Chapter 2466

In the past few days after her daughter died, Mrs. Wiens would have nightmares as long as she closed her eyes.

For the sake of the entire Wiens family, Mrs. Wiens could only choose to sacrifice her daughter, but that doesn't mean she doesn't feel heartache.

After the two entered the room, Elliot said: "I don't have any of your daughter's relics. I want to chat with you alone because I want to know who killed her. If it's just because of forced marriage, I don't think she was forced to death, there must be other reasons."

Mrs. Wiens: "Mr. Foster, what do you think? Our Wiens family is just an ordinary family in Yonroeville. Our family of five is a good family. Yes, but now it's like this. Mr. Foster, you can't imagine how painful I am."

Elliot: "The pain is more than your family? You just need to tell me who the person behind is!"

“You know and then go to trouble him. Do you think that after you do that, our family will not be punished?”

Mr. Foster, why are

you so naive?” After taking a deep breath, Mrs. Wiens continued, “I don’t know anything. I don’t know.”

“According to the clues I have, your daughter bought my daughter Haze at the beginning. Do you think your daughter will be able

to leave the relationship after your daughter’s death?

Then you may not know me well. You can go out and ask.” Elliot

threatened, “Either give me back my daughter, or tell me who killed your daughter! It’s a dream if you want to be alone!”

Mrs. Wiens realized the seriousness of the matter, and her face suddenly turned pale.

“Mr. Foster, first of all, I don’t know about my daughter buying your daughter. I really don’t know. I only know that my daughter

likes Lorenzo Paquette. After Lorenzo’s death, she was devastated and decided to go to Aryadelle to go to university...In order

for my daughter to come out, I secretly gave her living expenses for her to go to college. I don’t know anything about other

things.” Mrs. Wiens said seriously.

“Then pretend that you really don’t know about this matter! But who killed your daughter, you must know about it?” Elliot asked.

Mrs. Wiens shook her head: “My husband was invited to a dinner a few days ago. He didn’t tell me who invited him. When he came back from that dinner, he told me that our family was in trouble. We must call Gloria back to marry him. She really committed suicide because of forced marriage. She committed suicide once before. That time was because of Lorenzo. Mr.

Foster, I have told you everything I know. My daughter is dead and our family has already been punished...”

Elliot: “Can you give me the mobile phone your daughter used before she was alive? I will continue to look for my daughter.”

“Gloria’s mobile phone is with my youngest daughter, and my youngest daughter goes to school. When she comes back, I’ll ask

her to take out Gloria’s phone.” Mrs. Wiens said, “Mr. Foster, Gloria is a very cautious person, and there may not be any clues

you want in her phone. She About Lorenzo, if she hadn’t committed suicide, I wouldn’t have known about it.”

“You mean you want me to do nothing and let my daughter disappear?” Elliot sarcastically.

Mrs. Wiens: “No. Of course I don’t mean that. If your daughter is really bought by my daughter, my daughter will definitely not

treat your daughter badly. My daughter is very kind...”

“If your daughter is really kind, He should return the child to me immediately after buying my daughter!

Who doesn’t know that

child is mine?” Elliot’s eyes were covered with frost.

“Mr. Foster, it’s useless for you to lose your temper with me. My daughter is already dead. My daughter bought that child for the

purpose of saving that child. My daughter is really kind... if she is any more bad At one point, she would not rather die herself

than to protect our family. If she was a little more cruel, she could cut ties with her family and live in Aryadelle by herself. She

never liked the living environment in Yonroeville...”

Mrs. Wiens defended her daughter.

“It doesn’t matter how much you explain to me! Your daughter is innocent, and my daughter is even more innocent!” Elliot said

coldly, “I have been looking for her for three years.”

“Mr. Foster, I am very sad that my daughter is dead. I don’t know how to comfort you, because no one has ever comforted me.”

Mrs. Wiens said here, her eyes moist.

In the evening, Giselle Wiens came home from school. Mrs. Wiens immediately took Giselle to the room, and Elliot entered the room behind the mother and daughter.

“Take out your sister’s phone.” Mrs. Wiens said to her youngest daughter.

Giselle looked at Elliot and said vigilantly, “Mom, who is he? What do you want me to do with my sister’s cell phone?”

“He is Elliot. He said your sister bought his child. Your sister died, I can’t explain it to others, so I can only hand over your sister’s mobile phone.” Mrs. Wiens explained.

“Oh...” Giselle immediately went to find out her sister’s mobile phone and handed it to her mother.
