

When His Eyes Opened

Chapter 2468

Chapter 2468

When Elliot saw Giselle's tears welling up, he felt pity.

Elliot: "If you didn't lie, then you don't have to be afraid of anything. I won't attack innocent people."

Giselle: "I didn't lie..."

Elliot turned and walked to the door, and opened it.

Mr. Wiens and Mrs. Wiens stood at the door, looking anxious.

"Mr. Wiens, it's your turn." Elliot looked at Kai Wiens sternly.

According to Mrs. Wiens and Giselle's statements, they did not know Haze's whereabouts.

Since Haze's whereabouts cannot be found, they can only dig deep into the mastermind behind Gloria's death.

Mr. Wiens sighed: "Let's talk in the living room! My wife and children have nothing to avoid."

"Go and talk! I'll stay with my daughter for a while."

Seeing her daughter's face full of tears, Mrs. Wiens went into her daughter's room with distress.

Elliot and Kai sat down on the sofa in the living room, and the servant served them a cup of tea and then stepped back.

“Mr. Foster, you have stayed at my house for a day today. You must not dig out something from me. You are not planning to leave.” Mr. Wiens said, “I can assure you that we are wronged. My wife just now told me that Gloria bought your daughter. I only found out about such a sensational thing now! If I knew about this earlier, I would definitely force her to return the child to you!

Don’t mention me After doing this, you will give me benefits, and just because I don’t dare to offend you, I will do it!”

Elliot listened quietly to him confiding his heart.

“Gloria was actually quite obedient, at least she was really obedient when she was a child. I asked her to learn tea art performance. She didn’t want to, but in order to please me, she studied for more than ten years without interruption. She was so obedient child started to become rebellious just because she met that ba*tard Lorenzo Paquette. What she did later was all because of Lorenzo Paquette!” Mr. Wiens was very angry when he said this, “Blame me, blame me. She was in contact with any

opposite sex, which made her stupid in this aspect!
Lorenzo was nothing but a dog next to Kyrie Jobin! She
loved this dog so
much! I was really going to die of anger!”

“If Kyrie is not dead, how dare you say such a thing?”
Elliot said coldly.

Mr. Wiens realized that he was agitated, and
immediately cleared his throat: “Mr. Foster, you had a
good relationship with Mr.

Jobin, and you should know the status of Lorenzo.

Although our Wiens family is not a big family and is
not bad. How could I

marry my daughter to Lorenzo?”

“Okay, stop talking nonsense. Who forced you to
marry your daughter? Tell me the other party’s contact
information.” Elliot asked
bluntly.

“Actually, he didn’t force me to marry my daughter. I
wanted him to invest in me, so he asked for a marriage.

I’ll give you his

number, and you go and interrogate him! I know, my
wife knows, I know My youngest daughter has already
told you everything

she knows. Our family really can’t afford to offend
you!”

After Mr. Wiens gave Elliot a phone number, Elliot left
the Wiens family.

After Elliot's car drove away, Mr. Wiens heaved a sigh of relief.

The other side.

In Nick's mansion, there were a few familiar faces.

After Kyrie's death, their brothers divided up the family property of Kyrie except Jobin Industries.

After that, it was to integrate the divided property with his own property.

Everyone made a lot of money.

After everyone was busy, there would not be much walking around.

This time, because Elliot came to Yonroeville, some people panicked.

In the huge living room, smoke curled up.

"Why don't we kill Elliot too!" The second brother held a cigar in his hand, looked at the other brothers, and said, "I've already

found out, he's been in Yonroeville for a whole day, but he did not contact us. It means that he may suspect us!"
