Chapter 2463

Norah: “Help me, and betray me...that’s all I know, I really don’t want to continue to fight against you.”

Elliot got up from the sofa and strode away.

Norah should really not know more information.

If Norah knew, she wouldn’t ask Hayes to help find someone with a scar on her hand.

Gloria came back to Yonroeville, and Yonroeville had a big problem.

After Elliot and the bodyguard left, Norah took a deep breath.

After a while, Norah picked up the phone, found Hayes’s number and dialed it.

“Elliot came to look for me just now, Hayes, did you betray me?!” Norah roared angrily, “You are such a guy who has more than accomplished nothing!”

“Norah, I was going to ask you! Just because I knew you, I was fired! You are so unlucky, how could I take the initiative to let

Elliot know?!” Hayes is now in his rented house, calling Gloria’s number over and over again, but he couldn’t get through.

Just when Hayes was discouraged, Norah called him.

She was full of anger and had no place to attack.

“You didn’t tell Elliot, so who exposed us? The problem must be on your side! I stay at home every day without doing or saying

anything!” Norah was very annoyed.

This was her turnaround, and it ended before it really started.

“Don’t trouble me! I didn’t say anything, I didn’t do anything. It must have been Gloria who betrayed me!”

Hayes, “Avery’s new

assistant is the one with scars on the wrist you are looking for! She’s back in Yonroeville, and she doesn’t answer my phone

anymore, so she probably shakes our affairs out!”

Norah: “...Gloria?! That person from Yonroeville?”

Hayes: “Yes! She’s scar on her wrist.”

“F*ck! When did you know about this? Why did you tell me now? Did Elliot also know?” Norah growled.

Hayes: “Of course Elliot knows. He came to ask me, dare I not say it? Norah, you have hurt me! Now that I was fired by Sterling

Group, it will be difficult for me to find a job in the future!”

“Hahaha! As long as you want to live, you won’t starve to death! Since you are useless, there is no need for us to contact you in

the future!” Norah was very annoyed, and after talking on the phone, she directly blocked Hayes.

“Gloria...” Norah didn’t expect that the person who bought Haze was actually Gloria!

This woman was not too timid!

As soon as Gloria graduated, she dared to lurk beside Avery, not knowing what she wanted to do when she came to Avery.

Norah didn’t even know where Haze was hidden by Gloria.

Hayes said that Gloria had returned to Yonroeville, and it was estimated that Elliot would go to Yonroeville to find the woman

soon.

Although Yonroeville was not Elliot’s territory, Elliot’s network in Yonroeville was almost equivalent to Aryadelle being his territory.

Norah desperately dialed Sasha’s number.

Norah: “Sasha, our plan has failed. Elliot knows it all.”

Sasha: “I knew you would say anything. If I didn’t tell you at the beginning, I might find it myself, and maybe it would work.”

Norah: “I’m sorry! I’m a little confused right now. I don’t know what to do next.”

Sasha: “Live with the flow! I don’t think you should stop playing it and find a man to marry!”

Norah: “Sasha, I have really considered getting married these days.”

Sasha: “Then you go find the man. By the way, you didn’t disclose my information to Elliot, did you?”

Norah: “No. Elliot didn’t ask you at all. That’s all we know, and it won’t help if he forces us to death.”

...

After Elliot came out of Norah’s house, he called Avery.
