married, she would be rejected by her husband’s family.

If Gloria got married like this, she was afraid that she would not have a good life at her husband’s house in the future.

“I’m so disappointed in you! I’m so regretful now! I shouldn’t give you a penny!” After Mrs. Wiens said this, she returned to her room angrily.

Gloria felt a darkness in front of her eyes, she could no longer bear the weight of her body, and let her body fall. Seeing this, her brother immediately supported her.

“Gloria, our father was found the day before yesterday. That person must have threatened our father, who came back late that

night. If you don’t get married, others will definitely deal with our family. Although our family has a little money, it is a real

consortium. In comparison, it’s nothing. The man you’re marrying looks ugly, but his family is quite rich. Once you’re married, as

long as you accept your arrogant temper, they won’t target you. After all, our family is still a little thin.”

“Brother, I don’t want to get married.” Gloria said in a hoarse voice, “I didn’t do anything, why should I do this to me? Why should they? I’m not an object... “

“Gloria, Dad told you so much, Mom told you so much, and I explained it to you, but you still don’t understand! Do you really

understand, or do you want to drag us to death? You  
No matter what you want to do now, we won't let you  
do it! From today, you  
are not allowed to leave the house for half a step until  
you get married! Also, give me your mobile phone!"

Gloria: "Brother, do you want to put me under house  
arrest?"

Gloria's brother: "Yes!"
